**CITY OF PONTIAC  
ORDINANCE NO. \_\_**

**AN ORDINANCE AMENDING CHAPTER \_\_\_\_ ENTITLED PONTIAC CODE OF  
ORDINANCES FOR THE CITY OF PONTIAC TO ADD ARTICLE \_\_\_\_ TO CHAPTER  
\_\_\_\_ LICENSES RELATED TO MEDICAL MARIHUANA FACILITIES.**

**THE CITY OF PONTIAC ORDAINS:**

**Section 1.** Chapter \_\_\_\_ of the Pontiac Code of Ordinances is hereby Amended to add Article \_\_\_\_ to read as follows:

**Article IV. Medical Marihuana Establishment Licenses.**

- Sec. 30-70. Definitions, Interpretation and Conflicts.
- Sec. 30-71. License Allocation and Annual Fees.
- Sec. 30-72. Medical Marihuana Facility License Application.
- Sec. 30-73. Minimum Operational Standards of Medical Marihuana Provisioning Centers.
- Sec. 30-74. Minimum Operational Standards of Medical Marihuana Grower Facilities.
- Sec. 30-75. Minimum Operational Standards of Safety Compliance Facilities.
- Sec. 30-76. Minimum Operational Standards of a Processor.
- Sec. 30-77. Location of Medical Marihuana Provisioning Centers.
- Sec. 30-78. Location of Medical Marihuana Facilities Other Than Provisioning Centers.
- Sec. 30-79. Denial and Revocation.
- Sec. 30-80. Penalties and Discipline.

**30-70. - Definitions, Interpretation and Conflicts.**

For the purposes of this chapter:

(a) Any term defined by the Michigan Medical Marihuana Act, MCL 333.26421 et seq., as amended ("MMMA"), shall have the definition given in the Michigan Medical Marihuana Act, as amended. If the definition of a word or phrase set forth below conflicts with the definition in the MMMA, or if a term is not defined but is defined in the MMMA, then the definition in the MMMA shall apply.

(b) Any term defined by 21 USC 860(e) shall have the definition given by 21 USC 860(e).

(c) This Ordinance shall not limit an individual's or entity's rights under the MMMA. The MMMA supersedes this Ordinance where there is a conflict between them.

(d) All activities related to Medical Marihuana, including those related to a Medical Marihuana Provisioning Center, a Medical Marihuana Cultivation Facility, Secure Transporter, Processor or a Safety Compliance Facility shall be in compliance with the Medical Marihuana Facilities Licensing Act ("MMFLA") and the rules of the Michigan Department of Licensing and Regulatory

Affairs ("LARA") or any successor agency, rules, and regulations of the City of Pontiac, and the MMMA.

(e) Any use which purports to have engaged in the cultivation or processing of Medical Marihuana into a usable form, or the distribution of Medical Marihuana, or the testing of Medical Marihuana either prior to enactment of said act, or after enactment of said act but without obtaining the required licensing set forth in this Ordinance, shall be deemed to not be a legally established use, and therefore not entitled to legal nonconforming status under the provisions of this Ordinance and/or state law.

(f) The following terms shall have the definitions given:

"Cultivation" or "Cultivate" as used in this Ordinance shall mean (i) all phases of growth of marihuana from seed to harvest; or (ii) preparing, packaging or repackaging, labeling, or relabeling of any form of marihuana; or (iii) to the extent permitted by the MMMA, if at all, the extraction of resin from the marihuana or the creation of marihuana infused products for sale or packaged form to a Medical Marihuana Provisioning Center.

"Medical Marihuana" means any marihuana intended for medical use that meets all requirements for Medical Marihuana contained in the MMMA and any other applicable law.

"Medical Marihuana Provisioning Center" means a licensee that is a commercial entity located in the City that has a license from the State and the City that purchases marihuana from a grower or processor and sells, supplies, or provides marihuana to registered qualifying patients, directly or through the patients' registered primary caregivers. Medical Marihuana Provisioning Center includes any industrial property where marihuana is sold at retail to registered qualifying patients or registered primary caregivers. A noncommercial location used by a primary caregiver to assist a qualifying patient connected to the caregiver through the department's marihuana registration process in accordance with the Michigan Medical Marihuana Act is not a Medical Marihuana Provisioning Center for purposes of this ordinance.

"Medical Marihuana Grower Facility" means a licensee that is a commercial entity located in the City and is licensed by the State and City that cultivates, dries, trims or cures and packages marihuana for sale to a Processor or Medical Marihuana Provisioning Center that is licensed for 500, 1,000, or 1,500 marihuana plants.

"Medical Marihuana Facility" term used to collectively refer to a licensee under this Chapter.

"Person" means an individual, partnership, firm, company, corporation, association, sole proprietorship, limited liability company, joint venture, estate, trust, or other legal entity.

"Processor" means a licensee that is a commercial entity located in this City that has a license issued by the State and City that purchases marihuana from a grower and that extracts resin from the marihuana or creates a marihuana-infused product for sale and transfer in packaged form to a Medical Marihuana Provisioning Center.

"Safety Compliance Facility" means a licensee that is a commercial entity that is licensed by the State and City that receives marihuana from a Medical Marihuana Facility or a registered qualifying patient or a registered primary caregiver, tests it for contaminants and for tetrahydrocannabinol and other cannabinoids, and returns it to the Medical Marihuana Facility or a registered qualifying patient or registered primary caregiver with the test results.

"Secure Transporter" means a licensee that is licensed by the State and City that is a commercial entity located in this City that stores marihuana and transports marihuana between Medical Marihuana Facilities for a fee.

"Stakeholder" means, with respect to a trust, the beneficiaries, with respect to a limited liability company, the managers or members, with respect to a corporation, whether profit or non-profit, the officers, directors, or shareholder, and with respect to a partnership or limited liability partnership, the partners, both general and limited.

"Restricted/Limited Access Area" means, a building, room or other area under the control of the licensee with access limited to qualifying patients, designated caregivers, staff members, and other licensee agents or service professionals conducting business within the licensed Facility.

### **30-71. - License Allocation and Annual Fees.**

(a) No person shall operate a Medical Marihuana Provisioning Center, Medical Marihuana Grower Facility, Processor Facility, Safety Compliance Facility or Secured Transporter License in the City of Pontiac without first obtaining a license to do so from the City Clerk and the State of Michigan.

(b) The City Clerk may issue up to four (4) licenses for Medical Marihuana Provisioning Centers, up to two (2) licenses for Grower Facilities, up to two (2) for Processor Facilities, up to two (2) Safety Compliance Facilities, and up to two (2) Secure Transporter Licenses, whether profit or non-profit. The term of each license shall be one (1) year and shall be renewed annually unless revoked per Section 30-79.

(c) The non-refundable one-time application fee for a Medical Marihuana Facility license shall be up to \$5,000.00 as determined by Council by resolution. The first year and each succeeding year the annual fee for a Medical Marihuana Facility License shall be \$5,000.00 to help defray administrative and enforcement costs associated with the operation of a Marihuana Facility in the City.

(d) As set forth in paragraph (c) above, no one individual or Stakeholder shall be allowed to have more than one license for each category of the Medical Marihuana Facilities, except as allowed by State law. The term of each license shall be one (1) year, and shall be renewed annually unless revoked per Section 30-79.

### **30-72. - Medical Marihuana Facility License Applications.**

(a) Application for a Medical Marihuana Facility license required by this Chapter shall be made under oath and in writing to the City Clerk on a form approved by the Clerk, and approved by the State of Michigan, if required, prior to commencing operation of a Medical Marihuana Facility. Upon the expiration of an existing license, a license will be automatically renewed by the City of Pontiac if (1) there are no uncured administrative violations in the prior year; and (2) the applicant has paid the annual licensing fee for the renewal period; and (3) any Stakeholder changes have been fully disclosed to the City of Pontiac.

(b) An application for a Medical Marihuana Facility license required by this chapter shall contain the following:

(1) The appropriate non-refundable application fee and the refundable licensee fee in the amount per section 30-71(c);

(2) If the applicant is a sole proprietorship, the applicant's name, date of birth, physical address, copy of photo identification, email address, and one or more phone numbers, including emergency contact information;

(3) If the applicant is not an individual, the names, dates of birth, physical addresses, copy of photo identification, email addresses, and one or more phone numbers of each stakeholder of the applicant, including designation of the highest-ranking stakeholder as an emergency contact person and contact information for the emergency contact person. Articles of Incorporation, assumed name registration documents, Internal Revenue Service SS-4 EIN confirmation letter, and the operating agreement of the applicant, if a limited liability company;

(4) The name and address of the proposed Medical Marihuana Facility and any additional contact information deemed necessary by the City Clerk;

(5) For the applicant, for each stakeholder of the applicant, and each agent or employee of the applicant, an affirmation under oath as to whether they are at least 21 years of age and have never been indicted for, charged with, arrested for, convicted of or pled guilty or nolo contendere to a felony or controlled substance related misdemeanor, and if not the case, then the name and location of the court, arresting agency, and prosecuting agency, the case caption, the offense, the disposition, and the location and length of incarceration;

(6) A signed release authorizing the Oakland County Sheriff's Department to perform a criminal background check to ascertain whether the applicant, each stakeholder of the applicant, each operator and employee of the applicant meet the criteria set forth in this Ordinance;

(7) The name, date of birth, physical address, copy of photo identification, and email address for any operator or employee of the Medical Marihuana Facility, if other than the applicant;

(8) An affirmation under oath as to whether the applicant or operator has had a business license revoked or suspended, and if revoked or suspended, then the reason therefore;

(9) Proof that the applicant, operator and their employees are primary caregivers, only if required under the MMMA;

(10) One of the following: (a) proof of ownership of the entire premises wherein the Medical Marihuana Facility is to be operated; or (b) written consent from the property owner for use of the premises in a manner requiring licensure under this chapter along with a copy of the lease for the premises;

(11) Proof of an insurance policy covering the Medical Marihuana Facility and naming the City as an additional insured party, available for the payment of any damages arising out of an act or omission of the applicant or its stakeholders, agents, employees, or subcontractors, in the amount of (a) at least one million (\$1,000,000.00) dollars for property damage; (b) at least two million (\$2,000,000.00) dollars for injury to one person; and (c) at least four million (\$4,000,000.00) dollars for injury to two or more persons resulting from the same occurrence. The insurance policy underwriter must have a minimum a.m. Best company insurance ranking B+;

(12) A description of the security plan that complies with LARA requirements for the Medical Marihuana Facility, including, but not limited to, any lighting alarms, barriers, recording/monitoring devices, and/or security guard arrangements proposed for the Facility and premises. The security plan must contain the specification details of each piece of security equipment and be approved by the Oakland County Sheriff's Department;

(13) A Floor Plan or blueprint drawn to scale by a State of Michigan licensed engineer or architect showing the footprint of building, lot lines, setbacks, all dimensions, and elevations of the Medical Marihuana Facility building. The quality of the improvements to an existing building will be considered in determining the successful Licensees;

(14) An affidavit that neither the applicant nor any stakeholder of the applicant is in default to the City. Specifically, that the applicant or stakeholder of the applicant has not failed to pay any property taxes, special assessments, fines, fee or other financial obligations to the City;

(15) An affidavit that the transfer of marihuana to and from Medical Marihuana Facilities shall be in compliance with the MMFLA;

(16) A Staffing Plan;

(17) Any proposed text or graphical materials to be shown on the exterior of the proposed Medical Marihuana Facility;

(18) Patient Education plan;

(19) Description of the process for tracking quantities and inventory controls for Medical Marihuana in any form;

(20) A Business Plan;

(21) Community Benefit: While applicants are not required to agree to the below community benefits, applicants may agree to all or parts of the community benefits set forth below and receive the additional points set forth below in scoring these applications.

1. Agree that 30% of applicant's employees at the Pontiac facilities on a calendar year basis will be residents of Pontiac. This will be determined by a review of payroll records after the end of each calendar year. If applicant fails to meet this requirement it will pay to the City as a penalty 8% of the gross revenue of the Pontiac facilities for the calendar year in which the required percentage is not complied with - 10 points will be awarded for agreeing to this provision.

2. Agrees to pay at least \$16.00 per hour to all the employees working at the Pontiac facilities who are not managers in each calendar year. Compliance will be determined by a review of payroll records of the Pontiac facilities after the end of each calendar year. In any calendar year in which applicant fails to meet this requirement it will receive notice from the City and applicant must comply within 90 days after which time a second review of the payroll records shall be performed to determine if there is compliance. If applicant fails, the second audit it will receive notice of non-renewal of its license at the end of its current license - 5 points will be awarded for agreeing to this provision.

(22) A location area map of the Medical Marihuana Facility and surrounding area that identifies the relative locations and the distances (closest property line to the subject Facility's property line) to the subject Medical Marihuana Facility to the closest real property comprising a public or private elementary, vocational or secondary school; or another licensed Medical Marihuana Facility, or any liquor store establishment;

(23) A Facility Sanitation Plan that complies with LARA regulations and protects against any marihuana being ingested by any person or animal, indicating how the waste will be stored and disposed of, and how any marihuana will be rendered unusable upon disposal. Disposal by on-site burning or introduction in the sewerage system is prohibited;

(24) Verification, with copies of actual bank statements, showing that the applicant has liquid funds in the applicant's name in the amount needed to complete the Medical Marihuana Facility, but in no event less than the capitalization requirements of LARA regulations;

(25) As it relates to a Medical Marihuana Grower Facility, the following additional items shall be required:

(i) A Cultivation Plan that includes at a minimum a description of the cultivation methods to be used, including plans for the growing mediums, treatments and/or additives;

(ii) A Product Testing Plan that includes at a minimum a description of how and when samples for laboratory testing will be selected, what type of testing will be requested, and how the test results will be used that complies with the requirements of LARA regulations;

(iii) An affidavit that at least one primary caregiver, if required and permitted under the MMFLA or MMMA, is to be involved in cultivation of Marihuana Grower Facility and no more than the permitted number of Medical Marihuana plants per the MMMA, as amended, and the MMFLA will be cultivated on the premises at any one time;

(iv) A Chemical and Pesticide Storage Plan that states the names of pesticides to be used in cultivation and where and how pesticides and chemicals will be stored in the Facility, along with a plan for the disposal of unused pesticides;

(v) All cultivation must be performed indoors or in an enclosed greenhouse;

(vi) A Plan for the storage of marihuana product(s) that complies with the requirement of LARA regulations.

(c) Prior to receipt of a completed Medical Marihuana Facility application meeting the requirements of this chapter, the Clerk shall establish a 45-day period in which applications will be accepted by the Clerk. The City Clerk shall refer a copy of the application received during the 45-day period to the Administration for their review and approval. Once applications are verified by each department to be sufficiently complete and comprehensive, and in compliance with the City ordinances and State law they will be forwarded to the Mayor's office for review and determination of the number of points each applicant shall receive for the Community benefits agreed to and for final approval as outlined in the approval process in paragraph (e) of this subsection, below.

(d) No application shall be approved unless:

(1) Prior to occupancy, the Fire Department and the Building Safety Office have inspected the proposed location for compliance with all laws for which they are charged with enforcement and have certified compliance with the City Fire Code and Building Code;

(2) The applicant, each stakeholder of the applicant, and the employees and operators of the applicant, have passed a criminal background check conducted by the Police Department;

(3) Prior to occupancy, the Zoning Administrator has confirmed that the proposed location complies with the Zoning Code and RFP;

(4) The City Treasurer has confirmed that the applicant and each stakeholder of the applicant are not in default to the City;

(5) The City Attorney has completed a detailed review of the Medical Marihuana Facility application for compliance with State law and City ordinances;

(6) If the proposed location is not owned by the license requestor, a notarized acknowledgement document executed by the owner of the property approving the purpose shall be required.

(e) If written approval is given by each individual or department identified in Subsection (c), the Administration shall decide how many of the licenses set forth in section 30-71 (b) are to be issued. The Administration will then select from the approved applicants the applicants with the highest score. If there are applications with the same score that are eligible for a license, they will be chosen by lottery. All licenses issued are contingent upon the State of Michigan issuing a license for the operation under State law. All licenses are a revocable privilege granted by the City and are not a property right; The Council by resolution can establish subsequent period to accept applications if not all of the licenses are issued in the initial selection, all subsequent licenses to be issued shall follow the above procedures.

(f) Licensees shall report any other change in the information required by Subsection (b) to the City Clerk within ten days of the change. Fees shall be set by Council Resolution for any stakeholder added after the original Application is filed; and

(1) The Processor shall comply at all times and in all circumstances with the MMMA, MMFLA, and the general rules of the department of licensing and regulatory affairs, as they may be amended from time to time;

(2) Consumption and/or use of Medical Marihuana shall be prohibited at the Cultivation Facility;

(3) The premises shall be open for inspection and investigation at any time by City investigators for possible violation(s) of State and City laws during the stated hours of operation and as such other times as anyone is present on the premises;

(4) Any Processor Facility shall maintain a logbook and/or database identifying by date the amount of Medical Marihuana and the number of Medical Marihuana plants on the premises which shall not exceed the amount permitted under the Processor license issued by the State of Michigan. This log shall be available to law enforcement personnel to confirm that the Processor does not have more Medical Marihuana than authorized at the location and shall not be used to disclose more information than is reasonably necessary to verify the lawful amount of Medical Marihuana at the Facility;

(5) All Medical Marihuana plants will be tagged and labeled for tracking identification as required under LARA regulations with unique identification at a minimum.

(7) All Medical Marihuana shall be contained within the building in a locked Facility in accordance with the MMMA and MMFLA, as amended;

(8) All necessary building, electrical plumbing and mechanical permits shall be obtained for any portion of the structure in which electrical wiring, lighting and/or watering devices that support the cultivation, growing or harvesting of marihuana are located;

(9) That portion of the structure where the storage of any chemicals such as herbicides, pesticides, and fertilizers shall be subject to inspection and approval by the Pontiac Fire Department to insure compliance with the Michigan Fire Protection Code;

(10) The dispensing of Medical Marihuana at the Processor Facility shall be prohibited;

(11) There shall be no other accessory uses permitted within the same Facility other than those associated with processing. Multi-tenant commercial buildings may permit accessory uses in suites segregated from Processor Facility;

(12) All persons working in direct contact with Medical Marihuana shall conform to hygienic practices while on duty, including but not limited to:

(i) Maintaining adequate personal cleanliness;

(ii) Washing hands thoroughly in adequate hand-washing areas before starting work and at any other time when the hands may have become soiled or contaminated.

(iii) Refraining from having direct contact with Medical Marihuana if the person has or may have an illness, open lesion, including boils, sores or infected wounds, or any other abnormal source of microbial contamination, until the condition is corrected;

(13) Litter and waste shall be properly removed and the operating systems for waste disposal are maintained in an adequate manner so that they do not constitute a source of contamination in areas where Medical Marihuana is exposed;

(14) Floors, walls, and ceilings shall be constructed in such a manner that they may be adequately cleaned and kept clean and in good repair;

(15) There shall be adequate screening or other protection against the entry or pests. Rubbish shall be disposed of so as to minimize the development of odor and minimize the potential for the waste development of odor and minimize the potential for waste becoming and attractant, harborage or breeding places for pests;

(16) Any buildings, fixtures and other facilities shall be maintained in a sanitary condition;

(17) Each Processor Facility shall provide its occupants with adequate and readily accessible toilet facilities that are maintained in a sanitary condition and good repair;

(18) Medical Marihuana that can support the rapid growth of undesirable microorganisms shall be held in a manner that prevents the growth of these microorganisms;

(19) Processor Facilities shall be free from infestation by insects, rodents, birds, or vermin or any kind;

(20) Processor Facilities shall produce no products other than useable Medical Marihuana intended for human consumption; and

(21) No Processor Facility shall be operated in a manor creating noise, dust, vibrations, glare, fumes or odors detectible to the normal senses beyond the boundaries of the property on which the Processor Facility operates.

(b) Exterior signage or advertising identifying the Facility as a Processor Facility shall be prohibited.

### **30-77. - Location of Medical Marihuana Provisioning Centers.**

(a) No Medical Marihuana Provisioning Center shall be located within 1,000 feet of real property comprising a public or private elementary, vocational or secondary school, within 1,000 feet of a church or 1,000 feet of an established liquor sales business or within 400 feet of the front door of a residentially occupied property;

**30-78. - Location of Medical Marihuana Facilities, Other Than Provisioning Centers.**

(a) No Medical Marihuana Facility shall be located within 1,000 feet of real property comprising a public or private elementary, vocational, or secondary school; or within 1,000 feet of a church or 1,000 feet of an established liquor sales business.

(b) All Medical Marihuana Facilities shall be limited to the Industrial Zoning Districts as identified in the City Zoning Ordinance.

**30-79. - Denial and Revocation.**

(a) A license issued under this chapter may be revoked after an administrative hearing at which the City Clerk determines that any grounds for revocation under Subsection (b) exist. Notice of the time and place of the Hearing and the grounds for revocation must be given to the Licensee at least five days prior to the date of the Hearing, by first class mail to the address given on the license application or any address provided pursuant to Section 30-72;

(b) A license issued under this Chapter may be revoked or not renewed on any of the following basis:

(1) Violation of this Chapter, the Medical Marihuana Facility Licensing Act, and any regulation promulgated by LARA;

(2) Any conviction of or release from incarceration for a felony under the laws of this State, any other state, or the United States within the past five (5) years by the Applicant or any stakeholder of the Applicant its measured from the date of the Application or the date of becoming a stakeholder, whichever occurs later, or while licensed under this Chapter; or any conviction of a substance-related felony by the Applicant or any stakeholder of the Applicant ever or while licensed under this Chapter;

(3) Commission of fraud or misrepresentation or the making of a false statement by the Applicant or any stakeholder of the Applicant while engaging in any activity for which this Chapter requires a license;

(4) Sufficient evidence that the Applicant(s) lack, or has failed to demonstrate, the requisite professionalism and/or business experience required to assure strict adherence to this Chapter and the rules and regulations governing the Medical Marihuana Program in the State of Michigan; and

(5) The Medical Marihuana Establishment is determined by the City to have become a public nuisance;

**30-80. - Penalties and Discipline.**

(a) The City of Pontiac may require an Applicant or Licensee of a Medical Marihuana Facility to produce documents, records, or any other material pertinent to the investigation of an application or alleged violation of this Chapter or State law. Failure to provide the required material may be grounds for license revocation or discipline;

(b) Any person in violation of any provision of this chapter or any provision of a license issued under this chapter is responsible for a misdemeanor, punishable by a fine of up to \$500.00 plus cost of prosecution, 90 days imprisonment, or both, or each violation. This section is not intended to prevent enforcement of any provision of other ordinances or of the State law by the Oakland County Sheriff's Department;

(c) All fines imposed under this Chapter shall be paid within 45 days after the effective date of the order imposing the fine or as otherwise specified in the Order;

(d) The City Clerk may temporarily suspend a Medical Marihuana Facility License without a Hearing if the City Clerk finds that public safety or welfare requires emergency action. The City Clerk shall cause the temporary suspension by issuing a Suspension Notice in connection with institution of proceedings for a Hearing;

(e) If the City Clerk temporarily suspends a license without a Hearing, the licensee is entitled to a Hearing within thirty (30) days after the Suspension Notice has been issued. The Hearing shall be limited to the issues cited in the Suspension Notice; and

(f) If the City Clerk does not hold a Hearing within thirty (30) days after the date of suspension was issued, then the suspended license shall be automatically reinstated, and the suspension vacated.

**Date: June 1, 2018**  
**Re: Approval of the General Appropriations Act:  
FY 2018-2019 Proposed Budget**

Honorable Council President and City Council:

In accordance with Article VI, 2-535 Budget Adoption of the Municipal Code presented for your consideration is the Mayor's proposed budget for fiscal years 2018-2019, 2019-2020, and 2020-2021. In addition, for your information the following items are attached:

- Budget Ordinance including updated millage rates for fiscal year 2018-2019.
- Proposed Fee schedule for fiscal year 2018-2019 (no changes from 5/15/18).
- BS&A Mayor's proposed budget report for fiscal year 2018-2019, 2019-2020, and 2020-2021 by function and classification (no changes from 5/15/18).

If the honorable City Council has no changes to the budget as proposed, the following resolution is recommended:

Whereas, in accordance with Article V1, Section 2-535 of the City's ordinances entitled Budget Adoption, a public hearing was held on June 5, 2018 regarding the proposed budget and tax rate and

Whereas, the City Council shall not amend the proposed appropriations ordinance or tax rate until after the public hearing; and

Whereas, by June 9, 2018, and no less than six days after the notice of public hearing shall adopt an appropriations ordinance, tax rate, and user fees.

NOW THEREFORE, in accordance with the General Appropriations Act, the City Council of the City of Pontiac approves the FY 2018-2019 Proposed Budget with no changes.

## Ordinance No. XXXX

An Ordinance to appropriate the sums of money necessary to meet the expenditures set forth in the budget recommended for the operation of the City of Pontiac, Michigan; to defray the debts, expenditures, and liabilities of said City for the fiscal year beginning the first day of July, 2018; to adopt the fee schedule for public records and services for the fiscal year 2018/19.

Whereas, the proposed General Appropriations Act is required to be effective July 1, 2018 so the City can legally operate.

The City of Pontiac Ordains:

### **Section 1. Title.**

This ordinance shall be known as the City of Pontiac 2018-2019 General Appropriations Act.

### **Section 2. Public Hearing on the Budget.**

Pursuant to MCLA 141.412 and .413, notice of a public hearing on the proposed budget was published in The Oakland Press, a newspaper of general circulation on Thursday May 31, 2018 and a public hearing on the proposed budget was held on Tuesday June 5, 2018.

### **Section 3. Millage Levy, Administration Fee, and Penalties.**

The City Council for the City of Pontiac shall authorize the following millages to be levied and collected on the general property tax of all real and personal property within the City upon the current tax roll an allocated millage of 11.2691 operating; 1.4994 youth center; 1.4085 capital improvement; 2.8171 sanitation; 0.4998 senior services. The City Treasurer is hereby authorized to impose a one percent (1%) property tax administration fee for all property taxes due, And a late penalty charge when applicable, in conformance with Section 44 of Public Act 206 of 1893.

### **Section 4. Adoption of budget by Function.**

The City Council of the City of Pontiac received a three-year budget for 2018-19, 2019-20 and 2020-21 fiscal years. The City Council of the City of Pontiac adopts the 2018-2019 fiscal year budgets for the various funds by function. City officials responsible for the expenditures authorized in the budget may expend City funds up to, but not to exceed, the total appropriation authorized for each function.

### **Section 5. Payment of Bills.**

Pursuant to the Local Financial Stability and Choice Act and the Accounting Procedures Manual for Local Governments in Michigan, all claims (bills) against the City shall be, approved by the Finance Director of the City of Pontiac prior to being paid.

## **Budget Ordinance (Continued)**

---

**Section 6: Budgeted Revenues and Expenditures**--Estimated total revenues and expenditures, including transfers in and out and other sources, for the various funds of the City of Pontiac beginning July 1, 2018 are \$65,514,113 in revenues and \$77,604,211 in expenditures.

**Section 7. Specific Appropriations.**

There are no specific appropriations contained in the budget.

**Section 8. Periodic Financial Reports.**

The Finance Director shall provide the Mayor and City Council financial reports on a monthly basis.

**Section 9. Budget Monitoring and Amending.**

Whenever it appears to the Finance Director that the actual and probable revenues in any fund will be less than the estimated revenues upon which appropriations from such fund were based, and when it appears that expenditures will exceed an appropriation upon which appropriations from such fund were based, the Finance Director shall present to the Mayor recommendations to prevent expenditures from exceeding available revenues or appropriations for the fiscal year. Such recommendations shall include proposals for reducing appropriations, increasing revenues or both. The Finance Director is hereby authorized to amend accounts within functions in a fund and among functions in a fund during the fiscal year provided that such amendments do not change the total revenues or total expenditures for the fund as approved by the City Council, including transfers in and out. If the total revenues or the total expenditures, including transfers in and out and other sources and uses within a single fund must be changed, then the Mayor and Finance Director shall present such amendment to the City Council for approval.

**Section 10. Severability.**

If any section, clause, or provision of this Ordinance shall be declared to be unconstitutional, void, illegal, or ineffective by any Court of competent jurisdiction, such section, clause, or provision declared to be unconstitutional, void, or illegal shall thereby cease to be a part of this Ordinance, but the remainder of this Ordinance shall stand and be in full force and effect.

**Section 11. Repealer.**

All Ordinances or parts of Ordinances in conflict herewith are hereby repealed only to the extent necessary to give this Ordinance full force and effect.

**Section 12. Publication.**

The Clerk shall publish this Ordinance in a newspaper of general circulation.

**Section 13. Emergency Declaration and Effective Date.**

This Ordinance is declared an emergency to allow the City to legally spend money after July 1, 2018 and shall be effective immediately upon adoption.

**Resolution to change Annette Wesley's title to Director of Elections**

**WHEREAS,** Annette Wesley in March of 2015, entered into an Employment Agreement with the City of Pontiac and was hired as an Election Specialist; and,

**WHEREAS,** the former City Clerk, Sherikia Hawkins also served as the Director of Elections until December 20, 2017; and,

**WHEREAS,** the Acting Clerk, Sheila Grandison on December 21, 2017, appointed Annette Wesley as the Director of Elections.

**NOW THEREFORE, BE IT RESOLVED,** that the Pontiac City Council hereby approves and authorizes Annette Wesley's job title to be changed from Elections Specialist to Director of Elections.

**City of Pontiac Resolution for Lamda Rho Zeta Chapter of Zeta Phi Beta Sorority, Inc.**

**WHEREAS,** It is the sense of this legislative body to pay proper tribute to an organization of remarkable character that has been dedicated to creating a legacy of success and that empowers the community; and,

**WHEREAS,** Zeta Phi Beta Sorority, Incorporated was organized at Howard University on January 16, 1920, by five Founders, Arizona Cleaver, Viola Tyler, Myrtle Tyler, Pear Neal and Fannie Pettie, who were encouraged by Charles Taylor and Langston Taylor, members of Phi Beta Sigma fraternity, to establish a sister organization that would later become, the only Greek-letter sister and brother organization sharing a joint constitution; and,

**WHEREAS,** Zeta Phi Beta Sorority, Incorporated was the first to charter a chapter in Africa in 1948, to form an adult auxiliary group, the Amicae (Friends of Zeta) and to form youth auxiliary groups-the Amicettes, Archonettes and Pearlettes; and,

**WHEREAS,** Zeta Phi Beta Sorority Incorporated's objectives of Finer Womanhood, Sisterly Love, Scholarship and Service have brought women from all parts of the country together who share similar tastes, aspirations and a desire for a concerted action to bring results in removing impediments to the growth and progress of all humankind; and,

**WHEREAS,** Lambda Rho Zeta Chapter of Zeta Phi Beta Sorority, Incorporated was subsequently organized and chartered on November 19, 1982 through the leadership and unwavering efforts of five Zeta members of Pontiac, Michigan, Willie B. Aldridge, Dorothy F. King, Edna Metoyer, Yvonne M. Robinson and Brenda M. Street; and,

**WHEREAS,** Lamda Rho Zeta Chapter of Zeta Phi Beta Sorority, Incorporated officially joined the other graduate chapters of Michigan on January 22, 1983 at their chartering ceremony during the Michigan State Organization Founder's Day celebration; and,

**WHEREAS,** Lamda Rho Zeta Chapter of Zeta Phi Beta Sorority, Incorporated has continued to grow and impact the community through its community service efforts; as the Chapter created the Stork's Nest, which is part of a National Project designed to assist in providing indigent mothers with children's clothes and health information; and,

**WHEREAS,** Lamda Rho Zeta Chapter of Zeta Phi Beta Sorority, Incorporated has received countless awards, including, First Place Awards at the State, Regional and National level for their participation in Z-HOPE (Zeta Helping Other People Excel) Projects, has participated in Health Initiative Workshops, and has championed many community service projects, which include, providing schools supplies and book bags to local elementary students and supplying hygiene kits to shelters, just to name a few; and,

**WHEREAS,** The Pearls of Hope Foundation, Incorporated was organized in 2010, was granted 501 c3 status in 2011 and is the catalyst in increasing efforts to seek funding for scholarships and other initiatives.

**NOW, THEREFORE BE IT RESOLVED,** that the members of the Pontiac City Council on behalf of the citizens of Pontiac, humbly and graciously honor the Lamda Rho Zeta Chapter of Zeta Phi Beta Sorority, Incorporated, for their service and commitment to enriching the lives of the people in the community.

**City of Pontiac Resolution for Family of the Year  
Mr. and Mrs. Lyons**

**WHEREAS,** It is the sense of this legislative body to honor an outstanding couple of remarkable character, who are inspirational and who empower the community; and,

**WHEREAS,** Zeta Phi Beta Sorority, Inc., Lambda Rho Zeta Chapter, in partnership with the Pearls of Hope Foundation celebrates the 35th Annual Finer Womanhood Scholarship Luncheon; and,

**WHEREAS,** this year, recognition is bestowed upon "Family of the Year," Mr. and Mrs. Lyons; and,

**WHEREAS,** Mr. and Mrs. Lyons are the proud parents of seven children; and,

**WHEREAS,** Mr. and Mrs. Lyons after completing a successful journey of raising their seven children, discovered that their "parenting journey" was not over, but instead, was just the beginning of something special; and,

**WHEREAS,** Mr. and Mrs. Lyons recognized the desires of foster children, to love and be loved, to have stability, a safe home and parents they can trust; and,

**WHEREAS,** Mr. and Mrs. Lyons' innate awareness of their exceptional qualities of compassion, love, understanding, dedication and commitment, compelled them to become foster parents and to ultimately adopt their first foster child, Jada; and,

**WHEREAS,** Mr. and Mrs. Lyons are truly exceptional "parents" and were recognized in April, 2017 by Commissioners Taub, Quarles and the Honorable Judge Joan Young at the Oakland County Board of Commissioners and were honored as "Oakland County Foster Parent of the Year," by the non-profit organization, CARE House in 2017; and,

**WHEREAS,** Mr. and Mrs. Lyons serve as an example others, to parent a child does not require the same DNA; to be a foster parent gives hope, provides for a better tomorrow and creates endless possibilities.

**NOW, THEREFORE BE IT RESOLVED,** that the Pontiac City Council, and members of this great community, honor and salute Zeta Phi Beta Sorority, Inc.'s, 2018 "Family of the Year," Mr. and Mrs. Lyons. Congratulations.

## REFERRAL/RECOMMENDATION FORM

RECEIVED  
2018 JUN - 1 PM 12:15  
PONTIAC CITY CLERK

DATE: June 1, 2018

TO: Jane Bais-DiSessa, Deputy Mayor

FROM: Michelle L. McKenzie, Purchasing Agent

THE ATTACHED DOCUMENTS ARE BEING REFERRED FOR THE FOLLOWING REASONS:

☐ City Council ☒ Bid Approval ☐ Budget Approval ☐ Cancelled ☐ Other

Bid Analysis and Recommendation for \_\_\_\_\_

The following bid is attached:

**HILL STREET PAVING PROJECT**

This copy does not include the equipment specifications or Oakland County forms.

You Recommendations of a bidder are to be located in the space provided in the "Remarks" section on the next page of this form. Do not submit your recommendation on any other.

RFP: Hill Street Paving Project

REMARKS: After a competitive process and a public bid opening, it is recommended

that Great Lakes Contracting Solutions, LLC be awarded the Hill Street Paving Project bid.

Your recommendation is to be based on the bid specification and content of bid. If the lowest bidder or bidders do not meet the specifications then list the major deviations for each.

Rejections must be based on actual exceptions to specifications, or on other details included in the bid documents.

Legal questions or concerns should be included in the analysis. If necessary, the Purchasing Division may request a legal opinion.

Recommendations for bids over \$10,000.00 must be approved by the Finance Director, the Purchasing Agent or an approved person as noted on the "City of Pontiac Authorized Signature Record."

Contractor has met the requirements of the Request For Proposal Bid Documents.
The above named firm has also provided references of the companies where they have performed similar work.
They have the experience and equipment necessary to perform the duties of the RFP.
I have included my listing of vendors notified on MITN.
I have included a bid tabulation showing all the bidders and their prices.

## **PURPOSE**

To solicit bids from qualified individuals or firms to perform asphalt paving work for the **HILL STREET PAVING PROJECT (AUBURN AVENUE TO E. PIKE STREET)** for the City of Pontiac.

### **I. BACKGROUND**

The City of Pontiac has allocated funds for the rehabilitation of Hill Street between Auburn Avenue and E. Pike Street, removing and replacing the asphalt road, various concrete curb and gutter repairs, sidewalk ramp upgrades, and related work. The approximate length of the project is 0.28 miles. These funds shall be used to provide new HMA pavement, miscellaneous curb and gutter sections, drainage improvements, new sidewalk and ramps and utility adjustments on behalf of the City of Pontiac.

### **II. SCOPE OF WORK**

## APPENDIX B

### Section 3 clause 135.38

All section 3 covered contracts shall include the following clause (referred to as the section 3 clause):

- A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
- C. The Contractor agrees to send to each labor organization or representative of workers with which the Contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the Contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- D. The Contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The Contractor will not subcontract with any subcontractor where the Contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
- E. The Contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the Contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the Contractor's obligations under 24 CFR part 135.
- F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
- G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3

**APPENDIX C**  
**CONFLICT OF INTEREST STATEMENT**

"Code of Standards of Conduct,"  
24 CFR Part 85.36 (b) (3):  
(Applicable to Community Development Block Grant Expenditures)

(3) Grantees and subgrantees will maintain a written code of standards of conduct governing the performance of their employees engaged in the award and administration of contracts. No employee, officer or agent of the grantee or subgrantee shall participate in selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when:

- (i) The employee, officer or agent,
- (ii) Any member of his immediate family,
- (iii) His or her partner, or
- (iv) An organization which employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award. The grantee's or subgrantee's officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from Contractors, potential Contractors, or parties to subagreements. Grantee and subgrantees may set minimum rules where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value. To the extent permitted by State or local law or regulations, such standards of conduct will provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the grantees and subgrantee's officers, employees, or agents, or by Contractors or their agents. The awarding agency may in regulation provide additional prohibitions relative to real, apparent, or potential conflicts of interest.

Copies or certified copies of all policies mentioned above shall be furnished, if so requested.

8. **Expiration of Policies** If any of the above coverages expire during the term of this contract, the Contractor shall deliver renewal certificates and/or policies to City of Pontiac at least ten (10) days prior to the expiration date.

### 3. INDEMNIFICATION CLAUSE

To the extent permitted by law, the Contractor shall indemnify and save harmless the City of Pontiac for and from all claims, demands, payments, suits, actions, recoveries, and judgments; of every name and description, brought or recovered against them or to property received or sustained by any person or persons whomsoever by reason of any action or omission of the said Contractor, his agents, servants, or his Contractors in the performance of said Work, or by or in consequence of any negligence or carelessness in connection with the same or on account of the death of or injuries to persons who shall be engaged in or about the work to be performed under this Contract; and on account of liability or obligation imposed directly or indirectly upon the City of Pontiac by reasons of any law of the State or the United States, now existing or which shall hereafter be enacted, imposing any liability or obligation, or providing for compensation to any person or persons on account of or arising from the death of, or injuries to employees. Said Contractor shall pay, settle, compromise and procure the discharge of any and all such claims and all such losses, damages, expenses, liabilities, and obligations, and shall defend at his own cost and expense any and all claims, demands, suits and actions made or brought against the City of Pontiac, and all Additional Named Assured, for or upon any such claim. In case the said Contractor shall fail, neglect, or refuse to comply with any of the provisions of this paragraph, the City of Pontiac may, in order to protect itself, and all Additional Named Assured, from liability, defend any such claim, demand, suits or action and pay, settle, compromise, and procure the discharge thereof, in which case the said Contractor shall repay the City of Pontiac any and all such loss, damage and expense, including attorney's fees paid, suffered or incurred by the City of Pontiac, and all Additional Named Assured, in so doing. So much of the monies due, or to become due, to said Contractor under this agreement as shall be deemed necessary by the City of Pontiac, shall or may be retained by the City of Pontiac until every and all such claims, demands, suits, actions, recoveries, judgments, liabilities and obligations have been settled and discharged and evidence to that effect furnished the City of Pontiac, or the City of Pontiac may collect the same in whole or in part in any lawful manner from said Contractor. The Contractor shall provide adequate insurance until his work is completed, with a reasonable insurance company which meets with the approval of the City of Pontiac, covering liability to the public for loss resulting from injury to persons or damage to property arising out of or caused by his operations, acts, or omissions, or those of his subcontractors, agents, or employees in procuring work for the City of Pontiac. Such insurance coverage shall be in such amounts as are provided in public liability and property damage section herein, provided, however, that such insurance coverage shall include an endorsement providing that the contractual exclusion shall be removed or in the alternative, contractual insurance shall be afforded. If the former, such endorsement shall contain specific language as follows:

"It is hereby agreed that the contractual exclusion does not apply to the contract entered into between the insured and the City of Pontiac, and each Additional Named Assured as their interest may appear for the project work. Such insurance coverage shall also contain an endorsement guaranteeing that thirty (30) days' notice to the City of Pontiac and each Additional Named Assured, shall be given in writing prior to the cancellation of, or change in any such insurance."

#### **4. EXTRAS**

No claim for extra compensation because of either decrease or increase in quantities will be allowed. Contractor and Owner mutually agree that in the event the Contractor is to perform services beyond, or at variance with the Scope and total price of this Contract, such services must be mutually agreed to, in advance, in writing, with agreed upon price included. Accordingly, claims for the payment of Extra Services must be substantiated by the Contractor with a written order signed by Owner or his authorized agent.

#### **5. EMERGENCY PHONE NUMBERS**

The equal opportunity clause published at 41 CFR 60-1.4(b) is required to be included in, and is a part of, all nonexempt federally assisted construction contracts and subcontracts. In addition to the clauses described above, all Federal contracting officers, all applicants and all non-construction contractors, as applicable, shall include the specifications set forth in this section in all Federal and federally assisted construction contracts in excess of \$10,000 to be performed in geographical areas designated by the Director pursuant to Sec. 60-4.6 of this part and in construction subcontracts in excess of \$10,000 necessary in whole or in part to the performance of non-construction Federal contracts and subcontracts covered under the Executive order.

#### Standard Federal Equal Employment Opportunity Construction Contract Specifications (Executive Order 11246)

1. As used in these specifications:
  - a. "Covered area" means the geographical area described in the solicitation from which this contract resulted;
  - b. "Director" means Director, Office of Federal Contract Compliance Programs, United States Department of Labor, or any person to whom the Director delegates authority;
  - c. "Employer identification number" means the Federal Social Security number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941.
  - d. "Minority" includes:
    - (i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin);
    - (ii) Hispanic (all persons of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish Culture or origin, regardless of race);
    - (iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and
    - (iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).
2. Whenever the Contractor, or any Subcontractor at any tier, subcontracts a portion of the work involving any construction trade, it shall physically include in each subcontract in excess of \$10,000 the provisions of these specifications and the Notice which contains the applicable goals for minority and female participation and which is set forth in the solicitations from which this contract resulted.
3. If the Contractor is participating (pursuant to 41 CFR 60-4.5) in a Hometown Plan approved by the U.S. Department of Labor in the covered area either individually or through an association, its affirmative

action obligations on all work in the Plan area (including goals and timetables) shall be in accordance with that Plan for those trades which have unions participating in the Plan. Contractors must be able to demonstrate their participation in and compliance with the provisions of any such Hometown Plan. Each Contractor or Subcontractor participating in an approved Plan is individually required to comply with its obligations under the EEO clause, and to make a good faith effort to achieve each goal under the Plan in each trade in which it has employees. The overall good faith performance by other Contractors or Subcontractors toward a goal in an approved Plan does not excuse any covered Contractor's or Subcontractor's failure to take good faith efforts to achieve the Plan goals and timetables.

4. The Contractor shall implement the specific affirmative action standards provided in paragraphs 7 a through p of these specifications. The goals set forth in the solicitation from which this contract resulted are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each construction trade in which it has employees in the covered area. Covered Construction contractors performing construction work in geographical areas where they do not have a Federal or federally assisted construction contract shall apply the minority and female goals established for the geographical area where the work is being performed. Goals are published periodically in the Federal Register in notice form, and such notices may be obtained from any Office of Federal Contract Compliance Programs office or from Federal procurement contracting officers. The Contractor is expected to make substantially uniform progress in meeting its goals in each craft during the period specified.
5. Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the Contractor's obligations under these specifications, Executive Order 11246, nor the regulations promulgated pursuant thereto.
6. In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the Contractor during the training period, and the Contractor must have made a commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.
7. The Contractor shall take specific affirmative actions to ensure equal employment opportunity. The evaluation of the Contractor's compliance with these specifications shall be based upon its effort to achieve maximum results from its actions. The Contractor shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:
  - a. Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Contractor's employees are assigned to work. The Contractor, where possible, will assign two or more women to each construction project. The Contractor shall specifically ensure that all foremen, superintendents, and other on-site supervisory personnel are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at such sites or in such facilities.
  - b. Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.

- c. Maintain a current file of the names, addresses and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by the union or, if referred, not employed by the Contractor, this shall be documented in the file with the reason therefor, along with whatever additional actions the Contractor may have taken.
- d. Provide immediate written notification to the Director when the union or unions with which the Contractor has a collective bargaining agreement has not referred to the Contractor a minority person or woman sent by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.
- e. Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and trainee programs relevant to the Contractor's employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled under 7b above.
- f. Disseminate the Contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the company newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the company EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.
- g. Review, at least annually, the company's EEO policy and affirmative action obligations under these specifications with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions including specific review of these items with onsite supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at any job site. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.
- h. Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other Contractors and Subcontractors with whom the Contractor does or anticipates doing business.
- i. Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations serving the Contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the Contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.
- j. Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the site and in other areas of a Contractor's work force.

- k. Validate all tests and other selection requirements where there is an obligation to do so under 41 CFR Part 60-3.
  - l. Conduct, at least annually, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.
  - m. Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations under these specifications are being carried out.
  - n. Ensure that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.
  - o. Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.
  - p. Conduct a review, at least annually, of all supervisors' adherence to and performance under the Contractor's EEO policies and affirmative action obligations.
8. Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations (7a through p). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under 7a through p of these Specifications provided that the contractor actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor's minority and female workforce participation, makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's and failure of such a group to fulfill an obligation shall not be a defense for the Contractor's noncompliance.
  9. A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the Contractor may be in violation of the Executive Order if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation of the Executive Order if a specific minority group of women is underutilized).
  10. The Contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex, or national origin.
  11. The Contractor shall not enter into any Subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246.
  12. The Contractor shall carry out such sanctions and penalties for violation of these specifications and of the Equal Opportunity Clause, including suspension, termination and cancellation of existing

subcontracts as may be imposed or ordered pursuant to Executive Order 11246, as amended, and its implementing regulations, by the Office of Federal Contract Compliance Programs. Any Contractor who fails to carry out such sanctions and penalties shall be in violation of these specifications and Executive Order 11246, as amended.

13. The Contractor, in fulfilling its obligations under these specifications, shall implement specific affirmative action steps, at least as extensive as those standards prescribed in paragraph 7 of these specifications, so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of the Executive Order, the implementing regulations, or these specifications, the Director shall proceed in accordance with 41 CFR 60-4.8.
  14. The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required by the Government and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g., mechanic, apprentice trainee, helper, or laborer), dates of changes in status, hours worked per week in the indicated trade, rate of pay, and locations at which the work was performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors shall not be required to maintain separate records.
  15. Nothing herein provided shall be construed as a limitation upon the application of other laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).
- The notice set forth in 41 CFR 60-4.2 and the specifications set forth in 41 CFR 60-4.3 replace the New Form for Federal Equal Employment Opportunity Bid Conditions for Federal and Federally Assisted Construction published at 41 FR 32482 and commonly known as the Model Federal EEO Bid Conditions, and the New Form shall not be used after the regulations in 41 CFR Part 60-4 become effective. [43 FR 49254, Oct. 20, 1978; 43 FR 51401, Nov. 3, 1978, as amended at 45 FR 65978, Oct. 3, 1980]

Hill Street Paving Project  
Part of the SW ¼ of Section 28, City of Pontiac

Dear Mr. Smith:

This office has received (7) sets of construction plans prepared by Anderson, Eekstein and Westrick, Inc. for the City of Pontiac.

We have reviewed the plans and approve of the adjustment for two existing water gate valve & well structures on Hill Street, and one existing water shut-off valve on the N side of E Pike Street.

Our approval is granted under the following conditions:

1. That the contractor shall notify WRC at 248-858-4310 at least 24 hours prior to adjusting said water main gate wells and shut-off valve.
2. That this office shall witness the adjustment of said structure to insure the adjustment meets WRC standards prior to back filling and/or paving.
3. That the water system gate well adjustment permit shall be obtained by the contractor/developer from the office of the Water Resources Commissioner before the start of construction. The permit fee is \$150.

That this final conditional approval will not relieve the applicant and or their contractor of the responsibility of obtaining permits, approvals or clearances as may be required from federal, state or local authorities, the public utilities and private property owners.

## OFFICIAL MEMORANDUM

Executive Branch

RECEIVED  
2018 JUN - 1 PM 4:15  
PONTIAC CITY CLERK

**TO:** Pontiac City Council

**FROM:** Jane Bais-DiSessa, Deputy Mayor, at the request of  
John V. Balint, City Engineer

**DATE:** June 1, 2018

**RE:** 2018 Roadway Maintenance Program – Great Lakes Contracting

The City of Pontiac received and publicly opened bids for the referenced project on Thursday, May 24, 2018. Proposed work is located at various locations throughout the City on an as-needed basis. This contractor will act as our road and storm water maintenance contractor.

One bid was received for the project from Great Lakes Contracting. The bid is based on pay items without definitive quantity due to this being as-needed work. Therefore, we prepared a bid sheet with 28 different pay items. Then we split each pay item into a reasonable quantity escalation in order to get the best unit prices based on quantity of work at a particular location.

The Engineering Division has reviewed the bid supplied and compared it with MDOT Average Unit Prices for road work in this region of the state. Based on our review, the Department of Public works is recommending the award to the low bidder, Great Lakes Contracting

Funding for the project is identified in the FY '18 and FY '19 Major and Local Street funds.

WHEREAS, The City of Pontiac has advertised and received one response to a request for proposal for the 2018 Roadway Maintenance Program on May 24, 2018 and publically opened bids, and;

WHEREAS, a bid tabulation was prepared and reviewed and compared with MDOT Average Unit Prices for our region, and;

WHEREAS, the City identified the low bidder as Great Lakes Contracting.

NOW, THEREFORE,  
BE IT RESOLVED, The Pontiac City Council authorized the Mayor to enter into a contract with Great Lakes Contracting for the 2018 Roadway Maintenance Program.

**2018 ROAD MAINTENANCE PROGRAM**

This copy does not include the equipment specifications or Oakland County forms.

You Recommendations of a bidder are to be located in the space provided in the "Remarks" section on the next page of this form. Do not submit your recommendation on any other.

RFP: 2018 Road Maintenance Program

REMARKS: After a competitive process and a public bid opening, it is recommended  
that Great Lakes Contracting Solutions, LLC be awarded the 2018 Road Maintenance  
Program bid.

Your recommendation is to be based on the bid specification and content of bid. If the lowest bidder or bidders do not meet the specifications then list the major deviations for each.

Rejections must be based on actual exceptions to specifications, or on other details included in the bid documents.

Legal questions or concerns should be included in the analysis. If necessary, the Purchasing Division may request a legal opinion.

Recommendations for bids over \$10,000.00 must be approved by the Finance Director, the Purchasing Agent or an approved person as noted on the "City of Pontiac Authorized Signature Record."

Contractor has met the requirements of the Request For Proposal Bid Documents.
The above named firm has also provided references of the companies where they have performed similar work.
They have the experience and equipment necessary to perform the duties of the RFP.

## APPENDIX B

### Section 3 clause 135.38

All section 3 covered contracts shall include the following clause (referred to as the section 3 clause):

- A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
- C. The Contractor agrees to send to each labor organization or representative of workers with which the Contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the Contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- D. The Contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The Contractor will not subcontract with any subcontractor where the Contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
- E. The Contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the Contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the Contractor's obligations under 24 CFR part 135.
- F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
- G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3

**APPENDIX C**  
**CONFLICT OF INTEREST STATEMENT**

"Code of Standards of Conduct,"  
24 CFR Part 85.36 (b) (3):  
(Applicable to Community Development Block Grant Expenditures)

(3) Grantees and subgrantees will maintain a written code of standards of conduct governing the performance of their employees engaged in the award and administration of contracts. No employee, officer or agent of the grantee or subgrantee shall participate in selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when:

- (i) The employee, officer or agent,
- (ii) Any member of his immediate family,
- (iii) His or her partner, or
- (iv) An organization which employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award. The grantee's or subgrantee's officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from Contractors, potential Contractors, or parties to subagreements. Grantee and subgrantees may set minimum rules where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value. To the extent permitted by State or local law or regulations, such standards of conduct will provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the grantees and subgrantee's officers, employees, or agents, or by Contractors or their agents. The awarding agency may in regulation provide additional prohibitions relative to real, apparent, or potential conflicts of interest.

8. Expiration of Policies If any of the above coverages expire during the term of this contract, the Contractor shall deliver renewal certificates and/or policies to City of Pontiac at least ten (10) days prior to the expiration date.

### 3. INDEMNIFICATION CLAUSE

To the extent permitted by law, the Contractor shall indemnify and save harmless the City of Pontiac for and from all claims, demands, payments, suits, actions, recoveries, and judgments; of every name and description, brought or recovered against them or to property received or sustained by any person or persons whomsoever by reason of any action or omission of the said Contractor, his agents, servants, or his Contractors in the performance of said Work, or by or in consequence of any negligence or carelessness in connection with the same or on account of the death of or injuries to persons who shall be engaged in or about the work to be performed under this Contract; and on account of liability or obligation imposed directly or indirectly upon the City of Pontiac by reasons of any law of the State or the United States, now existing or which shall hereafter be enacted, imposing any liability or obligation, or providing for compensation to any person or persons on account of or arising from the death of, or injuries to employees. Said Contractor shall pay, settle, compromise and procure the discharge of any and all such claims and all such losses, damages, expenses, liabilities, and obligations, and shall defend at his own cost and expense any and all claims, demands, suits and actions made or brought against the City of Pontiac, and all Additional Named Assured, for or upon any such claim. In case the said Contractor shall fail, neglect, or refuse to comply with any of the provisions of this paragraph, the City of Pontiac may, in order to protect itself, and all Additional Named Assured, from liability, defend any such claim, demand, suits or action and pay, settle, compromise, and procure the discharge thereof, in which case the said Contractor shall repay the City of Pontiac any and all such loss, damage and expense, including attorney's fees paid, suffered or incurred by the City of Pontiac, and all Additional Named Assured, in so doing. So much of the monies due, or to become due, to said Contractor under this agreement as shall be deemed necessary by the City of Pontiac, shall or may be retained by the City of Pontiac until every and all such claims, demands, suits, actions, recoveries, judgments, liabilities and obligations have been settled and discharged and evidence to that effect furnished the City of Pontiac, or the City of Pontiac may collect the same in whole or in part in any lawful manner from said Contractor. The Contractor shall provide adequate insurance until his work is completed, with a reasonable insurance company which meets with the approval of the City of Pontiac, covering liability to the public for loss resulting from injury to persons or damage to property arising out of or caused by his operations, acts, or omissions, or those of his subcontractors, agents, or employees in procuring work for the City of Pontiac. Such insurance coverage shall be in such amounts as are provided in public liability and property damage section herein, provided, however, that such insurance coverage shall include an endorsement providing that the contractual exclusion shall be removed or in the alternative, contractual insurance shall be afforded. If the former, such endorsement shall contain specific language as follows:

"It is hereby agreed that the contractual exclusion does not apply to the contract entered into between the Insured and the City of Pontiac, and each Additional Named Assured as their interest may appear for the project work. Such insurance coverage shall also contain an endorsement guaranteeing that thirty (30) days' notice to the City of Pontiac and each Additional Named Assured, shall be given in writing prior to the cancellation of, or change in any such insurance."

#### 4. EXTRAS

No claim for extra compensation because of either decrease or increase in quantities will be allowed. Contractor and Owner mutually agree that in the event the Contractor is to perform services beyond, or at variance with the Scope and total price of this Contract, such services must be mutually agreed to, in advance, in writing, with agreed upon price included. Accordingly, claims for the payment of Extra Services must be substantiated by the Contractor with a written order signed by Owner or his authorized agent.

#### 5. EMERGENCY PHONE NUMBERS

The Contractor must submit Emergency (24 Hours) phone numbers on the company letterhead when submitting contracts.

#### 6. INCLUDED WORK

All items of work noted on the Plans or in the Specifications that are not specifically noted in the bid, shall be considered as included with the contract and shall be completed at no extra cost to the Owner.

#### 7. SUB-CONTRACTS

The Contractor shall not execute an Agreement with any Sub-Contractor or sub-subcontractor or permit any sub-subcontractor to perform any work included in this Contract without the prior written consent of Owner.

## APPENDIX E

### STANDARD FEDERAL EQUAL EMPLOYMENT OPPORTUNITY

#### CONSTRUCTION CONTRACT SPECIFICATIONS (EXECUTIVE ORDER 11246)

- a) The equal opportunity clause published at 41 CFR 60-1.4(a) of this chapter is required to be included in, and is part of, all nonexempt Federal contracts and subcontracts, including construction contracts and subcontracts. The equal opportunity clause published at 41 CFR 60-1.4(b) is required to be included in, and is a part of, all nonexempt federally assisted construction contracts and subcontracts. In addition to the clauses described above, all Federal contracting officers, all applicants and all non-construction contractors, as applicable, shall include the specifications set forth in this section in all Federal and federally assisted construction contracts in excess of \$10,000 to be performed in geographical areas designated by the Director pursuant to Sec. 60-4.6 of this part and in construction subcontracts in excess of \$10,000 necessary in whole or in part to the performance of non-construction Federal contracts and subcontracts covered under the Executive order.

#### Standard Federal Equal Employment Opportunity Construction Contract Specifications (Executive Order 11246)

1. As used in these specifications:
  - a. "Covered area" means the geographical area described in the solicitation from which this contract resulted;
  - b. "Director" means Director, Office of Federal Contract Compliance Programs, United States Department of Labor, or any person to whom the Director delegates authority;
  - c. "Employer identification number" means the Federal Social Security number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941.
  - d. "Minority" includes:
    - (i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin);
    - (ii) Hispanic (all persons of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish Culture or origin, regardless of race);
    - (iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and
    - (iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).
2. Whenever the Contractor, or any Subcontractor at any tier, subcontracts a portion of the work involving any construction trade, it shall physically include in each subcontract in excess of \$10,000 the provisions of these specifications and the Notice which contains the applicable goals for minority and female participation and which is set forth in the solicitations from which this contract resulted.
3. If the Contractor is participating (pursuant to 41 CFR 60-4.5) in a Hometown Plan approved by the U.S. Department of Labor in the covered area either individually or through an association, its affirmative

action obligations on all work in the Plan area (including goals and timetables) shall be in accordance with that Plan for those trades which have unions participating in the Plan. Contractors must be able to demonstrate their participation in and compliance with the provisions of any such Hometown Plan. Each Contractor or Subcontractor participating in an approved Plan is individually required to comply with its obligations under the EEO clause, and to make a good faith effort to achieve each goal under the Plan in each trade in which it has employees. The overall good faith performance by other Contractors or Subcontractors toward a goal in an approved Plan does not excuse any covered Contractor's or Subcontractor's failure to take good faith efforts to achieve the Plan goals and timetables.

4. The Contractor shall implement the specific affirmative action standards provided in paragraphs 7 a through p of these specifications. The goals set forth in the solicitation from which this contract resulted are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each construction trade in which it has employees in the covered area. Covered Construction contractors performing construction work in geographical areas where they do not have a Federal or federally assisted construction contract shall apply the minority and female goals established for the geographical area where the work is being performed. Goals are published periodically in the Federal Register in notice form, and such notices may be obtained from any Office of Federal Contract Compliance Programs office or from Federal procurement contracting officers. The Contractor is expected to make substantially uniform progress in meeting its goals in each craft during the period specified.
5. Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the Contractor's obligations under these specifications, Executive Order 11246, nor the regulations promulgated pursuant thereto.
6. In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the Contractor during the training period, and the Contractor must have made a commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.
7. The Contractor shall take specific affirmative actions to ensure equal employment opportunity. The evaluation of the Contractor's compliance with these specifications shall be based upon its effort to achieve maximum results from its actions. The Contractor shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:
  - a. Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Contractor's employees are assigned to work. The Contractor, where possible, will assign two or more women to each construction project. The Contractor shall specifically ensure that all foremen, superintendents, and other on-site supervisory personnel are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at such sites or in such facilities.
  - b. Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.

- c. Maintain a current file of the names, addresses and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by the union or, if referred, not employed by the Contractor, this shall be documented in the file with the reason therefor, along with whatever additional actions the Contractor may have taken.
- d. Provide Immediate written notification to the Director when the union or unions with which the Contractor has a collective bargaining agreement has not referred to the Contractor a minority person or woman sent by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.
- e. Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and trainee programs relevant to the Contractor's employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled under 7b above.
- f. Disseminate the Contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the company newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the company EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.
- g. Review, at least annually, the company's EEO policy and affirmative action obligations under these specifications with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions including specific review of these items with onsite supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at any job site. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.
- h. Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other Contractors and Subcontractors with whom the Contractor does or anticipates doing business.
- i. Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations serving the Contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the Contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.
- j. Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the site and in other areas of a Contractor's work force.

- k. Validate all tests and other selection requirements where there is an obligation to do so under 41 CFR Part 60-3.
  - l. Conduct, at least annually, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.
  - m. Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations under these specifications are being carried out.
  - n. Ensure that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.
  - o. Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.
  - p. Conduct a review, at least annually, of all supervisors' adherence to and performance under the Contractor's EEO policies and affirmative action obligations.
8. Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations (7a through p). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under 7a through p of these Specifications provided that the contractor actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor's minority and female workforce participation, makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's and failure of such a group to fulfill an obligation shall not be a defense for the Contractor's noncompliance.
  9. A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the Contractor may be in violation of the Executive Order if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation of the Executive Order if a specific minority group of women is underutilized).
  10. The Contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex, or national origin.
  11. The Contractor shall not enter into any Subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246.
  12. The Contractor shall carry out such sanctions and penalties for violation of these specifications and of the Equal Opportunity Clause, including suspension, termination and cancellation of existing

subcontracts as may be imposed or ordered pursuant to Executive Order 11246, as amended, and its implementing regulations, by the Office of Federal Contract Compliance Programs. Any Contractor who fails to carry out such sanctions and penalties shall be in violation of these specifications and Executive Order 11246, as amended.

13. The Contractor, in fulfilling its obligations under these specifications, shall implement specific affirmative action steps, at least as extensive as those standards prescribed in paragraph 7 of these specifications, so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of the Executive Order, the implementing regulations, or these specifications, the Director shall proceed in accordance with 41 CFR 60-4.8.
  14. The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required by the Government and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g., mechanic, apprentice trainee, helper, or laborer), dates of changes in status, hours worked per week in the indicated trade, rate of pay, and locations at which the work was performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors shall not be required to maintain separate records.
  15. Nothing herein provided shall be construed as a limitation upon the application of other laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).
- The notice set forth in 41 CFR 60-4.2 and the specifications set forth in 41 CFR 60-4.3 replace the New Form for Federal Equal Employment Opportunity Bid Conditions for Federal and Federally Assisted Construction published at 41 FR 32482 and commonly known as the Model Federal EEO Bid Conditions, and the New Form shall not be used after the regulations in 41 CFR Part 60-4 become effective. [43 FR 49254, Oct. 20, 1978; 43 FR 51401, Nov. 3, 1978, as amended at 45 FR 65978, Oct. 3, 1980]

Re: PCM – Contract Extension

---

RECEIVED  
2018 JUN -1 PM 4:30  
PONTIAC CITY CLERK

## **BACKGROUND:**

The City of Pontiac, under Emergency Management, entered into a contractual agreement with SARCOM Inc. for Information Technology Services effective date October 18, 2010. SARCOM Inc. informed the City of Pontiac of a corporate reorganization whereby PC Mall and certain of its subsidiaries (SARCOM) changed their names to become PCM. The effective date of this name change was January 1, 2013. Because of the reorganization, PCM Sales, Inc. became the responsible party for the duties and obligations of SARCOM.

In the original contract, on page 23, under ARTICLE 14 - TERMINATION, Item 14.2 Extensions allows for the extension of the contract.

*"The term of this agreement may be extended for additional terms as mutually agreed upon by the City and the Contractor, but may not exceed fifteen (15) years in total (three subsequent extensions)."*

- The original contract period was October 18, 2010 to October 17, 2015. (Five Years)
- There was an adjustment to the fifth year of the contract. A new adjusted amount due along with a new start date of July 1, 2014. The first extension period changed to coincide with the fiscal year with a significant cost savings.
- The first contract extension period was July 1, 2014 to June 30, 2018. (Fifth Year plus three more years - Running total of 8 years).

## **CURRENT PROPOSAL:**

This new contract extension holds the annual fees for the five-year period. This new addendum specifies terms and pricing for a three (3) year extension of the contract and beyond that two (2), one (1) year extensions for a total of five (5) years (See Attached Copy).

- The second contract extension period will be July 1, 2018 to June 30, 2021 with the optional two (2) years, which would make the contract extend from July 1, 2021 to June 30, 2023. (With a total of five years, the running total is 13 years)

Based on the review, of the addendum, PCM will continue Information Technology Services with an annual fee of \$309,000.00.

**Memorandum – PCM Contract Extension**

**June 1, 2018**

**Page 2 of 2.**

As such, based upon the above and attached information it is the recommendation of the Purchasing Agent that the City authorizes the Mayor or Deputy Mayor to enter into a contract with the above-mentioned vendor PCM Sales, Inc.

***WHEREAS**, the City of Pontiac negotiated a contract extension for Information Technology Services; and,*

***WHEREAS**, an addendum was prepared by PCM Sales, Inc. and reviewed by the Purchasing Agent of the City, and,*

***WHEREAS**, the extension of this service contract from July 1, 2018 to June 30, 2021 with the option to extend for two more years to June 30, 2023 is being recommended for the signing; and,*

***WHEREAS**, the contract will remain with PCM Sales, Inc. The annual fee per fiscal year is \$309,000.00 for all work performed, by the contractor, under this agreement;*

***NOW, THEREFORE, BE IT RESOLVED** that the Pontiac City Council authorize the Mayor or Deputy Mayor to enter into a contract with; PCM Sales, Inc. for Information Technology in the yearly amount of \$309,000.00 for a three-year extension (July 1, 2018 to June 30, 2021) with an option for a two- year extension.*

Re: HVAC Replacement for Robert Bowen Senior Center

RECEIVED  
2018 JUN -1 PM 4:33  
PONTIAC CITY CLERK

The City advertised for bids for HVAC Replacement for Robert Bowen Senior Center. The proposals were accepted on May 14, 2018 at 2:00 pm in the office of the City Clerk and publically opened at that time.

The City received three (3) bid proposals.

The three (3) responsive, qualified bids for the HVAC Replacement for Robert Bowen Senior Center were:

- |                                      |              |
|--------------------------------------|--------------|
| • Nichol's Heating and Cooling, Inc. | \$ 21,250.00 |
| • Clearwater Construction Services   | \$ 22,862.70 |
| • Oscar W. Larson                    | \$ 28,000.00 |

The bids were tabulated and checked. Based on the review, the lowest qualified bidder is Nichol's Heating and Cooling, Inc. The bid amount is \$ 21,250.00. The City of Pontiac has been allocated Federal funds through the Community Development Block Grant (CDBG). Those funds will be used to pay for the replacement HVAC system at the Robert Bowen Center.

As such, based upon the above and attached information it is the recommendation of the Purchasing Agent that the City authorizes the Mayor or Deputy Mayor to enter into a contract with the above-mentioned vendor Nichol's Heating and Cooling, Inc.:

*WHEREAS, the City of Pontiac advertised and received responses to a request for bids for HVAC Replacement of Robert Bowen Senior Center on May 14, 2018 and publically opened bids; and,*

*WHEREAS, a bid tabulation was prepared and reviewed by the Purchasing Agent of the City, and,*

*WHEREAS, the most responsible and qualified bidder is being recommended for the contract; and,*

*WHEREAS, the contract will be granted to Nichol's Heating and Cooling, Inc. The amount of \$ 21,250.00 is the total bid for all work performed, by the contractor, under this agreement and will be funded by CDBG dollars;*

*NOW, THEREFORE, BE IT RESOLVED that the Pontiac City Council authorize the Mayor or Deputy Mayor to enter into a contract with; Nichol's Heating and Cooling, Inc for HVAC Replacement for Robert Bowen Senior Center in the amount of \$ 21,250.00 as budgeted with CDBG funds.*

**To:** Michelle McKenzie  
**Cc:** Nevrus Nazarko; Jane Bais-DiSessa  
**Subject:** RE: Please investigate a contactor-HVAC Bowen Center

Hi Michelle,

I have no record for this business. Since this was before we were more aggressive in enforcing the ordinance, and the amounts were relatively small, I will not object to issuing the contract.

However, they need to be aware of the income tax requirements going forward.

Thanks,

Larry

It is the offeror's sole responsibility to ensure that their bid is physically deposited to the Clerk's Office prior to the time and date specified. Late bids will not be opened and will be rejected unopened regardless of the degree of lateness or the reason thereto, including causes beyond the control of the offeror. **(NOTE: Electronic or faxed submissions will not be accepted)**

A Mandatory Pre-Bid Conference/Walk Through will be conducted at 10:00 a.m., local time, on Wednesday, May 2, 2018 in the City of Pontiac Lion's Den located on the main floor of the Pontiac City Hall, 47450 Woodward Avenue, 1<sup>st</sup> Floor, Pontiac, MI 48342. Following a brief introduction and opportunity for questions, the meeting will continue with a viewing of the facilities.

Bids, including all City-provided forms that shall be completed, and signed as indicated herein, are to be submitted in a sealed envelope plainly marked with the Bids title. Two (2) complete copies/sets of the bid shall be submitted. An original copy so marked, shall be signed with the firm's name and bear its corporate seal or logo and the hand written signature of an officer or employee having authority to bind the company to a contract by his or her signature.

The City of Pontiac reserves the right to accept or reject any or all bids, either in part or in whole to waive any formalities and to accept the bid which it believes to be in the best interest of the City.

**All prospective bidders need to send an e-mail response with to MMcKenzie@pontiac.mi.us with the following information Firm name, Project Name, Contact Person, Telephone Number and E-Mail Address.**

Any interpretation, correction, or change of this document will be made only by written addendum hereto. Any interpretation, correction, or change made in any other manner will not be binding on the City and proposers shall not rely thereon. All inquiries are to be made in writing to Michelle McKenzie and be received no later than five working days prior to the scheduled opening (these may be hand-delivered, mailed, or faxed to (248) 758-3197 or emailed to MMcKenzie@pontiac.mi.us). A written response, if provided, will be in the form of an addendum to the Bid and will be sent to all document holders on file with the Purchasing Office. Any addendums issued will be located on the Pontiac's website <http://www.pontiac.mi.us/departments/finance/purchasing.php>. Its receipt must be duly acknowledged with any submission. Please refer to the website for any addenda that may be issued. Bidders who submit bids before the deadline are advised to continue to monitor the website for any addenda that may be issued. Bid packages will also be available upon request through the Purchasing Office located at 47450 Woodward Avenue, 2<sup>nd</sup> Floor, Pontiac, MI 48342.

The selected firm shall agree to indemnify, defend, and hold harmless the City of Pontiac, its officers, agents, and employees from and against all claims, losses, costs or damages caused by his acts or those of his agents, or anyone for whom he may be responsible. The City disclaims any responsibility for injury to proposers, their agents, or to others while examining the work site or at any other time.

With regard to installation of HVAC Replacement for Robert Bowen Senior Center, the successful proposer shall agree to indemnify and hold the City harmless from any and all claims whatsoever arising out of, or occurring during, the performance of the services and occasioned directly or indirectly by its error or omission, negligence, or fault.

Prior to the City's entering into a contract, the successful proposer shall produce evidence satisfactory to the City of insurance coverage in types and amounts defined in Appendix D, and naming the City of Pontiac, Michigan as an additional insured thereon.

All work performed by the contractor and subcontractors shall comply with the pertinent OSHA (as stated above), local, state, and federal government regulations.

The winning bidder cannot be debarred by the federal government. ([www.epls.gov](http://www.epls.gov))

The project is a Community Development Block Grant (CDBG) funded project and subject to Prevailing Wage Regulations as dictated by the Davis-Bacon Act and Section 3 requirement. Construction work that is financed with Federal funds must adhere to certain Federal labor standards requirements. The project requires that workers receive no less than the prevailing wages being paid for similar work in the same area. The contractor must ensure that employees and applicants for employment are not discriminated against because of their race, color, religion, sex or national origin, in accordance with Executive Order 11246 (Equal Employment Opportunity and Notice of Requirement for Affirmative Action to ensure Equal Employment Opportunity), and that the contractor will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended. Minority, female, and Section 3 contractors are specifically invited to bid on this contract. The city also request general contractors to use minority, female, and Section 3 residents and subcontractors whenever possible. Contractor must comply with the Davis Bacon Act, July 2, 1964, Title 40§ 276A, the Equal Employment Opportunity Act, September 28, 1965, No 11246, all United States Department of Labor Regulations and Standards, Title 29, 1, 3, and 5, and Title 18 U.S.C., Section 874, known as the "Anti-Kickback Act", and the Federal Occupational Safety and Health Act of 1970.

This is a Federally Funded project. The contractor and subcontractors on this project must comply with HUD contract provisions 24CFR part 85.36(i), Nondiscrimination, Equal Employment Opportunity, Affirmative Action, Section 3 requirements, Anti-Kickback Act, Federal Occupational Safety and Health Act and Department of Labor Standards and Regulations as set forth in the Contract Documents. This municipality is an Equal Opportunity Employer. Businesses owned by women or minorities are strongly encouraged to bid.

**MANDATORY PRE-BID MEETING: Wednesday, May 2, 2018 @ 10:00 AM EDT**

**BIDS DUE: Monday, May 14, 2018 at 2:00 PM EDT**

**NUMBER OF COPIES TO SUBMIT: TWO (2), one original and one copy**

## I. PURPOSE

The purpose is to procure and hire a vendor through a request for proposal process to provide a HVAC Replacement system for the Robert Bowen Senior Center. Contractor is to provide for the completion of the work in every detail as described therein. The Contractor shall furnish all labor, materials (except as otherwise specified), equipment, tools, transportation, and necessary supplies, as may reasonably be required to complete the work in accordance with the specifications.

The intention of the City is to award the contract for this job to the lowest responsible bidder whose skill set, past work history, and cost are equal to the task of completing the work in a satisfactory manner in the time period specified by the City. The successful respondent will demonstrate five (5) years of experience in "HVAC Replacement Services" with an emphasis in Commercial installation.

The qualified contractor and subcontractors shall have proper credentials, certifications and licenses required by the City, County, State, and Federal Government to perform the HVAC Replacement system for Senior Centers.

## II. BACKGROUND

The City of Pontiac has been allocated federal funds through the Community Development Block Grant ("CDBG"). These funds shall be used to provide replacement HVAC systems for Robert Bowen Senior Center ensuring the City of Pontiac Federal Programs can create a suitable environment for Senior Center users.

## III. DESCRIPTION OF SERVICES

### GENERAL

The following scope of work and technical specifications shall apply to the Senior Center. Reference to a particular trade name, manufacturer's catalogue, or model number are made for descriptive purposes to guide the company in interpreting the requirement of the City of Pontiac, and should not be construed as excluding bids on other types or materials, equipment and supplies unless otherwise stated. We would prefer brand name equipment, whose parts are readily available at any of our local supply stores. However, the company, if awarded the contract, will be required to furnish the particular item referred to in the specifications or description unless departure or substitution is clearly noted and described in the bid/proposal. The City of Pontiac reserves the right to determine if equipment/product or service being bid is equal to the specified equipment/product or service requested.

- Mechanical Permit issued by City of Pontiac Building Safety Department;
- Line-Item Invoice; and
- Waiver of Liens for all subcontractors.

**All payments will be made by electronic deposits from Oakland County to the contractor bank account**

#### **VII. ADDITIONAL INFORMATION:**

The funding used for this program comes from the CDBG program, pursuant to the Housing and Community Development Act of 1974, as amended (the "Act"). This federal program has stringent requirements that the City and its Contractor's must adhere to in order to receive monetary reimbursement. Please review the requirements listed below and state in your bid your ability to fulfill these requirements. If you have any questions regarding federal requirements please contact Michelle L. McKenzie at (248) 758-3120. If contractor is not in possession of a Pontiac Business license then contractor shall procure said license once awarded.

- Agree to Section 3 Clause (Appendix "B")
- Debarment-Service provider has not been suspended from federal benefits as listed on [www.epls.gov](http://www.epls.gov)
- Conflict of Interest regulations found in 24CFR 570.611 (Appendix "C")
- The selected service provider will not use funds for lobbying, and will disclose any lobbying activities
- Other Applicable State and Local Laws

#### **VIII. SUBMISSIONS**

All submissions (and original and one copy) must be hand delivered or mailed in a sealed envelope (**NOTE: Electronic or faxed submissions will not be accepted**) with **"HVAC Replacement for Robert Bowen Senior Center"** clearly marked on the front to be **Monday, May 14, 2018 at, at 2:00 P.M. EDT** to the following:

**City of Pontiac Clerk's Office, 47450 Woodward Avenue, 1<sup>st</sup> Floor, Pontiac, MI 48342**  
The City of Pontiac reserves the right to accept or reject any or all bids, either in part or in whole to waive any formalities and to accept the Bid.

## IX. BONDING REQUIREMENTS

a) A bid bond/guarantee is required from each bidder in the amount 5% of the bid price. The "bid guarantee" shall consist of a firm commitment such as a bid bond or certified check accompanying a bid as assurance that the bidder will, upon acceptance of his bid, execute such contractual documents as may be required within the time specified. Bid bond to be included with bid.

NOTE: If the Contracts or Subcontracts exceed \$50,000.00 you will need b) & c) & d)

b) A performance bond shall be delivered to the Agency when the contract is executed on the part of the contractor for 100% of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

c) A payment bond (labor & material bond) shall be delivered to the Agency when the contract is executed on the part of the contractor for 100% of the contract price. A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

d) A maintenance and guarantee bond shall be delivered to the Agency when the contract is executed on the part of the contractor for 100% of the contract price. A "maintenance and guarantee bond" is one executed in connection with a contract to protect the owner of a completed construction project for a specified time-period against defects and faults in materials, workmanship and design that could arise later.

If a contractor fails to deliver the required bonds, the bid will be rejected. The City of Pontiac reserves the right to reject a bid if the contractor can't provide a performance and payment bond within 5 days of a signed contract.

- Federal Labor Standards Provisions "IT'S THE LAW" Poster

### **TITLE VI COMPLIANCE**

The Contractor shall comply with this Act as described hereafter.

### **TITLE VI CONTRACT LANGUAGE**

The City of Pontiac In accordance with Title VI of the Civil Rights Act of 1964, 78 Stat. 252, 24 USC 2000d-d4 and Title 24, Code of Federal Regulations, Department of Housing and Urban Development, Community Development Block Grant Program, Part 570, and all requirements issued pursuant to such Act, hereby notifies all bidders that minority business enterprises will be afforded full opportunity to submit a bid in response to the invitation and will not be discriminated against on the grounds of gender, disability, race, color, sex or national origin in consideration for an award.

During the performance of this Contract, the Contractor, for itself, its assignees and successors in interest, (hereinafter referred to as the "Contractor") agrees as follows:

#### **1. Compliance with Regulations**

The Contractor shall comply with the Regulations relative to nondiscrimination in Federally assisted programs of the Department of Housing and Urban Development, CDBG program, Part 570 (hereinafter referred to as the Regulations) as they may be

amended from time to time, herein incorporated by reference and made a part of this Contract.

2. **Nondiscrimination**

The Contractor shall comply with regard to the work performed during the Contract, shall not discriminate on the grounds of race, color, sex or national origin in the selection and retention of subcontractors, including procurement of materials and leases of equipment. The Contractor shall not participate either directly or indirectly in discrimination prohibited by these Regulations.

3. **Solicitations for Subcontracts, including Procurement of Materials and Equipment**

In all solicitations wither by competitive bidding or negotiations made by the Contractor for work to be performed under a subcontract, including procurement of material leases of equipment, each potential subcontractor or supplier shall be notified by the Contractor of the Contractor's obligations under the Contract and the Regulations relative to nondiscrimination on the ground of race, color, sex or national origin.

4. **Information and Reports**

The Contractor shall provide all information and reports required by the Regulation or directives issued pursuant thereto, and shall permit access to its books, records, accounts other sources of information and its facilities as may be determined by the City of Pontiac, HUD or appropriate Federal Agency to be pertinent to ascertain compliance with such regulations, orders and instructions. Where any information required of a Contractor is in exclusive possession of another who fails or refuses to furnish this information, the Contractor shall so certify to HUD or the appropriate Federal Agency as needed, and shall set forth what efforts it has made to obtain the information.

5. **Sanctions for Noncompliance**

In the event of the Contractor's noncompliance with the nondiscrimination provisions of the Contract, the City of Pontiac shall impose such Contract sanctions as HUD or the appropriate Federal Agency may determine to be appropriate, including, but not limited to:

- a. Withholding of payment to the Contractor under Contract until the Contractor complies and/or
- b. Cancellation, termination, or suspension of the Contract in whole or in part.

6. **Incorporations and Provisions**

The contractor shall include the provisions of paragraphs (1) through (5) in every subcontract, including procurement of materials and leases of equipment, unless exempt Regulations or directives issued pursuant thereto. The Contractor shall take such action with respect to any subcontractor or procurement as the City of Pontiac, HUD, CDBG Program, or appropriate Federal Agency may direct as means to enforcing such provisions, including sanctions for noncompliance.

## APPENDIX B

Section 3 clause 135.38

All section 3 covered contracts shall include the following clause (referred to as the section 3 clause):

- A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
- C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of traineeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
- E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.
- F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
- G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3.

APPENDIX C  
CONFLICT OF INTEREST STATEMENT

"Code of Standards of Conduct,"  
24 CFR Part 85.36 (b) (3):  
(Applicable to Community Development Block Grant Expenditures)

(3) Grantees and sub-grantees will maintain a written code of standards of conduct governing the performance of their employees engaged in the award and administration of contracts. No employee, officer or agent of the grantee or sub-grantee shall participate in selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when:

- (i) The employee, officer or agent,
- (ii) Any member of his immediate family,
- (iii) His or her partner, or
- (iv) An organization which employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award. The grantee's or subgrantee's officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to subagreements. Grantee and subgrantee's may set minimum rules where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value. To the extent permitted by State or local law or regulations, such standards of conduct will provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the grantee's and subgrantee's officers, employees, or agents, or by contractors or their agents. The awarding agency may in regulation provide additional prohibitions relative to real, apparent, or potential conflicts of interest.

## APPENDIX D

### INSURANCE

#### 1. INSURANCE

The Contractor shall provide to protect the City of Pontiac as outlined below.

#### 2. LIMITS OF INSURANCE (See also Section 1 of the General Conditions)

The contractor, or any of their subcontractors, shall not commence work under this contract until they have obtained the Insurance required under this paragraph, and shall keep such insurance in force during the entire life of this contract. All coverage shall be with insurance companies licensed and admitted to do business in the State of Michigan and acceptable to the City of Pontiac. The requirements below should not be interpreted to limit the liability of the Contractor. All deductibles and SIR's are the responsibility of the Contractor.

- 1) **Workers' Compensation Insurance** The Contractor shall procure and maintain during the life of this contract, Workers' Insurance, including Employers Liability Coverage, in accordance with all applicable statutes of the State of Michigan with a minimum limit of \$100,000 each accident for any employee
- 2) **Commercial General Liability Insurance** The Contractor shall procure and maintain during the life of this contract, Commercial General Liability Insurance on an "Occurrence Basis" with limits of liability not less than \$2,000,000 per occurrence and aggregate for Personal Injury, Bodily Injury and Property Damage, coverage shall include the following extensions: (A) Contractual Liability; (B) Products and Completed Operations; (C) Independent Contractors Coverage; (D) Broad Form General Liability Extensions or equivalent; (E) Deletion of all Explosion, Collapse and Underground (XCU) Exclusions, if applicable; (F) Per project aggregate.
- 3) **Motor Vehicle Liability** The Contractor shall procure and maintain during the life of this contract Motor Vehicle Liability Insurance, including Michigan No-Fault Coverage, with limits of liability of not less than \$2,000,000 per occurrence combined single limit for Bodily Injury and Property Damage. Coverage shall include all owned vehicles, all non-owned vehicles, and all hired vehicles.
- 4) **Additional Insured:** Commercial General Liability and Motor Vehicle Liability Insurance, as described above, shall include an endorsement stating the following shall be Additionally Insured: The City of Pontiac, all elected and appointed officials, all employees and volunteers, all boards, commissions, and/or authorities and board members, including employees and volunteers. It is understood and agreed by naming The City of Pontiac as additional insured, coverage afforded is considered to be primary and any other insurance The City of Pontiac may have in effect shall be considered secondary and/or excess.
- 5) **Cancellation Notice:** All policies, as described above, shall include an endorsement stating that it is understood and agreed Thirty (30) days, Ten (10) days for non-payment of premium, Advance Written Notice of Cancellation, Non-Renewal, Reduction, and/or Material Change shall be sent to: Michelle L. McKenzie, City of Pontiac, 47450 Woodward Ave, Pontiac, MI, 48342.
- 6) **Proof of Insurance Coverage:** The Contractor shall provide The City of Pontiac at the time that the contracts are returned by him/her for execution, two (2) copies of Certificates of Insurance as well as the required endorsements.

- 7) **Expiration of Policies:** If any of the above coverage expires during term of this contract, the Contractor shall deliver renewal certificates and/or policies to the City of Pontiac at least ten (10) days prior to the expiration date.

### **3. INDEMNIFICATION CLAUSE**

The Contractor shall indemnify and save harmless the City of Pontiac for and from all claims, demands, payments, suits, actions, recoveries, and judgments; of every name and description, brought or recovered against them or to property received or sustained by any person or persons whomsoever by reason of any action or omission of the said Contractor, his agents, servants, or his Contractors in the performance of said Work, or by or in consequence of any negligence or carelessness in connection with the same or on account of the death of or injuries to persons who shall be engaged in or about the work to be performed under this Contract; and on account of liability or obligation imposed directly or indirectly upon the City of Pontiac by reasons of any law of the State or the United States, now existing or which shall hereafter be enacted, imposing any liability or obligation, or providing for compensation to any person or persons on account of or arising from the death of, or injuries to employees. Said Contractor shall pay, settle, compromise and procure the discharge of any and all such claims and all such losses, damages, expenses, liabilities, and obligations, and shall defend at his own cost and expense any and all claims, demands, suits and actions made or brought against the City of Pontiac, and all Additional Named Assured, for or upon any such claim. In case the said Contractor shall fail, neglect, or refuse to comply with any of the provisions of this paragraph, the City of Pontiac may, in order to protect itself, and all Additional Named Assured, from liability, defend any such claim, demand, suits or action and pay, settle, compromise, and procure the discharge thereof, in which case the said Contractor shall repay the City of Pontiac any and all such loss, damage and expense, including attorney's fees paid, suffered or incurred by the City of Pontiac, and all Additional Named Assured, in so doing. So much of the monies due, or to become due, to said Contractor under this agreement as shall be deemed necessary by the City of Pontiac, shall or may be retained by the City of Pontiac until every and all such claims, demands, suits, actions, recoveries, judgments, liabilities and obligations have been settled and discharged and evidence to that effect furnished the City of Pontiac, or the City of Pontiac may collect the same in whole or in part in any lawful manner from said Contractor. The Contractor shall provide adequate insurance until his work is completed, with a reasonable insurance company which meets with the approval of the City of Pontiac, covering liability to the public for loss resulting from injury to persons or damage to property arising out of or caused by his operations, acts, or omissions, or those of his subcontractors, agents, or employees in procuring work for the City of Pontiac. Such insurance coverage shall be in such amounts as are provided in public liability and property damage section herein, provided, however, that such insurance coverage shall include an endorsement providing that the contractual exclusion shall be removed or in the alternative, contractual insurance shall be afforded. If the former, such endorsement shall contain specific language as follows:

"It is hereby agreed that the contractual exclusion does not apply to the contract entered into between the insured and the City of Pontiac, and each Additional Named Assured as their interest may appear for the project work. Such insurance coverage shall also contain an endorsement guaranteeing that thirty (30) days' notice to the City of Pontiac and each Additional Named Assured, shall be given in writing prior to the cancellation of, or change in any such insurance."

### **4. EXTRAS**

No claim for extra compensation because of either decrease or increase in quantities will be allowed. Contractor and Owner mutually agree that in the event the Contractor is to perform services beyond, or at variance with the Scope and total price of this Contract, such services must be mutually agreed to, in advance, in writing, with agreed upon price included. Accordingly, claims for the payment of Extra Services must be substantiated by the Contractor with a written order signed by Owner or his authorized agent.

#### **5. EMERGENCY PHONE NUMBERS**

The Contractor must submit Emergency (24 Hours) phone numbers on the company letterhead when submitting contracts.

#### **6. INCLUDED WORK**

All items of work noted on the Plans or in the Specifications that are not specifically noted in the bid, shall be considered as included with the contract and shall be completed at no extra cost to the Owner.

#### **7. SUB-CONTRACTS**

The Contractor shall not execute an Agreement with any Sub-Contractor or sub-subcontractor or permit any Sub-Contractor or sub-subcontractor to perform any work included in this Contract without the prior written consent of Owner.

## APPENDIX E

### STANDARD FEDERAL EQUAL EMPLOYMENT OPPORTUNITY CONSTRUCTION CONTRACT SPECIFICATIONS (EXECUTIVE ORDER 11246)

- a) The equal opportunity clause published at 41 CFR 60-1.4(a) of this chapter is required to be included in, and is part of, all nonexempt Federal contracts and subcontracts, including construction contracts and subcontracts. The equal opportunity clause published at 41 CFR 60-1.4(b) is required to be included in, and is a part of, all nonexempt federally assisted construction contracts and subcontracts. In addition to the clauses described above, all Federal contracting officers, all applicants and all non-construction contractors, as applicable, shall include the specifications set forth in this section in all Federal and federally assisted construction contracts in excess of \$10,000 to be performed in geographical areas designated by the Director pursuant to Sec. 60-4.6 of this part and in construction subcontracts in excess of \$10,000 necessary in whole or in part to the performance of non-construction Federal contracts and subcontracts covered under the Executive order.

#### Standard Federal Equal Employment Opportunity Construction Contract Specifications (Executive Order 11246)

1 As used in these specifications:

- a. "Covered area" means the geographical area described in the solicitation from which this contract resulted;
- b. "Director" means Director, Office of Federal Contract Compliance Programs, United States Department of Labor, or any person to whom the Director delegates authority;
- c. "Employer identification number" means the Federal Social Security number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941.
- d. "Minority" includes:
- (i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin);
  - (ii) Hispanic (all persons of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish Culture or origin, regardless of race);
  - (iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and
  - (iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).

2. Whenever the Contractor, or any Subcontractor at any tier, subcontracts a portion of the work involving any construction trade, it shall physically include in each subcontract in excess of \$10,000 the provisions of these specifications and the Notice which contains the applicable goals for minority and female participation and which is set forth in the solicitations from which this contract resulted.

3. If the Contractor is participating (pursuant to 41 CFR 60-4.5) in a Hometown Plan approved by the U.S. Department of Labor in the covered area either individually or through an association, its affirmative action obligations on all work in the Plan area (including goals and timetables) shall be in accordance with that Plan for those trades which have unions participating in the Plan. Contractors must be able to demonstrate their participation in and compliance with the provisions of any such Hometown Plan. Each Contractor or Subcontractor participating in an approved Plan is individually required to comply with its obligations under the EEO clause, and to make a good faith effort to achieve each goal under the Plan in each trade in which it has employees. The overall good faith

performance by other Contractors or Subcontractors toward a goal in an approved Plan does not excuse any covered Contractor's or Subcontractor's failure to take good faith efforts to achieve the Plan goals and timetables.

4. The Contractor shall implement the specific affirmative action standards provided in paragraphs 7 a through p of these specifications. The goals set forth in the solicitation from which this contract resulted are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each construction trade in which it has employees in the covered area. Covered Construction contractors performing construction work in geographical areas where they do not have a Federal or federally assisted construction contract shall apply the minority and female goals established for the geographical area where the work is being performed. Goals are published periodically in the Federal Register in notice form, and such notices may be obtained from any Office of Federal Contract Compliance Programs office or from Federal procurement contracting officers. The Contractor is expected to make substantially uniform progress in meeting its goals in each craft during the period specified.

5. Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the Contractor's obligations under these specifications, Executive Order 11246, or the regulations promulgated pursuant thereto.

6. In order for the nonworking training hours of trainees and trainees to be counted in meeting the goals, such trainees and trainees must be employed by the Contractor during the training period, and the Contractor must have made a commitment to employ the trainees and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.

7. The Contractor shall take specific affirmative actions to ensure equal employment opportunity. The evaluation of the Contractor's compliance with these specifications shall be based upon its effort to achieve maximum results from its actions. The Contractor shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:

a. Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Contractor's employees are assigned to work. The Contractor, where possible, will assign two or more women to each construction project. The Contractor shall specifically ensure that all foremen, superintendents, and other on-site supervisory personnel are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at such sites or in such facilities.

b. Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.

c. Maintain a current file of the names, addresses and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by the union or, if referred, not employed by the Contractor, this shall be documented in the file with the reason therefor, along with whatever additional actions the Contractor may have taken.

d. Provide immediate written notification to the Director when the union or unions with which the Contractor has a collective bargaining agreement has not referred to the Contractor a minority person

or woman sent by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.

e. Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and traineeship and trainee programs relevant to the Contractor's employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled under 7b above.

f. Disseminate the Contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the company newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the company EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.

g. Review, at least annually, the company's EEO policy and affirmative action obligations under these specifications with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions including specific review of these items with onsite supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at any job site. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.

h. Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other Contractors and Subcontractors with whom the Contractor does or anticipates doing business.

i. Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations serving the Contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for traineeship or other training by any recruitment source, the Contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

j. Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the site and in other areas of a Contractor's work force.

k. Validate all tests and other selection requirements where there is an obligation to do so under 41 CFR Part 60-3.

l. Conduct, at least annually, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

m. Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations under these specifications are being carried out.

n. Ensure that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

o. Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

p. Conduct a review, at least annually, of all supervisors' adherence to and performance under the Contractor's EEO policies and affirmative action obligations.

8. Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations (7a through p). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under 7a through p of these Specifications provided that the contractor actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor's minority and female workforce participation, makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's and failure of such a group to fulfill an obligation shall not be a defense for the Contractor's noncompliance.

9. A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the Contractor may be in violation of the Executive Order if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation of the Executive Order if a specific minority group of women is underutilized).

10. The Contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex, or national origin.

11. The Contractor shall not enter into any Subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246.

12. The Contractor shall carry out such sanctions and penalties for violation of these specifications and of the Equal Opportunity Clause, including suspension, termination and cancellation of existing subcontracts as may be imposed or ordered pursuant to Executive Order 11246, as amended, and its implementing regulations, by the Office of Federal Contract Compliance Programs. Any Contractor who fails to carry out such sanctions and penalties shall be in violation of these specifications and Executive Order 11246, as amended.

13. The Contractor, in fulfilling its obligations under these specifications, shall implement specific affirmative action steps, at least as extensive as those standards prescribed in paragraph 7 of these specifications, so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of the Executive Order, the implementing regulations, or these specifications, the Director shall proceed in accordance with 41 CFR 60-4.8.

14. The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required by the Government and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g.,

mechanic, apprentice trainee, helper, or laborer), dates of changes in status, hours worked per week in the indicated trade, rate of pay, and locations at which the work was performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors shall not be required to maintain separate records.

15. Nothing herein provided shall be construed as a limitation upon the application of other laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

- a. The notice set forth in 41 CFR 60-4.2 and the specifications set forth in 41 CFR 60-4.3 replace the New Form for Federal Equal Employment Opportunity Bid Conditions for Federal and Federally Assisted Construction published at 41 FR 32482 and commonly known as the Model Federal EEO Bid Conditions, and the New Form shall not be used after the regulations in 41 CFR Part 60-4 become effective.
