**INTERGOVERNMENTAL AGREEMENT FOR THE PROVISION OF ENDPOINT PROTECTION AND
RESPONSE SERVICES**

BETWEEN

**THE NEW YORK STATE OFFICE OF INFORMATION TECHNOLOGY SERVICES,
THE NEW YORK STATE DIVISION OF HOMELAND SECURITY AND EMERGENCY SERVICES**

AND

Oswego County

X050055

This Intergovernmental Agreement ("IA") is entered into by and among the New York State Office of Information Technology Services ("ITS"), the New York State Division of Homeland Security and Emergency Services ("DHSES"), ITS and DHSES collectively referred to herein as the "State," and the entity identified on the signature page of this IA which is a political subdivision, municipal corporation, or public authority as defined by the laws of the State of New York ("Participating Entity"). By entering into this IA, the Participating Entity acknowledges that it has the legal authority to enter into this IA and that the individual executing this IA has been duly authorized to execute the IA. Each party to this IA is referred to individually as a "Party" and collectively as the "Parties."

WHEREAS, ITS is responsible for protecting New York State Government's cyber security infrastructure and does so by employing a multi-faceted approach that includes coordinating policies, standards and programs on cyber security across the State, partnering with State agencies and law enforcement, monitoring the State's technology assets and responding to abnormalities and threats to their systems; and

WHEREAS, DHSES is responsible for working with federal, state, local and private entities to protect the State's critical infrastructure from cyber threats and vulnerabilities and to coordinate and facilitate information and intelligence sharing amongst these entities to assist in the early identification of and response to natural and man-made disasters; and

WHEREAS, the Participating Entity provides vital services to residents of New York State and within its jurisdictional boundaries; and

WHEREAS, the Parties remain committed to ensuring the safety of their respective critical infrastructure by investing in strategic collaborations and technology for strengthening cyber security and resiliency in the face of evolving threats; and

WHEREAS, the Parties recognize that deployment and use Endpoint Detection and Response (EDR) software, and rapid information sharing are foundational components of a sound cybersecurity program; and

WHEREAS, increasingly sophisticated cyber-attacks on governmental entities as well as unauthorized access to their systems may compromise the security and integrity of government data, disrupt operations and services and damage critical infrastructure, thereby risking the health and welfare of the public; and

WHEREAS, the State and the City of New York in an intergovernmental and collaborative effort to enhance and leverage their cyber defense capabilities, developed the New York Joint Security Operations Center ("JSOC") to share information, gain an unprecedented level of visibility into potential threats across the State, and increase efficiency in detecting and responding to cybersecurity events and incidents (the "JSOC Initiative"); and

WHEREAS, the JSOC Initiative, a one-of-a-kind cooperative approach between state and local government, enables each of the Parties to augment their capabilities to better protect sensitive, personal and/or private information and data as well as public health and safety.

NOW THEREFORE, in consideration of the foregoing, the Parties hereby agree as follows:

1. PURPOSE AND BENEFITS

The purpose of this Intergovernmental Agreement is to allow Participating Entities to access EDR software for better proactive security collaboration on threat intelligence amongst New York State and political subdivisions of the State.

Taking advantage of economies of scale and the State's purchasing power, the State has arranged for the Participating Entity to receive EDR software at no cost. Additionally, as part of that arrangement, the software provider or its affiliates will work directly with the Participating Entity to deploy the EDR solution within the Participating Entity's environment and provide training to assist the Participating Entity with using the EDR software.

2. DEFINITIONS

"Confidential Information" means any non-public information that a Party (**"Disclosing Party"**), regardless of form or medium of disclosure (e.g., verbal, hard copy, or electronic) or source of information (e.g., ITS, other state agencies, electronic systems, federal government, or third-party contractors) provides to the other Party or Parties, its agents, employees, officers, partners, or subcontractors (**"Recipient"**) or which the Recipient obtains, discovers, derives, or otherwise becomes aware of as a result of performance of this IA.

"Cyber Information" means information owned or derived by a Party relating to cyber intelligence, indicators of compromise, indicators of cyber threat, cyber security investigative information, defensive measures being taken during an ongoing or imminent threat, and other such information relating to cyber security.

"EDR software data" means data derived from an endpoint security solution that continuously monitors endpoint devices to detect and respond to cyber security incidents that is shared through the software provider to the JSOC.

"Security Incident" means a cyber event that a Party believes has compromised or may compromise the security, confidentiality, availability or integrity of its data, systems, networks, or other information technology related assets.

"Affected Party" means a Party that is affected by a Security Incident.

3. INTERGOVERNMENTAL AGREEMENT

The IA between the Parties consists of the following documents listed below in the following order of precedence:

- a. Appendix A – Standard Clauses for All New York State Contracts
- b. This IA document setting forth the final agreement between the Parties, including all attachments, appendices, and exhibits contained herein.

4. SERVICES

- a. Obligations of the State:
 - i. Facilitate and cover the cost of licensing for Endpoint Detection and Response (EDR) software for Participating Entity endpoints. The EDR software will be provided to the Participating Entity directly from the software provider.
 - ii. Provide services, as selected by the Participating Entity, as described in Attachment A.
- b. Obligations of the Participating Entity:
 - i. Participating Entity will be responsible for providing a technical lead with access to deploy the EDR software on end points and sufficient IT staff to facilitate the deployment of this software in their environment.
 - ii. Participating Entity agrees to abide by the EDR software provider's terms and conditions as agreed to between the State and the EDR software provider regarding use of the software and agrees to remain solely responsible for its use and configuration of the EDR software.
 - iii. Participating Entity agrees to maintain and update the EDR software on their systems, including working with the EDR software provider directly to address any issues that arise from the software.
 - iv. Participating Entity agrees that the EDR software will be configured to provide alerts to the JSOC to contribute to the creation and monitoring of a statewide view of cybersecurity threats.
 - v. Participating Entity agrees to provide JSOC a list of contacts and contact information for notification in the event of alerts or other information related to the service. Participating Entity

agrees to provide updates to the list as needed.

- vi. Participating Entity agrees to promptly notify all relevant entities, including but not limited to third-party system owners, of the State's activities and secure all necessary approvals, authorizations, or waivers in a timely fashion. Participating Entity will bear the full responsibility for all costs for obtaining such approvals, authorizations, or waivers, and any liability that results from the failure to secure, necessary approvals, authorizations or waivers, and for any damage to third parties arising out of or related to the products and services provided and/or performed by the State pursuant to this Section 4, including any intentional or negligent act or omission.

5. CONSIDERATION

The State agrees to provide the EDR software to the Participating Entity at no cost in exchange for the Participating Entity's agreement to share the EDR software data with the JSOC to increase the State's visibility of the cyber threat landscape across the various state entities and political subdivisions, which will enhance the State's ability to quickly and more accurately respond to cybersecurity threats.

6. TERM

The initial term of the IA shall be for a period of three (3) years beginning on the effective date and will be automatically renewed for additional twelve (12) month terms based upon approval of funding in the State budget and approval of the New York State Office of the State Comptroller, if applicable. The Parties agree that should funding for this initiative not be appropriated in a State budget, the IA shall terminate with ninety (90) days prior notice required. The effective date of this IA shall be the date of approval of the IA by the New York State Office of the State Comptroller, if applicable, otherwise, this IA shall be effective as of the date of the later signature of this IA.

7. TERMINATION

a. For Convenience

Each Party retains the right to cancel the IA without cause and without penalty, provided that at least ninety (90) calendar days' notice of the Party's intent to cancel is given. This provision should not be understood as waiving a Party's right to terminate the IA for cause or stop work immediately for unsatisfactory work, but is supplementary to that provision.

b. For Cause

For any material breach or failure of performance of the IA by a Party, the other Party may provide written notice of such breach or failure. A Party may terminate the IA if the other Party does not cure such breach or failure within thirty (30) calendar days after the giving of written notice to cure.

No delay or omission to exercise any right, power, or remedy accruing to a Party upon breach or default by the other Party under the IA shall impair any such right, power or remedy, or shall be construed as a waiver of any such breach or default, or any similar breach or default thereafter occurring nor shall any waiver of a single breach or default be deemed a waiver of any subsequent breach or default. All waivers must be in writing.

c. Termination Notice

Notices required by this section shall be delivered to the other Party in writing, pursuant to the Notice provisions of this IA.

d. Data Migration and Destruction

Upon expiration or termination of this IA, the Parties agree to return each respective Party's Confidential Information and Cyber Information within a period of ninety (90) days following expiration or termination, including metadata and attachments, in a mutually agreed upon, commercially standard format. Thereafter, except for data required to be maintained by federal, state, and local laws, rules, regulations, ordinances, policies, standards, or guidelines or this IA, each Party shall destroy the other Parties' Confidential Information and Cyber Information from its systems and wipe all its data storage devices to eliminate any

and all Confidential Information and Cyber Information from its systems. The sanitization process must be in compliance the NYS Security Standard, NYS-S13-003, available at <https://www.its.ny.gov/document/sanitizationsecure-disposal-standard>, and other sanitization and disposal standards where required by JSOC policy or law. If immediate purging of all data storage components is not possible by a Recipient, that Recipient will certify that any Confidential Information or Cyber Information remaining in any storage component will be safeguarded to prevent unauthorized disclosures until such purging is possible. The non-purging Recipient must then certify to the other Parties, in writing, that it has complied with the provisions of this paragraph including providing any supporting documentation as required.

The confidentiality obligations in this Section 11 do not apply to the extent that the Party receiving the Confidential Information or Cyber Information can demonstrate or establish by written evidence that: (1) the Confidential Information or Cyber Information became part of the public domain other than through actions that constitute a breach of this IA or fault on the part of Recipient; (2) the Confidential Information or Cyber Information was lawfully obtained by Recipient from a source other than the Disclosing Party free of any obligation to keep it confidential; (3) Recipient developed such information independently of and without reference to any Confidential Information or Cyber Information of the Disclosing Party (Recipient shall bear the burden of proving such independent development); (4) the Disclosing Party expressly authorized disclosure of the Confidential Information or Cyber Information; (5) the Confidential Information or Cyber Information is required to be disclosed pursuant to law, regulation, judicial or administrative order, or request by a governmental or other entity authorized by law to make such request; provided, however, that Recipient shall comply with Section 11(b)(iii)(3) (Disclosure if Legally Compelled) below; (6) the Disclosing Party, in its sole discretion, agrees that the Confidential Information or Cyber Information has been anonymized to remove personal identifying information or information not otherwise disclosable under existing law; or (7) it is a third party as described in Section 10 above for which sharing Confidential Information or Cyber Information is necessary to provide JSOC services. Recipient will bear the burden of proving any of the foregoing conditions exist.

 - iii. Disclosure if Legally Compelled
 - 1. Notwithstanding anything herein, in the event that a Party receives notice that it has, will, or may become compelled, pursuant to applicable law, regulation, or legal process to disclose any Confidential Information or Cyber Information (whether by receipt of oral questions, interrogatories, requests for Confidential Information or Cyber Information or documents in legal proceedings, Freedom of Information Law ("FOIL") requests, subpoenas, civil investigative demands, other similar processes, or otherwise), that Party shall, except to the extent prohibited by law, within two (2) business days of receipt of such notice, notify the other Party, orally and in writing, of the pending or threatened compulsion. In performing their obligations and exchanging information under this IA the Parties are acting in their common interests, each Party will maintain and support the attorney-client and work product privilege if asserted by the other Party.
 - 2. To the extent permitted by law, the Parties will coordinate and cooperate with each other in advance of any disclosure, in order to undertake any lawfully permissible steps to reduce and/or minimize the extent of Confidential Information or Cyber Information that must be disclosed.
 - 3. To the extent permitted by law, the Parties will have the right to seek an appropriate protective order or other remedy reducing and/or minimizing the extent of Confidential Information or Cyber Information that must be disclosed.

4. Upon determination that Confidential Information or Cyber Information must be disclosed pursuant to this section, the Party receiving the request and its third-party representatives shall disclose only such Confidential Information or Cyber Information that they are legally required to disclose in order to comply with such applicable law or regulation or legal process (as may be affected by any protective order or other remedy obtained by a Party). No waiver by any Party of any breach of any term of this IA shall constitute a waiver of any subsequent breach or breaches of such term.

22. ENFORCEABILITY/SECTION HEADINGS

All Participating Entities will be provisioned with access to and training for the EDR software vendor's portal allowing the Participating Entity to perform monitoring, analysis, quarantine and containment, and other cyber hygiene functions as provided by the EDR software. In addition, the EDR software provides proactive threat hunting twenty-four hours per day, seven days per week (24x7). The EDR software will also be configured to conduct the first level of triage to identify threats, assign a level of importance or urgency to the threat, and deliver alerts and actionable notification directly to the Participating Entities thru E-mail.

A Participating Entity may choose additional levels of service from the JSOC. These levels of service are either:

1. Off-hours monitoring, and email escalation; or
2. Off-hours monitoring, email escalation, critical escalations, and containment and/or quarantine actions on impacted endpoints flagged for such by the EDR software. By selecting this option, the Participating Entity is granting the JSOC the authority to take action per the critical escalation process defined below.

Please indicate level of JSOC service requested; if neither level of service is desired, enter N/A: _____

Definitions:

Monitoring:

Monitoring is JSOC staff reviewing Critical, High, and other Vendor-escalated alerts received from the EDR software and conducting further analysis on the host endpoint using available tools (e.g., EDR Portal) to further quantify risk and determine if additional actions are required (e.g., escalation, critical escalation, containment and quarantine). The terms 'Critical' and 'High' alerts refer to the vendor's top two levels of automated alert criticality rating. 'Vendor-escalated' alerts refers to instances where the vendor escalates an alert to the JSOC and/or Participating Entity beyond the vendor's automated alert criticality rating (e.g., Critical, High).

Escalations:

Escalation is the process of identifying potential cybersecurity concerns so that appropriate personnel can take action to address them. Escalations will be sent via email when the JSOC Team requires action to be taken by the Participating Entity in order to validate activity on a host or remediate a host. Examples of when an escalation will be sent may include, but would not be limited to:

- Validating questionable admin activity seen on a host
- Validating application usage
- Not having remote access to a host
- Requests for approval to take additional remediation countermeasures

Critical Escalations:

During an investigation, where JSOC containment and quarantine actions are required or action need to be taken by the Participating Entity, the JSOC Team will call the phone numbers provided in the below order of priority. If there is no response from any of the contacts, the JSOC Team will send a Critical Escalation email and continue monitoring but not proceed with any countermeasures that are not approved by the Participating Entity. The JSOC will begin the escalation process within a reasonable amount time from receipt of the critical alert or notification by the EDR software.

The Critical escalation and containment and quarantine functions will be phased in by the JSOC as it reaches operational maturity. Critical escalations may not be available on the Participating Entities' onboarding date. However, the EDR software will provide direct alerting to the Participating Entity irrespective of the JSOC's status.

Containment and Quarantine:

JSOC containment and quarantine includes:

- Containment of hosts identified by the EDR software as a critical risk
- Quarantine or removal of files or artifacts identified by the EDR software as a critical risk
- Recommend recovery actions as needed per incident to address vulnerabilities in infrastructure not managed by the EDR software

Off-Hours: JSOC Off hours support is Saturday and Sunday all day, and 5PM to 8AM Monday - Friday.

Escalation priority Points of Contact: Please provide a list in order of priority of the persons the JSOC should call when notifying the Participating Entity of a Critical Escalation (the Participating Entity does not have to use all the lines below and should add additional lines if necessary):

COUNTY OF OSWEGO

Local Law Number 2 of 2023

A Local Law Allowing Eligible Volunteer Firefighters And Volunteer Ambulance Workers to Receive a Real Property Tax Exemption Under Real Property Tax Law (RPTL) § 466-a

BE IT ENACTED, by the Legislature of the County of Oswego, as follows:

SECTION 1. STATUTORY AUTHORITY.

The New York State Legislature has, heretofore, amended the Real Property Tax Law (RPTL) to authorize municipalities to permit enrolled volunteer firefighters and volunteer ambulance workers to be eligible for a real property tax exemption as is more particularly set forth in RPTL § 466-a which became effective as of December 9, 2022. This local law shall apply to assessment rolls prepared on the basis of a taxable status date of March 1, 2024 and thereafter.

SECTION 2. LEGISLATIVE INTENT AND PURPOSE.

RPTL § 466-a, inter alia, allows for volunteers with five (5) years of qualifying service to apply for a tax exemption which will increase the number of eligible volunteers over existing law. The Legislature recognizes the role of the volunteer firefighters and ambulance workers in securing the safety and well-being of our communities. The Legislature hereby finds that it is in the best social and economic interests of the County of Oswego to encourage volunteerism for said purposes. To that end, by providing the following exemption, and by making it available to a larger pool of volunteers, it is the intent to encourage volunteers to join the various fire and ambulance companies within Oswego County.

SECTION 3. EXEMPTION GRANTED.

- A. Real property owned by an enrolled member of an incorporated volunteer fire company, fire department or incorporated voluntary ambulance service or such enrolled member and spouse residing in the County of Oswego shall be exempt from taxation to the extent ten percent (10%) of the assessed value of such property for County purposes, exclusive of special assessments.

- B. Application for such exemption shall be filed with the appropriate city, town or village assessor of the assessing unit having jurisdiction of the real property on or before the taxable status date on a form prescribed by the Commissioner of the New York State Department of Taxation and Finance Office of Real Property Tax Services.
- C. Such exemption shall not be granted to an enrolled member of an incorporated volunteer fire company, fire department or incorporated voluntary ambulance service residing within the County of Oswego unless:
1. The applicant resides in the city, town or village which is served by such incorporated volunteer fire company or fire department or incorporated voluntary ambulance service which has a service area within the County of Oswego;
 2. The property is the primary residence of the applicant;
 3. The property is used exclusively for residential purposes; provided however, that in the event any portion of such property is not used exclusively for the applicant's residence but is used for other purposes, such portion shall be subject to taxation and the remaining portion only shall be entitled to the exemption provided by this section;
 4. The applicant has served as an enrolled member with such volunteer fire company or volunteer fire department or incorporated voluntary ambulance service for a minimum of five (5) years; and
 5. The incorporated volunteer fire company or fire department and incorporated voluntary ambulance service has submitted to the Office of the Oswego County Fire Coordinator a complete list of enrolled members, with their respective dates of service for such incorporated voluntary fire company or fire department or incorporated voluntary ambulance service. The Oswego County Fire Coordinator shall then review all potential candidates and certify those that meet the necessary criteria to be eligible for this exemption. In the event that the Oswego County Fire Coordinator is eligible for and seeks an exemption as a volunteer firefighter, it shall be reviewed and certified by the Oswego County Treasurer. The Office of Fire Coordinator

must maintain written guidelines, available upon request, as to the minimum requirements necessary for the exemption to be granted consistent with law.

6. Any qualified applicant seeking the exemption provided for hereunder shall also file an annual application with their local assessing unit assessor, on a form prescribed by the New York State Board of Equalization and Assessment. The application must be filed on or before the taxable status date.
 7. The Office of Fire Coordinator must annually file with each local assessor not later than January 31st of each year, prior to the March 1st taxable status date, a list of the active volunteer members who are certified as eligible to meet the minimum service requirement. Such list must provide, as of the date of filing, the number of years of service served by each such enrolled member and such enrolled member's address of residence. The Office of Real Property Tax Services shall provide the Office of Fire Coordinator advice and assistance as may be necessary to complete the filings with the local assessing units and to develop written guidelines for the exemption.
- D. Any enrolled member of an incorporated volunteer fire company, volunteer fire department or incorporated voluntary ambulance service who accrues more than twenty (20) years of active service and is so certified by the authority having jurisdiction for the incorporated volunteer fire company, fire department or incorporated voluntary ambulance service, shall be granted the ten (10) percent exemption as authorized by RPTL § 466-a for the remainder of his or her life as long as his or her primary residence is located within the County of Oswego.
- E. **Un-remarried spouses of volunteer firefighters or volunteer ambulance workers killed in the line of duty:** An exemption by an enrolled member of an incorporated volunteer fire company, fire department, or incorporated voluntary ambulance service, to such deceased enrolled member's un-remarried spouse may be continued or re-instated if such member is killed in the line of duty; provided, however, that:

1. Such un-remarried spouse is certified by the authority having jurisdiction for the incorporated volunteer fire company, fire department or incorporated voluntary ambulance service as an un-remarried spouse of an enrolled member of such incorporated volunteer fire company, fire department or incorporated voluntary ambulance service who was killed in the line of duty; and
2. Such deceased volunteer had been an enrolled member for at least five years; and
3. Such deceased volunteer had been receiving the exemption prior to his or her death.

F. Un-remarried spouses of deceased volunteer firefighters or volunteer ambulance workers: An exemption by an enrolled member of an incorporated volunteer fire company, fire department, or incorporated voluntary ambulance service may be continued or re-instated to such deceased enrolled member's un-remarried spouse; provided, however, that:

1. Such un-remarried spouse is certified by the authority having jurisdiction for the incorporated volunteer fire company, fire department or incorporated voluntary ambulance service as an un-remarried spouse of a deceased enrolled member of such incorporated volunteer fire company, fire department or incorporated voluntary ambulance service; and
2. Such deceased volunteer had been an enrolled member for at least twenty years; and
3. Such deceased volunteer and un-remarried spouse had been receiving the exemption for such property prior to the death of such volunteer.

SECTION 4. EXISTING EXEMPTIONS PRESERVED.

No applicant who is a volunteer firefighter or volunteer ambulance worker who by reason of such status is receiving any benefit under the provisions of New York Real Property Tax Law Article 4 as of the date of adoption of this Local Law shall suffer any diminution of such benefit because of the provisions of RPTL § 466-a.

SECTION 5. SEVERABILITY.

If any clause, sentence, paragraph, subdivision, section or part of this chapter or application thereof to any person, individual, corporation, firm, partnership or entity shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such determination shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this chapter or its application to the person, individual, corporation, firm, partnership or entity directly involved in the proceeding in which such adjudication shall have been rendered.

SECTION 6. EFFECTIVE DATE.

This Local Law shall take effect immediately upon filing with the Office of the Secretary of State of the State of New York and shall apply to assessment rolls prepared on the basis of a taxable status date of March 1, 2024 and thereafter.

As a member of the NYPD, I steadily was promoted within the Department taking on more responsibility in order to better serve the residents of New York City. From enforcing the law and supervising a sexual assault task force; to training members of the Department in new rules, regulations, equipment, and initiatives to keep the public safe, my priority was to work with all stakeholders to make the city safe. Upon promotion to Police Captain, I became a member of the executive staff and was the point person responsible for conducting internal investigations into police misconduct, corruption, use of police force (including police involved shootings), vehicle pursuits and other areas of concern for the agency such as bias crimes. I was trained and supervised investigations into homicides, asset forfeiture and organized crime. In organized crime I oversaw the case development and execution of nearly one thousand search warrants and wiretaps.

**RESOLUTION AUTHORIZING THE RECLASSIFICATION OF ONE POSITION

By Legislator David Holst:

WIHEREAS, in order to better reflect the duties and responsibilities required of the personnel who assist the Public Defender in leading staff and operations within the Public Defender's Office; and

INFORMATIONAL MEMORANDUM

- Subject:** Request for authorization to modify the Public Defender's Department budget to reclassify one Assistant Public Defender position (Grade 60), Management Personnel Compensation Plan, to Public Defender Social Worker Specialist position (Salary Grade 40), OCPA Union.
- Purpose:** Public Defender Office is a newly established office. In order for it to fulfill its mission, it is critical that a social worker be retained to address client's mental health, drug addiction and other needs. These issues are critical in representing clients before the courts and also aiding them in avoiding issues that drive them to crime in the future. The addition of a social worker will help the Public Defender's Office meet its goal of offering client's adequate representation before the courts.
- Summary:** The opportunity exists to better serve clients that are represented by the Public Defender's office in that many, if not most, have some mental health disorder or an underlying drug addiction that caused the person to commit crime. Addressing these issues should reduce the likelihood of the individual client re-offending.
- Recommendation:** To authorize the proposed modification of the Public Defender's budget to reclassify one Assistant Public Defender to a Public Defender Social Worker Specialist.
- Fiscal Impact:** There will be no fiscal impact as the proposed pay for the social worker is less than what has been budgeted for the Assistant Public Defender position that will be eliminated.

**RESOLUTION AUTHORIZING THE RECLASSIFICATION OF ONE POSITION
IN THE DISTRICT ATTORNEY'S OFFICE**

By Legislator Marc Greco:

WHEREAS a review of workload, staffing, and succession planning needs has been conducted; and

WHEREAS, the District Attorney has identified the need to better reflect the duties of the personnel who perform key administrative responsibilities of the Department to continue to ensure the delivery of efficient and effective services.

NOW, upon recommendation of the Public Safety Committee with approval of the Finance and Personnel Committee of this body, be it

RESOLVED, that position 116524704, Typist, Grade 3, County of Oswego Office Personnel Unit (COOP), be reclassified to a Senior Typist, Grade 5, in the same COOP Bargaining Unit, and be it further

RESOLVED, that certified copies of this resolution delivered to the County Treasurer, Budget Officer, and Director of Human Resources shall be their authority to make such changes.

INFORMATIONAL MEMORANDUM

Subject: Request for authorization to reclassify the Typist position (COOP Grade 3) to Senior Typist (COOP Grade 5) within the District Attorney's Office.

Purpose: Due to the re-evaluation of departmental staffing, this proposed change will allow the department to function efficiently and effectively while maintaining and providing continued succession planning opportunities within the department.

Summary: With the continued progression of administrative duties, the opportunity exists to restructure operations. The individual in this position will continue to perform functions associated with the current Typist position while also taking on more complex duties that are associated with the position of Senior Typist. This promotion will help retain a valuable employee and is consistent with ensuring the continuation of the professional and efficient operations of the department.

Recommended Action To authorize the proposed reclassification of a Typist (position 116524704, COOP Grade 3) to a Senior Typist (COOP Grade 5) within the District Attorney's Office.

Fiscal Impact: This reclassification will have a minimal budgetary impact, as the employee currently makes \$16.03/hr as a Typist and will earn \$17.45/hr as a Senior Typist. This would result in an annual salary increase of approximately \$2,585.00.

The reclassification will have no impact on the 2023 budget as a Paralegal position at the office has been vacant throughout most of this year and was recently reclassified as a Senior Typist. That reclassification resulted in a significant recurring salary reduction / savings that exceeds the cost associated with this request.

RESOLUTION OPPOSING S6282 ELIMINATING PROBATION FEES

By Legislator Marc Greco:

WHEREAS, proposed New York State Senate bill S6282, which repeals/amends Section 257-C of the Executive Law, if adopted, will have a detrimental financial impact on county probation departments across the state; and

WHEREAS, under Section 257-C counties and the City of New York may adopt a local law requiring an administrative fee be paid by individuals sentenced to a period of probation upon conviction of any crime under Article 31 of the vehicle and traffic law; and

WHEREAS, such fee is paid to the local probation department that has the responsibility of supervising, monitoring, screening and testing the probationer, placing some of the cost of these activities on the offender, rather than making law abiding taxpayers responsible for the entire cost; and

WHEREAS, the proposed legislation repeals section 257-C of the Executive Law and prohibits any county or city from requiring any fees from convicted offenders sentenced to probation; and

WHEREAS, the proposed legislation removes financial responsibility for their own rehabilitation services from convicted offenders and places it unjustifiably on the backs of law abiding taxpayers; and

WHEREAS, county probation departments provide services that play a critical role in protecting community safety, rehabilitating offenders and reducing recidivism, and must be adequately funded to fulfill their mission; now, therefore, be it

RESOLVED, the Oswego County Legislature calls upon the Governor and New York State Legislature to reject S6282; and be it further

RESOLVED, that certified copies of this Resolution be sent by the Clerk of the Legislature to Governor Kathy Hochul, Senate Majority Leader Andrea Stewart-Cousins, Assembly Speaker Carl Heastie, Assembly Minority Leader Will Barclay, State Senators Mark Walczyk and John Mannion, and the New York State Association of Counties.

INFORMATIONAL MEMORANDUM

TO: Oswego County Board of Legislators

DATE: April 17, 2023

SUBJECT: Office furniture for DSS

SUMMARY: DSS worked with Syracuse Office Environments (under state contract) to maximize the use of two management offices. With a limited number of small conference rooms, we seek to outfit the offices with furnishings that provide for both individual desk space and a small group meeting. Presently both offices have basic cubicle equipment that is not designed for long hours at a computer nor able to easily accommodate a small group gathering. Both offices have decades-old equipment that does not maximize the private office space of two different management positions. The Director of Services office will have seating for up to five for the many small group meetings she facilitates, as well as ergonomic design for personal workspace. Federal / State funding will reimburse 62% of the total cost of \$7,081 leaving a local share cost of \$2,690.

The Executive Assistant to the Commissioner's Office will be redesigned for more efficient use of space and provides seating for meetings, as well as ergonomic design of individual desk space. Federal / State funding will reimburse 75% of the total cost of \$3,736 leaving a local share cost of \$934.

This is budget neutral.

**RECOMMENDED
ACTION:**

The Department of Social Services recommends the Human Services Committee; the Finance & Personnel Committee and the Oswego County Legislature approve the budget modification to move forward with the purchasing of this office equipment.

INFORMATIONAL MEMORANDUM

TO: Oswego County Board of Legislators

DATE: April 17, 2023

SUBJECT: Create One Part Time Case Worker Aide Position for Children's Services

SUMMARY: DSS hired a part time Case Worker Aide to fill a full-time position slot. The Case Worker Aid (CWA) provides transportation of children, youth and parents / caregivers for critical appointments. The CWA supervises visits between children / youth placed in foster care and/or relative placements and their parents / siblings. The CWA also provides support to caseworkers covering essential casework tasks and activities.

DSS seeks to build capacity by creating a part-time position for the current CWA and open up the full-time position to be filled as soon as possible. There is a need for transport of children and youth by workers skilled in managing behaviors caused by trauma. DSS does not have the capacity to cover all transportation needed within the ever-increasing need presented by clients engaged in child welfare services.

This is budget neutral. The position is for 20 hours per week at an annual wage cost of \$18,148. OCDSS receives 62% state reimbursement with a local share of \$6,897 for the position.

**RECOMMENDED
ACTION:**

The Department of Social Services recommends the Human Services Committee; the Finance & Personnel Committee and the Oswego County Legislature approve the budget modification and create one part time case work aid position.

DSS needs to add one (1) part-time Caseworker Aide to our staff to assist with transportation of clients and their families to appointments, court appearances, and visitations as they relate to our service plan for their case. We need to add this position to relieve the burden of transportation from the Caseworkers, who often have to transport due to the ever-growing demand. We currently have a part-time Caseworker Aide in a full-time line. Adding this position would allow for that to continue.

INFORMATIONAL MEMORANDUM

TO: Oswego County Board of Legislators

DATE: April 17, 2023

SUBJECT: Create One Part Time and Three Full Time Temporary Typist Positions

SUMMARY: Since 2020 DSS has planned to remove large rolling rack file storage system from the 1st floor of the DSS Mexico office floor plan. DSS received an estimate from Syracuse Office Environments to purchase new cubicles for Medicaid where DSS receives 100% federal / state funding for equipment costs. The old Medicaid unit will then be repurposed to house the Fraud unit. Presently, the Fraud unit is on the second floor due to not having enough space to join their division on the first floor. This also fees space on the second floor in the Adult and Family Services division for Sobriety Treatment and Recovery Teams cubicles – which will house 11 positions already in the DSS budget. As well, the equipment is already purchased for this new program. Time is of the essence.

Unfortunately, the rolling racks are yet to be emptied over the last 18 months due to barriers encountered in scanning the files. There are approximately 12,000 closed cases (6,090 inches) and 6,100 active open cases (4,165 inches) currently stored on the rolling racks. With over 10,200 inches of documents – it would take about 50 file cabinets. The only answer to taking down the rolling racks is to hasten the scanning of these child support files.

DSS seeks to hire temporary typists to scan child support files over the next few months. With 3.5 typists, DSS is confident that files can be scanned within 6 months dependent on being able to hire these positions.

This is budget neutral. If all four positions are filled, the cost for six month tenure at DSS is \$51,058. OCDSS receives up to 72% state reimbursement with a local share of \$14,297 for the positions. Once the scanning project is complete, the positions will be removed from the DSS budget.

RECOMMENDED ACTION: The Department of Social Services recommends the Human Services Committee; the Finance & Personnel Committee and the Oswego County Legislature approve creation of these four new temporary positions.

POSITION REQUEST/DELETE BUDGET FORM

DIVISION/UNIT (NUMBER): 6010

A. NEW POSITION REQUEST

1. Position Title Requested: Typist (f/t temporary x3; p/t temporary x1)

2. Bargaining Unit: ☒ CO-OP ☐ Highway ☐ Silver Star ☐ Deputies ☐ OCPA ☐ Mgmt.

3. a. Bargaining Unit – Hourly Rate from Grade plan: \$16.03 Grade: 3

b. Management or OCPA – Salary Requested: _____ Grade: _____

4. Percent of Federal and or State Reimbursement: 72% Fringe Reimbursed: ☒ Yes ☐ No

5. Justification of Need (Use additional sheets as necessary):

The Department has begun a project to digitize all Child Support records in an effort to remove floor to ceiling rolling file racks and clear much-needed floor space for staff. That project will require scanning over 18,000 case files into the document repository. Given the vacancies that have continued in Child Support over the past several months, we need all existing man-power to remain focused on current program work. The addition of these three temporary staff will allow for uninterrupted scanning and a more timely completion of the project.

INFORMATIONAL MEMORANDUM

TO: Oswego County Board of Legislators

DATE: April 17, 2023

SUBJECT: Increase Amount for Catholic Charities Transportation Program

SUMMARY: Now more than ever OCDSS relies on the Catholic Charities drivers to transport children, youth and parents to and from supervised visitation, counseling appointments, court appearances, and other critical services.

Currently this contract provides \$309,690. OCDSS seeks to increase this contract by \$28,216 or a 9% increase, the first in three years. This provides for an increase in drivers' wages and the leasing of two vehicles.

OCDSS will receive 62% state reimbursement for this contract. Of the \$28,216 increase, the local share will be \$10,722. Given the current vacancies, this will be budget neutral for 2023. The additional local share will be added into the Protective Preventive Contracts (PPCON) line in the 2024 budget.

**RECOMMENDED
ACTION:**

The Department of Social Services recommends the Human Services Committee; the Finance & Personnel Committee and the Oswego County Legislature approve the increase for this contract.

{28,216}

ADDENDUM

by and between
Oswego County, with offices at 46 East Bridge Street, Oswego, New York 13126, hereinafter

effective on May 1, 2023. This addendum is valid throughout the full length of contractual
service delivery.

Catholic Charities Oswego County Transportation Program

In accordance with Oswego County Department of Social Services (OCDSS), the Contractor is
managing and responding to transportation requests by OCDSS for non-emergency Child and
Family Services trips for those clients receiving child welfare services. Trips for foster children /
youth and their parent(s) / primary caregivers enrolled in Family Time, a supervised visitation
program, are prioritized. The drivers also receive assignments from dispatcher under contract
with OCDSS.

OCDSS will provide the vendor an additional \$28,216 to lease two vehicles for use by the three
part time and two full time drivers, as well as covering increased costs of administering the
program and wage increase for the drivers.

INFORMATIONAL MEMORANDUM

Subject: Reclassify Account Clerk to Senior Account Clerk for Oswego County Department of Social Services Division of Employment & Training

Purpose: To maintain efficient operations within the Employment & Training team with the Department of Social Services, supporting the work of the Senior Accountant to maintain financial integrity for the integration of NYSDOL, NYS OTDA, NYESS, and other local funding streams to support E&T mandatory and non-mandatory programs and services.

Summary: DSS Division of Employment & Training is in need of experienced support for the Senior Accountant for the division's fiscal processing, tracking, and monitoring of federal, state, and local grant funding. The complexity of the integration of multiple funding streams within E&T and the correlation with the DSS budget requires in-depth understanding of the relationship between the finances of the division. The entry-level nature of the current skills for an Account Clerk fail to align with the demands of E&T's Federal and State mandated fiscal and program regulations. Failure to maintain detailed, accurate and complete financial records could result in the loss of Federal or State funding.

The Department respectfully requests the reclassification of the Account Clerk to a Senior Account Clerk. The increase in cost for this upgrade is \$3,149 annually. **This position holds 18% local share. Local share for the increase is \$567 annually.**

Recommended Action: The Department of Social Services recommends the Health and Human Services Committee, the Finance & Personnel Committee and the Oswego County Legislature authorize the Department of Social Services, Division of Employment and Training to accept the reclassified position request.

SUMMARY: DSS Services staff have been working additional hours and, in some instances, overtime to meet the demand of higher caseloads due to unfilled vacancies. DSS projects the need through the end of the 2023 year; to allow for mandated state training and productivity from the new employees. Services wages are reimbursed at 62% State, and 38% Local. The local portion for this budget modification is being moved from underspent salaries and wages. This will be budget neutral.

**INFORMATIONAL MEMORANDUM**

Subject: To establish Capital Project #0623 Shad Slade Field Station Upgrades

Summary: The Oswego County Health Department's (OCHD) Shad Slade Field Station is in the Three Mile Bay Wildlife Management Area. This area, along the north side of Oneida Lake, is in the town of West Monroe. It was established in 1978 and has been a vital part of OCHD's vector surveillance program. Initially established to support surveillance and specimen collection for the Eastern Equine Encephalitis Virus (EEEV) it has also become a focal point of research and training. The field station is utilized by the New York State Department of Health and regional county health partners for these purposes. In addition, the program has expanded to include other vector-borne pathogens such as West Nile Virus (WNV), and tick-borne pathogens such as Lyme Disease. The program's evolution has seen an increase in staff on-site as well as the amount of time spent on-site. The 'season' now begins earlier in the spring and runs deeper into the fall.

The on-set of COVID-19 in 2020 forced cancellation of routine maintenance and planned upgrades to the facility. A new water system featuring an up-to-code drilled well to provide potable water is necessary. The current dug well is not capable of producing water of sufficient quantity or quality. The water contains E. coli and is considered non-potable and is not ideal for cleaning laboratory equipment or surfaces. The workspace inside the field station is at a premium. To maintain safe and proper distancing, the work area has expanded into areas with less-than-optimal lighting and ventilation. Upgrades should increase energy efficiency. Some minor improvements to the building are also included in this project. Estimated cost breakdown:

1) Mop sink plumbing and faucet repairs	\$ 1,014
2) Chemical storage unit	\$ 1,482
3) Vent covers	\$ 126
4) Luan and flooring	\$ 12,600
5) New well & seal current well	\$ 16,200
6) New exterior and interior lighting	\$ 1,320

The Department is requesting \$32,742 from the Unappropriated Fund Balance to complete the upgrades.

Recommended

Action: The Department recommends the Health Committee; the Finance & Personnel Committee and the Oswego County Legislature authorize establishment and transfer of funds to Capital Project #0623.

RE: MSGP Stormwater Pollution Prevention Plan (SWPPP) Updates

DATE: April 25, 2023

The State Pollutant Discharge Elimination System (SPDES) Multi-Sector General Permit for Stormwater Discharges Associated with Industrial Activity (MSGP) (GP-0-17-004) that your facility currently has coverage under expired on February 28, 2023. The New York State Department of Environmental Conservation (the Department) has issued a new version of the MSGP (GP-0-23-001), which became effective on March 8, 2023, and will expire on February 28, 2028. This new permit replaces the previous MSGP (GP-0-17-004) and will authorize both new and existing discharges of stormwater to surface waters of the State from industrial activities as defined in 40 CFR Part 122.26(b)(14)(i-ix and xi).

This affects all sites. Bristol Hill landfill and transfer station, The ERF, and the Pulaski transfer station currently have a SWPPP, Oswego and Hannibal currently are certified as "no exposure". Upon reviewing the paperwork and the sites, we are going to re inspect for "no exposure" criteria. This inspection will determine if the certification needs to be changed at Oswego, Hannibal and if they will require a SWPPP. The attached proposal takes into account the updating, re inspections and appropriate documentation to get all the sites updated.

Re: Proposal for Engineering Services – MSGP Stormwater Pollution Prevention Plan Updates

File: P701.2139

Dear Mr. Lutestanski:

Barton & Loguidice, D.P.C. (B&L) is pleased to present this proposal for engineering services to assist with updates to the Industrial Stormwater Pollution Prevention Plan (SWPPP) for the Oswego County Bristol Hill Landfill and Transfer Station as outlined below. Each regulated facility's SWPPP is required to be updated to conform to the new SPDES MSGP (GP-0-23-001) that became effective on March 8, 2023. All entities which currently have coverage under the MSGP for stormwater discharges are required to do the following:

1. File a Notice of Intent (NOI) to obtain coverage under the 2023 MSGP within ninety (90) calendar days from the date this permit becomes effective. That date works out to June 6, 2023.
2. Update the facility's Stormwater Pollution Prevention Plan (SWPPP) to comply with MSGP 0-23-001.
3. Facilities with effective coverage on February 28, 2023, under the 2017 MSGP (GP-0-17-004), are eligible for continued coverage under this permit (GP-0-23-001) on an interim basis for up to one-hundred twenty (120) calendar days from the effective date of the permit. That date works out to July 6, 2023.

The Owner or Operator must perform the following in order to maintain coverage under the new MSGP:

- a. Update and implement the facility's SWPPP to comply with the requirements of the new permit by June 6, 2023 and,
- b. Submit a complete Department approved electronic Notice of Intent (NOI) by June 6, 2023 -- but not before updating the SWPPP. The NOI must be e-filed with DEC.

Phase 1 – Bristol Hill Landfill/Transfer Station, Pulaski Transfer Station, and Energy Recovery Facility

The Bristol Hill Landfill/Transfer Station, Pulaski Transfer Station, and Energy Recovery Facility have existing SWPPPs which were prepared in compliance with the current MSGP and will require updates as described above. Site visits will not be conducted for these facilities, as they were completed during the prior SWPPP development process and the sites and operations are assumed to not have changed substantially since that time.

Task 1.1 – Draft SWPPP

A Draft SWPPP will be updated for each site that includes:

- General and sector specific updates in accordance with the reissued MSGP 0-23-001;
- “Pollution Prevention Team” listing individuals responsible for implementation;
- Description of facility activities and general location map;
- General location and site plan mapping;
- Identification of receiving waters;
- Summary of potential pollutant sources;
- Description of stormwater controls utilized at the facility;
- Evaluation of a preventative maintenance program;
- Inventory of spill prevention and response procedures, including material handling, storage, secondary containment, and equipment requirements to minimize spills and leaks;
- Employee training programs;
- Good housekeeping procedures;
- Inspection, Non-Stormwater Evaluation, sampling and reporting requirements;
- Schedules and Procedures;
- Signatory Requirements;
- **New Permit Requirements including:**
 - Compliance with the Climate Leadership and Community Protection Act (CLCPA);
 - Electronic Reporting Requirements;
 - Changes to monitoring and discharge reporting requirements;
 - Sector Specific requirements;
 - Updated pollutants of concern and impaired waterbody monitoring requirements.

B&L will prepare a Draft SWPPP, including all appendices and the NOI, and send a Draft Plan electronically for review and comment. The SWPPP will meet the general requirements of the reissued MSGP 0-23-001, along with the Sector specific requirements applicable to the facilities.

Task 1.2 – Final SWPPP

B&L will incorporate the comments provided into the Final SWPPP and NOI. One round of comments will be included in the Final revised plan. The SWPPP and all attachments will be provided electronically. B&L will also complete the eNOI submittal based on the Final SWPPP.

Assumptions

- The scope of services does not include compliance tasks associated with implementation of the SWPPPs (inspections, sampling, DMRs, etc.).
- No hard copies of the draft or final SWPPPs will be provided.
- Additional engineering assistance required to provide corrective action assistance to potential compliance issues that may be identified will be proposed under a separate agreement.
- The County will coordinate the signature of the Owner Certification Form by an authorized party prior to eNOI submittal.
- The scope of services does not include the Owner or Operator's permitting fees.
- Assumes 2 hours of staff time per site to update site plans.
- SWPPP development does not include a site visit to evaluate existing site conditions.
- SWPPP updates will be based on programmatic regulatory changes associated with the new MSGP, and site specific information provided by the County.

Phase 2 – Hannibal and Oswego Transfer Stations

The Hannibal and Oswego Transfer Station facilities had previously been certified as “no exposure” facilities for the purposes of the MSGP and therefore do not have pre-existing SWPPPs. Per our conversations with the County, it has been determined that the sites should be re-inspected for “no exposure” criteria. For the purposes of this proposal, it has been assumed that the site inspections will result in a determination that these facilities will require a SWPPP and the cost to do so is included herein. If it is determined that the a “no exposure” certification is appropriate, the work will be concluded after Phase 2.1 and the County will not be invoiced for the remaining tasks under this phase.

Task 2.1 – Site Visits

Qualified personnel from B&L will join County personnel for a visit to each of the two sites, to be conducted in one day. The site will be inspected for stormwater exposure to industrial activity and to document the information for development of the items included below, if required.

Task 2.2 – Draft SWPPP

A Draft SWPPP will be developed for the site that includes:

- General and sector specific requirements in accordance with the reissued MSGP 0-23-001;
- “Pollution Prevention Team” listing individuals responsible for implementation;
- Description of facility activities and general location map;
- General location and site plan mapping;
- Identification of receiving waters;
- Summary of potential pollutant sources;
- Description of stormwater controls utilized at the facility;
- Evaluation of a preventative maintenance program;
- Inventory of spill prevention and response procedures, including material handling, storage, secondary containment, and equipment requirements to minimize spills and leaks;
- Employee training programs;
- Good housekeeping procedures;

- Inspection, Non-Stormwater Evaluation, sampling and reporting requirements;
- Schedules and Procedures;
- Signatory Requirements;
- **New Permit Requirements including:**
 - Compliance with the Climate Leadership and Community Protection Act (CLCPA);
 - Electronic Reporting Requirements;
 - Changes to monitoring and discharge reporting requirements;
 - Sector Specific requirements;
 - Updated pollutants of concern and impaired waterbody monitoring requirements.

B&L will prepare a Draft SWPPP, including all appendices and the NOI, and send a Draft Plan electronically for review and comment. The SWPPP will meet the general requirements of the reissued MSGP 0-23-001, along with the Sector specific requirements applicable to the facilities.

Task 2.2 – Final SWPPP

B&L will incorporate the comments provided into the Final SWPPP and NOI. One round of comments will be included in the Final revised plan. The SWPPP and all attachments will be provided electronically. B&L will also complete the eNOI submittal based on the Final SWPPP.

Assumptions

- The scope of services does not include compliance tasks associated with implementation of the SWPPPs (inspections, sampling, DMRs, etc.).
- No hard copies of the draft or final SWPPPs will be provided.
- Additional engineering assistance required to provide corrective action assistance to potential compliance issues that may be identified will be proposed under a separate agreement.
- The County will coordinate the signature of the Owner Certification Form by an authorized party prior to eNOI submittal.
- The scope of services does not include the Owner or Operator's permitting fees.
- Assumes 8 hours of staff time per site to develop site plans.

Fee and Schedule

B&L proposes to provide the general engineering services outlined above on a lump-sum basis as outlined below. The draft Plans can be prepared within three weeks of receipt of authorization to proceed or from completion of the site visit. B&L can finalize the plan within one week of review and receipt of comments from the County. Invoices will be sent on a monthly basis.

H. Unless otherwise included under this Agreement, the parties acknowledge that Consultant's scope of services does not include any services related to a Hazardous Environmental Condition (the presence of asbestos, PCBs, petroleum, hazardous substances or waste, and radioactive materials). Owner represents to Consultant that, to the best of its knowledge, a Hazardous Environmental Condition does not exist at the Site, except as expressly disclosed to the Consultant in writing. If Consultant or any other party encounters a Hazardous Environmental Condition, Consultant may, at its option and without liability for consequential or any other damages, suspend performance of services on the portion of the Project affected thereby until Owner: (i) retains appropriate specialist consultants or contractors to identify and, as appropriate, abate, remediate, or remove the Hazardous Environmental Condition; and (ii) warrants that the Site is in full compliance with applicable Laws and Regulations.

I. The services to be provided by Consultant under this Agreement DO NOT INCLUDE advice or recommendations with respect to the issuance, structure, timing, terms or any other aspect of municipal securities, municipal derivatives, guaranteed investment contracts or investment strategies. Any opinions, advice, information or recommendations provided by Consultant are understood by the parties to this Agreement to be strictly engineering or other technical opinions, advice, information or recommendations. Consultant is not a "municipal advisor" as defined by 15 U.S.C. 78n-4 or the related rules of the Securities and Exchange Commission. The other parties to this Agreement should determine independently whether they require the services of a municipal advisor.

J. The Consultant shall not be required to execute certificates, guarantees, warranties or make representations that would, in its professional judgment, require knowledge, services or responsibilities beyond the scope of this Agreement.

K. When transmitting items in electronic media or digital format, the transmitting party makes no representations as to long term compatibility, usability, or readability of the items resulting from the recipient's use of software application packages, operating systems, or computer hardware differing from those used in the drafting or transmittal of the items, or from those established in applicable transmittal protocols.

L. To the fullest extent permitted by law, Owner and Consultant (1) waive against each other, and the other's employee's, officers, directors, agents, insurers, partners, and consultants, any and all claims for or entitlement to special, incidental, indirect, or consequential damages arising out of, resulting from, or in any way related to the Project, and (2) agree that Consultant's total liability to Owner under this Agreement shall be limited to \$100,000 or the total amount of compensation received by Consultant pursuant to the PROPOSAL, whichever is greater, (the "Limitation Amount"), and further, in no event shall the Limitation Amount exceed the amount of liability insurance proceeds actually available to the Consultant for the claim at issue at the time of settlement or final judgment net of any and all expenses paid or incurred on the claim at issue, payments made or incurred in connection with other claims made against the Consultant, or any other circumstances which may reduce, impair, or eliminate the overall availability of such insurance to the Consultant. It is intended that these limitations apply to any and all liability or cause of action.

3.0 Payment for Services

Consultant will prepare a monthly invoice in accordance with Consultant's standard invoicing practices and submit the invoice to Owner. Invoices are due and payable within 30 days of the date of the invoice. Consultant may, without liability, after giving seven days written notice to Owner, suspend services under this Agreement until Consultant has been paid in full all amounts due for services, expenses, and other related charges.

4.0 Additional Services

Additional services may be required in Consultant's professional judgement because of changes in the Project, or unforeseen circumstances. The Consultant shall furnish services in addition to those set forth in the PROPOSAL, if mutually agreed by Owner and Consultant. Owner shall pay Consultant for any Additional Services provided as follows: (1) as may be mutually agreed to in writing, or (2) in the absence of a mutual agreement an amount equal to the cumulative hours charged to the Project by each member or each class of Consultant's employees engaged in providing the Additional Services times the Consultant's hourly billing rates for each applicable billing class in effect at the time the Additional Services are performed; plus reimbursable expenses and charges for Consultant's Subconsultants, if any.

5.0 Dispute Resolution

Owner and Consultant agree to negotiate all disputes between them in good faith for a period of 30 days from the date of notice by either party of the existence of the dispute. If a dispute involves matters other than a claim by Consultant for payment of fees and the parties fail to resolve the dispute through negotiation then Owner and Consultant agree that they shall first submit any and all such unsettled claims, counterclaims, disputes, and other matters in question between them arising out of or relating to this Agreement or the breach thereof ("Disputes") to mediation by a mutually acceptable mediator. Owner and Consultant agree to participate in the mediation process in good faith and to share the cost of the mediation equally. The process shall be conducted on a confidential basis, and shall be completed within 150 days of the date of notice by either party of the existence of the dispute. If such mediation is unsuccessful in resolving a Dispute, then (1) the parties may mutually agree to an alternative dispute resolution of their choice, or (2) either party may seek to have the Dispute resolved by a court of competent jurisdiction.

6.0 Accrual of Claims

All causes of action between the parties to this Agreement including those pertaining to acts, failures to act, or failures to perform in accordance with the obligations of the Agreement or failures to perform in accordance with the standard of care shall be deemed to have accrued and the applicable statutes of limitations shall commence to run not later than either the date of Substantial Completion for acts, failures to act or failures to perform occurring prior to Substantial Completion, or the date of issuance of the Notice of Acceptability of Work (or similar notice of the final completion of the Project) for acts, failures to act or failures to perform occurring after Substantial Completion.

7.0 Controlling Law

This Agreement is to be governed by the law of the state in which the project is located.

8.0 Successors, Assigns, and Beneficiaries

Owner and Consultant each is hereby bound and the partners, successors, executors, administrators, and legal representatives of Owner and Consultant (and to the extent permitted herein the assigns of Owner and Consultant) are hereby bound to the other party to this Agreement and to the partners, successors, executors, administrators, and legal representatives (and said assigns) of such other party, in respect of all covenants, agreements, and obligations of this Agreement. Neither Owner nor Consultant may assign, sublet, or transfer any rights under or interest (including, but without limitation, moneys that are due or may become due) in this Agreement without the written consent of the other, except to the extent that any assignment, subletting, or transfer is mandated or restricted by law. Unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under this Agreement. This provision shall not preclude Consultant from retaining Subconsultants as it deems reasonably necessary for the completion of the services rendered hereunder.

9.0 Termination

If Consultant's services related to the project are terminated for any reason, Consultant shall be compensated for time plus reasonable expenses associated with demobilizing personnel and equipment, and, if requested in writing by the Owner, for completion of tasks whose value would otherwise be lost, to prepare notes as to the status of completed and uncompleted tasks, and to assemble Project materials in orderly files.

10.0 Total Agreement/Severability

This Agreement, including any expressly incorporated Exhibits, constitutes the entire Agreement between Owner and Consultant and supersedes all prior written or oral understandings. This Agreement may only be amended, supplemented, modified, or canceled by a duly executed written instrument. If any term or condition of this Agreement shall, to any extent, be found invalid, void or unenforceable, the remaining provisions shall remain in full force and effect to the extent allowed by applicable law.

INFORMATIONAL MEMORANDUM

Subject: Request for authorization to reclassify one part-time position within the Human Resources Department.

Purpose: Due to a re-evaluation of departmental staffing and ever increasing demands on departmental personnel to provide new employee orientations, attend job fair opportunities, and to process applications for exam announcements and job recruitments, this proposed change will allow the department to function efficiently and effectively while maintaining and providing continued succession planning opportunities within the department.

Summary: With the continued progression of changes to Oswego County employment turnover and job recruitments, the opportunity exists to restructure operations. The change from a part-time employee to a full-time employee will provide the department with a staff member who will assist the Human Resources Administrator in performing key responsibilities of exam and recruitment services, while maintaining a high level of specialized clerical support of the civil service and human resources function of the department.

Recommended Action: To authorize the proposed reclassification of the part-time Human Resources Technician position, Grade 9, in the County of Oswego Office Personnel Bargaining Unit, to a full-time Senior Human Resources Assistant, Grade 7, within the Human Resources Department.

Fiscal Impact: There will be no fiscal impact.

Justification for PT HR Tech to FT Sr. HR Assistant

Increase in recruitments/apps: 2019 total apps: 1792, 2022 total apps: 2534, 2023 total as of 3/29: 1029 (this puts us on track for 3000+ in 2023). We have definitely seen an uptick in apps since waiving the exam fee.

Increase in job fair attendance: The last few years we have averaged 6 job fairs/mock interview days per year. This year we have attended or are scheduled to attend 10 and that is only through May, it is likely that we will triple our normal number. Job fairs take up more than just the time we are in attendance. We always prepare materials before hand to ensure we have the most updated ads/announcements. Generally we like to have two employees available at each job fair. When the PT person attends, that usually amounts to an entire day they are out of the office and unable to do other work.

Need for cross training: Currently only one employee is trained to manage eligible lists. It would be advantageous to best serve our departments to have another staff member able to perform those duties going forward. With lists becoming depleted so quickly, managing the lists has become more time consuming and, overall, eligible list management has become more complex.

Succession planning: For our Civil Service staff (4 FT (includes front desk Typist) and 1 PT) we expect 2 retirements over the next 1-3 years. Our PT position will be vacant at the end of April. This only leaves 2 current staff members, the most senior of which has 5 years in the department. The part time position has been vacated 4 times over the last 5 years. It's very difficult to find someone who wants to work PT and on weekends. Training for this position is difficult as exams only occur every other weekend or so, it really takes a full year to become proficient given the various types of exams we hold. With another full-time person, we hope to bridge the knowledge gaps that will come from the retirements as well as retain someone in the position for future succession planning.

Staffing around orientation/exam flex days/job fairs, etc.: Currently the part-time position is limited to 20 hours and must flex time for Saturday exams. This could amount to upwards of 8 hours per Saturday. They are also responsible for conducting orientation which takes up a full PT day. This leads to very irregular in-office work time and we are in need of more assistance for in office tasks (reviewing apps, inputting RPCs, payroll certification, etc.).

Other: There are other aspects of work on the Civil Service end that may not fall directly on this reclassified position, but do increase the workload for others so it would be helpful to have another full-time person to assist with duties within their scope. High numbers of provisional employees creates extra work both for list management and for tracking for the HR Specialist (sending letters, following up when LFD is approaching, etc.). The huge number of recruitments also leads to more "no-thank you letters" that need to be sent (this could be something the Sr. HR Asst. could help with). We also have a much more involved process for recruitments and exams than we use to so the posting and distributing of each ad is more time consuming. We may have other upcoming projects centered on recruitment (videos?) that will be time consuming and either the Sr. HR Assistant may help with this project, or less complex work can be shifted from the employees involved to give them time to devote to other projects.

PERSONNEL POLICY MANUAL

SECTION 3 - General Personnel

POLICY NUMBER 3.20

SUBJECT: Sexual Harassment

EFFECTIVE: September 13, 2018
Revised 9/10/2020, 10/13/2022, 5/11/23

Introduction

Oswego County is committed to maintaining a workplace free from sexual harassment. Sexual harassment is a form of workplace discrimination that subjects an employee to inferior conditions of employment due to their gender, gender identity, gender expression (perceived or actual), and/or sexual orientation. Oswego County has a zero-tolerance policy for any form of sexual harassment, and all employees are required to work in a manner that prevents sexual harassment in the workplace. This Policy is one component of Oswego County's commitment to a discrimination-free work environment.

Formatted: Font: (Default) Times New Roman, 12 pt

Sexual harassment is against the law.¹ All employees have a legal right to a workplace free from sexual harassment, and employees can enforce this right by filing a complaint internally with Oswego County, or with a government agency or in court under federal, state or local antidiscrimination laws.

Policy:

1. Oswego County's Policy applies to all employees, applicants for employment, interns, whether paid or unpaid, contractors and persons conducting business with Oswego County.

2. Sexual harassment will not be tolerated. Any employee or individual covered by this policy who engages in sexual harassment or retaliation will be subject to remedial and/or disciplinary action, up to and including termination. In New York, harassment does not need to be severe or pervasive to be illegal. Employees and covered individuals should not feel discouraged from reporting harassment because they do not believe it is bad enough, or conversely because they do not want to see a colleague fired over less severe behavior. Potential discipline for engaging in sexual harassment will depend on the degree of harassment and might include education and counseling.

Formatted: Font: (Default) Times New Roman, 12 pt

3. Retaliation Prohibition: No person covered by this Policy shall be subject to adverse employment action including being discharged, disciplined, discriminated against, or otherwise subject to adverse employment action because the employee reports an incident of sexual harassment, provides information, or otherwise assists in any investigation of a sexual harassment complaint. Oswego County has a zero-tolerance policy for such retaliation against anyone who, in good faith complains or provides information about suspected sexual harassment. Any employee of Oswego County who retaliates against anyone involved in a sexual harassment investigation will be subjected to disciplinary action, up to and including termination. Any employee, paid or unpaid intern, or non-employee working in the workplace

¹ While this policy specifically addresses sexual harassment, harassment because of and discrimination against persons of all protected classes is prohibited. In New York State, such classes include age, race, creed, color, national origin, sexual orientation, military status, sex, disability, marital status, domestic violence victim status, gender identity or expression, familial status, predisposing genetic characteristics, and criminal history.

who believes they have been subject to such retaliation should inform a supervisor, manager, or the Director of Human Resources. Any employee, paid or unpaid intern or non-employee² who believes they have been a victim of such retaliation may also seek compensation in other available forums, as explained below in the section on Legal Protections.

4. Sexual harassment is offensive, is a violation of our policies, is unlawful, and subjects Oswego County to liability for harm to victims of sexual harassment. Harassers may also be individually subject to liability and employers or supervisors who fail to report or act on harassment may be liable for aiding and abetting such behavior. Employees of every level who engage in sexual harassment, including managers and supervisors who engage in sexual harassment or who knowingly allow such behavior to continue, will be penalized for such misconduct.

Formatted: Font: (Default) Times New Roman, 12 pt

5. Oswego County will conduct a prompt, thorough and confidential investigation that ensures due process for all parties, whenever management receives a complaint about sexual harassment, or otherwise knows of possible sexual harassment occurring. Oswego County will keep the investigation confidential to the extent possible. Effective corrective action will be taken whenever sexual harassment is found to have occurred. Oswego County will also take steps to ensure a safe work environment for the employee(s) who experienced the discrimination or harassment. All employees, including managers and supervisors, are required to cooperate with any internal investigation of sexual harassment.

6. All employees are encouraged to report any harassment or behaviors that violate this policy. Oswego County will provide all employees a complaint form for employees to report harassment and file complaints. For anyone who would rather make a complaint verbally, or by email, these complaints will be treated with equal priority. An employee or covered individual who prefers not to report harassment to their manager or employer may instead report harassment to the New York State Division of Human Rights and/or the United States Equal Employment Opportunity Commission. Complaints may be made to both the employer and a government agency.

7. Managers and supervisors are **required** to report any complaint that they receive, or any harassment that they observe or become aware of, to the Director of Human Resources.

8. This policy applies to all employees, paid or unpaid interns, and non-employees and all must follow and uphold this policy. This policy must be posted prominently in all work locations and be provided to employees upon hiring. The policy shall also be provided upon request and also available on the County's website.

What is "Sexual Harassment"?

Sexual harassment is a form of sexgender-based discrimination and is unlawful under federal, state, and (where applicable) local law. Sexual harassment includes harassment on the basis of sex, sexual orientation, self-identified or perceived sex, gender expression, gender identity and the status of being transgender. Sexual harassment is not limited to sexual contact, touching, or expressions of a sexually suggestive nature. Sexual harassment includes all forms of gender

Formatted: Font: (Default) Times New Roman, 12 pt

² A non-employee is someone who is (or is employed by) a contractor, subcontractor, vendor, consultant, or anyone providing services in the workplace. Protected non-employees include persons commonly referred to as independent contractors, "gig" workers and temporary workers. Also included are persons providing equipment repair, cleaning services or any other services provided pursuant to a contract with the employee.

discrimination including gender role stereotyping and treating employees differently because of their gender.

Understanding gender diversity is essential to recognizing sexual harassment because discrimination based on sex stereotypes, gender expression and perceived identity are all forms of sexual harassment. The gender spectrum is nuanced, but the three most common ways people identify are cisgender, transgender, and non-binary. A cisgender person is someone whose gender aligns with the sex they were assigned at birth. Generally, this gender will align with the binary of male or female. A transgender person is someone whose gender is different than the sex they were assigned at birth. A non-binary person does not identify exclusively as a man or a woman. They might identify as both, somewhere in between, or completely outside the gender binary. Some may identify as transgender, but not all do. Respecting an individual's gender identity is a necessary first step in establishing a safe workplace.

Sexual harassment is unlawful when it subjects an individual to inferior terms, conditions, or privileges of employment. Harassment need not be severe or pervasive to be unlawful, and can be any harassing conduct that consists of more than petty slights or trivial inconveniences. Every instance of harassment is unique to those experiencing it, and there is no single boundary between petty slights and harassing behavior. However, the Human Rights Law specifies that whether harassing conduct is considered petty or trivial is to be viewed from the standpoint of a reasonable victim of discrimination with the same protected characteristics. Generally, any behavior in which an employee or covered individual is treated worse because of their gender (perceived or actual), sexual orientation, or gender expression is considered a violation of Oswego County's policy. The intent of the behavior, for example, making a joke, does not neutralize a harassment claim. Not intending to harass is not a defense. The impact of the behavior on a person is what counts. Sexual harassment includes any unwelcome conduct which is either of a sexual nature, or which is directed at an individual because of that individual's sex gender identity or expression (perceived or actual) when:

- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment, even if the complaining individual is not the intended target of the sexual harassment;
- Such conduct is made either explicitly or implicitly a term or condition of employment; or
- Submission to or rejection of such conduct is used as the basis for employment decisions affecting an individual's employment.

A sexually harassing hostile work environment consists of words, signs, jokes, pranks, intimidation or physical violence which are of a sexual nature, or which are directed at an individual because of that individual's sex, gender identity, or gender expression. Sexual harassment also consists of any unwanted verbal or physical advances, sexually explicit derogatory statements or sexually discriminatory remarks made by someone which are offensive or objectionable to the recipient, which cause the recipient discomfort or humiliation, which interfere with the recipient's job performance.

Sexual harassment also occurs when a person in authority tries to trade job benefits for sexual favors. This can include hiring, promotion, continued employment or any other terms, conditions or privileges of employment. This is also called "quid pro quo" harassment.

Any employee or covered individual who feels harassed is encouraged to report the behavior ~~should complain~~ so that any violation of this policy can be corrected promptly. Any harassing conduct, even a single incident, can be addressed under this policy.

Examples of sexual harassment

The following describes some of the types of acts that may be unlawful sexual harassment and that are strictly prohibited. This list is just a sample of behaviors and should not be considered exhaustive. Any employee who believes they have experienced sexual harassment, even if it does not appear on this list, should feel encouraged to report it.

- Physical assaults of a sexual nature, such as:

- Touching, pinching, patting, kissing, hugging, grabbing, brushing against another employee's body or poking another employee's body;
- Rape, sexual battery, molestation or attempts to commit these assaults, which may be considered criminal conduct outside the scope of this policy (please contact local law enforcement if you wish to pursue criminal charges).

- Unwanted sexual advances or propositions, such as:

- Requests for sexual favors accompanied by implied or overt threats concerning the victim's job performance evaluation, a promotion or other job benefits or detriments;

- Sexually oriented gestures, noises, remarks or jokes, or questions and comments about a person's sexuality or sexual experience, or romantic history which create a hostile work environment. This is not limited to interactions in person. Remarks made over virtual platforms and in messaging apps when employees are working remotely can create a similarly hostile work environment.

- Sex stereotyping; sex stereotyping occurs when conduct or personality traits are considered inappropriate simply because they may not conform to other people's ideas or perceptions about how individuals of a particular sex should act or look.

- Remarks regarding an employee's gender expression, such as wearing a garment typically associated with a different gender identity; or
- Asking employees to take on traditionally gendered roles, such as asking a woman to serve meeting refreshments when it is not part of, or appropriate to, her job duties.

- Sexual or discriminatory displays or publications anywhere in the workplace, such as:

- Displaying pictures, posters, calendars, graffiti, objects, promotional material, reading materials or other materials that are sexually demeaning or pornographic. This includes such sexual displays on workplace computers or cell phones and sharing such displays while in the workplace.
- This also extends to the virtual or remote workspace and can include having such materials visible in the background of one's home during a virtual meeting.

- Hostile actions taken against an individual because of that individual's sex, sexual orientation, gender identity, or gender expression, and the status of being-transgender, such as:

- Interfering with, destroying or damaging a person's workstation, tools or equipment, or

- otherwise interfering with the individual's ability to perform the job;
- Sabotaging an individual's work;
- Bullying, yelling, name-calling.
- Intentional misuse of an individual's preferred pronouns; or
- Creating different expectations for individuals based on their perceived identities:
 - Dress codes that place more emphasis on women's attire;
 - Leaving parents/caregivers out of meetings.

Who can be a target of sexual harassment?

Sexual harassment can occur between any individuals, regardless of their sex or gender. Harassment does not have to be between members of the opposite sex or gender. New York Law protects employees, paid or unpaid interns, and non-employees, including independent contractors, and those employed by companies contracting to provide services in the workplace. Harassers can be anyone in the workplace. A perpetrator of sexual harassment can be a superior, a subordinate, a coworker or anyone in the workplace including an independent contractor, contract worker, vendor, client, customer, patient, constituent, or visitor.

Formatted: Font: (Default) Times New Roman, 12 pt

Sexual harassment does not happen in a vacuum and discrimination experienced by an employee can be impacted by biases and identities beyond an individual's gender. For example:

- Placing different demands or expectations on black women employees than white women employees can be both racial and gender discrimination;
- An individual's immigration status may lead to perceptions of vulnerability and increased concerns around illegal retaliation for reporting sexual harassment; or
- Past experiences as a survivor of domestic or sexual violence may lead an individual to feel re-traumatized by someone's behaviors in the workplace.

Individuals bring personal history with them to the workplace that might impact how they interact with certain behavior. It is especially important for all employees to be aware of how words or actions might impact someone with a different experience than their own in the interest of creating a safe and equitable workplace.

Where can sexual harassment occur?

Unlawful sexual harassment is not limited to the physical workplace itself. It can occur while employees are traveling for business or at employer sponsored events or parties. Calls, texts, emails, and social media usage by employees or covered individuals can constitute unlawful workplace harassment, even if they occur away from the workplace premises, on personal devices or not during work hours.

Sexual harassment can occur when employees are working remotely from home as well. Any behaviors outlined above that leave an employee feeling uncomfortable, humiliated, or unable to meet their job requirements constitute harassment even if the employee or covered individual is at home when the harassment occurs. Harassment can happen on virtual meeting platforms, in messaging apps, and after working hours between personal cell phones.

What is "Retaliation"?

Unlawful retaliation can be any action by an employer or supervisor that would keep a worker from coming forward to make or support a sexual harassment claim, or that punishes those who have come forward. Adverse action need not be job-related or occur in the workplace to constitute unlawful retaliation (e.g. threats of physical violence outside of work hours) or disparaging someone on social media would be covered as retaliation under this policy.

Formatted: Font: (Default) Times New Roman, 12 pt

Examples of retaliation may include, but are not limited to:

- Demotion, termination, denying accommodations, reduced hours, or the assignment of less desirable shifts;
- Publicly releasing personnel files;
- Refusing to provide a reference or providing an unwarranted negative reference;
- Labeling an employee as "difficult" and excluding them from projects to avoid "drama";
- Undermining an individual's immigration status; or
- Reducing work responsibilities, passing over for a promotion, or moving an individual's desk to a less desirable office location.

Such retaliation is unlawful under federal, state, and where applicable, local law. The New York State Human Rights Law protects any individual who has engaged in "protected activity."

Protected activity occurs when a person has:

- filed a complaint of sexual harassment, either internally or with any anti-discrimination agency;
- testified or assisted in a proceeding involving sexual harassment under the Human Rights Law or other anti-discrimination law;
- opposed sexual harassment by making a verbal or informal complaint to management, or by simply informing a supervisor or manager of suspected harassment;
- complained or reported that another employee has been sexually harassed; or
- encouraged a fellow employee to report harassment.

Even if the alleged harassment does not turn out to rise to a violation of law, the individual is protected from retaliation if the person had a good faith belief that the practices were unlawful. However, the retaliation provision is not intended to protect persons making intentionally false charges of harassment. Making intentionally false claims or charges of harassment may subject an employee to disciplinary charges.

Reporting Sexual Harassment

Preventing sexual harassment is everyone's responsibility. Everyone must work toward preventing sexual harassment, but leadership matters. Supervisors and managers have a special responsibility to make sure employees feel safe at work and that workplaces are free from harassment and discrimination. Oswego County cannot prevent or remedy sexual harassment unless it knows about it. Any employee, paid or unpaid intern or non-employee who has been subjected to behavior that may constitute sexual harassment is encouraged to report such behavior to a supervisor, manager or the Director of Human Resources. Anyone who witnesses or becomes aware of potential instances of sexual harassment should report such behavior to a supervisor, manager or the Director of Human Resources.

Formatted: Font: (Default) Times New Roman, 12 pt, Not Bold

Formatted: Font: (Default) Times New Roman, 12 pt

Reports of sexual harassment may be made verbally or in writing. A form for submission of a written complaint is attached to this Policy, and all employees are encouraged to use this complaint form, but the complaint form is not required.

Employees who are reporting sexual harassment on behalf of other employees should use the complaint form and note that it is on another employee's behalf. A verbal or otherwise written complaint (such as an email) on behalf of oneself or another employee is also acceptable.

Formatted: Font: (Default) Times New Roman, 12 pt

Employees, paid or unpaid interns or non-employees who believe they have been a victim of sexual harassment may also seek assistance in other available forums, as explained below in the section on Legal Protections.

Supervisory Responsibilities

Supervisors and managers have a responsibility to prevent sexual harassment and discrimination. All supervisors and managers who receive a complaint or information about suspected sexual harassment, observe what may be sexually harassing behavior or for any reason suspect that sexual harassment is occurring, are required to report such suspected sexual harassment to the Director of Human Resources. Managers and supervisors should not be passive and wait for an employee to make a claim of harassment. If they observe such behavior, they must act.

Formatted: Font: (Default) Times New Roman, 12 pt

Formatted: Normal, Don't adjust space between Latin and Asian text, Don't adjust space between Asian text and numbers.

Formatted: Font: (Default) Times New Roman, 12 pt

In addition to being subject to discipline if they engaged in sexually harassing conduct themselves, supervisors and managers will be subject to discipline for failing to report suspected sexual harassment or otherwise knowingly allowing sexual harassment to continue.

Supervisors and managers will also be subject to discipline for engaging in any retaliation.

While supervisors and managers have a responsibility to report harassment and discrimination, supervisors and managers must be mindful of the impact that harassment and a subsequent investigation has on victims. Being identified as a possible victim of harassment and questioned about harassment and discrimination can be intimidating, uncomfortable and re-traumatizing for individuals. Supervisors and managers must accommodate the needs of individuals who have experienced harassment to ensure the workplace is safe, supportive, and free from retaliation for them during and after any investigation.

Formatted: Font: (Default) Times New Roman, 12 pt

Bystander Intervention

Any employee witnessing harassment as a bystander is encouraged to report it. A supervisor or manager that is a bystander to harassment is required to report it. There are five standard methods of bystander intervention that can be used when anyone witnesses harassment or discrimination and wants to help.

Formatted: Font: (Default) Times New Roman

Formatted: Font: (Default) Times New Roman, 12 pt

1. A bystander can interrupt the harassment by engaging with the individual being harassed and distracting them from the harassing behavior;
2. A bystander who feels unsafe interrupting on their own can ask a third party to help intervene in the harassment;
3. A bystander can record or take notes on the harassment incident to benefit a future investigation;
4. A bystander might check in with the person who has been harassed after the incident, see how they are feeling and let them know the behavior was not ok; and

5. If a bystander feels safe, they can confront the harassers and name the behavior as inappropriate. When confronting harassment, physically assaulting an individual is never an appropriate response.

Though not exhaustive, and dependent on the circumstances, the guidelines above can serve as a brief guide of how to react when witnessing harassment in the workplace. Any employee witnessing harassment as a bystander is encouraged to report it. A supervisor or manager that is a bystander to harassment is required to report it.

Complaint And Investigation Of Sexual Harassment

All complaints or information about suspected sexual harassment will be investigated, whether that information was reported in verbal or written form. Investigations will be conducted in a timely manner and will be confidential to the extent possible.

An investigation of any complaint, information or knowledge of suspected sexual harassment will be prompt and thorough, commencing and being completed as soon as possible, and no later than 30 days after filing with the Director of Human Resources. The investigation will be confidential to the extent possible. All persons involved, including complainants, witnesses and alleged harassers will be accorded due process to protect their rights to a fair and impartial investigation.

Any employee may be required to cooperate as needed in an investigation of suspected sexual harassment. Employees who file complaints, support each other individual's complaint or participate in any investigation regarding a violation of this policy will not be retaliated against and Oswego County will not tolerate such retaliation.

Oswego County recognizes that participating in a harassment investigation can be uncomfortable and has the potential to retraumatize an employee. Those receiving claims and leading investigations will handle complaints and questions with sensitivity toward those participating.

Formatted: Font: (Default) Times New Roman, 12 pt

Investigations will be done in accordance with the following steps:

- Upon receipt of complaint, Director of Human Resources will conduct an immediate review of the allegations, and take any interim actions, as appropriate. If complaint is oral, encourage the individual to complete the "Complaint Form" in writing. If he, she or they refuse, prepare a Complaint Form based on the oral reporting.
- If documents, emails or phone records are relevant to the allegations, take steps to obtain and preserve them.
- Request and review all relevant documents, including all electronic communications.
- Interview all parties involved, including any relevant witnesses;
- Create a written documentation of the investigation (such as a letter, memo or email), which contains the following:
 - A list of all documents reviewed, along with a detailed summary of relevant documents;
 - A list of names of those interviewed, along with a detailed summary of their statements;
 - A timeline of events;
 - A summary of prior relevant incidents, reported or unreported; and
 - The final resolution of the complaint, together with any corrective actions.
- Keep the written documentation and associated documents in the employer's records.

- Promptly notify the individual who complained and the individual(s) about whom the complaint was made of the final determination and implement any corrective actions identified in the written document.
- Inform the individual who complained of their right to file a complaint or charge externally as outlined below.

Legal Protections and External Remedies

Sexual harassment is not only prohibited by Oswego County but is also prohibited by state, federal, and, where applicable, local law.

Aside from the internal process at Oswego County, employees and covered individuals may also choose to pursue legal remedies with the following governmental entities at any time. While a private attorney is not required to file a complaint with a governmental agency, you may also seek the legal advice of an attorney.

Formatted: Font: (Default) Times New Roman, 12 pt

New York State Division of Human Rights (DHR)

The Human Rights Law (HRL), codified as N.Y. Executive Law, art. 15, § 290 et seq., applies to employers in New York State with regard to sexual harassment in employment, and protects employees, paid or unpaid interns and non-employees regardless of immigration status. A complaint alleging violation of the Human Rights Law may be filed either with DHR or in New York State Supreme Court.

Complaints with DHR may be filed any time within three (3) years of the sexual harassment in employment. If an individual did not file at DHR, they can sue directly in state court under the HRL, within three (3) years of the alleged sexual harassment. An individual may not file with DHR if they have already filed a HRL complaint in state court.

New York employees may now call a confidential hotline at (800) 427-2773 to receive free legal counseling regarding any complaint of workplace sexual harassment or to submit a complaint regarding such harassment. The hotline will operate during regular business hours and will be staffed by a team of *pro bono* attorneys from the New York State Division of Human Rights.

Complaining internally to Oswego County does not extend your time to file with DHR or in court. The three (3) years is counted from date of the most recent incident of sexual harassment in employment.

You do not need an attorney to file a complaint with DHR, and there is no cost to file with DHR.

DHR will investigate your complaint and determine whether there is probable cause to believe that sexual harassment has occurred. Probable cause cases are forwarded to a public hearing before an administrative law judge. If sexual harassment is found after a hearing, DHR has the power to award relief, which varies but may include requiring your employer to take action to stop the harassment, or redress the damage caused, including paying monetary damages, punitive damages, attorney's fees and civil fines.

DHR's main office contact information is: NYS Division of Human Rights, One Fordham Plaza, Fourth Floor, Bronx, New York 10458, (718) 741-8400 or visit: www.dhr.ny.gov.

Contact DHR at (888) 392-3644 or visit dhr.ny.gov/complaint for more information about filing a complaint. The website has a digital complaint process that can be completed on your computer or mobile device from start to finish. The website has a complaint form that can be downloaded, filled out, notarized and mailed to DHR. The website also contains contact information for DHR's regional offices across New York State.

United States Equal Employment Opportunity Commission (EEOC)

The EEOC enforces federal anti-discrimination laws, including Title VII of the 1964 federal Civil Rights Act (codified as 42 U.S.C. § 2000e et seq.). An individual can file a complaint with the EEOC anytime within 300 days from the most recent incident of harassment. There is no cost to file a complaint with the EEOC. The EEOC will investigate the complaint, and determine whether there is reasonable cause to believe that discrimination has occurred. If the EEOC determines that the law may have been violated, the EEOC will try to reach a voluntary settlement with the employer. If the EEOC cannot reach a settlement, the EEOC (or the Department of Justice in certain cases) will decide whether to file a lawsuit. The at which point the EEOC will issue a Right to Sue letter permitting the individual to file a complaint in federal court if the EEOC closes the charge, is unable to determine if federal employment discrimination laws may have been violated, or believes that unlawful discrimination occurred by does not file a lawsuit.

2. By an eligible "irrevocable letter of credit" issued by a qualified bank other than the bank with the deposits in favor of the government for a term not to exceed 90 days with an aggregate value equal to 140% of the aggregate amount of deposits and the agreed upon interest if any. A qualified bank is one whose commercial paper and other unsecured short-term debt obligations are rated in one of the three highest rating categories by at least one nationally recognized statistical rating organization or by a bank that is in compliance with applicable federal minimum risk-based capital requirements.

4. In lieu of, or in addition to the deposit of eligible securities, the officers making a deposit may, in the case of an irrevocable letter of credit issued in favor of the local government by a federal home loan bank whose commercial paper and other unsecured short-term debt obligations are rated in the highest rating category by at least one nationally recognized statistical rating organization, accept such letter of credit payable to such local government as security for the payment of one hundred percent of the aggregate amount of public deposits from such officers and the agreed upon interest, if any.

The agreement shall also provide the conditions under which the securities may be sold, presented for payment, substituted, or released and the events which will enable the local government to exercise its rights in the pledged securities. In the event that the securities are

not registered or inscribed in the name of the County of Oswego, such securities shall be delivered in a form suitable for transfer or with an assignment in blank to Oswego County or its custodial bank.

The custodial agreement shall provide the securities held by the bank or trust company, or agent of and custodian for, the County of Oswego, will be kept separate and apart from the general assets of the custodial bank or trust company, and will not, in any circumstances, be commingled with or become part of the backing for any other deposit or other liabilities. The agreement should also describe that the custodian shall confirm the receipt, substitution, or release of the securities. The agreement shall provide for the frequency of revaluation of eligible securities and for the substitution of securities when a change in the rating of a security may cause ineligibility. Such agreement shall include all provisions necessary to provide the County of Oswego a perfected interest in the securities.

In accordance with New York State General Municipal Law § 10, the County of Oswego authorizes the County Treasurer to deposit funds collateralized through deposit placement programs utilizing reciprocal deposit programs between designated depositories and other banks or authorized institutions. Such funds may be deposited in checking, money market or other special time deposit accounts, as well as in other accounts permitted by General Municipal Law. Participation in a deposit placement program shall be permitted when the following conditions are met:

1. On or after the date the county's funds are received by a designated depository, the designated bank or trust company shall arrange for the redeposit of such funds into deposit accounts in one or more banking institutions and the county's depository bank or trust company shall serve as the custodian for the county with respect to the redeposited funds.
2. The county's funds held in the depository bank or trust company in excess of available FDIC coverage, pending redeposit, must be properly secured and collateralized in accordance with General Municipal Law as if there were no deposit placement program.
3. The full amount of the redeposited funds, plus any accrued interest, shall be covered by the FDIC and the accrued interest paid on any redeposit to the county shall be the same as the interest that is paid by the designated bank or trust company.
4. At the time of the redeposit, the county's depository bank or trust company shall receive an amount from a participating banking institution at least equal to the total amount of the county's funds that are redeposited with said institution.

Such listing shall be evaluated at least annually.

The County Treasurer is authorized to contract for the purchase of investments:

1. Directly, including through a repurchase agreement, from an authorized trading partner when authorized by the County Legislature.

By participation in a cooperative investment program with another authorized governmental entity pursuant to Article 5G of the General Municipal Law where such program meets all the requirements set forth in the Office of the State Comptroller Opinion No. 88-46, and the specific program has been authorized by resolution of the Oswego County Legislature.

Dear Senator Mannion:

The County of Oswego's statutory authority to continue its Home Rule 1% sales tax will expire on November 30, 2023. On behalf of Oswego County, I respectfully request your assistance in the Senate and Assembly to extend our statutory authority and help us continue to provide property tax stability to the people of Oswego County. This is not a request to approve an additional tax, but simply to maintain the current rate.

Sales tax revenue is a vital component of Oswego County's multi-year budgeting plan to maintain its financial health for taxpayers. Sales tax was a key factor in the County achieving its goal of producing a balanced budget that eliminated debt and reliance on fund balance and reserves.

Since its initial adoption, sales tax has been used to lower or minimize Oswego County property taxes. It is not a source of additional funding for new spending. Oswego County manages its finances responsibly by planning for the short and long term. Sales tax revenue is a vital part of this planning and has helped the County stabilize and minimize property tax rates and the levy for the past nineteen years. We've adopted budgets within the New York State tax cap. In 2004, the generic property tax rate was at a high of \$9.20 per thousand dollars of assessed valued. This year the generic tax rate \$6.19.

Oswego County shares its sales tax with its towns and villages and the City of Fulton. In 2022, Oswego County collected \$ \$60,586,875 in sales tax, of which \$12,462,275 was provided to the municipalities. By sharing the sales tax with municipalities, we have helped those municipalities keep their local property taxes in check.

The County's portion of the sales tax is 20.9% of our budget. To put the importance of the 1% extension in perspective, the loss of the statutory authority would result in the immediate loss of \$1.1 million of December sales tax revenue in the adopted 2023 budget, and an estimated \$13.8 million in for the County and municipalities the 2024 budget. **Loss of the 1% extension, by itself, would cause an 23% county property tax increase in 2024.**

If you agree to sponsor our extension request, please provide me with the appropriate bill numbers, and we will begin the formal process of making our Home Rule Request.

If you have any questions or concerns about this request for the sales tax extension, please feel free to contact me.

Thank you for considering this request. I know this is a time of hard choices for State leaders, and I appreciate the work you are doing on behalf of the people of Oswego County.

Sincerely,
