## North Beach Ribbon Cutting Ceremony

On July 14, local and state officials, along with community business leaders participated in a ribbon cutting ceremony to celebrate the nine capital improvement projects that were started in 2016. The ceremony featured a tour by trolley of the North Shore Drive Project, Monroe Boulevard/Indian Grove Lift Station Project, Wastewater Treatment Plant Project, Black River Park Skid Pier Project, Bicycle Pump Track Project, Black River Park Development, Black River Park Pedestrian Bridge, Phase 4 of the Kalamazoo Street Reconstruction Project, and concluded with a ribbon cutting to mark the completion of the North Beach Park Improvement Project.

"This was five years in the making in terms of engineering, grant acquisitions and financing," said Mayor Bob Burr. "It's really encouraging to see the projects at the finish stage."

Although much of the work is completed, the Department of Public Works will be installing site amenities such as benches, trash cans and picnic tables along the North Beach walkway during the month of August, with tree planting to take place this fall throughout the city.

## Just a few reminders...

- The City of South Haven Code of Ordinance states that trash containers may be placed on the curb no more than 24 hours prior to trash pick-up, and removed no more than 24 hours after trash pick-up.
- Every person who owns, occupies or leases any land within the city must cut, destroy, and remove all noxious and poisonous weeds growing on the property, as well as dead grass and brush. The resident must also prevent grass from growing in excess of nine inches in height.

- Fall is just around the corner and the City of South Haven will be picking up leaves. If weather permits (rain or snow is not occurring on the days scheduled

for leaf pick-up) and there are no problems with the trucks this should go smoothly. Please be patient and remember that a leaf truck is a large vehicle and cannot turn around easily. The street crew will complete one side of the street and come back to do the other side, which may occur on a different day.

- In an effort to assist the city street crew, please rake your leaves to the parkway (the area between the sidewalk and the street). Please do not rake them into the street. This will clog the storm drains and also make it difficult for the leaf truck to pick-up your leaves. The City of South Haven appreciates your time and attention to this matter. If you have any questions please contact the Public Works Department at (269) 637-0737.
- Please note: Leaf trucks work within the City Limits only.

## Dogs on Leashes

All pets are required to be on leashes whenever they are in un-enclosed areas or on public streets (per City Code of Ordinances, Chapter 6). When walking your dog, you are required to pick up and dispose of their waste. Please do not allow your pets to trespass on private property. Please note that pets are not allowed on the public beaches or at the Dyckman Park pavilion during farmers' market operation hours.
