Thank you for your support!

Individuals and groups pride themselves in their ability to contribute in a worthwhile and meaningful manner to Pullman’s good. Civic contributions take many forms, including volunteer work efforts, cash contributions, land donations, and gifts of all kinds.

Gifts enhance Pullman’s quality of life

The city motto is HIGH tech, HIGHER education, HIGHEST quality of life. We continually strive to make the community as attractive as possible.

Although federal and state dollars for local funding are shrinking, we can continue to work to make our quality of life even higher. Your donations are one way of achieving this goal. Your support will make Pullman an outstanding community for years to come.

Pullman—the city of parks and paths

Individuals and groups can invest in our community’s future by making contributions to the city of Pullman. The entire citizenry benefits from the thoughtful foresight of those who have given generously to making Pullman a better place.

It is our hope that the information provided in this brochure will create a greater awareness of these contributions. We challenge others to participate in this worthwhile civic cause.

What are the benefits of giving?

1. From a community perspective, donations contribute to the overall enhancement of the community. For example, from its 1988 inception to completion in 2006, the Pullman Downtown Riverwalk, spearheaded by the Pullman Civic Trust, inspired \$400,147 in donations from 273 individuals, couples, families and businesses as well as funds from state and local government for a total of \$1.05 million.
2. Donations of all kinds, including volunteer service, help to keep taxes low. Police, fire, library, recreation and parks volunteers help to reduce overtime costs and the need for increased staffing. Dollar donations hold down expenditures for park expansions, library book acquisitions, etc.
3. Contributors may be able to reduce their federal income taxes. To ensure that you are in compliance with the most recent tax laws, you should check with a tax consultant with respect to this possibility.

We make a living by what we get, but we make a life by what we give. –Winston Churchill

How to give

According to RCW 35.21.100, cities have the authority to accept and use donated money or property. By Pullman City Code 4.05, donations of \$20,000 or more are accepted by ordinance by the city council.

To facilitate giving in any amount, various budget categories have been established. You may donate undesignated monies to the general fund for any government need, designate your gift for a specific department, or a specify a restricted use.

Prior to offering a non-cash donation, you may want to discuss your intentions with the mayor or city supervisor.

You may also contribute through the Inland Northwest Community Foundation and indicate that you would like your donation to be for city of Pullman projects.
