

Shasta Mosquito & Vector Control District staff strives to engage and educate the public through a variety of venues. We would like to take this opportunity to extend this service to your group.

**Classroom Presentations
or Field Trips**

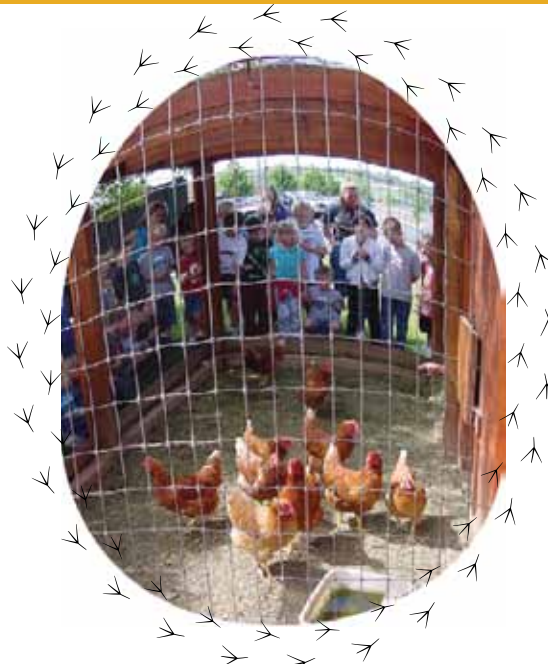

Topics include:

- mosquito life cycle
- careers in science/biology
- vector borne disease
- pond ecosystems
- scientific methods
- mosquitoes and vectors

District staff can tailor each presentation to individual grades and classes.

Great for students of all ages K-12

We have speakers for a range of events:

- Local Business Groups
- Service Clubs
- Civic Groups
- Classrooms
- Field Trips
- Career Days

District facilities can accomodate groups of up to fifty, rain or shine. See the day to day operations of a working mosquito and vector district, from our entomology lab to specialty equipment and more.
