City of Presque Isle

12 Second Street Presque Isle, ME 04769-2459 Phone: (207) 760-2700 Fax: (207) 764-2501

April 15, 2015

To the City Councilors and The Citizens of Presque Isle, Maine

Maine state statutes and the Presque Isle City Charter require that the City issue annually a complete set of audited financial statements. This report is published to fulfill that requirement for the fiscal year ended December 31, 2014.

Management assumes full responsibility for the completeness and reliability of the information contained in this report, based upon a comprehensive framework of internal controls that is established for that purpose. Because the cost of internal control should not exceed anticipated benefits, the objective is to provide reasonable, rather than absolute, assurance that the financial statements are free of any material misstatements.

The firm of RHR Smith and Company, Certified Public Accountants, has issued an unqualified ("clean") opinion on the City of Presque Isle, Maine's financial statements for the year ended December 31, 2014. The independent auditor's report is located at the front of the financial section of this report.

Management's discussion and analysis (MD&A) immediately follows the independent auditor's report and provides a narrative introduction, overview and analysis of the basic financial statements. MD&A complements this letter of transmittal and should be read in conjunction with it.

#### Profile of the City of Presque Isle, Maine

The City of Presque Isle, Maine is located in central Aroostook County, the northernmost and largest of Maine's sixteen counties and the largest county east of the Mississippi River. The city currently occupies approximately 72 square miles and serves a population of 9,692. Presque Isle was first incorporated as a township on April 4, 1859 and incorporated as a City in 1939. Under Maine statutes, the City is empowered to levy a property tax on both real and personal property within its boundaries.

The City operates under a municipal charter approved by the voters of the community November 2, 1993 that provides for a council-manager form of government. Policy making and legislative authority is vested in a seven-member City Council. Councilors are elected on a non-partisan basis for four-year staggered terms. The City Manager is the chief administrative officer of the City and is appointed by the Council, as are the City Solicitor and City Clerk. The current City Manager was appointed by the City Council in March, 2010.

The City of Presque Isle provides a full range of services including police and fire protection; refuse collection; traffic control; on- and off-street parking; the construction and maintenance of highways, streets, sidewalks, and other infrastructure; recreational and cultural activities; a secure landfill; regional airport; social welfare; municipal planning, assessing, building inspection and code enforcement; licenses and permits; vital statistics; general administration and economic development.

The annual budget for the general fund serves as the foundation for the City's financial planning and control. The budget, which must be in balance, contains estimates of all non-tax revenue and receipts expected to be received during the next fiscal year, expenditures necessary to support City operations, debt service, and capital expenditures. The initial budget must be presented to the Council by the City Manager no later than 90 days before the beginning of the fiscal year on January 1. The Council may then make any modifications and recommendations. The City Council is required to hold two public hearings on the proposed budget before final approval. The budget must be approved by a two-thirds majority of the City Council before the beginning of the fiscal year on January 1.

The budget includes information, by department, on the current and preceding fiscal years and requested appropriations for the next fiscal year. The City Manager may transfer resources within a department, promptly notifying the Council in writing of the reallocation. Transfers between departments require special approval from the Council. Expenditures may not legally exceed appropriations at the departmental level without Council approval. Budget-to-Actual comparisons are provided on page\_\_\_\_\_ of this report.

#### Factors Affecting Financial Condition

#### Local Economy

The City of Presque Isle is the largest municipality north of Bangor. Through the years, Presque Isle has evolved into a regional service center for commerce, finance, education, health care, recreation, air transportation, and numerous other aspects of life in Aroostook County. This evolutionary process is attributable to several factors including:

- Historical and geographical influences;
- A clear assumption of a leadership role by the municipal government;
- The active involvement of Presque Isle citizens in regional, county, and statewide projects, politics, agencies and organizations;
- The aggressively self-reliant nature that has been characteristic of Aroostook County residents.

These factors have helped to sustain the City in times of economic hardship including the closing of a military installation and a significant downturn in the woods and agriculture industries, all mainstays of the area.

Other factors that contribute to the economic stability of the City include:

- Presque Isle is home to Northern Maine Regional Airport, the state's third largest airport,
- The Skyway Industrial Park, the third largest Industrial Park in the state,
- Educational opportunities include:
  - University of Maine at Presque Isle,
  - Northern Maine Community College,
  - o An extension of Husson University,
  - An outstanding public school system,
  - A private school for grades pre-K 8.
- Excellent medical services include a local hospital and ambulance service.
- An active Industrial Council that works to attract new businesses to the area.

The major industries affecting the local economy, agriculture and service, continue to be key components of the region's economic base. The two major agricultural industries, potato and woods, continue to struggle. Planted potato acreage, though lower than historical, remains stable. A third, broccoli, is doing well in the County.

The City has a balanced and fairly diverse tax base with a 55 to 45 split between residential and commercial property values. The largest single tax payer in 2014 comprised 3.93% of the total tax base with the top ten taxpayers combined representing 17.92% of the total tax base.

#### Long-term financial planning

Each year, in planning for the future, the City identifies those major programs necessary to meet the citizens' needs for services while continuing to meet sharply increasing fixed costs. Among these programs are road construction and repair, vehicle equipment purchases, building renovations, and recreational activities. These initiatives are done in accordance with the City's basic financial planning document, its Five Year Capital Improvement Plan, which is reviewed and updated annually.

The Capital Plan for 2015 calls for:

- Purchasing a cruiser for the Police Department;
- Sidewalk replacement at the passenger terminal at the Airport;
- Replacing a pick-up truck with snow plow attachment at Public Works;
- Improvements (resurfacing) to the Bike Path;
- Ongoing investments in Information Technology; and
- Reconstruction on the General Aviation Ramp at the Northern Maine Regional Airport.

In addition, this year's Capital Improvement Plan includes continued funding of the reserves for maintenance and improvements to various buildings at the Industrial Park and to add to the balance in the Emergency Reserve.

#### Relevant financial policies

The City of Presque Isle has in place a comprehensive set of financial policies including the implementation and use of the City's Emergency Reserve.

By charter, the City maintains an Emergency Reserve to be used only in extraordinary circumstances with unanimous City Council approval. This reserve is funded through an appropriation each year, mandated by the City Charter in the amount of 1.5% of the City's net municipal budget to a maximum of .5% of the current state valuation. Funds in this reserve have been used twice since its inception in 1993.

The City Council adopted a policy in 2009 stating that the amount that should be maintained in the General Fund unassigned fund balance should be 16.6%, or two months of budgeted expenditures. This amount can be reduced to 12% if an additional 4% is maintained in the emergency reserve for a total of 16%. At December 31, 2014, the unassigned fund balance in the general fund is 6.79% of the 2015 budgeted general fund expenditures. The balance in the Emergency Reserve is 10.39% of budgeted expenditures for a total coverage of 17.18% of projected 2015 budgeted expenditures.

#### Major initiatives

*Airport* As part of its Pavement Management Plan, the next major project planned at the Airport is the reconstruction of the General Aviation Ramp. This ramp was last reconstructed in 1989. Construction will begin in 2014 and when it is completed in 2016, it will be 7 years beyond the 20 year anticipated life projected by the FAA. The expected total cost of the project is \$6,000,000 with 95% to be funded by the FAA, 2.5% by the state and 2.5% from city funds.

**Downtown Revitalization** The future of the downtown of the City continues to be a major focus. What initially started as a grass roots effort by citizens to revitalize the downtown has become a major movement within the community. The *Downtown Revitalization Committee* is recognized as the formal committee and voice of downtown. Through their efforts a *Downtown Master Plan* was created in 2008 which included a number of design goals, strategies and proposed investments in the downtown business district.

Current projects include:

- The construction of a 'covered shelter' for a Community Market in the downtown area;
- In conjunction with Maine Department of Transportation complete the Bike Path around the City; and
- Improvements to the sidewalks and lighting in the downtown area.

*Community Center* A major initiative for the citizens of the City of Presque Isle is the construction of a new Community Center to replace the 75 year old William Haskell Recreation Center.

To date the City has purchased land in the downtown area and completed all of the hazardous material removal and remediation necessary to prepare the site for future construction; authorized and secured schematic drawings necessary to proceed with fund raising initiatives; and has the support of the citizens evidenced by the results of an advisory referendum with a vote of 2 to 1 in favor of the project.

This project, if completed as planned will cost an estimated \$7,500,000 with \$3,750,000 to be provided by local taxpayers.

**The Forum** Ice skating is an important part of winter activities in Northern Maine. The City of Presque Isle has maintained an ice rink at The Forum for over 25 years using the same equipment. The equipment will be updated in 2015 at an estimated cost of \$375,000.

#### Awards and acknowledgements

The Government Finance Officers Association (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the City of Presque Isle, Maine for its Comprehensive Annual Financial Report for the fiscal year ended December 31, 2013. This was the 15<sup>th</sup> consecutive year that the City has received this prestigious award. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized comprehensive annual financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current CAFR continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

The preparation of this report would not have been possible without the efficient and dedicated service of the staff of the Finance Department. We wish to express our appreciation to all members of the department who assisted and contributed to the preparation of this report. Appreciation is also extended to the accounting firm of RHR Smith & Company, Certified Public Accountants for its assistance in the preparation and review of this report. Credit must also be given to the City Council for their unfailing support in maintaining the highest standards of professionalism in the City of Presque Isle's finances.

Respectfully submitted,

Priscilla Webb, Finance Director

#### INDEPENDENT AUDITORS' REPORT

City Council City of Presque Isle Presque Isle, Maine

#### Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the City of Presque Isle, Maine as of and for the year ended December 31, 2014, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principle generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express not such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the

3 Old Orchard Road, Buxton, Maine 04093 Tel: (800) 300-7708 (207) 929-4606 Fax: (207) 929-4609 www.rhrsmith.com reasonableness of significnt accounting estimates made by management, as well as evaluating the overall financial statement presentation.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, business-type activities, each major fund, and the aggregate remaining fund information of the City of Presque Isle, Maine as of December 31, 2014, and the respective changes in financial position and, where applicable, cash flows, where applicable, thereof for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

#### Other Matters

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison and schedule of funding progress information on pages 11 through 20 on pages 55 through 57 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical We have applied certain limited procedures to the required supplementary context. information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Presque Isle, Maine's basic financial statements. The combining and individual non-major fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations,* and is also not a required part of the basic financial statements.

The combining and individual non-major fund financial statements and the schedule of expenditures of federal awards are the responsibility of management and were derived from and related directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 27, 2015, on our consideration of the City of Presque Isle Maine's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Presque Isle's internal control over financial reporting and compliance.

RHR Smith & Company

Buxton, Maine February 27, 2015

As management of the City of Presque Isle, we offer this narrative overview and analysis of the financial activities of the City of Presque Isle for the fiscal year ended December 31, 2014.

#### Financial Highlights

- The assets of the City of Presque Isle exceeded its liabilities at the close of 2014 by \$59,903,812 *(net position).* Of this amount, \$5,497,287 represents unrestricted net position, which may be used to meet the City's ongoing obligations to citizens and creditors.
- The City's total net position increased by \$1,221,147 from December 31, 2013:
  - $\circ$  Cash and investments decreased \$2,385,358 which was used for the secure landfill closure,
  - Capital assets net of depreciation decreased \$181,086, while associated debt decreased \$565,608,
  - Short term for landfill closure liability of \$2,400,000 was eliminated.
- As of the close of the current fiscal year, the City of Presque Isle's governmental funds reported a combined ending fund balance of \$9,859,157 a decrease of \$1,818,927 from the previous year. 8.89% of this total amount or \$876,221 is available for spending at the government's discretion *(unassigned fund balance).*
- At the end of the current year, unassigned fund balance for the general fund was \$1,220,800 or 6.8% of total general fund expenditures.

#### **Overview of the Financial Statements**

This discussion and analysis is intended to serve as an introduction to the City of Presque Isle's basic financial statements. The City's financial statements have three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information intended to furnish additional support to the basic financial statements themselves.

The **Basic Financial Statements** include financial information in two differing views: The government-wide financial statements and the fund financial statements. These basic financial statements also include the notes to the financial statements that explain in more detail certain information in the financial statements and also provide the user with the accounting policies used in their preparation.

**Government-Wide Financial Statements** are designed to provide readers with a broad overview of the City of Presque Isle's finances. These statements are presented using the accrual basis of accounting which is similar to the accounting method used by most private sector businesses. There are two Government-Wide Financial Statements, the *statement of net position* and the *statement of activities*.

The *statement of net position* presents information on all of the City of Presque Isle's assets, deferred outflows of resources, liabilities, and deferred inflows of resources, with the difference between the two reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating. However, you may also need to consider other non-financial factors, such as changes in the City's property tax base and the condition of the City's infrastructure, to assess the overall health of the City's financial position.

The statement of activities presents information showing how the City of Presque Isle's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event causing the change occurs, *regardless of the timing of the related cash flows*. Thus, revenues and expenses are reported for some items that will only result in cash flows in future fiscal periods (e.g. uncollected taxes and earned but unused employee vacation leaves).

#### CITY OF PRESQUE ISLE Management's Discussion and Analysis December 31, 2014

For the City of Presque Isle, all activities are classified as *governmental activities* because they are principally supported by taxes and intergovernmental revenues (federal and state grants). Most of the City's basic services are reported in governmental activities, which include general government, public safety, public works, education, recreation and culture and other unclassified.

The government-wide financial statements can be found on pages 14 through 16 of this report.

**Fund Financial Statements.** A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City of Presque Isle, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal documents. All of the funds of the City can be divided into two categories: governmental and fiduciary.

**Governmental Funds** are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating a government's short-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *government funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the city's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate the comparison between *governmental funds* and *governmental activities*.

The City of Presque Isle maintains individual governmental funds for specific purposes. Information is presented separately in the *governmental fund balance sheet* and in the *governmental funds statement of revenues, expenditures and changes in fund balance* for the general fund, airport, landfill operations, secure landfill closure, development fund, and the emergency reserve, all of which are considered to be major funds. Data from the other governmental funds are combined into a single aggregated presentation. Individual fund data for each of these nonmajor governmental funds is provided in the form of *combining statements* elsewhere in this report.

The City of Presque Isle adopts an annual appropriated budget for its general fund. A budgetary comparison statement has been provided for the general fund to demonstrate compliance with this budget.

The basic governmental fund financial statements can be found on pages 17 through 20 of this report.

**Fiduciary Funds.** These funds are used to account for resources held for the benefit of parties outside the City of Presque Isle. These funds are not reflected in the government-wide financial statements because the resources of these funds are not available to support the City's programs. The accounting used for fiduciary funds is much like that of proprietary funds. They use the accrual basis of accounting. The funds are for ICMA-Retirement Corporation, the administrator of the City's employees 401 (a) Plan.

**Notes to the financial statements** provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 23 through 46 of this report.

**Other information** In addition to the basic financial statements and accompanying notes, this report also presents *required supplementary information* consisting of:

#### CITY OF PRESQUE ISLE Management's Discussion and Analysis December 31, 2014

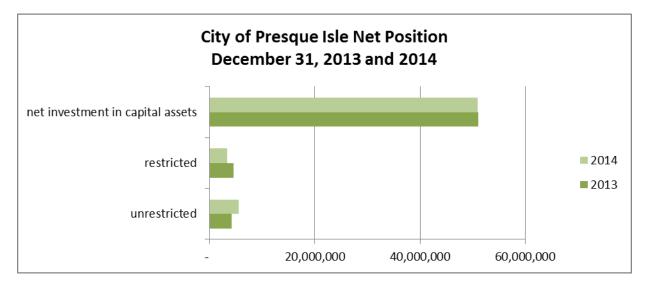

The City of Presque Isle's progress in funding its obligation to provide OPEB benefits to its employees, and a budgetary comparison statement for the general fund to demonstrate compliance with budget. *Other supplementary information* follows the *required supplementary information* and provides additional information regarding non-major funds, capital asset activity and other detailed budgetary information for the general fund.

Required supplementary information can be found on pages 48 through 50 of this report.

The combining statements referred to earlier in connection with nonmajor governmental funds are presented following the required supplementary information on pensions and OPEB. Combining and individual fund statements can be found on pages 52 through 81 of this report.

#### **Government-Wide Overall Financial Analysis**

As noted earlier, net position may serve as a useful indicator over time of a government's financial position. For the City of Presque Isle, assets and deferred inflows of resources exceeded liabilities and deferred outflows of resources by \$59,903,812 at December 31, 2014.

By far the largest portion of the City of Presque Isle's net position \$51,001,689 (85.14%) reflects its investment in capital assets (e.g., land, buildings, infrastructure, machinery and equipment) less any related outstanding debt used to acquire those assets. The City uses these capital assets to provide a wide variety of services to citizens; consequently, these assets are *not* available for future spending. Although the City of Presque Isle's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

An additional portion of the City of Presque Isle's net position \$3,404,836 (5.68%) represents resources that are subject to external restrictions on how they may be spent. The remaining balance of \$5,497,287 (9.18%) is unrestricted and may be used to meet the City's ongoing obligations to citizens and creditors. At the end of the current fiscal year, the City of Presque Isle is able to report a positive balance in all reported categories of net position for the government as a whole. The same situation held true for the prior fiscal year.

| Net Position January 1                     | <br>58,682,665   | <br>58,073,885   |
| Net Position December 31                   | \$<br>59,903,812 | \$<br>58,682,665 |

**Governmental Activities** Governmental activities resulted in a increase in the City of Presque Isle's net position of \$1,221,147 from the previous year for an ending balance of \$59,903,812.

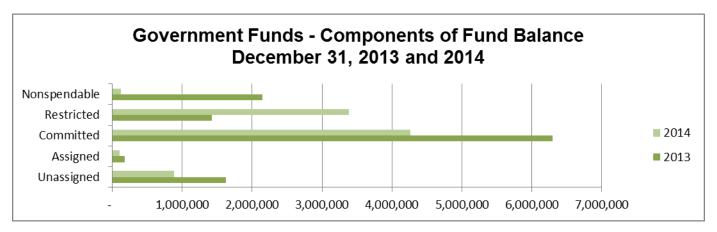

As noted earlier, the City of Presque Isle uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

## CITY OF PRESQUE ISLE Management's Discussion and Analysis

December 31, 2014

The financial reporting focus of the City of Presque Isle's **governmental funds** is to provide information on near-term inflows, outflows and balance of spendable resources. Such information is useful in assessing the City's financing requirements. In particular, *unassigned fund balance* may serve as a useful measure of a government's net resources available for discretionary use as they represent the portion of fund balance which has not yet been limited to use for a particular purpose by either an external party, the City of Presque Isle itself, or a group or individuals that has been delegated authority to assign resources for use for particular purposes by the City of Presque Isle's Council.

As of December 31, 2014, the City of Presque Isle's governmental funds reported combined fund balance of \$9,859,157, a decrease of \$1,818,927 from 2013. Approximately 8.93% of the total amount (\$876,221) constitutes *unassigned fund balance*, which is available to meet the future financial needs of the City. The remainder of the fund balance (\$8,982,936) consists of:

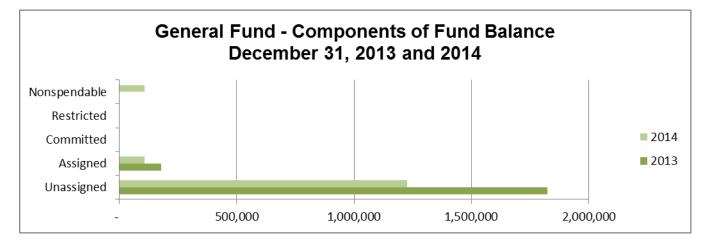

- \$1,222,694 (12.4%) is *nonspendable* to indicate that it is not available for new spending:
  - $\circ$  \$81,911 is Fuel Inventory for Resale at the Airport, and
  - $\circ$  \$20,000 in nonspendable principal in Permanent Funds,
  - \$170,500 in prepaid expenses in the General Fund, and
  - \$950,283 is loans outstanding in the Development Fund.
- \$3,384,386 (34.33%) is *restricted* to indicate that it can only be spent for specific purposes stipulated by external resource providers, for example grant providers:

- $\circ$  \$1,118,383 in funds available for lending in the Development Fund, and
- o \$2,266,453 to account for various grants and donations throughout the City,
- \$4,268,174 (47.51%) is *committed* to indicated amounts that can be used only for specific purposes formally designated by the City Council:
  - \$1,868,774 to account for the Emergency Reserve Fund,
  - $\circ$  \$229,688 is an inter-fund receivable from Solid Waste Operations Fund, and
  - $\circ$  \$2,169,712 for various capital projects throughout the City.
- \$107,232 (1.09%) is *assigned* to indicate amounts that are intended for specific purposes but are neither restricted nor committed.
- \$876,221 (8.89%) is *unassigned* to indicate amounts that have not been assigned to other funds and that has not been restricted, committed or assigned to specific purposes.

The *general fund* is the central operating fund of the City of Presque Isle. At the end of the current fiscal year, unassigned fund balance of the general fund was \$1,220,800 a decrease of \$513,850 from 2014 as follows:

- \$464,510 was used for architectural drawings for the proposed new community center,
- The balance was used to help to fund the 2014 municipal budget.

As a measure of the general fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total general fund expenditures. Unassigned fund balance represents approximately 6.8 per cent of total general fund expenditures, while total fund balance represents approximately 8.34 per cent of that same amount.

The *Airport Fund* is used to monitor the activities of the City's airport. During 2014 the airport generated \$1,900,285 in revenue, expended \$2,031,029 and the difference \$91,531 was transferred in from the City's General Fund.

The *Landfill Operations Fund* is used to monitor the revenue and expenses of the secure landfill. The Secure landfill is a joint project with six other surrounding communities. The City of Presque Isle funds approximately 82% of the operating costs. The fund balance is transferred into the Solid Waste Reserve for Equipment and Capital Improvements at the start of the new year.

The Secure Landfill Closure Reserve is used to monitor funds for the costs of closure. During 2014, \$2,546,927 was used to construct the permanent closure of Phase I of the Secure Landfill, \$5,728 constituted earnings on investments, and \$170,327 was received from the state from a program that reimburses 75% of Landfill Closure Costs.

#### CITY OF PRESQUE ISLE Management's Discussion and Analysis December 31, 2014

The UDAG Revolving Fund manages funds from the Federal Government and is used as a revolving fund for the purpose of lending money for economic development. Currently there are 13 loans outstanding totaling \$950,283; one inter-city loan in the amount of \$144,458 and \$973,925 available for lending.

The *Emergency Reserve* was created by City Charter to meet 'unanticipated, extraordinary needs'. This account is funded by an appropriation of 1.5% of the City's net annual budget appropriation. Expenditures require a unanimous vote of all Councilors but only for 'unanticipated, extraordinary needs'. In 2014, the City contributed \$91,550 to this fund, \$4,387 constituted earnings on investments, and the City Council by unanimous voted transferred \$95,000 to the General Fund to help cover costs of an unusually harsh winter.

Other governmental funds include the activities of all other nonmajor special revenue funds, nonmajor capital projects funds and nonmajor permanent funds.

#### General Fund Budgetary Highlights

The General Fund budget overall (on a budgetary basis of accounting), ended the year with revenue \$172,948 above estimates and expenses were \$93,783 above estimates, an additional amount of \$582,285 (utilization of unassigned fund balance) was used for a decrease to surplus of \$503,119 at year end.

Resources (inflows) for the General Fund (on the budgetary basis of accounting) totaled \$17,475,471 for the year ended December 31, 2014, an increase of \$298,827 from 2013:

- For both the current and prior years, real estate taxes represent the largest revenue source--\$12,942,351 or 74.1% of all general fund revenues, an increase of \$448,742 or 3.6% from 2013. Excise tax collections of \$1,526,280, a decrease of \$10,049, represents 8.7% of total revenues.
- Intergovernmental revenues of \$1,358,453 or 7.8% of total revenues decreased \$217,372 (13.8%) from 2013 primarily due to a decrease in state revenue sharing.

Charges to Appropriations (outflows) from the General Fund (on the budgetary basis of accounting) totaled \$17,978,591 for the year ended December 31, 2014, an increase of \$662,706 over 2013:

- Education expenditures of \$6,150,296, 34.2% of total expenditures, increased \$359,376 from 2013.
- General Government expenditures of \$3,400,733 (18.9% of the total) increased \$168,669 from 2013.
- Public Works expenditures of \$2,034,957 (11.3% of the total) decreased \$184,268 from 2013.

The following schedule provides a summary of General Fund revenues and expenditures on the budgetary basis of accounting for the year 2014 and the change from 2013.

#### CITY OF PRESQUE ISLE Management's Discussion and Analysis December 31, 2014

#### City of Presque Isle General Fund Analysis of Revenues and Expenses for the Year Ended December 31, 2014

#### Capital Asset and Debt Administration

**Capital Assets** As of December 31, 2014, the City of Presque Isle's investment in capital assets was \$59,234,384 (net of depreciation), a decrease of \$181,086 or 0.3% from December 31, 2013. Physical assets increased \$3,003,452 and depreciation was \$3,184,538. This investment in capital assets includes building, improvements, machinery, equipment, roads and airport improvements and runways.

Major capital asset events during the current fiscal year include:

- Equipment purchases:
  - Police Cruiser, \$29,826,

## CITY OF PRESQUE ISLE Management's Discussion and Analysis

December 31, 2014

- o Aircraft Tug, \$40,000,
- An Excavator for the Airport, \$35,000
- Fire Truck, \$503,722,
- Fire Rescue Boat, \$31,663,
- Road improvements \$418,680,
- Improvements to Airport runways \$571,721,
- Improvements to the Library \$916,542.

Additional information about the City of Presque Isle's capital assets can be found in the notes to the financial statements on pages 34 and 35 of this report.

#### City of Presque Isle Schedule of Long Term Debt

|               | <u>2014</u>                                   |           | <u>2013</u> |
|---------------|---|-----------|-------------|
| Bonds Payable | \$ 7,643,574                                  | \$        | 8,120,093   |
| Notes Payable | 340,580                                       |           | 364,291     |
|               | <u>\$                                    </u> | <u>\$</u> | 8,484,384   |

**Long-term debt** At the end of the current year, the City of Presque Isle had total bonded debt outstanding of \$7,643,574, a decrease of \$476,519 or 5.9% from 2013 from regularly scheduled note payments. Notes Outstanding totaled \$340,580 as of December 31, 2014. All of the City's outstanding debt is backed by the full faith and credit of the City.

State statutes limit the amount of general obligation debt a municipality may incur to 7.5 % of its total state assessed valuation. The current debt limitation for the City is \$42,427,500 which is significantly in excess of the City's outstanding general obligation debt at December 31, 2014 of \$7,984,154.

#### CITY OF PRESQUE ISLE Management's Discussion and Analysis December 31, 2014

Additional information on the City of Presque Isle's long-term debt can be found in the notes to the financial statements on pages 35 through 37 of this report.

#### Economic Factors and Next Year's Budget

In preparing the City's 2015 budget, City management and officials considered many factors in making judgments and estimates about the finances of the upcoming year. A primary objective was to continue to provide basic services to the citizens of the City while attempting to keep the property tax low.

During the 2015 fiscal year, the City's management will continue to monitor and evaluate local economic conditions. Items of concern include:

Revenue projections:

- A possible continued reduction in the Municipal Revenue Sharing pool resulting from a slowdown in the state's tax receipts and possible changes in how the State calculates the revenue sharing pool;
- General Assistance payments have increased significantly since unemployment benefits were not extended.
- A decline in taxable assessed values is resulting in decreased property tax revenue.

Expenditure projections:

- Continuing uncertainty in the State budget regarding local school funding is a concern. While the school district is separate from the City, the City is responsible for 73.62% of the School District's funding at this time. Currently the school district requires an increase of 3% each year to maintain its current level of services. If the state should decrease its funding, the City would need to proportionately increase its share to keep the same level of services.
- Decreasing revenue on the investments for pension funds have resulted in an unfunded pension liability that has caused a sharp increase in the rate charged by MainePers (Maine State Retirement).
- The state of unrest in global conditions may easily lead to significant increases in the cost of fuel and electricity.
- Rising cost of health insurance
- The city will again be negotiating contracts with 4 of the City's unions beginning in June 2015.

#### **Requests for Information**

This financial report is designed to provide a general overview of the City of Presque Isle's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Finance Director, 12 Second Street, Presque Isle, Maine 04769.

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2014

## NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

## **Reporting Entity**

The City of Presque Isle was incorporated under the laws of the State of Maine. The City operates under City Council-Manager form of government and provides the following services: general government services, public safety, public works, health and welfare, education, and recreation.

The City's financial statements are prepared in accordance with generally accepted accounting principles (GAAP). The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements (Statements and Interpretations).

The City's combined financial statements include all accounts and all operations of the City. We have determined that the City has no component units as described in GASB Statement No. 14 and amended by GASB Statement No. 39 and No. 61.

## Government–Wide and Fund Financial Statements

The City's basic financial statements include both government-wide (reporting the City as a whole) and fund financial statements (reporting the City's major funds).

Both the government-wide and fund financial statements categorize primary activities as governmental. The City categorizes all activities of the City as governmental.

In the government-wide Statement of Net Position, both the governmental and business-type activities columns are (a) presented on a consolidated basis by column, and (b) are reported on a full accrual, economic resources basis, which recognizes all long-term assets and receivables as well as long-term debt and obligations. The City's net position are reported in three parts – net investment in capital assets; restricted net position; and unrestricted net position. The City first utilizes restricted resources to finance qualifying activities.

The government-wide Statement of Activities reports both the gross and net cost of each of the City's functions and business-type activities (general government, public safety, etc.). The functions are also supported by general government revenues (property taxes, certain intergovernmental revenues, miscellaneous revenues, etc.). The Statement of Activities reduces gross expenses (including depreciation) by related program revenues, operating and capital grants. Program revenues must be directly associated with the function or a business-type activity. Operating grants include operating-specific and discretionary (either operating or capital) grants while the capital grants column reflects

# NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2014

# NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

capital-specific grants. For the most part, the interfund activity has been eliminated from these government–wide financial statements.

The net costs (by function) are normally covered by general revenue (taxes, certain intergovernmental revenues and charges for services, etc.).

The City does not allocate indirect costs. All costs are charged directly to the corresponding department.

The government-wide focus is more on the sustainability of the City as an entity and the change in the City's net position resulting from the current year's activities.

# Measurement Focus - Basic Financial Statements & Fund Financial Statements

The financial transactions of the City are reported in the individual funds in the fund financial statements. Each fund is accounted for by providing a separate set of self-balancing accounts that comprise its assets, liabilities, fund balances, revenues and expenditures/expenses. The various funds are reported by generic classification within the financial statements.

The following fund types are used by the City:

1. Governmental Funds:

The focus of the governmental funds' measurement (in the fund statements) is upon determination of financial position (sources, uses, and balances of financial resources) rather than upon net income. The following is a description of the governmental funds of the City:

- a. The General Fund is the general operating fund of the City. It is used to account for all financial resources except those required to be accounted for in another fund.
- b. Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes.
- c. Capital Project Funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities or equipment.

# NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2014

# NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

- d. Permanent Funds are used to account for assets held by the City in trust for specific purposes.
- 2. Fiduciary Funds:

Fiduciary funds are used to report assets held in a trustee or agency capacity for others and therefore are not available to support City programs. The reporting focus is on net position and changes in net position and are reported using accounting principles similar to proprietary funds. Component units that are fiduciary in nature have been excluded from these financial statements.

The City's fiduciary funds are presented in the fiduciary fund financial statements by type (private-purpose trusts). Since by definition these assets are being held for the benefit of a third-party (other local governments, private parties, etc.) and cannot be used to address activities or obligations of the government, these funds are not incorporated into the government-wide financial statements.

The emphasis in fund financial statements is on the major funds in either the governmental or business-type activities categories. Non-major funds by category are summarized into a single column, GASB Statement No. 34 sets forth minimum criteria (percentage of the assets, liabilities, revenues, or expenses of either the fund category or the governmental and enterprise combined) for the determination of major funds. The nonmajor funds are combined in a column in the fund financial statements.

# Basis of Accounting

Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

1. Accrual

Governmental activities in the government-wide financial statements and fiduciary fund financial statements are presented on the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when incurred.

2. Modified Accrual

The governmental fund financial statements are presented on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual; i.e., both measurable and available. "Available"

# NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2014

## NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures are generally recognized under the modified accrual basis of accounting when the related liability is incurred. The exception to this general rule is that principal and interest on general obligation long-term debt, if any, is recognized when due.

# <u>Budget</u>

The City's policy is to adopt an annual budget for operations. The budget is presented on the modified accrual basis of accounting which is consistent with generally accepted accounting principles.

The following procedures are followed in establishing budgetary data reflected in the financial statements:

- 1. Per City Charter, the City Manager must submit a budget to the City Council at least 90 days prior to the beginning of the next fiscal year.
- 2. The annual budget is prepared for the general fund and includes a net appropriation for the capital reserves, airport fund, and the landfill operations fund.
- 3. The legal level of budgetary control is at the department level.
- 4. The City Council must hold at least two public hearings.
- 5. The City Council must adopt the budget before the beginning of the next fiscal year.
- 4. The City does not adopt budgets for Special Revenue Funds.

# Deposits and Investments

The City's cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition.

It is the City's policy to value investments at fair value. None of the City's investments are reported at amortized cost. For purposes of the statement of cash flows, all highly liquid investments with a maturity of three months or less when purchased are considered to be a cash equivalent. The City Treasurer is authorized by State Statutes to invest all excess funds in the following:

# NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2014

## NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

- Obligations of the U.S. Government, its agencies and instrumentalities.
- Certificates of deposits and other evidences of deposits at banks, savings and loan associations, and credit unions.
- Repurchase agreements
- Money market mutual funds

## Inventories

Inventories consist of expendable supplies held for consumption and are valued at cost. Under the consumption method, the costs of inventory items are recognized as expenditures when used. The airport fund inventory consists of diesel fuel and gasoline on hand at the end of the year. The cost value is determined using the first-in, first-out (FIFO) method.

## Interfund Receivables and Payables

Any residual balances outstanding between governmental activities and businesstype activities are reported in the governmental-wide financial statements as "internal balances". Interfund balances and transactions have been eliminated in the governmentwide financial statements.

# Transactions Between Funds

Legally authorized transfers are treated as interfund transfers and are included in the results of operations of both Governmental and Proprietary Funds.

#### Allowance for Uncollectible Accounts

The allowance for uncollectible accounts is estimated to be zero as of December 31, 2014.

# **Capital Assets**

Capital assets purchased or acquired with an original cost of \$5,000 or more are reported at historical cost or estimated historical cost. Contributed assets are reported at fair market value as of the date received. Additions, improvements and other capital outlays that significantly extend the useful life of an asset are capitalized. Infrastructure such as streets, traffic signals, and signs are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. Depreciation on all assets is provided on the straight-line basis over the estimated useful lives.

# NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2014

## NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The assets are valued at historical cost when available and estimated historical cost where actual invoices or budgetary data was unavailable. Donated fixed assets are valued at their estimated fair market value on the date received. All retirements have been recorded by eliminating the net carrying values.

Infrastructure assets include roads, bridges, underground pipe (other than related to independently owned utilities), traffic signals, airport runways, etc. These infrastructure assets are likely to be the largest asset class of the City.

Estimated useful lives are as follows:

| Buildings               | 20 - 50 years |
|-------------------------|---------------|
| Infrastructure          | 5 - 50 years  |
| Machinery and equipment | 2 - 30 years  |
| Vehicles                | 3 - 25 years  |

# Long-term Obligations

The accounting treatment of long-term debt depends on whether the assets are used in governmental fund operations or proprietary fund operations and whether they are reported in the government-wide or fund financial statements.

All long-term debt to be repaid from governmental and business-type resources is reported as liabilities in government-wide statements. The long-term debt consists primarily of notes or bonds payable and compensated absences.

Long-term debt for governmental funds is not reported as liabilities in the fund financial statements. The debt proceeds are reported as other financing sources and payment of principal and interest reported as expenditures. The accounting for proprietary fund is the same in the fund statements as it is in the government-wide statements.

# Compensated Absences

The City's policies regarding vacation and sick time do permit employees to accumulate earned but unused vacation and sick leave. The liability for these compensated absences is recorded as long-term debt in the government-wide financial statements. In the fund financial statements, governmental funds report only the compensated absence liability payable from expendable available financial resources, while the proprietary funds report the liability as it is incurred. As of December 31, 2014, the City's liability for compensated absences is \$392,190.

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2014

#### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Net Position

Net position represents the difference between all other elements in a statement of financial position. Net position invested in capital assets, net of related debt consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any borrowing used for those assets, and adding back unspent proceeds. Net position is reported as restricted when there are limitations imposed on its use either through enabling legislations adopted by the City or through external restrictions imposed by creditors, grantors or laws or regulations of other governments. Unrestricted net position is the net amount of the assets, deferred outflows of resources, liabilities, and deferred inflows of resources that are not included in the determination of net investment in capital assets or restricted net position.

# Fund Balance

In the fund financial statements, fund balance for governmental funds is reported in classifications that comprise a hierarchy based primarily on the extent to which the City is bound to honor constraints on the specific purpose for which amounts in the funds can be spent. Fund balance is reported in five components – nonspendable, restricted, committed, assigned and unassigned.

Nonspendable – This includes amounts that cannot be spent either because they are not in spendable form or because they are legally or contractually required to be maintained intact.

Restricted – This includes amounts that can be spent only for specific purposes because of constitutional provisions or enabling legislation or because of constraints that are externally imposed by creditors, grantors, contributors, or the laws or regulations of other governments.

Committed – This includes amounts that can be used only for specific purposes determined by a formal action of the City Council. The City Council is the highest level of decision-making authority of the City. Commitments may be established, modified, or rescinded only through a City Council meeting vote.

Assigned – This includes amounts that do not meet the criteria to be classified as restricted or committed but that are intended to be used for specific purposes. The authority for assigning fund balance is expressed by the City Council.

Unassigned – This includes all other spendable amounts. The general fund is the only fund that reports a positive unassigned fund balance amount. Other governmental funds besides the general fund can only report a negative unassigned fund balance amount.

# NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2014

## NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

When an expenditure is incurred for purposes for which both restricted and unrestricted fund balances are available, the City considers restricted funds to have been spent first. When an expenditure is incurred for which committed, assigned, or unassigned fund balances are available, the City considers amounts to have been spent first out of committed funds, then assigned funds, and finally unassigned funds, as needed, unless the City meeting vote has provided otherwise in its commitment or assignment actions.

## **Deferred Outflows and Inflows of Resources**

In addition to assets, the statement of financial position and/or balance sheet will at times report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The City currently has no deferred outflows of resources.

In addition to liabilities, the statement of financial position and or balance sheet will at times report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The City has only one type of item, deferred tax revenues, which arises only under a modified accrual basis of accounting that qualifies for reporting in this category. Accordingly, this item is reported in the governmental funds balance sheet. Prepaid taxes and advance payment of LRAP funding also qualify for reporting in this category. These items are reported in both the statements of net position and governmental funds balance sheet. All items in this category are deferred and recognized as an inflow of resources in the period that the amounts become available.

# Revenue Recognition - Property Taxes - Modified Accrual Basis

The City's property tax for the current year was levied August 25, 2014 on the assessed value listed as of April 1, 2014, for all real and personal property located in the City. Taxes were due on October 15, 2014. Interest on unpaid taxes commenced on October 16, 2014, at 7% per annum.

Property tax revenues are recognized when they become available. Available includes those property tax receivables expected to be collected within sixty days after year end. The remaining receivables have been recorded as deferred revenues.

Tax liens are placed on real property within twelve months following the tax commitment date if taxes are delinquent. The City has the authority to foreclose on property eighteen months after the filing of the lien if tax liens and associated costs remain unpaid.

# NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2014

## NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

# Program Revenues

Program revenues include all directly related income items applicable to a particular program (charges for services, operating and capital grants).

# **Operating/Non-operating Proprietary Fund Revenues**

Operating revenues consist mainly of direct revenue sources and/or charges for services applicable to that fund.

## Encumbrance Accounting

Encumbrances are not liabilities and, therefore, are not recorded as expenditures until receipt of material or service. For budgetary purposes, appropriations lapse at fiscal year-end. The City does not utilize encumbrance accounting for its general fund.

# Use of Estimates

During the preparation of the City's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosure of contingent items as of the date of the financial statements and the reported amounts of revenues and expenses/expenditures during the reporting period. Actual results may differ from these estimates.

# NOTE 2 - DEPOSITS AND INVESTMENTS

The City's policies, which follow state statutes, authorize the City to invest in obligations of the U.S. Treasury, agencies and instrumentalities, other states and Canada, provided such securities are rated within the three highest grades by an approved rating service of the State of Maine, corporate stocks and bonds within statutory limits, financial institutions, mutual funds and repurchase agreements. These investment policies apply to all City funds.

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2014

#### NOTE 2 - DEPOSITS AND INVESTMENTS (CONTINUED)

#### **Deposits:**

Custodial credit risk for deposits is the risk that, in the event of a failure of a depository financial institution, the City will not be able to recover its deposits. The City does not have a policy covering custodial credit risk for deposits. However, the City maintains deposits in qualifying financial institutions that are a member of the FDIC or NCUSIF. At December 31, 2014, the City's cash balance of \$4,687,402 was comprised of bank deposits and cash equivalents totaling \$5,111,332. Of these bank deposits, \$553,076 was insured by federal depository insurance and consequently was not exposed to custodial credit risk and \$4,558,256 was collateralized with securities held by financial institutions in the City's name.

|                          | Bank            |
|--------------------------|-----------------|
| Account Type             | <br>Balance     |
|                          |                 |
| Checking accounts        | \$<br>952,893   |
| ICS Savings account      | 4,003,729       |
| Cash or cash equivalents | 42,614          |
| Money market accounts    | <br>112,095     |
|                          | \$<br>5,111,332 |

#### Investments:

Custodial credit risk for investments is that, in the event of failure of the counterparty, the City will not be able to recover the value of its investments or collateral securities that are in possession of an outside party. Currently, the City does not have a policy for custodial credit risk for investments; however, the City seeks to minimize custodial credit risk by doing business with authorized institutions, depositories and broker/dealers. All of the City's investments of \$6,149,509 were covered by either FDIC or Securities Investor Protection Corporation (SIPC).

Credit risk – Statutes for the State of Maine authorize the City to invest in obligations of the U.S. Treasury, agencies and instrumentalities, other states and Canada, provided such securities are rated within the three highest grades by an approved rating service of the State of Maine, corporate stocks and bonds within statutory limits, financial institutions, mutual funds and repurchase agreements. The City does not have an investment policy on credit risk.

Interest rate risk – is the risk that changes in interest rates will adversely affect the fair value of an investment. The City does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from fluctuations in interest rates.

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2014

# NOTE 3 - INTERFUND RECEIVABLES AND PAYABLES

Interfund balances at December 31, 2014 consisted of the following individual fund receivables and payables.

# NOTE 6 - LANDFILL CLOSURE

The City records a liability for the estimated costs of landfill closure and postclosure care, as required by U.S. generally accepted accounting principles. Two sides of the original landfill (Phase 1) received a final cover system during the landfill expansion project, which occurred from 2007-2010. A final cover system was installed in accordance with Maine Department of Environmental Protection (MDEP) regulations on the top and west side of Phase 1 in 2014. Phase 1 will not be accepting any more waste. The Construction/Demolition Debris (CDD) landfill was permanently closed in 2012 in accordance with MDEP regulations.

The new expansion, known as Phase 2, began accepting waste in December of 2010. In the future, the City will also construct new expansions to the landfill known as Phase 3 and Phase 4.

#### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2014

## NOTE 6 - LANDFILL CLOSURE (CONTINUED)

The estimated closure cost for Phase 2 is \$1,779,840 and the estimated postclosure care cost is \$2,760,000 (\$92,000 per year) for a total estimated liability of \$4,539,840. Actual costs may be higher due to inflation, changes in technology, or changes in regulations. A portion of the Phase 1 and CDD closure costs is being reimbursed by the State of Maine and is being credited to the closure reserve.

The Phase 2 landfill has an estimated remaining life of 16.5 years. An estimated 20.2% of the landfill capacity has been used as of December 31, 2014. The City has recognized a liability in the government-wide financial statements based on percentage used as of December 31, 2014, of \$350,527 for closure, and \$557,520 for post-closure costs for a total liability of \$917,047 for the Phase 2 landfill.

The City voluntarily funds a reserve account for landfill closure and post-closure care, which had a balance of \$(20,987) on December 31, 2014. The City also maintains a reserve account for solid waste activities, which had a balance of \$749,172 at the end of 2014. The total net amount available in the reserve accounts is \$728,185.

## NOTE 7 - NONSPENDABLE FUND BALANCES

At December 31, 2014, the City had the following nonspendable fund balance:

| General fund:                            |                 |
|--|-----------------|
| Prepaid expenses                         | \$<br>170,500   |
| Airport fund:                            |                 |
| Inventory                                | 81,911          |
| Development fund                         | 950,283         |
| Bike and walk path fund fund:            |                 |
| Amount of principal that cannot be spent | <br>20,000      |
|  | \$<br>1,222,694 |

# NOTE 8 - RESTRICTED FUND BALANCES

At December 31, 2014, the City had the following restricted fund balances:

| Development fund                            | \$<br>1,118,383 |
|---|-----------------|
| Nonmajor special revenue funds (Schedule D) | 1,098,204       |
| Nonmajor capital project funds (Schedule F) | 436,936         |
| Nonmajor permanent funds (Schedule H)       | <br>731,313     |
|   | \$<br>3,384,836 |

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2014

# NOTE 9 - COMMITTED FUND BALANCES

At December 31, 2014, the City had the following committed fund balances:

| Landfill operations                         | \$ | 229,688   |
|---|----|-----------|
| Emergency reserve                           |    | 1,868,774 |
| Nonmajor special revenue funds (Schedule D) |    | 193,031   |
| Nonmajor capital project funds (Schedule F) | _  | 1,976,681 |
|   | \$ | 4,268,174 |

# NOTE 10 - ASSIGNED FUND BALANCES

At December 31, 2014, the City had the following assigned fund balances:

| General fund:   |               |
|-----------------|---------------|
| Drug forfeiture | \$<br>2,518   |
| Vehicle repairs | 30,000        |
| CC fundraising  | 74,714        |
|                 | \$<br>107.232 |

# NOTE 11 - RISK MANAGEMENT

The City is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the City either carries commercial insurance, participates in a public entity risk pool, or is effectively self-insured. Currently the City participates in several public-entity and self-insured risk pools sponsored by the Maine Municipal Association.

Based on the coverage provided by the pools described above, as well as coverage provided by commercial insurance purchased, the City is not aware of any material actual or potential claim liabilities which should be recorded at December 31, 2014. There were no significant reductions in insurance coverage from that of the prior year and amounts of settlements have not exceeded insurance coverage in the past three years.

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2014

## NOTE 12 - OVERLAPPING DEBT

The City is contingently liable for its proportionate share of any defaulted debt by entities of which it is a member. At December 31, 2014, the County of Aroostook had no outstanding debt. The City's share of school debt was approximately:

|           | Outstanding<br>Debt | City's<br>Percentage | <br>Total<br>Share |
|-----------|---------------------|----------------------|--------------------|
| SAD No. 1 | 5,733,879           | 73.62%               | \$<br>4,221,282    |

# NOTE 13 - DEFINED BENEFIT PENSION PLAN

## MAINE PUBLIC EMPLOYEES RETIREMENT SYSTEM

## A. Plan Description

City employees contribute to the Maine Public Employees Retirement System, an agent multiple-employer defined benefit pension plan established by the Maine State Legislature. The Maine Public Employees Retirement System provides retirement and disability benefits, annual cost-of-living adjustments and death benefits to plan members and beneficiaries. Title 5 of the Maine Revised Statutes Annotated assigns the authority to establish and amend benefit provisions to the PLD's Consolidated Plan Board of Trustees. The Maine Public Employees Retirement System issues a publicly available financial report that includes financial statements and required supplementary information for the Consolidated Plan. That report may be obtained by writing to Maine Public Employees Retirement System, 46 State House Station, Augusta, Maine 04333 or by calling (800) 451-9800.

The City's Status as a withdrawn participating local district requires that the City continue to fund the plan on an actuarially sound basis for liabilities of any currently active, inactive vested, or retired participants. This plan is not available to any non-participating current employees or new hires. The City's participating employees are eligible for normal retirement upon attaining age 60 and early retirement after completing 25 or more years of service.

# B. Funding Policy

Plan members are required to contribute 6.5% (8.0% for fire and police department employees) of their annual covered salary and the City of Presque Isle is required to contribute an actuarially determined rate. The current rate is 9.86% of covered payroll. The contribution rates of plan member and the city of Presque Isle are established and

# NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2014

## NOTE 13 - DEFINED BENEFIT PENSION PLAN (CONTINUED)

may be amended by the Maine Public Employee Retirement Systems Board of Trustees. The City's contribution to MePers Consolidated Plan for the years ended December 31, 2014, 2013 and 2012 were \$644,120, \$468,680, \$319,281 respectively.

As of June 30, 2014, the City had an unfunded actuarial accrued asset of \$3,964,998. This was effective June 30, 1996 when the City withdrew from the Maine State Retirement System and opted not to join into the Consolidated Plan. This unfunded actuarial accrued asset has an amortization period of 13 years.

## NOTE 14 - DEFINED CONTRIBUTION PLAN

## A. Plan Description

The City offers its employees a defined contribution plan created in accordance with Internal Revenue Code Section 401. Employees who were enrolled in the MePERS plan as of July 1, 1996, have the option of changing to the 401 plan. All eligible employees hired subsequent to July 1, 1996 may only enroll in the 401 plan. The plan was established as a money purchase pension plan and trust to be known as the City of Presque Isle Money Purchase Pension Plan and Trust. The plan is administered by ICMA Retirement Corporation.

# B. Funding Policy

Under the 401 plan, the City is required to contribute 6% of a participant's earnings for the plan year. Participating police and fire personnel received contributions of 8% of their earnings for the plan year. The City Manager and Deputy City Manager received contributions of 8% of their earnings for the plan year. For the years ended December 31, 2014, 2013, and 2012, the City contributed \$226,784, \$215,586, and \$202,486, respectively. Plan provisions and contribution requirements are established and may be amended by the City Council.

# NOTE 15 - DEFERRED COMPENSATION PLAN

The City offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The plan, available to all employees, permits the employee to defer a portion of salary until future years. There is an employer match by the City of 1%. The deferred compensation is not available to employees until termination, retirement, death or unforeseen emergency.

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2014

#### NOTE 15 - DEFERRED COMPENSATION PLAN (CONTINUED)

All amounts of compensation deferred under the plan, all property and rights purchased with those amounts, and all income attributable to those amounts, property, or rights are (until paid or made available to the employee or other beneficiary) to be held in a trust for the exclusive benefit of the participants and their beneficiaries.

It is the opinion of the City's management that the City has no liability for losses under the plan but does have the duty of due care that would be required of an ordinary prudent investor.

#### NOTE 16 - CONTINGENCIES

With regard to pending legal claims or any unasserted claims, it is not feasible at this time to predict or determine their outcome. Management believes, however, that settlement amounts, if any, will not have a material adverse effect on the City's financial position.

The City participates in various intergovernmental grant programs which may be subject to future program compliance audits by the grantors or their representatives. Accordingly, the City's compliance with applicable grant requirement may be established at some future date. The amount, if any, of any liabilities arising from the disallowance of expenditures or ineligibility of grant revenues cannot be determined at this time.

# NOTE 17 - TAX INCREMENT FINANCING DISTRICTS

The City has established two tax increment financing districts under terms of applicable state laws. Details of the TIF district are as follows:

|                    | Original     | Increase in  | TIF  | Captured      | Captured |
|--------------------|--------------|--------------|------|---------------|----------|
|                    | Value        | Value        | Cap  | Value         | Tax      |
| MMG Insurance TIF  | \$ 1,717,300 | \$ 2,389,400 | 40%  | \$    955,760 | \$23,607 |
| BLD Properties TIF | 128,100      | 4,451,300    | 100% | 2,757,600     | 109,974  |

#### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2014

#### NOTE 18 - OTHER POSTEMPLOYMENT BENEFITS

The Governmental Accounting Standards Board (GASB) Statement No. 45 addresses the reporting and disclosure requirements for other post employment benefits (OPEB). GASB Statement No. 45, Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions, was implemented, as required, by the City of Presque Isle for the year ended December 31, 2008. Under this pronouncement, it requires that the long-term cost of retirement health care and obligations for other postemployment benefits be determined on an actuarial basis and reported similar to pension plans.

The City is a member of the Maine Municipal Employees Health Trust (the "Health Trust"). In addition to providing pension benefits, the City provides health care benefits for certain retired employees. Eligibility to receive health care benefits follows the same requirements as Maine PERS. Eligible retirees are required to pay 100% of the health insurance premiums to receive health benefit coverage. The City does not supplement the cost of this coverage directly, but recognizes the liability for inclusion of implicit rate subsidies to the retirees. The subsidy occurs because when a blended rate is used for a group of individuals that includes younger and presumably healthier people along with older, retired people, implicitly, the active employees are subsidizing the retirees.

| Active members       | 83  |
|----------------------|-----|
| Retirees and spouses | 25  |
| Total                | 108 |

Benefits provided – The City provides medical and prescription drug coverage to retirees and their eligible spouses and dependents. Pre-Medicare retirees are offered the same plans that are available to the active employees. The plans are provided through the Health Trust, and include the Comprehensive Point of Service Plan C and the POS 200 Plan.

Funding policy – Retirees contribute all of the premiums as determined by the City, but the remainder of the costs as derived from the implicit subsidy are paid by the City on a pay-as-you-go basis.

#### Annual OPEB Cost and Net OPEB Obligations

The City of Presque Isle's annual other postemployment benefit (OPEB) cost is calculated based on the annual required contribution (ARC), an amount actuarially determined in accordance with the parameters of GASB Statement #45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover the normal cost each year and amortize the unfunded actuarial liability over a period not to exceed thirty years.

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2014

# NOTE 18 – OTHER POSTEMPLOYMENT BENEFITS (CONTINUED)

The City's annual OPEB cost for the fiscal year ended December 31, 2014 including the amount actually contributed to the plan and the change in the City's net OPEB obligation using the level of funding amortization method is as follows:

|  | 2014 2013 |                 | 2012             |    | 2011             |                  |
|--|-----------|-----------------|------------------|----|------------------|------------------|
| Normal cost                                    | \$        | 48,898          | \$<br>43,926     | \$ | 43,926           | \$<br>43,926     |

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2014

## NOTE 18 – OTHER POSTEMPLOYMENT BENEFITS (CONTINUED)

The funded status of the plan as of December 31, 2014, was as follows:

| Actuarial Accrued Liability<br>Actuarial Value of Plan Assets | \$<br>1,730,326<br>- |
|---|----------------------|
| Unfunded Actuarial Accrued Liability                          | \$<br>1,730,326      |
| Funded Ratio (Actuarial Value of Plan Assets/AAL)             | 0.0%                 |
| Covered Payroll of Active Plan Members                        | \$<br>3,838,726      |
| UAAL as a percentage of Covered Payroll                       | 45.08%               |

Methods of Assumptions – The projected unit credit (PUC) cost method was used for the valuation. The amortization method is the level dollar open, amortized over 30 years. Under the PUC method, benefits are projected for life, and their present value is determined. The present value is divided into equal parts, which are earned from date of hire to each decrement age. An open 30 year amortization period was used. The amortization method is a level dollar amortization method. The unfunded actuarial liability is the difference between the actuarial liability and the actuarial value of assets.

The information presented in the required supplementary schedules was determined as part of the actuarial valuation at the date indicated. Additional information of the latest actuarial valuation is as follows:

| Valuation Date            | 1/1/2014              |
|---------------------------|-----------------------|
| Actuarial Cost Method     | Projected Unit credit |
| Amortization Method       | Level Dollar          |
| Amortization Period       | 30 years              |
| Asset Valuation Method    | N/A                   |
| Actuarial Assumptions:    |                       |
| Discount Rate             | 4.00%                 |
| Rate of Salary Increases  | 3.00%                 |
| Healthcare Inflation Rate | 4.60%                 |

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2014

# NOTE 19 - DEFICIT FUND BALANCES/NET POSITION

At December 31, 2014, the City has the following funds with deficit fund balances:

| Major funds:             |            |
|--------------------------|------------|
| Airport                  | \$ 120,932 |
| Landfill closure         | 20,987     |
| Non-major funds:         |            |
| Police grant             | 529        |
| Book memorials           | 408        |
| Septic systems           | 457        |
| Airport project 42       | 38,915     |
| Airport project 43       | 17,893     |
| Subtotal non-major funds | 58,202     |
|                          |            |
| Total                    | \$ 200,121 |

# NOTE 20 - RESTATEMENT

The beginning fund balances of the general fund, emergency reserve fund and nonmajor fund – retirement payouts have been restated as of January 1, 2014. The emergency reserve and retirement payouts reserve were committed balances within the general fund but have been reclassified as special revenue funds. The general fund decreased by \$1,892,560 while the emergency reserve fund increased by \$1,867,837 and the retirement payouts reserve increased by \$24,723.

# Required Supplementary Information

Required supplementary information includes financial information and disclosures that are required by the Government Accounting Standards Board but are not considered a part of the basic financial statements. Such information includes:

- Budgetary Comparison Schedule Budgetary Basis Budget and Actual -General Fund
- Budgetary Comparison Schedule Budgetary Basis Budget and Actual -General Fund Revenues
- Schedule of Funding Progress

### Special Revenue Funds

Special revenue funds are established to account for the proceeds of specific revenue sources (other than expendable trusts or for major capital projects) that are legally restricted to expenditures for specific purposes.

# Capital Project Funds

Capital project funds are established to account for financial resources to be used for the acquisition or construction of major capital facilities, other than those financed by proprietary or trust fund.

Note: Annually, Aroostook County assesses each municipality its proportionate share of the County tax required to fund the County budget. Annually, M.S.A.D. #1 assesses each municipality its proportionate share of the School assessment required to fund the School budget. The County tax and School assessments applicable to the City of Presque Isle is included in the total property tax levy of the City of Presque Isle.

Sources: The outstanding debt for Aroostook County has been provided by the County. The percentage applicable to the City of Presque Isle is based on the ratio of the State equalized assessed valuation for the City of Presque Isle versus the equalized State valuation for Aroostook County.

The outstanding debt for M.S.A.D. #1 has been provided by the District. The percentage applicable to the City of Presque Isle is based on the ratio of the State equalized assessed valuation for the City of Presque Isle versus the equalized State valuation of all municipalities located within the District.
