

RABA TRAVEL TRAINING

Your Easy Guide to Taking the Bus Around Town

Are you interested in riding the bus in Shasta County? For many people, riding the bus first requires knowing *how to ride*. To help with this, the Redding Area Bus Authority (RABA) offers Travel Training which makes it easier to get around and expands your access to more areas.

WHAT IS TRAVEL TRAINING?

Travel Training is a program that teaches people how to ride the RABA bus system. Trainers use *hands-on* training, teaching both in the classroom and on the buses. Travel training provides the instruction and practice people need to feel comfortable and confident riding the bus around town.

WHO IS ELIGIBLE TO RECEIVE TRAVEL TRAINING?

Travel Training is available to all—individuals, groups, businesses, elderly and disabled people, and people with visual, psychiatric, or cognitive/mental impairments are encouraged to request Travel Training. RABA encourages people with disabilities to participate in the training.

HOW OLD DO YOU HAVE TO BE FOR TRAVEL TRAINING?

There are no age requirements for Travel Training. RABA's contract operator has provided instruction to riders from 10–80 years of age.

WHERE IS TRAVEL TRAINING HELD?

Travel Training is conducted in a classroom in a group setting. Additionally, it is conducted on the bus route that the rider will be riding. Exactly how and where Travel Training is conducted will depend on the needs of the rider.

WHEN IS TRAVEL TRAINING HELD?

Travel Training is conducted on weekdays; however, special circumstances may warrant Saturdays. Again, the needs of the rider will determine when Travel Training is conducted.
