RESOLUTION

CITY OF PONTIAC

OFFICIAL MEMORANDUM

Finance Department

TO: City Council President Mike McGuinness and City Council Members

FROM: Darin Carrington, Finance Director

CC: Mayor Tim Greimel and Deputy Mayor Khalfani Stephens

DATE: July 7, 2022

RE: **Resolution to approve FY23 Budget Amendment for Information Technology (IT) and Building Department**

As part of the FY 2022-23 budget, a number of services that had been outsourced by the City in prior years were budgeted to be brought back in-house. This included the City's Information Technology Services (IT) and the City's Building Department. Previously, the expenses for these services were paid out of the departments' Professional Services GL accounts. For FY23, these expenses were budgeted out of the departments' Salaries & Wages GL accounts with the expectation that these services will be performed by City employees.

The FY23 budget assumed these services would be provided by City employees as of July 1 at the start of the City's fiscal year. However, the Administration knows that there will be a 30 – 60 day transition that is needed to bring these services in-house. In order to fund these services and to continue paying the contractors providing the services, the FY23 budget needs to be amended.

For IT, the expected transition period is 30 days. The contract with the current vendor is at a monthly rate of \$25,700. To fund these services for this period a total of \$25,700 will be needed in the IT Department's budget for professional services.

For the Building Department, the expected transition period is 60 days. The contract with the current vendor is at a monthly rate of \$146,670. To fund these services for this period a total of \$293,340 will be needed in the Building Department's budget for professional services

It is hereby requested that the City Council approve this proposed budget amendment.

As such, the following resolution is recommended for your consideration:

Whereas, the City of Pontiac timely approved the FY 2022-23 budget on June 22, 2022 and;

Whereas, in order to fund 1 month of the professional services contract for IT at a cost of \$27,500, the Administration proposes to allocate \$27,500 in funding out of the General Fund Balance GL Account 101-000-390.000 and \$27,500 be transferred to the General Fund GL Account 101-228-818.063 – Professional Services; and

Whereas, in order to fund 2 months of the professional services contract for Building Department at a cost of \$293,340, the Administration proposes to allocate \$293,340 out of the Building Inspection Fund GL Account 249-000-396.000 and transfer \$293,340 to the Building Inspection Fund GL Account 249-371-818.001 – Professional Services-Wade Trim.

NOW THEREFORE be it resolved that the City Council hereby approves the amendment for the Fiscal Year 2022-23 Budget as requested by the Administration transferring \$25,750 in funding out of the General Fund Balance GL account 101-000-390.000 and a total of \$25,750 is transferred to the General Fund GL Account 101-228-818.063 – Professional Services and transferring \$293,340 out of the Building Inspection Fund Balance GL Account 249-000-396.000 and a total of \$293,340 is transferred to Building Inspection Fund GL Account 249-371-818.001 – Professional Services-Wade Trim.

This item cannot be approved until after the resolution to authorize the City Clerk to publish the notice of the budget amendment has been approved and one week after the publication of the notice. It takes 5 votes to approve a budget amendment.
