As Chairman of the County Legislature, I hereby find and determine that the orderly and humane treatment of migrants and asylum seekers is necessary for the public safety, welfare and health of the residents of the County of Oswego and migrants and asylum seekers alike and that the plan of the City of New York and/or other municipalities to bus migrants and asylum seekers to other counties without regard to available resources, community impacts, funding and capacity to humanely care and provide for migrants and asylum seekers necessitates the issuance of this Emergency Order.
