

Navigate and Thrive During the COVID-19 Pandemic

Free Legal and Financial Consultation and Training for Small Businesses

Four Hours of Free Consultation

You can choose two of the law or financial firms in this program to provide you with two hours each of free, professional consultation—for a total of four hours. If you find this initial advice valuable and want to extend the consulting further, you can hire the firm and pay for additional expertise and guidance. It is a no-risk way to get good information for free and test the compatibility of the firm with your business.

To schedule two, two-hour consultations, complete the Request Form at OakGov.com/Legal-Financial-Consults
