Whereas, the month of March is National Women's History Month, which recognizes and spreads awareness of the importance of women in our nation's history; and

ORDINANCE

CITY OF PONTIAC
ORDINANCE NO. # _____

AN ORDINANCE TO ALLOW ADULT-USE MARIHUANA ESTABLISHMENTS TO OPERATE IN THE CITY OF PONTIAC PURSUANT TO THE MICHIGAN REGULATION AND TAXATION OF MARIHUANA ACT, INITIATED LAW 1 OF 2018, MCL 333.27951 ET SEQ.; TO PROVIDE FOR STANDARDS AND PROCEDURES TO PERMIT AND REGULATE ADULT-USE MARIHUANA ESTABLISHMENTS; TO PROVIDE FOR THE IMPOSITION OF PERMIT APPLICATION FEES AND RENEWAL FEES; AND TO IMPOSE CONDITIONS FOR THE OPERATION OF ADULT-USE MARIHUANA ESTABLISHMENTS.

THE CITY OF PONTIAC ORDAINS:

ARTICLE _____. ADULT-USE MARIHUANA BUSINESS LICENSING

Sec. 01. Title.

The title of this ordinance shall be the "City of Pontiac Adult-Use Marihuana Business Ordinance."

Sec. 02. Purpose and Intent.

A. Purpose. The purpose of this Ordinance is to establish standards and procedures for the issuance, regulation, renewal, suspension, and revocation of business licenses for adult-use marihuana establishments in accordance with the Michigan Regulation and Taxation of Marihuana Act, Initiated Law 1 of 2018, MCL 333.27951 et seq. ("MRTMA") so as to protect the public health, safety, and welfare of residents of the City by setting forth the manner in which adult-use marihuana businesses can be operated in the City. Further the purpose of this Ordinance is to:

(1) Protect the health, welfare and safety of the public through reasonable regulations on adult-use marihuana business operations as it relates to noise, odor, air and water quality, food safety, public safety, security for the establishments and its personnel, and other health and safety concerns;

(2) Protect residential zoned properties and neighborhoods by limiting the location and the concentration of types of Marijuana Businesses to specific areas of the City;

(3) Establish application and license fees to defray and recover the City's costs for administering and enforcing this ordinance;

(4) Recognize that the City of Pontiac has been identified by the State of Michigan's Cannabis Regulatory Agency as a city that has been disproportionately impacted by marihuana prohibition and enforcement and that social equity in the marihuana industry is necessary to address the historical disproportionate impact of marihuana prohibition and enforcement upon Pontiac residents and to positively impact the Pontiac community;

(5) Minimize the adverse effects from growing, processing, dispensing and storage of marihuana;

(6) Minimize the adverse effects from excessive consumption and use of marihuana;

(7) Coordinate with state laws and regulations addressing Marihuana Businesses; and

(8) To restrict the issuance of Marihuana Business permits only to those individuals and entities that demonstrate an intent and ability to fully comply with this Ordinance and the laws of the City and the State of Michigan.

B. Legislative Intent. This ordinance authorizes the establishment of adult-use marihuana businesses within the City of Pontiac consistent with the provisions of MRTMA, subject to the following:

(1) Use, distribution, cultivation, production, possession, and transportation of marihuana remains illegal under federal law, and marihuana remains classified as a "controlled substance" by federal law. Nothing in this ordinance is intended to promote or condone the production, distribution, or possession of marihuana in violation of any applicable law. Nothing in this ordinance is intended to grant immunity from any criminal prosecution under state or federal law. This ordinance does not protect the owners of properties on which a marihuana commercial operation is occurring from prosecution or from having their property seized by federal law enforcement authorities.

(2) This ordinance is to be construed to protect the public health, safety and welfare over commercial adult-use marihuana business interests. The operation of a permitted adult-use marihuana business in the City is a revocable privilege and not a right in the City. Nothing in this ordinance is to be construed to grant a property right for an individual or business entity to engage, obtain, or have renewed a City-issued permit to engage in the use, distribution, cultivation, production, possession, transportation or sale of adult-use marihuana as a commercial enterprise

in the City. The City determines that the commercialization of marihuana is a “closely regulated industry” as that term is used in U.S. Supreme Court jurisprudence.

(3) Any individual or business entity which purports to have engaged in the use, distribution, cultivation, production, possession, transportation or sale of marihuana as a commercial enterprise in the City without obtaining the required authorization required by this ordinance is deemed to be an illegally established nuisance, and as such is not entitled to legal nonconforming status under this ordinance, the City zoning ordinance, or state statutory or common law.

(4) Nothing in this ordinance is intended to grant immunity from criminal or civil prosecution, penalty or sanction for the cultivation, manufacture, possession, use, sale, distribution or transport of marihuana in any form that is not in strict compliance with the MRTMA and the Marihuana Tracking Act, and all applicable administrative rules promulgated by the State of Michigan regarding the commercialization of marihuana. Strict compliance with all applicable state laws and regulations is a requirement for the issuance or renewal of any permit issued under this ordinance, and noncompliance with any applicable state law or regulation is grounds for the revocation or nonrenewal of any permit issued under this ordinance.

C. Indemnification of the City.

(1) By accepting a permit issued pursuant to this ordinance, the holder waives and releases the City, its officers, elected officials, and employees from any liability for injuries, damages or liabilities of any kind that result from any arrest or prosecution of marihuana business owners, operators, employees, clients or customers for a violation of state or federal laws, rules or regulations.

(2) By accepting a permit issued pursuant to this ordinance, the holder agrees to indemnify, defend and hold harmless the City, its officers, elected officials, employees, and insurers, against all liability, claims or demands arising on account of any claim of diminution of property value by a property owner whose property is located in proximity to a licensed operating marihuana business arising out of, claimed to have arisen out of, or in any manner connected with the operation of a marihuana business or any claim based on an alleged injury to business or property by reason of a claimed violation of the federal Racketeer Influenced and Corrupt Organizations Act (RICO), 18 U.S.C. § 1964(c).

D. Reservation.

(1) The City of Pontiac shall not waive or constrain, in any manner, the right and prerogative of the City of Pontiac to reject any and all applications, to reject an application not accompanied with the required documentation or data required by the application, or to reject an application which is any way incomplete, irregular, not responsive or not responsible.

(2) The City of Pontiac shall not waive or constrain, in any manner, the right and prerogative of the City of Pontiac to amend or repeal this ordinance in any manner, including, but not limited to, the complete prohibition of any type of adult-use marihuana business or limiting the number and types of adult-use marihuana businesses authorized to operate in the City.

(3) Nothing in this ordinance is to be construed to grant or grandfather any marihuana business a vested right, license, permit or privilege for continued operations within the City.

RE: Request for Zoning Map Amendment (ZMA-22-011)
Lighthouse Campus Plan
46156 Woodward Ave.

Executive Summary

Lighthouse, at 46156 Woodward, proposes a rezoning for their headquarters and adjacent parcels to the east between Woodward Avenue and Center Street. The rezoning for the western half to Local Business (C-1) and the eastern half to Office Business (C-0) allows the property owner to incorporate some additional uses into their campus, including a grocery store and community service facility.

Planning Commission reviewed the proposal during a public hearing at their Wednesday, March 1, 2023 meeting and recommended approval to City Council, 4-0.

Proposal

James Pappas, Fusco, Shaffer & Pappas, on behalf of Lighthouse, submitted a concept drawing for preliminary site plan approval in October 2022. As depicted in the preliminary site plan, the organization is seeking to expand an existing service location into a multi-use campus. To move forward with this plan, the applicant has requested to make the following changes to zoning, as seen in the table below:

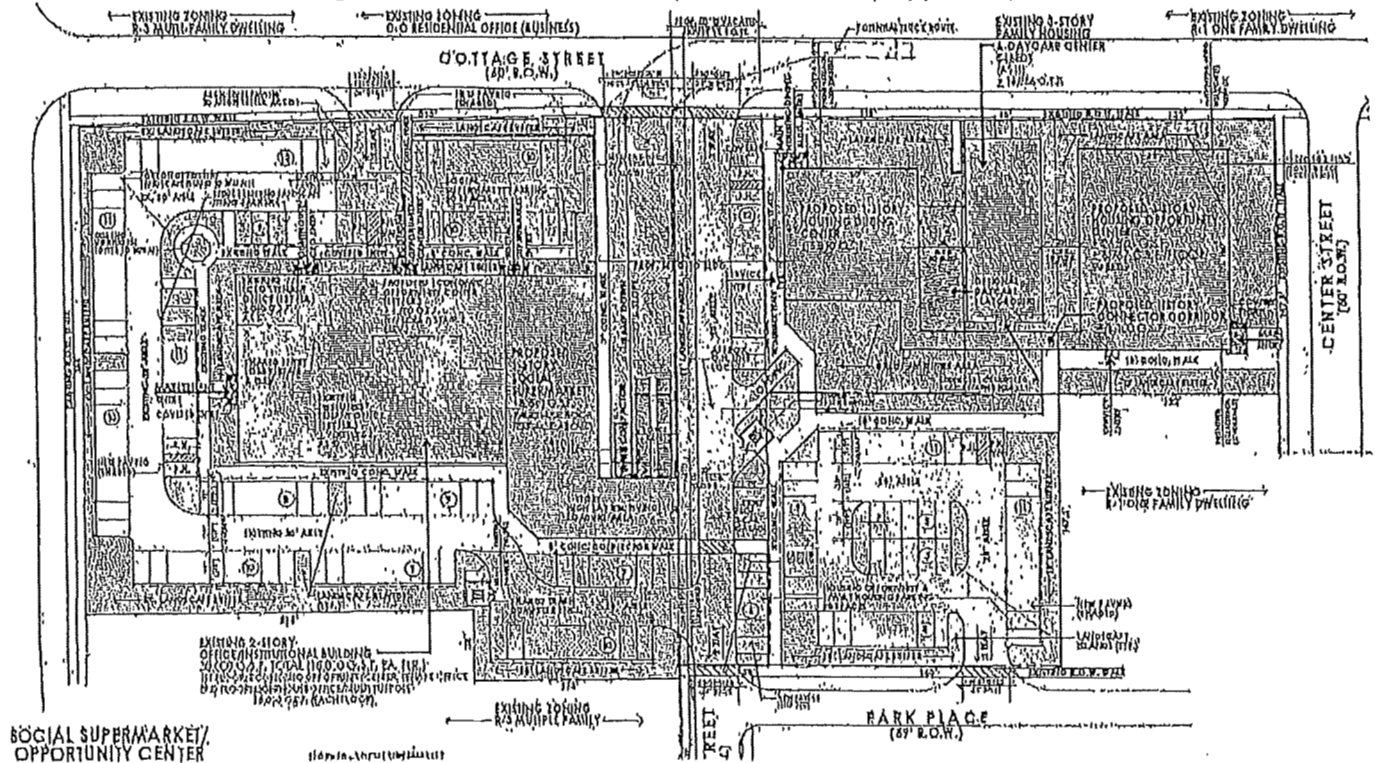

Table 1.0, Zoning Map Amendment Request

Parcel Number(s)	Current Zoning	Requested Change
14-33-151-019 West of Hovey Street	C-0	C-1
14-33-152-001 14-33-152-002 14-33-152-003 14-33-152-004 14-33-152-005 14-33-152-006 14-33-152-007 14-33-152-008 East of Hovey Street	R-1	C-0

The City of Pontiac Master Plan establishes future land use categories that are consistent with Lighthouse's proposed development. The Master Plan designates the west side of the proposed campus as an "Office/Hospital/Healthcare District" and the east side of the campus as a "Traditional Neighborhood Residential District." Both future land use categories encourage flexibility. They would permit offices, residences, and neighborhood institutions where proposed.

Exhibit A: Lighthouse's own Master Plan (Not Received City Approvals)

The applicant proposes to re-zone the majority of the area, west of Hovey Street, to C-1, Local Business/Residential Mixed Use. Indoor retail sales, a proposed use that is indicated by the "Social Supermarket," are not permitted in the C-0 designation, which the subject site is currently zoned. Further, the applicant proposes to re-zone the parcels east of Hovey Street to C-0, Residential Office. This change would allow a mix of residential with non-residential uses and is therefore consistent with the preliminary site plan.

The applicant will need to apply for a Site Plan for this project, which will be contingent on the rezoning of these subject properties.

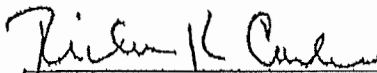

Staff Recommendation

Based on our analysis of the applicant's request, staff recommends approval to Planning Commission in their consideration of proposed changes to the districts zoning.

Planning Commission Recommendation

Planning Commission reviewed the Zoning Map Amendment in a public hearing at their Wednesday, February 1st meeting. They discussed the scope of the project, and the impact to the surrounding area, and also noted that the proposed improvements would not be very noticeable to the Woodward Avenue corridor as the front section of the development along Woodward would be unchanged. Planning Commission recommended approval of the Zoning Map Amendment to City Council 4-0

The DPW is operating without City Engineer and other supporting staff for many months in the current budget year. This Budget amendment will reduce the General fund balance by \$119,700.

RE: **Council Resolution to authorize the City Clerk to publish the proposed budget amendment for Budget Year 2022-2023.**
Changes in the Estimated Revenue and the Appropriation in the following GL accounts
101-000-532.000 – Federal Grant Others – (\$10,000,000)
101-000-674.285 – Contribution from ARPA - \$10,000,000
285-000-532.000-REVLOS – Federal Grants Others – 10,000,000
285-699-956.101-REVLOS – Contribution to General Fund - \$10,000,000

In the budget year 2022-23, the City Council approved the transfer of \$10,000,000 from the ARPA funds to the General Fund revenue to offset the revenue loss due to COVID pandemic. This transfer was budgeted in the incorrect revenue line item in the General Fund.

Further, this transfer should have been budgeted in the Fund 285 – ARPA which was established in accordance with the Uniform State Chart of Accounts to track the ARPA grant related transactions.

This budget amendment is proposed to properly account for the above transfer.

101-000-532.000 – Federal Grant Others	(\$10,000,000)
101-000-674.285 – Contribution from ARPA	\$10,000,000

285-699-956.101-REVLOS – Contribution to General Fund	\$10,000,000

This amendment does not affect fund balance in either the General Fund or the ARPA Fund.

In March of 2021, President Biden signed the American Rescue Plan Act into law. This act is meant to provide aid to both state and local governments, and to promote local communities' recovery and revitalization following the impacts of COVID-19. The City of Pontiac was allocated \$37.7 million from the American Rescue Plan Act. The funding provided under ARPA provides a unique opportunity for state and local governments to make strategic investments in long-lived assets, rebuild reserves to enhance financial stability, and cover temporary operating shortfalls until economic conditions and operations normalize in the wake of COVID-19.

In an effort to put ARPA funds into action, and to mitigate the impacts of COVID-19 on Pontiac residents, the City has established the Pontiac Park Revitalization Program. On November 10th 2022, the Pontiac City Council unanimously approved the Executive Administration's ARPA program budget, allocating \$4,000,000 to establish a Park Revitalization Program for neighborhood and mini parks, and to fund the administration of the program. Cities with robust park systems experience stronger economies, a decrease in crime, increased property value, and protection from environmental impacts of urban landscapes. The benefit of investing in Pontiac's parks is invaluable and the public will reap those benefits by way of a stronger economy, safer neighborhoods, and a more resilient environment.

The requested budget amendment below will fund the first round of the Pontiac Park Revitalization Program with \$4,000,000 for the program and \$36,000 for program related expenses and administrative support.
