Discussion of Compensation of Mayor and Council

Mr. Sobota presented the information that was contained in the agenda packet and advised the Commission that information presented two years ago was presented again and updated.

While reviewing the data of comparable communities reviewed two years ago and revised this year, Commissioners noted that the Mayor's salary appears reasonable but that consideration should be given to increasing Council compensation. Commissioners stated that they are compensating the position, not the person. Considerable time was spent reviewing the formal compensation plan for the mayor approved by the Commission two years ago with discussion on the logic of arriving at the package.

The Commission requested a copy of the proposed city charter, the cost of life insurance, and the compensation paid to the mayor and city council members of Auburn Hills.

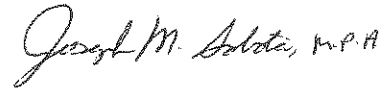

Public Comment

No members of the public were present.

Adjournment

Moved by Taylor, supported by Jones, to adjourn. **Motion carried by unanimous vote.** Meeting adjourned at 6:36 p.m.

Respectfully submitted,

Joseph M. Sobota, M.P.A.
City Administrator
