WATERFORD, Mich., MARCH 13, 2020—As the situation on COVID-19 (coronavirus) is rapidly evolving and changing daily, Jim Nash, Oakland County Water Resources Commissioner (WRC), wants to make sure Oakland County residents have access to running water in their homes.

“We are dedicated to building trust, protecting public health, improving the environment, and delivering quality services,” Nash said. “It is of the utmost importance to us to provide a safe environment for our residents.”

The WRC is suspending the late-payment water program until further notice due to current circumstances. Additionally, for any residents whose water service has been put on hold, WRC will assist in getting their water turned back on. For assistance, please call 248-858-1110.

About the Oakland County Water Resource Commissioner’s Office

The Oakland County Water Resource Commissioner’s Office is dedicated to protecting public health and safety, preserving natural resources and a healthy environment, maintaining reliable, high quality service, ensuring the value of investment and contributing to economic prosperity. We set goals that encourage efforts to meet or exceed local, state and federal water quality standards, environmental regulations and safety requirements within our control.
