Camp L.I.T.E Program
Leader In Training Education (Ages 13-17 yrs)
San Carlos Parks and Recreation is looking for confident, enthusiastic, and responsible teens to be leaders in training (L.I.T.E.s) at our Summer Adventure Camps. If you enjoy working with children and want to learn valuable job and leadership skills working with our trained day camp leaders, you can apply! This is a great way to fulfill service hours or simply to get work experience. L.I.T.E.s will assist with both the supervision of campers and the daily operation of camp. Applicants must be at least 13 years old by the first day of camp. A mandatory training will be held on Friday, June 16 from 9:00 a.m. – 1:00 p.m.

Fees:
- $25/week – Wee Woods Half Day (8:00 a.m. – 12:30 p.m.)
- $50/week – Wee Woods Full Day (8:30 a.m. – 3:30 p.m.)
- $75/week – Burton and Arguello Full Day (8:30am-3:30pm)

Thursday Camp may start or end earlier depending on field trip.

How to Apply: Applications available online beginning Wednesday, March 1st. Completed applications due by Friday, March 31st. Interviews will be held week of April 3rd and April 10th. For more information and to apply, visit cityofsancarlos.org/camps.
Performing Art Camps

Seussical KIDS Mini Musical (Ages 7-10 years)

Does your child like singing funny songs? SCCT’s Seussical KIDS mini musical gives budding performers a chance to get silly as they sing, dance, and act on stage in a real production! No prior acting experience is needed. Over two weeks, campers audition for roles, rehearse and perform this fantastical musical caper featuring the Cat in the Hat, Horton the Elephant and all your favorite Seuss characters. “Oh the thinks you can think” when you turn a crazy Seuss story into an unforgettable show with colorful costumes and props! Final day features a delightful performance for friends and family.

NEW Musical Theater – Laugh Out Loud (Ages 8-12 years)

Kids will be laughing out loud as they explore the basics of musical theater and comedy. Working with a professional vocal coach, choreographer and director, campers will have a blast as they act out funny skits and sing and dance to songs from whimsical shows like Little Shop of Horrors, Legally Blonde, Hairspray and more. Each day is filled with exciting new experiences that build self-confidence and teach creative thinking. Daily theater games add to the fun and boost camaraderie among campers of all experience levels. Families will be treated to an amusing performance on the final day of camp.

NEW Shakespeare Meets Seussical – Acting Camp (Ages 9-14 years)
Get ready for real laugh-out-loud fun as the Bard’s most beloved comedy gets the full Seuss treatment in the hilarious one act The Seussification of A Midsummer Night’s Dream. Two madcap Narrators chronicle the tale of the mixed-up lovers as they wander through a forest full of whoosh bush tush beasts and fairies dueling with bumballoon swords. Told in rhyming couplets, this reimagining is how Shakespeare’s magical tale might have played if Dr. Seuss had gotten his hands on it. Actors of all experience levels will have a rollicking good time as they stretch their creative muscles and learn a little about Shakespeare and Dr. Seuss while preparing a comical performance for families to be presented on the final day of camp.

Fun Kids’ Yoga and Art (Ages 5-10 years)
Each day your child will experience the benefits of yoga through playful poses, breathing exercises, stories, and games. Campers will also explore drawing, painting, clay, sharpie tie-dye and a variety of materials to create art and crafts projects to bring home and treasure. This camp offers a fun, positive, and supportive environment. Please dress kids accordingly as they get messy. Please bring your own yoga mat or blanket, water bottle, snacks, and a lunch. $10 material fee payable to the instructor on the first day of camp. Questions? Contact the instructor by email at karinsargis@yahoo.com.

Science Camps

Curious Minds Science (Ages 5-12 years)
Experiment with batteries, light bulbs, and voltages as we teach kids about the basics of electric circuits and robotics with our fun science-based electricity games for kids. The highlight of the camp is building a circuit robot. This camp is designed for grades K-5 and whether you are a novice science enthusiast or an experienced scientist, you are sure to learn more and enjoy our fun experiments. Our instructors will provide all experimental equipment and ensure all children are enjoying themselves and learning something new every day. No camp 7/4.

Junior Alchemists: Chemistry for Kids
(Ages 6-12 years)
Want to master the secrets of the universe? Learn how to create a lava lamp from scratch, pass secret messages in invisible ink, and cause a volcanic eruption to rival Pompeii. You’ll perform all these experiments and more, while learning the scientific principles behind them. Junior Alchemists is designed to not only pique an interest in scientific inquiry, but to introduce students to a deeper understanding of its development and application. We allow them to see the basic principles of science in the world around them, while having a ton of fun creating cool projects.

Critter Camp (Ages 5-11 years)
Critter Camp is full of fun animal-based projects, many of which include special animal visitors such as Indigo the peacock and a wide assortment of funky chickens and bunnies. We will explore a variety of different organisms from microbes to more complex animals such as mammals, birds, and reptiles. We will use art, creativity, and curiosity to learn about each special animal. A $40 lab fee is payable to the instructor on the first day of camp.

Adventurous American Animals
(Ages 5–11 years)
This camp is a great way to learn about the special animals who have played an important role in the history of the United States of America. The Bald Eagle, the native American turkey, the wild mustang, and the majestic buffalo are all fantastic icons of the American way of life. There have also been a number of notable animals who were presidential pets including two grizzly bears, a raccoon and some alligators who were kept in a White House bathtub. NEW Slime All the Time (Ages 5–11 years)
Slime is all the rage! We will learn the basics of how to make slime, explore the basic chemical reaction and learn how to make it out of a number of different components. We will experiment with different additives and how to enhance the texture, beauty, and overall quality of our slimes. We will also address storage and maintenance as well as how to get that stuff cleaned up and out of your carpet. Every project will produce a different type of slime. NEW Cryptozoology (Ages 5–11 years)
Do you think we have already discovered everything that exists? No! Did you ever want to find a sasquatch, a unicorn or other mythical creature? There are tons of creatures out there waiting for new young scientists and adventurers to discover. Often called cryptids, these creatures hide in remote forests and deep seas. They may even be hiding in your back yard! Some cryptids have actually been discovered and proven to exist, others, not so much. Learn about how scientists use the scientific method to help prove discoveries and how to identify false science, often called pseudoscience. L.I.T.E. Program (Ages 12-17 years)
Are you a teenager who loves working with kids and really likes science? Then the Science Camp L.I.T.E. program is for you! In your role as a L.I.T.E. leader you will be working with and leading small groups of kids from ages 5-11. You will enjoy our hands on science programs while getting community service hours. To apply to be a L.I.T.E., fill out an application at www.cityofsancarlos.org/camps beginning March 1. Deadline to apply is March 31. Commitment is for two weeks of camp. L.I.T.E. leaders will receive camp t-shirt and/or sweatshirt, daily snacks, a special Friday luncheon and get to do the science projects as well as have fun. Please apply early as space is limited.

Fee: $25/week (8:45 a.m. – 1:15 p.m.)

Introduction to Robotics Workshop  
(Ages 7-10 years)
EASE Education offers a stimulating robotics program for young engineers ranging from 1st to 3rd grade. Utilizing VEX 123, we teach young learners how to use VEX code with Drag & Drop blocks to code the 123 robot. Learners can code the 123 robot using touch to control movements and sounds. They learn sequences, logic and problem solving. Learners progress to using coding Cards and the VEX Coder to control the 123 robot. They learn real programming away from tablets and computers. Material fee of $40 for the 4-day camp and $50 for the 5-day camp is payable to instructor at first day of camp.

Code-A-Thon  
(Ages 5-12 years)
Calling all Silicon Valley geeks for a Tech-Ball where kids learn to design games using scratch and python coding. We start with scratch coding which focuses on making sure children understand the foundational computer programming (coding) concepts such as sequencing, branching, looping, and variables. Completion of this program gives them a very good foundation to start with other programming languages like Python. We give a playful introduction to Python using fun examples and color illustrations. This is a great tool for kids to express their ideas using technology. You are welcome to bring your own laptops, or we can provide one.

**Hollywood Filmmaking (Ages 7-12 years)**

From the writer’s room to the silver screen, we’ll guide you as you turn your idea into an amazing script, and then we’ll help you bring it to life! All students are divided into production teams; together, they’ll brainstorm their ideas, and then collaboratively draft a script with a part for everyone. As students work, we’ll hold group workshops, where we help them with their script formatting, character design, dialogue and more! Then we move onto filming! Students will act out their own scripts, starring in the parts they themselves wrote. They’ll also take turns behind the camera, shooting with iPads. We’ll give guidance to students as they star in, film, and edit their movies with experienced advice on special effects and green-screen editing, shot composition and panning, lighting and sound effects. Each movie will be shown at the end of the class and a copy with a custom poster sent home.

**Circus**

**888 Monkeys Circus Camp (Ages 8-15 years)**

Try out the trapeze or simply clown around at 888 Monkeys Circus Camp. Learn circus skills such as Silks, Stilts, Unicycle, Juggling, Rolla Bolla, Acrobatics and Diablo. The week culminates with a camp performance where kids can show off their newly learned skills. Bring a lunch, snack and water each day. Wear comfortable clothes for movement (we go upside down!), closed-toed shoes, and leave your jewelry at home! An additional waiver must be signed prior to camper’s participation in all camp activities. For more info, visit www.888monkeys.org.

Baseball

T-Sports Baseball Camp (Ages 5-12 years)

T-SPORTS baseball camp is a fantastic summer program dedicated to teaching kids about the game that we all love. We focus little on the results of players or games, but instead on the process of playing the game. Drills, scrimmages, and fun baseball-related games happen daily. We care about the baseball related futures of campers, but more importantly, concentrate on the positive experience that playing baseball can bring to a player including the following: Teamwork, Building Confidence, Discipline, Developing New Skills, Building New Friendships. We focus on the building blocks of Hitting, Fielding, Pitching, and Running with small groups according to skill level. As the week progresses, drills become more and more technical while players become more advanced. Campers should bring lunch, bat, glove, water bottle, snack, and sunscreen. If you have additional questions or want to schedule a quick call to ensure T-SPORTS is the right camp for you, please email z@tsports.club

UK International Soccer Camp
(Ages 5–14 years)

UK International Soccer Camp is a program which combines education with fun! Established in 1990, our success and reputation are built upon the quality of our AYSO Certified coaches from Great Britain & Europe. Coaches are positive role models & leaders who are committed to developing campers skills. Curriculum is age-appropriate and implemented in a safe, player friendly environment. All children receive a free t-shirt and evaluation. Participants must have shin guards, water bottle, lunch (if full day), and sunscreen each day.

World Cup Soccer Camps: Classic Skills
(Ages 7–9 years)

World Cup Soccer Camps: Classic Skills is for players of all levels ages 7 to 9. Our coaches evaluate the campers on the first day of camp and group them according to their age and skill level. The Classic Skills Camp dedicates the morning session to working on basic skills and soccer concepts, and the afternoon to teamwork and games. We create game situations that will allow campers to improve their skills while having a lot of fun. Our coaches are well trained and will provide a camp that is fun and challenging at every level of play. To ensure proper training our coach to player ratio is 1 to 12 or less. All fees include a World Cup Soccer Camp T-shirt, a player’s evaluation, and a camp memento.

World Cup Soccer Camps: Development Academy (Ages 10–13 years)
This camp is designed to develop players of ages 10 to 13. Most campers at our Development Academy have been playing soccer for 2-3 years or more. The camp format dedicates the morning session to technique training and developing skills that will help players perform at the next level. We emphasize games, strategies, and tactical understanding of match situations in the afternoon. Our coaches are well trained and will provide a camp that is fun and challenging at every level of play. Coaches will monitor progress and provide all players an evaluation report at the end of camp. To ensure proper training our coach to player ratio is 1 to 12 or less. All fees include a World Cup Soccer Camp T-shirt, a player’s evaluation, and a camp memento.
