

Public Works Committee Meeting Minutes

June 27, 2014

Attendance: Caroline Zuchowski-Eckel, Robert Ruse, Larry Oberdorf, Ed Ciecka, Tyler Kolb, Robert Williams MSG

1. Paving Plan – MSG supplied a draft report on the paving plan. They are going to revise it according to the committee's comments. They are going to review the roads that are listed in Good and Fair conditions. They are going to get a grand total on the numbers. The committee is going to look at the improved streets that are in poor condition on the east end of town and work their way west and south to pick areas to mill and fill this year. Improvement areas for next year include the colony, possibly Hillview, Hillside, Eagle Point and Marilyn drive.
2. Paving Funding – The committee discussed looking at putting together bond packages for future paving projects.
3. Engineering/construction standards – A draft copy was given to the committee for review.
4. Street Lights – The committee discussed using money from the TIF to match the Developer lights on South Compass Drive. LED lights would be used.
5. Resurfacing of the Parkway was also discussed. Funding would come out of the TIF.
6. Angle Parking – The lot behind city hall is going to be resealed and laid out as a test location for back in angle parking. Citizens can try it and comment on it.
7. The Lime City. Route 65, Colony Road intersection was discussed. Realignment vs. Round About will be reviewed.
