

*There is an MDOT road reconstruction project taking place on Square Lake Road (I-75) business loop from Woodward to I-75 starting on April 15, 2024. The City of Pontiac is not involved in this project, nor is the work area located within the City. However, the detour routes do utilize MDOT roads such as M-1 (Woodward Ave.) and M-59 (Huron St.). We wanted to inform our residents, for it may be beneficial due to its proximity to the City and because the detour utilizes MDOT roads within Pontiac.*

*Please feel free to view the detour routes for the different phases of the project.*

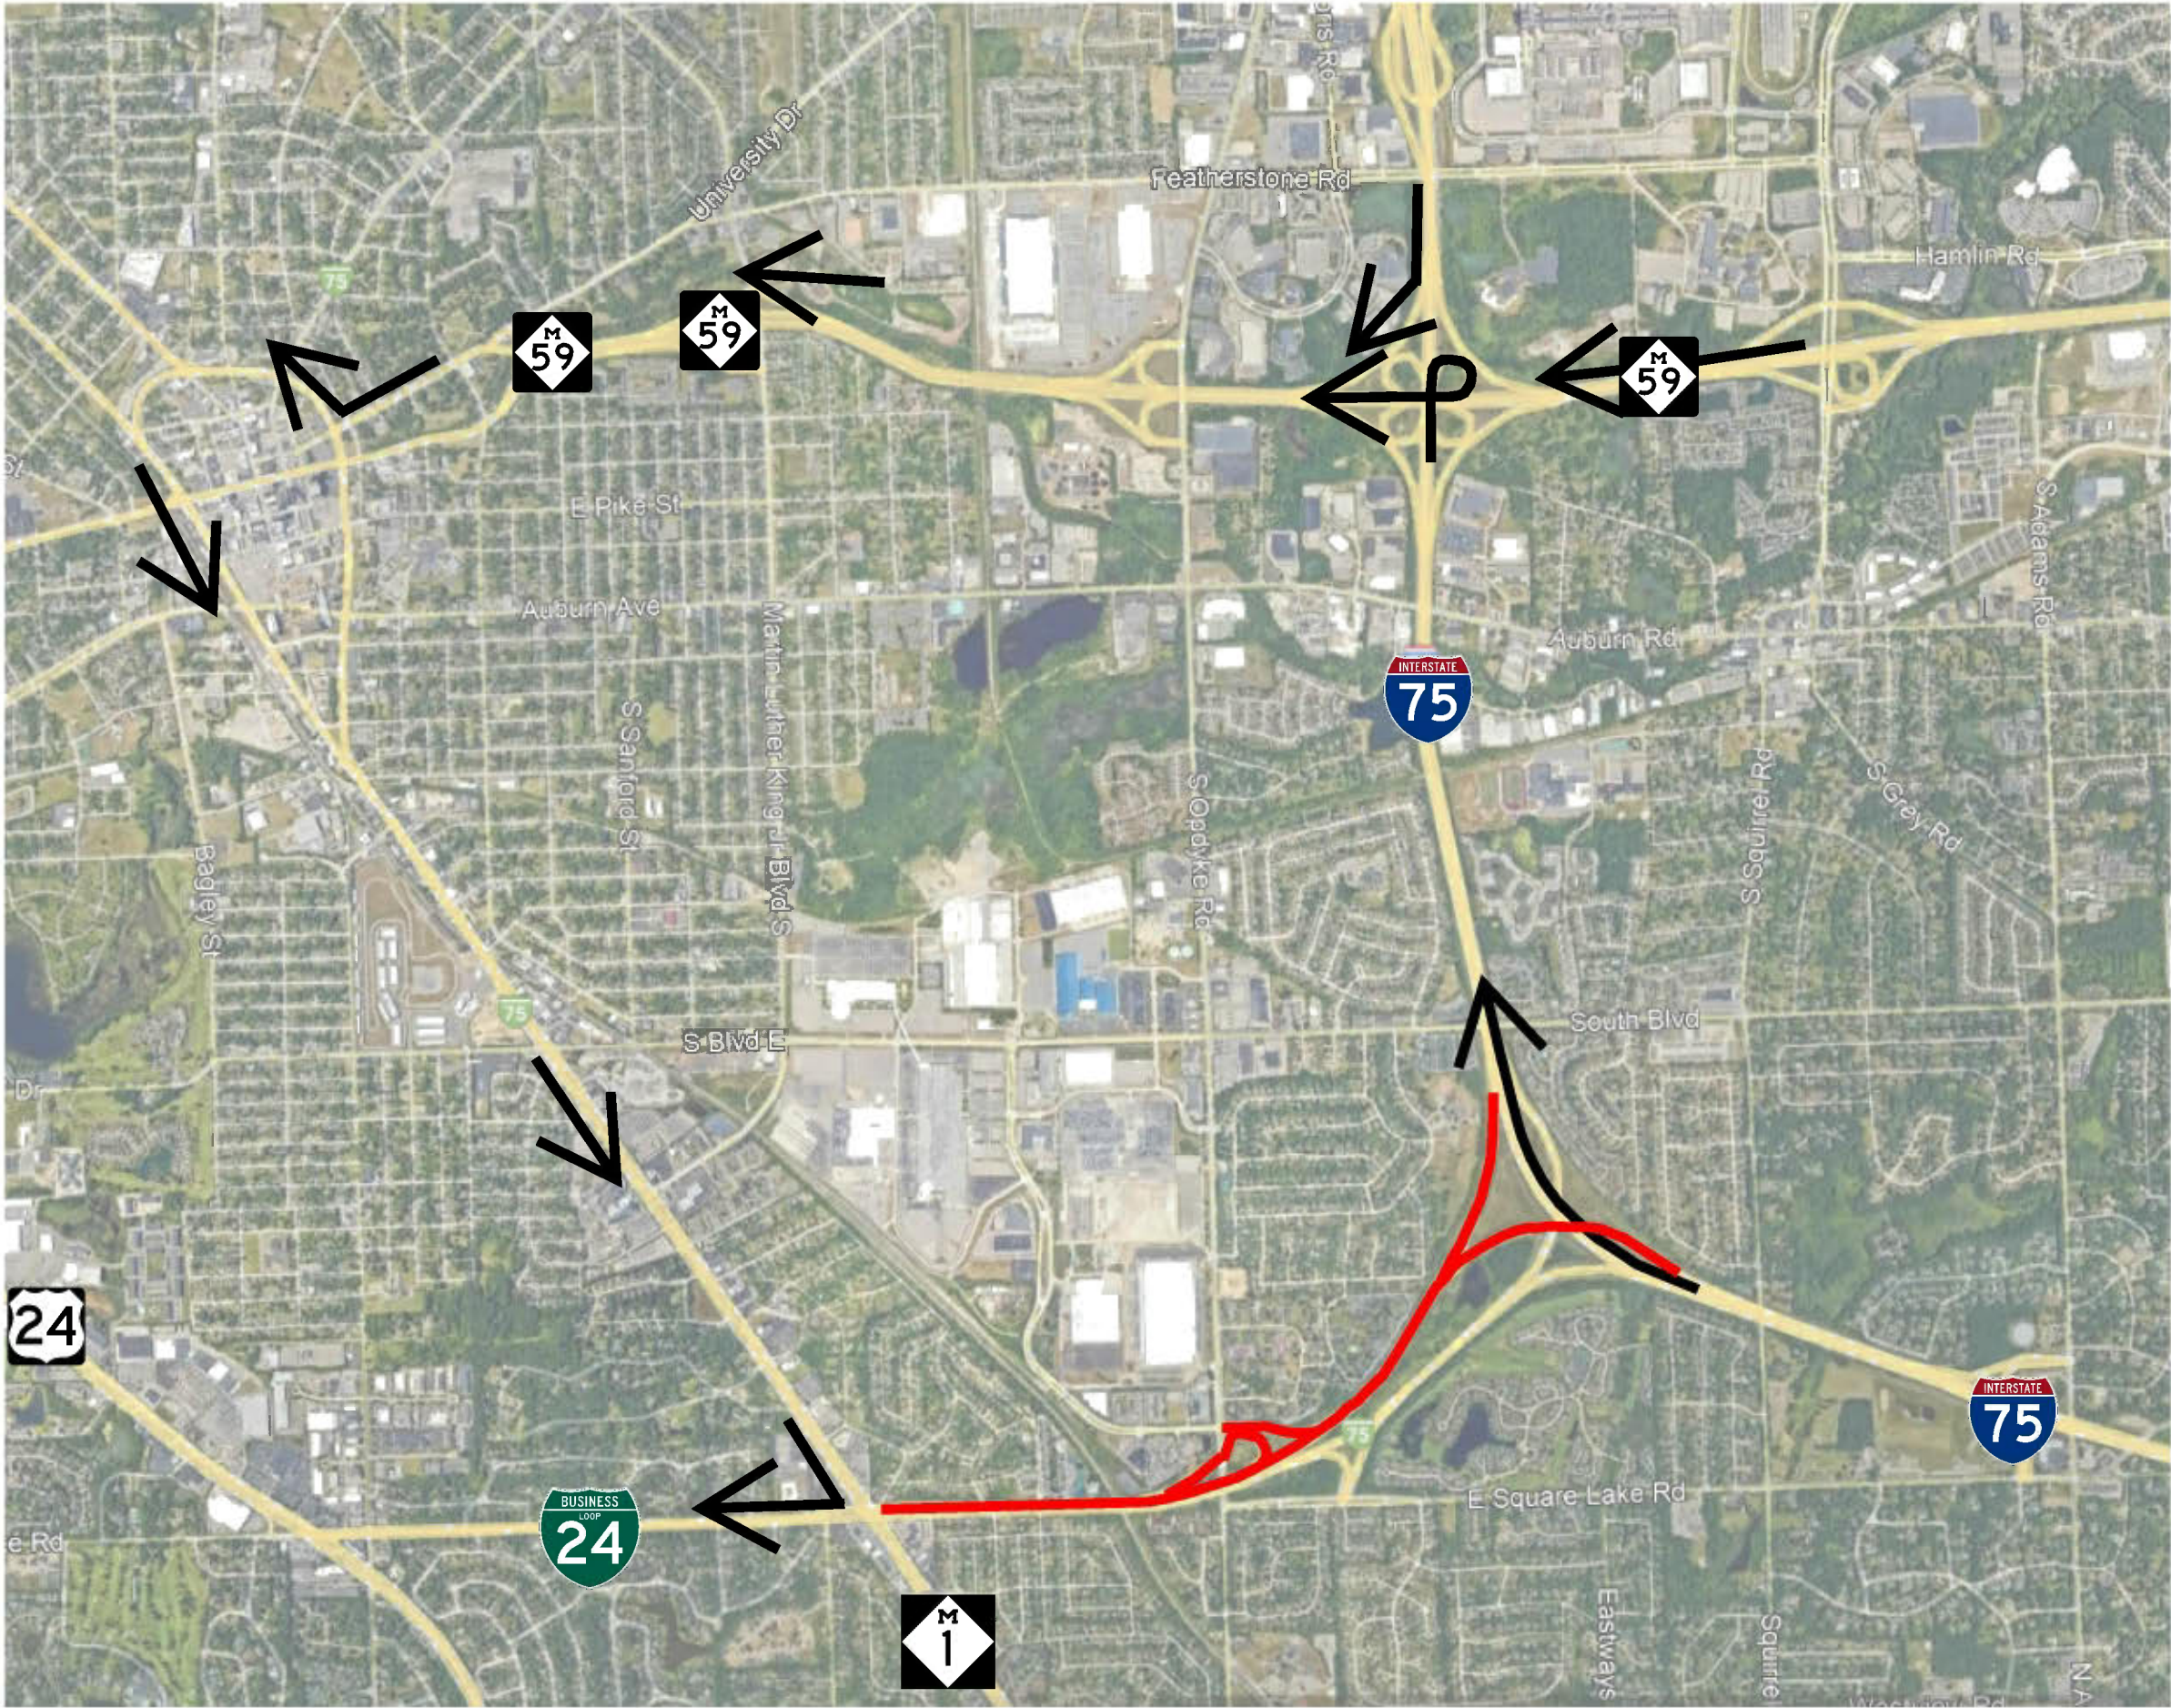

*For more information, please contact MDOT at 248.451.0001.*
