Croswell-Lexington Community Schools
Counties of Sanilac and St. Clair
State of Michigan
School Improvement Bonding Proposal

Shall Croswell-Lexington Community Schools, Counties of Sanilac and St. Clair, State of Michigan, borrow the sum of not to exceed Thirty-Seven Million One Hundred Thousand Dollars (\$37,100,000) and issue its general obligation unlimited tax bonds therefor, in one or more series, for the purpose of paying the cost of the following projects:

Erecting, demolishing, remodeling, furnishing and refurbishing, equipping and re-equipping school buildings, structures, playgrounds, or other facilities, or parts of or additions to those school buildings or other facilities; acquiring and installing technology equipment and technology infrastructure in school buildings and other facilities; preparing, equipping, developing and improving sites for school buildings, including playgrounds, play fields and other facilities; and purchasing school buses, including the following projects:

- Erecting, completing, remodeling, furnishing and equipping safety and security improvements to school buildings, facilities and sites;
- Erecting, completing, remodeling, furnishing and equipping school building infrastructure and roofing upgrades;
- Erecting, completing, remodeling and equipping mechanical and HVAC improvements and upgrades to school buildings and facilities; and
- Preparing, developing and improving school sites, including playgrounds, play fields, parking lot and traffic flow upgrades and improvements.

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2026, is 1.20 mills (\$1.20 on each estimated \$1,000 of taxable valuation), for a no mill increase over the prior year levy. The maximum number of years the bonds in any one series may be outstanding, exclusive of any refunding, is twenty-six (26) years. The estimated simple average millage anticipated to be required to retire this bond debt is 1.99 mills (\$1.99 on each \$1,000 of taxable valuation).

If approved by the voters, the bonds will be guaranteed by the State under the School Bond Qualification and Loan Program (the "Program"). The School District currently has \$3,430,000 of qualified bonds outstanding and \$0 of qualified loans outstanding under the Program. The School District does not expect to borrow from the Program to pay debt service on these bonds. The estimated computed millage rate required to be levied to pay the proposed bonds may change in the future based on changes in certain circumstances.

Pursuant to State law, expenditure of bond proceeds must be audited, and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.
