Dear Mayor and City Council:

Utah State Law requires that this tentative budget be submitted by the first City Council meeting in May with the final adoption by June 22 after a required public hearing. This proposed budget is balanced in accordance with prudent budgeting philosophy and in accordance with State law. The 2014-2015 fiscal budget for the City of St. George is submitted for your consideration and eventual adoption.

### 2013-2014 RECAP

The past fiscal year saw continued growth in the local economy. The following are some of the highlights from 2013-2014: (1) the Finance Department implemented an E-billing program allowing us to email customer bills, eliminating paper bills if the customer wishes; (2) our Building Maintenance Division completed several projects including: City Hall re-roofing, Children's Museum changes to ensure seismic standards are met, coordinated improvements at the Animal Shelter and many others; (3) Fleet Management, once again, achieved the Blue Seal certification, which only 10% of all fleets in the U.S.

achieve, only two cities in Utah have this certification - the fleet division maintains over 900 pieces of equipment; (4) the City's Police Department handled 32,400 incidents in 2013, with an annual increase each year of between 2,000 and 4,000 incidents; (5) Public Works: 2013 saw a new St. George to Denver flight from our Airport and the ridership is very encouraging; the Navy's Blue Angels will be returning for another Thunder Over Utah show in July; SunTran bus ridership continues to increase; several major transportation projects were completed such

as 3000 East widening and 1450 South connection, Red Hills Parkway widening, the diverging diamond interchange project at mile post 8, the widening of Riverside Drive to four lanes and improvements on Dixie Drive, construction was started on Mall Drive Bridge with completion scheduled for September 1<sup>st</sup>, and Little Valley Road and Indian Hills improvements are underway; (6) several Park improvement projects were completed or started: Silkwood Park in Little Valley, Hela Seegmiller Historical Farm and several others; and (7) completed all flood projects including some State funded mitigation projects.

## 2014-2015 OUTLOOK AND RECOMMENDATIONS

The last couple of years have brought a steady growth in general fund revenues back to pre-recession totals. The State of Utah predicts continued growth in sales tax for the upcoming year. Based on review of major economic factors and projections from other government units, this budget is submitted reflecting modest increases in revenues and expenditures. The following is an explanation of recommended revenues and expenditures for the various funds of the City.

### GENERAL FUND

The recommended general fund budget is \$50,467,847. The expenditures are broken down in the following categories: Personnel Services at \$34,509,740, Materials and Supplies at \$14,026,748, and Capital Outlay for \$1,931,359. The General Fund is comprised of the following departments: General Government, Public Safety, Community Development, Public Works, and Leisure Services.

### GENERAL FUND REVENUES

Revenues for the General Fund are categorized as follows: taxes, licenses and permits, intergovernmental, charges for services, fines and forfeitures, and other.

The taxes category is the largest source in the General Fund. Revenue from this category is estimated for 2013-2014 at \$31,475,000. \$32,450,000 is the estimate for 2014-2015, representing an increase of 3%. This category represents approximately 64.5% of the total General Fund revenue.

- A. Property tax is the second largest source in this category. The estimate for the current year is \$8,025,000. The projection for 2014-2015 is \$8,300,000 for an increase of 3.50%. This increase results from new growth. The City receives only 14.5% of the property taxes paid by City residents. The Washington County School District and the Washington County Water Conservancy District receive the remaining 85.5%.
- B. Sales tax is the largest source of revenue in the General Fund. Of the 6.25% sales tax rate for Washington County, 1¢ or 20%, represents the City's general fund share, with the remaining 5¢ or 80% collected going to the State of Utah. The end of year estimate for 2013-2014 is \$15,200,000; 2014-2015 is projected at \$15,650,000, for an increase of 3% over estimated totals.

- C. Franchise taxes are generated from a 6% charge on gross receipts for all utilities, including natural gas, cable services, and electricity. Also, a 4% fee is charged on gross receipts from telecommunication service provided in the City. We estimate \$6,750,000 for the current year and have used \$6,900,000 for 2014-2015.

Licenses and permits are comprised of business licenses, rental ordinance fees, building permits, and dog licenses. The largest source in this group is building permit fees. The estimate for revenue from building permits for 2013-2014 is \$1,430,000. I have used \$1,400,000, for next year. This revenue category is projected at \$2,192,000 for 2014-2015.

Intergovernmental consists of federal grants, state grants, Class C road funds, liquor funds, airport revenue and contributions for resource officers. The estimate for 2014-2015 is \$4,550,791. The single largest source in this category is Class C road funds estimated to be \$2,500,000. Airport revenue is programmed at \$873,000.

Charges for Service is projected at \$3,967,381 for 2014-2015. The largest category is recreation fees at \$988,500. Fees charged for providing dispatch services for the rest of the County results in \$719,181. Revenue from E911 phone charges is estimated at \$980,000.

Other Revenue is \$6,357,675 with the majority, \$5,129,875, coming from transfers from other funds for services provided by the General Fund to the Enterprise Fund departments. The other major revenue source are fees for the St. George Marathon at \$775,700.

Total General Fund revenue for 2014-2015 is estimated to be \$50,467,847. Property tax and sales tax are the two largest sources of revenue in the general fund even though the City only receives 14.5% of the total property tax paid by our citizens, with the School District, the County and the Water District receiving the balance. Likewise, of the total sales tax paid on purchases, the City receives 20% with the State of Utah getting 80%.

The following is a breakdown of the General Fund revenue for the past two years with a recommended 2014-2015 figure.

	2013 ACTUAL	2014 ESTIMATED	2015 RECOMMENDED
Taxes	\$30,609,031	\$31,475,000	\$32,450,000
Licenses & Permits	\$2,196,324	\$2,232,000	\$2,192,000
Intergovernmental	\$4,823,593	\$5,197,525	\$4,550,791
Charge for Service	\$3,556,545	\$3,794,190	\$3,967,381
Fines & Forfeitures	\$953,653	\$959,100	\$950,000
Other Revenue	\$5,436,521	\$7,315,521	\$6,357,675
TOTAL REVENUE	\$47,575,667	\$50,973,336	\$50,467,847

#### GENERAL FUND EXPENDITURES:

The recommended new positions in the General Fund are: (1) two positions in the Building Maintenance Division; (2) a Parks Maintenance Worker for new parks built in 2013-2014; and (3) two part-time positions to full-time because of the Affordable Care Act reducing part-time hours.

Our health insurance program will see an increase of approximately 5%. I am recommending that the City pay for this increase. I am also recommending the City continue the longevity program and fund the mandated increases in retirement contribution rates. I am recommending funds for the salary plan to bring our salaries more in step with comparable cities and towns across the State. Any changes would be made after a market survey is completed in September with approved changes to be effective beginning December 1, 2014. I am also requesting funds for the City performance/merit program.

Major changes and Capital Outlay expenditures recommended in the General Fund amount to approximately \$2,000,000. See individual budgets for recommended projects and equipment.

## ENTERPRISE FUNDS:

### Review of Water Services Fund:

Cost increases and the need to meet debt service coverage ratios will require a rate adjustment. Major projects in the Water Department are: (1) \$850,000 for a regional pipeline payment; (2) a payment of \$1,000,000 for water storage tank replacement in St. George Industrial Park; and (3) \$1,000,000 for Water Distribution upgrades.

### Review of Energy Services Fund:

This fund is responsible for providing electrical service to City residents north of the Virgin River. Those residents south of the river are served by Dixie Power. The rate increase in 2013-2014 has allowed the department to meet its debt service coverage requirement and obtain a positive cash balance. The largest item in this budget is over \$38,500,000 in wholesale power purchases and over \$5,600,000 in natural gas purchases. Even with the rate increase, our rates remain lower than most of the other public utility companies in Utah, as well as the investor-owned company. There will be only one major improvement project for \$300,000 which is the rebuild of the 400 East substation.

### Review of the Drainage Utility Fund:

This fund is responsible for projects to better handle storm run-off throughout the City. Major projects the past two years, including City matching funds for the FEMA flood restoration projects, have depleted this fund. Projects this year include \$200,000 for Sand Hollow/Sunset Boulevard Wash improvement and \$50,000 for cleaning of the Ft. Pearce Wash.

### Review of the Municipal Building Authority Fund:

This MBA fund is used to account for the issuance of lease-purchase bonds for various City projects. The only two projects in this fund are the Woodward School restoration grant from the Community Impact Fund for the School District which the District pays the bond payment; and the Police Department building paid for by police impact funds and a transfer from the General Fund. Total is \$129,500.

### Review of Wastewater Collection and Treatment Fund:

The Wastewater Collection fund is responsible for collecting sewage from homes and businesses in the community and transporting it to the treatment plant. The treatment plant treats sewage from our city, Washington, Santa Clara and Ivins. Rates were decreased in this fund in the 2012-2013 fiscal year which was a reduction of 47.5% per equivalent residential unit. This fund continues to have sufficient balances to meet obligations. Projects recommended in these funds are \$500,000 for upgrade of the bio-solids equipment and \$270,000 for upgrades in the

Dixie Downs area.

Review of the Solid Waste Fund:

Solid waste in the City is handled by the Washington County Solid Waste District. The City collects the monthly charge and remits funds to the District. This includes a transfer to the General Fund of \$250,000 to offset costs of collection and billing. Total for 2014-2015 is \$3,940,000.

Review of the Capital Projects Fund:

This fund is used to account for major City-wide projects that cannot be funded in the General Fund because they may take more than one year to complete or go beyond the fiscal year end. At the end of each fiscal year, surplus funds in the General Fund if available, are transferred to this account to be used for one-time capital projects. I am recommending the following from this account: (1) four replacement vehicles in the Police Department for \$165,000; (2) \$315,000 for the remodel of the Recreation Center; (3) \$300,000 for the All Abilities Park; and (4) \$145,000 for sport courts at the old Airport hangar.

Review of the Public Works Capital Project Fund:

Funds are transferred into this account from other departments because often multiple funding sources are necessary to finish certain improvement projects. The major projects recommended for 2014-2015 are: (1) completion of Mall Drive Bridge at \$3,000,000; (2) \$2,200,000 for the pavement management program; (3) \$1,837,000 for drainage backbone system in the Washington Fields area; (4) \$1,850,000 for widening and improvements on Indian Hills Drive; and (5) \$900,000 as City match on the Red Hills Parkway/Bluff Street Interchange project.

Review of Transportation Improvement Fund:

This fund was created when voters authorized a 25¢ local highway option sales tax for transportation purposes. Revenues from highway option sales tax are estimated at \$4,807,000 for 2014-2015. Recommended transfers are: (1) \$500,000 to SunTran operations; (2) \$1,750,000 for debt service on the 2007 sales tax/highway bonds; (3) \$1,600,000 for pavement management projects; (4) \$500,000 to the PWCP for the Indian Hills project; and (5) \$220,000 for a traffic signal.

Review of the Street Impact Capital Project Fund:

This fund accounts for all impact fees collected for street infrastructure projects associated with new growth. The revenue estimate is \$1,140,000 for 2014-2015. Projects planned are (1) \$670,000 for a portion of improvements on Indian Hills; (2) \$240,000 for 450 North improvements; (3) \$900,000 for the City's match for

the Bluff Street/Red Hills Parkway Interchange; (4) \$430,000 for traffic signals; and (5) \$80,000 for the Canyon View realignment.

Review of the Drainage Impact Capital Project Fund:

This fund accounts for impact fees paid for by new growth for drainage improvements. Estimate of revenue for 2014-2015 is \$500,000. Major projects proposed for 2014-2015 are (1) \$837,000 the Washington Fields Drainage control; and (2) \$600,000 for the Indian Hills improvement project.

Review of the Parks Impact Capital Project Fund:

This fund is responsible for new park and trail projects associated with demands created by new growth in the City. Impact fees are charged on all new residential building permits and projects on the capital project list are funded as resources become available. Estimates for 2014-2015 are higher than past projections and should reach \$1,755,000. Major projects recommended include: (1) \$300,000 for All Abilities Park; (2) \$240,000 for Seegmiller Park; (3) \$900,000 for Millcreek Park; and (4) \$188,000 for St. James Park improvements.

Review of the Fire Department Impact Capital Project Fund:

This fund handles impact fees collected from new growth to offset demands on fire services. The next project will be a new station in Little Valley so funds in this year will be saved. The balance at the end of 2014-2015 could be \$432,635.

Review of the Police Department Impact Capital Project Fund:

This fund accounts for all police impact funds collected from new growth and these revenues are used to help pay the annual debt service payment for the police building. Several years ago we issued bonds through our Municipal Building Authority for the police building and pledged impact fees as one source of payment on the building, and we also transfer funds from the General Fund to cover the entire debt service. \$80,000 is anticipated for the upcoming year's revenues.

Special Assessment Debt Service Fund:

This fund is where special assessment payments are accounted for and debt service payments are made. All districts have been closed and now attention will be focused on collection of those accounts that remain outstanding.

Review of Dixie Center Operations Fund:

This fund accounts for innkeeper fees collected to help cover the cost of the Dixie Center. Revenues from innkeeper fees have increased these past years and the estimate for 2014-2015 is \$515,000. Ownership of the Dixie Center is handled through an interlocal agreement with Washington County where the County pays

62% and the City pays 38%. The City and County split management responsibilities and the County transfers funds to cover our costs over our participation level. Two new positions were approved by the Dixie Center Board with a reduction in part-time. These new positions will not increase our contribution. We also transfer funds to this category from the General Fund to cover our share of the costs to own and operate this facility which generates significant sales tax revenue. 2014-2015 expenditures are projected to be \$1,497,693.

Review of the Perpetual Care Fund:

This fund receives fees paid to help with the maintenance of the cemetery. The fees are estimated at \$95,000 for 2014-2015. It is proposed that \$50,000 be transferred to the General Fund from this account to help cover some of the general operating expenses of the cemetery, and \$51,000 for the purchase of a dump truck.

Review of the Recreation Bond Debt Service Fund:

This fund receives property tax revenue earmarked for retiring of debt from the G.O. bond issuance for parks and recreation projects already completed. Our debt requirement from this fund is \$1,451,150 for 2014-2015. We plan to refinance these bonds in July if the market stays favorable.

Review of the Airport Boarding Fee Fund:

This fund receives revenue from an airport passenger facility charge at our airport. The recommended revenue figure is \$210,000 for 2014-2015. These funds can only be used for certain projects at the airport. These funds have been recommended to help with pavement sealing at the airport.

Review of the Dinosaur Track Preservation Fund:

Now that the Dinosaur Foundation is operating the museum the only expenses are for maintenance and insurance at \$2,050, leaving a fund balance of \$61,995.

Review of Community Development Block Grant Funds:

This fund accounts for federal Community Development Block Grant funds that come to the City because of our entitlement status. Available funds for 2014-2015 are estimated at \$450,000. The funds are very restricted and can only be used for projects that benefit low to moderate income individuals. Projects include roll-overs from last year and new ones for 2014-2015 and are: (1) \$50,000 for the down payment assistance program; (2) \$300,000 for a homeless/shelter project; (3) \$6,500 for the Family Support Center; and (4) \$37,000 for The Learning Center.

#### Review of Self Insurance Fund:

This fund handles insurance premiums for various City insurance coverages. It also serves as a fund for those claims not covered by our insurance. Assessments are made to the various departments based on a formula of coverages. Estimated expenditure for 2013-2014 is \$471,042. 2014-2015 expenses are projected at \$555,000.

#### Review of Transit Operation Fund:

This fund is responsible for providing bus service to specified areas of the City. Current service is 40 minutes. Route expansions are included to Ivins City and Bloomington. These route expansions will require two new positions. The transfer from the Transportation Improvement Fund to this fund is \$500,000.

#### Review of the Economic Development Fund:

This account is used to fund economic development activities in the City. \$250,000 is recommended to be transferred to the General Fund. Also, \$27,241 is recommended to be transferred to the Airport Debt Service Fund to cover the cut from the federal government for the Build America Bond interest. \$20,000 is proposed for the DOCUTAH Film Festival.

#### Review of Redevelopment Agency Fund:

This fund accounts for projects in the redevelopment area boundary which is basically a fourteen block area from 500 East to 100 West on both sides of St. George Blvd. and a few blocks along Tabernacle Street. Through interlocal agreements with the School District, County and Water Conservancy District, the Agency has been extended to 2015. Debt service for the bonds issued for the Town Square will be \$955,290 for 2014-2015. This is the last payment on the bonds issued for improvements at Town Square.

#### Review of the Dixie Center Economic Development Agency Fund:

This fund was created in 1997, and expires in 2018, to allow tax increment to be collected from development occurring around the Dixie Center. The amount of increment was capped at \$3,500,000. This revenue was used for land acquisition, roadway improvements, and other infrastructure improvements which support economic development in this area. The major expenditure recommended from this fund is for debt service at \$336,000.

#### Review of the Ft. Pierce CDA

This fund accounts for revenues received from improvements made by new companies locating in the Ft. Pierce Business Park in the Community Development Area (CDA). Family Dollar is the newest business and based on the incentive agreement the CDA will receive 25% of property taxes paid by Family Dollar. \$850,000 is the CDA's portion of debt service

for the 2007 sales tax bonds used for the City's portion of the Southern Parkway project and Airport Parkway improvements. The incentive to Family Dollar is estimated at \$734,760. Total for this fund is \$1,615,760.

#### Review of the Economic Development Agency Ft. Pierce EDA #1

This fund recognizes property tax revenue from businesses locating in the Ft. Pierce Business park in the project area #1. Fiscal Year 2014-2015 is estimated to have \$375,000 in revenues. Expenditures include the incentive payment of \$63,000 to Czarnowski and \$75,000 to the City's affordable housing fund. \$218,822 will be distributed to the various taxing agencies.

#### Review of the Economic Development Agency Ft. Pierce EDA #2

This fund accounts for property taxes from businesses located in EDA #2 boundaries. The major business receiving incentives in this EDA is Wells Dairy and \$195,000 is programmed for Wells Dairy per the incentive agreement. This fund transfers \$130,000 to the City's affordable housing fund. \$110,000 has been budgeted from this fund for debt service payments for the 2007 sales tax bonds which funded improvements on the Southern Corridor and Airport Parkway.

#### Review of Affordable Housing Special Revenue Fund

This fund accounts for transfers from Ft. Pierce EDA #1 and EDA #2 which represents 20% of revenues received in these funds. These funds are available for housing projects as approved by the Mayor and City Council with special effort being given to the historical downtown area. 2014-2015 estimates are \$500,000.

#### Review of the Police Drug Seizures Fund

This fund is used to account for dollars or assets received from drug seizures made by our Police Department. \$94,700 is again projected to be expended from this fund for 2014-2015. \$50,000 for equitable distribution to entities involved with this account. \$40,000 for body worn cameras.

#### 2009 Airport Revenue Bond Debt Service

This fund is necessary to account for the debt service for the Replacement Airport bond issue. Revenue is \$700,000 from the County per the interlocal agreement and \$279,000 from the federal government as part of the interest rate rebate from the Build America bonds issued for this project. We received a reduction from the federal government resulting in a \$26,589 transfer from other funds to make up the

shortfall. Total is \$1,004,009.

#### Fund Balance

One important measure of the financial well-being of a community is its fund

balance. Utah State law was changed in 2013 and now allows cities to accumulate fund balances in the General Fund up to a max of 25% of the anticipated total General Fund revenues estimated for the next fiscal year. The general rule is that cities with a 10% to 11% fund balance are considered financially healthy. The City of St. George should have in excess of 12% in this fund at the beginning of 2014-2015 and it is not anticipated any funds from this account will be used during the upcoming fiscal year.

#### Summary of the 2014-2015 Recommended Budget

This budget is balanced and does not propose any increase in the certified tax rate. The General Fund amount is \$50,467,847. There are several fee adjustments recommended in this budget. Many fees in the Recreation Department are recommended to be increased to better cover out of pocket costs. Cemetery fees are recommended to increase to cover costs, these fees have not been increased in years. Also included is an increase in daily parking fees at the Airport to go from \$4.00 to \$5.00. Additionally, an increase in water fees is also recommended. The top ten economic development drivers in Washington County include many of the programs sponsored by the City, probably the majority of the top 10. Those events would include the Marathon, races, softball tournaments, and especially our golf courses. Since the economic benefits are not directly returned to the City in a specific revenue source sufficient to cover the entire cost of these programs I am suggesting they all should be included in the General Fund.

This budget is the 39<sup>th</sup> one I have submitted for consideration by the Mayor and City Council.

Again this year Deanna Brklacich has dedicated countless hours to this budget process and without her efforts it could not have been completed. I express my appreciation and thanks to her for those efforts. I would also like to thank Christina Fernandez for her help and support in putting this document together. I also express appreciation to the department heads who have responded to budget requests in a timely manner and helped in this important document.

Respectfully submitted,

## ELECTIONS

The City's Mayor and five-member Council are selected through a municipal election process conducted every two years. The Mayor and two Council members are elected in one municipal election for a four-year term. The remaining three Council members are elected in the alternating municipal election and also serve a four-year term. The City Recorder is responsible for supervising all municipal elections and compliance with state law requirements. Special elections may also occur for the citizens' approval to issue general obligation debt or to approve tax rate increases. Division expenses generally include voting supplies and contracted services for voting judges.

## DEBT SERVICE & TRANSFERS

The Debt Service Fund is used to account for part of the lease payment for the Police Building paid to the Municipal Building Authority. Funds received from Police Impact fees are first used towards the lease payment and then the difference is funded by the Debt Service division. This budget also includes the annual transfers to the Dixie Center and the interfund loan with the Golf Department .

## DRUG TASK FORCE

The City Police Department operates a multi-jurisdictional Drug and Gang Task Force comprised of Officers from St. George, Washington County Sheriff's Office, Hurricane, Washington City, Ivins City, and the Utah Highway Patrol. The Task Force's primary activities include surveillance, serving search warrants, seizing and halting production of controlled substances and documenting known gang members and suppressing their activities. With the exception of salaries, funding is provided by two federal and state grants. One is the High Intensity Drug Traffic Area (HIDTA) grant; and the other is the Byrne Memorial Justice Assistance Grant through the Commission of Criminal and Juvenile Justice (CCJJ).

## POLICE DISPATCH SERVICES

The 911 Communications Center is the dispatch center for every police, fire, and ambulance agency in Washington County as well as being the 911 center for the public. Thousands of 911 calls are received as well as many more non-emergency calls which are disseminated from the Communications Center to the appropriate agency. Dispatch personnel are Emergency Medical Dispatch (EMD) certified and attend prescribed training programs to maintain their national and state certifications. The 911 Communications Center is funded both by a 911 surcharge assessed against phone users and also funded by other municipal and emergency agencies who use the Center's services.

## GOLF DEPARTMENT SUMMARY

The City owns and operates four municipal golf courses which were moved into the Economic Development Department in Fiscal Year 2014-15. The four courses are Dixie Red Hills, Sunbrook, St. George Golf Club, and Southgate (including the Southgate Game Improvement Center and driving range). Combined, the golf courses have 72 challenging holes and are open year-round due to the accommodating climate. St. George is both a residential and tourist community. As such, the golf courses are a major attraction for visitors and are a significant contributor to the City's economy and sales tax base.

## RED HILLS GOLF

Dixie Red Hills was the first golf course developed by the City of St. George. Red Hills opened for play in the mid-1960s and, because of its spectacular red rock setting and playability, has been the favorite of recreational golfers ever since. Red Hills is a 9-hole par-34 layout that meanders around the sandstone cliffs of "Utah's Dixie." This golfer-friendly course also features hundreds of mature Cottonwoods, Mondale Pines, Mesquite, and other trees that provide ample shade during St. George's warmer months. Each hole is quite distinct and will leave a lasting memory in the minds of golfers.

## SOUTHGATE GOLF

Southgate Golf Course is an 18-hole course and is a favorite among retired players because of its laid-back feel. The front side is relatively flat and criss-crosses the Santa Clara river. The back nine at Southgate traverse along Tonaquint Mountain and provides awe-inspiring views of the St. George area. Beginning with Fiscal Year 2011-12, the Southgate Training Center's budget has been combined with the Southgate Golf Course's budget.

## ST. GEORGE GOLF CLUB

St. George Golf Club is an 18-hole golf course and is the hidden gem of southwestern Utah golf. Prior to its operation by St. George City, this course was called Bloomington Hills. During those years, it struggled to mature. Over the past several years, St. George Golf Club has become one of the outstanding golf courses in the state. The appeal of St. George Golf Club is its beautiful terrain bordering the Ft. Pierce Wash.

## PARKS DESIGN

Parks Design is responsible for the design and project management of new parks, trails, and other open space recreational facilities within the City of St. George. The City has set a goal to have one neighborhood park within a 1/2 mile walking-distance of every household. The City is also constructing a regional trail system and sports field complexes. Design staff are integral in formulating designs and working with the community and developers in achieving these goals.

## NATURE CENTER & YOUTH PROGRAMS

The Tonaquint Nature Center is a recreational facility situated in a natural and undisturbed environment. The facility includes a pond inhabited by many species of fowl and other small wildlife; a trail system, and arboretum. Personnel strive to increase the understanding, appreciation and knowledge of natural resources while promoting environmental responsibility for our actions for the future generations' welfare. This area's main focus is camps and programs for teens and children aimed to meet the needs and wants of the St. George citizens and surrounding communities.

## SOFTBALL PROGRAMS

Softball Programs is a program within the Recreation Division. The program coordinator is responsible for the creation, promotion, and management of both softball leagues and softball tournaments at the City's Canyons Complex, Little Valley Fields Complex, and Bloomington Park fields. League events include both a spring and fall league with men, women, and co-ed divisions with a participation of approximately 300 teams. Softball tournaments are held throughout the year with a projection of hosting approximately 20 tournaments, with about 675 teams participating annually.

## HISTORIC COURTHOUSE

The Pioneer Courthouse on the corner of 100 East and St. George Blvd. was built by the same craftsmen who worked on the St. George Tabernacle. Work on the Courthouse began in 1867 and completed in 1870. The original building was 36 by 40 feet and 3-stories high, and included a jail in the basement. Folklore has it that the cupola was designed to hang criminals, though no hangings ever occurred in the building. Today the City owns the building and the Chamber of Commerce occupies most of the building. Various civic meetings are also held in the upstairs "Courthouse Chambers."

## MARATHON

The City hosts the annual St. George Marathon administered through the Leisure Services Department. The event is held the first weekend of October and is open to a maximum of approximately 7,800 runners selected through a lottery system. The St. George Marathon is over 30-years old and is rated as one of the most scenic and fastest marathons in the USA. It attracts participants from all over the United States and other countries and is also a Boston-marathon qualifier.

## AQUATICS CENTER

The Sand Hollow Aquatics Center (SHAC) is an indoor, state-of-the art, year-round aquatic facility which includes a 25m by 25yd competition and diving pool and a 5,800 square foot leisure pool. The leisure pool has a zero depth entry area, interactive children's water fun toys, a water walk (lily pads), and water slides. Facility personnel are responsible for admissions, maintenance, safety, and other daily operating activities. Facility programs include swimming lessons, party rentals, water aerobics, swimming competitions, and other community events such as dive-in movies.

## ENERGY SERVICES

Energy Services provides electric power to approximately 28,000 City residential and business meters. This is done through construction and maintenance of an extensive transmission and distribution systems. There are 20 distribution substations and approximately 900 miles of transmission distribution lines. The Department also owns and operates three generation facilities with a capacity of approximately 60 MW of capacity and is also responsible for the operation and maintenance of the 138 kV system which is shared ownership with Utah Associated Municipal Power Systems (UAMPS).

## SOLID WASTE

The City contracts with Washington County Solid Waste District (WCSWD) to collect and dispose solid waste for residential citizens. WCSWD supplies solid waste containers and schedules pick-up dates. The City bills and collects monthly payments for solid waste services as part of the utility billings for electric, water, and wastewater. As such, the citizens receive only one unified billing which enhances their payment convenience and options for method of payment. A fraction of the monthly garbage fee is kept by the City for their billing services, and the remainder is remitted to WCSWD.

## BUILDING AUTHORITY

The St. George Municipal Building Authority (MBA) was created in 1993 and is an enterprise fund used to account for the lease-purchase bonds issued for construction of various projects throughout the City, that will be owned by this fund and leased to other funds. The other funds make lease payments equal to the debt service on the related bonds. The Police Department Building is currently the only project leased through the MBA.

## REGIONAL WASTEWATER SYSTEM

The Regional Wastewater Treatment Plant treats sewage from St. George, Washington City, Santa Clara, and Ivins. The facility currently processes about 10 million gallons each day. The plant utilizes an oxidation ditch/extended aeration process that uses physical and biological processes to clean the water. The facility has a 97-98% removal of the contaminants in the water.

## DRAINAGE UTILITY

In June 2003, the City adopted the Drainage Utility Fee whereby residential and non-residential customers pay a monthly drainage fee per Equivalent Residential Units (ERU) which are determined based on the amount of non-pervious surface. The Drainage Utility fee is used for planning, designing and constructing the City storm water system. These funds are combined with flood control funds to meet capital storm water improvement needs of the City. The City's objective is to provide a city-wide system with a capacity of at least a ten-year storm.

## ECONOMIC DEVELOPMENT FUND

The Economic Development Fund is a Special Revenue fund used to account for revenues restricted as to their use for specific purposes either by statute or by City policy. The Economic Development fund was the former industrial park capital project fund which was converted to an economic development fund to be used for the accumulation of assets to attract industry, purchase property, and to provide a source of funds for City participation in economic development.

## PARK IMPACT

The Park Impact fund is a Capital Projects fund. The Park Impact Fee is collected for the purpose of allocating costs of future park, trail, and recreational facility project costs to new development (growth) that will be constructed to serve new developments. The Park Impact fee is only assessed to residential developments and is collected at the time a building permit is issued.

## TRANSPORTATION IMPROVEMENT FUND

The Transportation Improvement Fund (TIF) is a Special Revenue fund used to account for revenues restricted as to their use for specific purposes either by statute or by City Policy. In 1998, voters authorized a 1/4 cent sales tax, also known as the Highway Option Sales Tax, to be used for transportation-related improvements. The City of St. George invoked the Highway Option Sales tax on January 1, 1999 and in 2007, the State Legislature passed an increase from .25% to .30% on non-food items while deleting the tax on food items.

## REPLACEMENT AIRPORT

The Replacement Airport fund accounts for revenues and expenditures for the construction of the new replacement airport. Construction is funded through federal grants, local sources, and other contributions. The project is a multi-year project until all grant funds and expenditures are realized. The general operations of the Airport continue to be budgeted through the Public Works Department in the General Fund. The Replacement Airport, which officially opened on January 12, 2011, is an incredible facility and asset to the citizens of St. George City and Washington County.

## 2010 FLOOD PROJECTS

In December 2010 the City of St. George and surrounding communities sustained significant damage to public and private property during a three-day flood disaster. The City incurred millions of dollars in repair and reconstruction costs for bridges, roads, parks, trails, utilities, and river channel dredging and armoring. The 2010 Flood Project fund is used to account for both the costs of reconstruction and to account for funding from FEMA, the State of Utah, other government agencies, and the City.

## DIXIE CENTER OPERATIONS

In January 1997, the City and Washington County formed the Washington County Intergovernmental Agency (WCIA) partnership to acquire, construct, equip, operate, and maintain the Dixie Convention Center. The County's participation is 62% and funding is provided through collection of a Resort Tax. The City's participation is 38% and funding is provided through collection of a Municipal Transient Room Tax (MTRT) on St. George hotels and motels, and is also funded through a transfer of sales tax revenue from the General Fund. The County manages and oversees the facilities marketing and promotion, and scheduling events. The City oversees the day-to-day operations including maintenance and event management.

## SELF INSURANCE FUND

The Self Insurance Fund is used as an internal service fund whereby the City's departments and divisions are billed for their share of liability and property insurance. Liability insurance is allocated based upon the number of Full-Time "Equivalent" Employees and vehicles per department; and property insurance is billed based upon the proportionate share of property value covered. Miscellaneous claims are also paid from this fund.

## POLICE DRUG SEIZURES

As the Washington County Drug/Gang Task Force collects monies for crime-involvement activities, they place it in this account. The money is then either returned to the owner or forfeited. All forfeited funds are sent to the State of Utah. Returned funds are generally programmed to fund one-time capital expenditures.

## RECREATION BOND DEBT SERVICE

State Law (59-2-911) allows taxing agencies to add a tax levy for the purpose of paying debt service payments and providing for a sinking fund in relation to voter authorized indebtedness. The revenues collected from the levy can only be used for the purpose which the levy was made. In 1996, citizens voted for the issuance of General Obligation Bonds (\$18 million total) for the purpose of constructing recreational facilities. This Recreation Bond Debt service fund is used to account for the accumulation of resources and payment of the G.O. Bonds.

## 2007 SALES TAX ROAD BOND

In November 2007, the City issued Sales Tax Revenue bonds for \$24,775,000 for road and transportation projects. The funds will be expended over several years for the Mall Drive Bridge; the Dixie Center secondary access road; towards the City's match for the Southern Parkway and Atkinville Interchange projects; as part of the roads and parking for the Replacement Airport; and other transportation improvement projects. The bond is payable in semi-annual debt service payments over a ten-year period, maturing in May 2018. This fund accounts for both the construction funding via transfers to other funds, and the debt service payments.

## 2009 AIRPORT BOND DEBT SERVICE

In Fiscal Year 2010, in recognition of the economic and community benefits of the Replacement Airport, Washington County agreed to participate with the Replacement Airport's construction funding by committing a portion of their Tourism, Recreation, Culture, and Convention (TRCC) taxes in the amount of \$700,000 annually over a 25-year period. The City then pledged this revenue stream to secure bond financing for the Replacement Airport project. The bonds were issued under the Build America Bonds (BAB) program whereby the City will receive a percentage of interest payments back from the Federal Government. This fund is used to reflect annual receipts from the County and the Federal Government, and the corresponding debt service. Debt service is shown at gross amounts and the refunds from the Federal Government are shown as revenue.

## AIRPORT PFC FUND

The Airport Passenger Facility Charge (PFC) Program allows the collection of PFC fees for every enplaned passenger at commercial airports controlled by public agencies. Airports use these fees to fund FAA-authorized projects that enhance safety, security, or capacity; reduce noise; or increase air carrier competition. Participation in the PFC Program is done through an application process in which the FAA determines the maximum amount of fees that can be collected under each Application Number.

## HOUSING FUND

As part of the adopted budgets for the Fort Pierce Economic Development Agency District's No. 1 and No. 2, the St. George Redevelopment Agency is required to use 20% of the tax increments received to fund affordable housing projects within the City. This fund accounts for the annual transfer of the 20% from the two Fort Pierce EDA Districts and will also account for affordable housing projects in which the City participates.

## PUBLIC TRANSIT SYSTEM

The City's public transit system, SunTran, is a division in the Public Works Department. SunTran buses provide 40-minute route service on four routes and over 60 bus stops throughout St. George, Monday through Saturday. SunTran also provide paratransit bus services. A large portion of SunTran's funding is through Federal grants due to the City being designation as a Metropolitan Planning Organization (MPO) area in 2004. Additional revenues are through rider fares, advertising fees, and grant-match funding through the Transportation Improvement Fund.

## JOHNSON DINOSAUR DISCOVERY SITE

In February 2000, Dr. Sheldon Johnson discovered dinosaur tracks at farmland owned by the Johnson Family. The discovery was significant to the citizens and scientific community and led to the construction of the Johnson Dinosaur Discovery Site building funded by local, state, and federal funding and also through public donations. The mission of the Dinosaur Discovery Site at Johnson Farm is to research, preserve, and exhibit the fossil resources and story for the benefit, education, and enjoyment of the community, the general public, and the scientific world. In Fiscal Year 2010-2011, the City Council authorized turning the full operations responsibilities of the museum to the Dinosaur Foundation. However, ownership of the site and building will remain the City's and therefore the existing fund balance will be retained to fund future capital outlays.

## COMMUNITY DEVELOPMENT BLOCK GRANT FUND

The Community Development Block Grant (CDBG) program allocates annual grants to larger cities and urban counties to develop viable communities by providing decent housing, a suitable living environment, and opportunities to expand economic opportunities, principally for low- and moderate-income persons. The City of St. George became an entitlement city in 2004 when it was designated as a Metropolitan Planning Organization (MPO). Programs are funded through a specific application process and approved by the Mayor and City Council. The annual federal allocation is generally less than \$500,000; however, some funding is rolled over to subsequent years when the project can be completed.

## DOWNTOWN REDEVELOPMENT

The Downtown Redevelopment Agency encompasses approximately 14 blocks in the downtown area of the City from 500 East to 100 West on both sides of the St. George Boulevard and along Tabernacle. Tax increment from new development is used to make improvements in that area. This agency was extended to 2015 by Interlocal Agreement with the County, School District, and Washington Water Conservancy District.

## DIXIE CENTER ECONOMIC DEVELOPMENT AGENCY

In October 1997, the City Council authorized participation in the I-15 (Dixie Center) Economic Development project which allows the St. George Redevelopment Agency to collect tax increment from the Dixie Center project area. Tax Increment revenues are authorized to be used in funding land acquisition, roadways, and other utility infrastructure improvements which foster economic development. The district was invoked January 1, 2006 and has a twelve-year term.
