ZONING TEXT AMENDMENT
REFERRED TO PLANNING COMMISSION AND COMPLETED TECHNICAL REVIEW

DATE: MARCH 7, 2019

Intent and Purpose

Amend the Zoning Ordinance to allow Medical Marihuana facilities that have been granted a license from the state of Michigan and City of Pontiac to operate in the City pursuant to the Medical Marihuana Facilities Licensing Act, Act No. 281 of the Public Acts of 2016; to provide standards and procedures to permit and regulate Medical Marihuana facilities; and to impose conditions for operating Medical Marihuana facilities.

The purpose of this Medical Marihuana Zoning Text Amendment is to serve and protect the health, safety and welfare of the general public and establish a set of rules and regulations which are fair and equitable for those interested in establishing a Medical Marihuana facility.

Sequence of Recent Events

A Technical Review of the 3rd Pro Tem Carter/City Council Zoning Text Amendment was completed [see attachment] and prepared a 3rd Planning Commission Medical Marihuana Zoning Text Amendment. See attached Comparison Summary and the 3rd Planning Commission and 3rd Pro Tem Carter/City Council Zoning Text Amendments.

Both Zoning Text Amendments were evaluated subject to the following objectives of "What's Best for Pontiac":

- Protecting residential neighborhoods by minimizing impacts.
- Select corridors/areas that need new private and public investment and generate revenue to pay down City debt.
- Select areas with significant number of properties to develop/redevelop Medical Marihuana facilities.
- Easy access for patients.
- Streets served by utilities with sufficient capacity and accommodate increased traffic volumes.
- Meet Oakland County Sheriff's standards to ensure a safe and secure environment.

At the Planning Commission March 6, 2019 meeting, the 3rd Planning Commission and 3rd Pro Tem Carter/City Council Medical Marihuana Zoning Text Amendments were presented. Ordinance regulations were discussed, along with its comparisons and nuances, held a Public Hearing and voted on recommendations to City Council [see below] for your final decision on March 7, 2019.

3rd Carter/City Council Medical Marihuana Zoning Text Amendment

Recommendation to deny the 3rd Pro Tem Carter/City Council Medical Marihuana Zoning Text Amendment and refer recommendation to City Council at their March 7, 2019 meeting. The Ordinance is incomplete based on several inconsistencies and standard of clarity outlined in Technical Review: 3rd Pro Tem Carter/City Council Medical Marihuana Ordinance memorandum authored by Vern Gustafsson, Planning Manager dated March 4, 2019.

Resolution: 3rd Planning Commission Medical Marihuana Zoning text Amendment

Whereas, Following Pontiac approval of Proposal 1: City of Pontiac Medical Marihuana Facilities Ordinance in August 2018 and following the recount certification on September 12, 2018; the City prepared a Zoning Text Amendment of City of Pontiac Zoning Ordinance to include uses of Medical Marihuana Facilities within the City of Pontiac; and

Whereas, In accordance with the procedures outlined in the Zoning Ordinance, Sections 6.802 as it relates to Zoning Text Amendments, the request has undergone the required: Technical Review, Public Hearing, and Planning Commission Recommendation; and

Whereas, Pursuant to Pontiac City Charter Provision 3.112[e], this is an EMERGENCY ORDINANCE to regulate the proliferation of medical marihuana facilities within the City of Pontiac and thereby ensure the health and safety of its residents, and shall be given immediate effect; and

Now Therefore, Be It Resolved, That the City Council for the City of Pontiac approve the Planning Commission recommendation for the 3rd Planning Commission Medical Marihuana Zoning Text Amendment of City of Pontiac Zoning Ordinance to include medical marihuana facilities within the City of Pontiac.

SUBJECT: TECHNICAL REVIEW: 3RD PRO TEM CARTER/CITY COUNCIL MEDICAL MARIHUANA ORDINANCE
SUBMITTED BY COUNCIL ON FEBRUARY 5, 2019 AND REVISED AT THE FEBRUARY 26, 2019 MEETING

DATE: MARCH 4, 2019

After receiving a copy of the proper formatted 3rd Pro Tem Carter/City Council Medical Marihuana Ordinance at City Council's February 26, 2019 meeting and interim Clerk Garland Doyle's February 27th and 28th emails with and without maps, respectively we completed a technical review. We reviewed the latest February 28th version, which does not represent what was voted February 5th.

The February 28, 2019 Ordinance does include the amendment that was read into the motion that no more than five (5) Medical Marihuana Provisioning Centers are to be located in any of the three Medical Marihuana Overlay Districts as described in Section 3.1106 which includes Walton Blvd, Cesar Chavez and C-2 Downtown. In addition, Section 3.1108 Buffer Distance Restrictions [A] [5] [i] has been inserted to include a 200 foot buffer from a residential-zoned property measured at right angles.

We did note several inconsistencies during our Technical Report that render the Ordinance incomplete:

1. The approved February 5, 2019 minutes include the remaining five (5) licenses for Provisioning Centers shall be located in any other districts in the City of Pontiac which are zoned C-1, C-3, C-4, M-1 and M-2 that are not located in one of the three Overlay Districts. In the Ordinance, page 15, section 3.1107 Permitted Uses in Commercial Districts (Non-Overlay) also includes the C-0 Office Business zoning district, which was not part of the Amendment.
2. The 3rd Pro Tem Carter/City Council Ordinance, page 1, Table 2 Uses Permitted by District does show all Medical Marihuana facility uses as a Principal Permitted Use. However, Section 3.1111 Review Authority and Establishment states the Planning Commission shall be the Special Exception Permit review authority and that a Special Exception Permit for Medical Marihuana uses require Public Notice of 500 feet from the proposed Medical Marihuana facility. This internal contradiction is not enforceable to require a Special Exception Permit because it conflicts with sections [2.203, 3.1102, 3.1103, 3.1104 and 3.1107].

3. Maps 1 and 2 referenced on page 15, Section 3.1106 [A] and [B] are not included in the Ordinance. Accurate maps are required to illustrate the location and extent of Medical Marihuana facility placement.
4. Lastly, Section 3.1108 [5] [i] Buffer Distance Restrictions require a 200 foot buffer at right angles from residential-zoned property. Explain the rational to require this distance since a significant number of Medical Marihuana facilities placed on corner parcels could potentially be adjacent or near residential-zoned lots. Also, Section 3.1108 Buffer Distance Restrictions [A] [5] [i] includes a reference to Section 3.1107 B, which does not exist in this Ordinance. This was an error in codification.

In summary, does not meet the standard of clarity or consistency. Based on our review and speculation of Overlay District locations, identified Non-Overlay District zoning districts and assessment of residential buffer distance impacts on residential-zoned district we prepared the following maps and graphic, which are attached.
