- The Oswego County Procurement Policy is hereby temporarily **SUSPENDED** insofar as it requires funds to be first available and encumbered regarding purchases or contracts let concerning COVID-19 response, prevention and treatment by the Department of Health, Sheriff's Office, Emergency Management Office and the Department of Social Services provided that the purchases and/or contracts are first approved by both the County Administrator and Chair of the Legislature.

AND, I DO HEREBY FIND AND ORDER THE FOLLOWING:

- **ORDERED**, that I find and determine that the COVID-19 pandemic is a “public disaster” as that term is defined by County of Oswego Local Law 2 of 1978 so as to allow the designation of “emergency interim successors” for county offices and departments under said law should same become necessary.

- **ORDERED**, that any “work from home” policy, or amendments thereto, issued during the county state of emergency by the County Administrator and Director of Human Resources shall control over all other county policies and contractual language inconsistent with same and may issue without standing committee or legislative approval to ensure the county workforce remains accountable to the public.

I further find and determine the COVID-19 pandemic is an urgent, imminent or impending threat qualifying as a “disaster” as that term is defined under New York State Executive Law §20(2) and that the public health and safety of the citizens of the County of Oswego is imperiled thereby and that this emergency order is necessary and proper for the

continuation of governmental operations and the provision of essential governmental services by the County of Oswego. This order reinstates, in part, terms that were previously under an emergency order earlier in the year due to the rising COVID-19 positive cases in the county.

This order shall take effect immediately and shall remain in effect until expired or rescinded by me as the Chief Executive of the County of Oswego. This order may also be renewed in five (5) day increments.

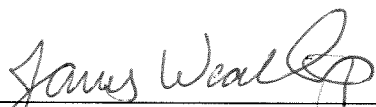

BALANCE OF PAGE INTENTIONALLY BLANK.

Failure to obey this order is a criminal offense, punishable by law under New York State Executive Law §24(5).

I continue to direct that all officers, departments and agencies of the County of Oswego take whatever steps necessary to protect life and property, public infrastructure and provide whatever emergency assistance deemed necessary.

Signed this 2nd day of February, 2021 in the County of Oswego, New York.

IT IS SO ORDERED.
