Password: public

To locate your parcel, use the following steps.

1. Login to the site using the link and credentials above.
2. Click on the **Entities** button from the blue control panel located at the top of the screen.
3. Enter your parcel information into the search fields at the top of each data column and press **Enter** on your keyboard.
 - a. **Note:** You can enter partial information into any of the provided fields. For example, enter your last name into the Owner 1 field and only part of the street name into the Location Name, press Enter and the system will provide results based on that information.
4. Click on the **eye** located next to the parcel record in question to view additional information and any associated bill history.
5. To print off a snapshot of the current status, click on the **Reports** tab and select the **County Status** report.
6. When prompted for corrections to the input parameters, disregard this and click **Run Report**.
