APPENDIX

Capital Projects & Transfers Summaries	301
--	-----

May 7, 2015

Dear Mayor and City Council:

Utah State Law requires that this tentative budget be submitted by the first City Council meeting in May with the final adoption by June 22 after a required public hearing. This proposed budget is balanced in accordance with prudent budgeting philosophy and in accordance with State law. The 2015-2016 fiscal budget for the City of St. George is submitted for your consideration and eventual adoption.

2014-2015 RECAP

The past fiscal year saw continued growth in the local economy. The following are some of the highlights from 2014-2015: (1) construction started on the All Abilities Park scheduled for completion late summer or early fall; (2) Parks division planted over 500 trees again this year, awarded Tree USA designation again; (3) Seegmiller Farm completed and opened in March; (4) Silkwood and Royal Oaks Parks completed; (5) additional Pickleball Courts were added at Bloomington Park and design is under way for 12 more courts at Little Valley complex; (6) Parks Planning division played an integral part in design and construction management of the Red Hills Community Garden in partnership with the Washington County Water Conservancy District; (7) the Cremation Garden at Tonaquint Cemetery is under construction; (8) opened up a new section at Tonaquint Cemetery; (9) Leisure Services was recognized as a national finalist for Excellence in Parks and Recreation by the National Recreation and Parks Association; (10) finished the Commons Building east of the City Offices where Police, Information Technology division, and Leisure Services/Recreation are now located; (11) construction/renovation of the Electric Theater started and will be completed by June 30, 2015; (12) the largest marathon ever held with 7,694 people registered and 5,826 finishing; (13) the City was successful in securing another 3-year contract for the National Junior College softball championship; (14) held the largest High School softball tournament with 92 teams, the most in the past 10 years; (15) the Fire Department was successful in obtaining a grant from the Firehouse Subs Public Safety Foundation for a UTV for off-highway rescue with a medical rescue slide and a stokes basket; (16) completed Mall Drive bridge along with connecting roadways; (17) traffic signals designed and out to bid for Mall Drive/3000 East, River Road/St. James Lane, and River Road/Brigham Road; (18) completed improvements on Little Valley and Horseman Park's roads; (19) started construction on improvements on Indian Hills Drive; (20) worked with the State UDOT in completing Bluff Street/Red Hills Parkway project; (21) completed our fourth year of operation of the St. George Municipal Airport; (22) second daily flight to Denver

implemented with 80% of seats filled; (23) Fleet Division again certified as an A.S.E. Blue Seal shop – only 10% of fleets in the Country hold this certification; (24) the City operates the fourth largest City/County fleet operation in the State; (25) Support Services maintains 67 buildings with over 706,000 square feet; (26) opened Switchpoint which is recognized as a national leader in providing housing and services for the homeless in the community; (27) SunTran provided over 450,000 passenger trips this year; (28) implemented a new route to Ivins and Bloomington for our transit system.

2015-2016 OUTLOOK AND RECOMMENDATIONS

We continue to see growth in population around 3% over the previous year. Our current estimate for sales tax revenue for the current fiscal year reflects a healthy 5% growth. This budget is based on another 5% increase in sales tax revenues and a 3% increase over property tax estimates for the current year. Based on projects in the pipeline and forecasts from local and state officials next year should again see steady growth in all areas.

GENERAL FUND

The recommended general fund budget is \$57,198,766. The expenditures are broken down in the following categories: Personnel Services at \$39,007,335, Materials and Supplies at \$15,750,883, and Capital Outlay for \$2,440,548. The General Fund is comprised of the following departments: General Government, Public Safety, Economic Development, Public Works, and Leisure Services.

GENERAL FUND REVENUES

Revenues for the General Fund are categorized as follows: taxes, licenses and permits, intergovernmental, charges for services, fines and forfeitures, and other.

The taxes category is the largest source in the General Fund. Revenue from this category is estimated for 2014-2015 at \$32,730,000. \$33,950,000 is the estimate for 2015-2016, representing an increase of 3.7%. This category represents approximately 59% of the total General Fund revenue.

- A. Property tax is the second largest source in this category. The estimate for the current year is \$8,100,000. The projection for 2015-2016 is \$8,350,000 for an increase of 3%. This increase results from new growth. The City receives only 14.3% of the property taxes paid by City residents. The Washington County School District and the Washington County Water Conservancy District receive the remaining 85.7%.

- B. Sales tax is the largest source of revenue in the General Fund. Of the 6.35% sales tax rate for Washington County, 1¢ or 20%, represents the City's general fund share, with the remaining 5¢ or 80% collected going to the State of Utah. The end of year estimate for 2014-2015 is \$16,180,000; 2015-2016 is projected at \$16,950,000, for an increase of 4.8% over estimated totals.

- C. Franchise taxes are generated from a 6% charge on gross receipts for all utilities, including natural gas, cable services, and electricity. Also, a 4% fee is charged on gross receipts from telecommunication service provided in the City. We estimate \$6,800,000 for the current year and have used \$7,000,000 for 2015-2016.

Licenses and permits are comprised of business licenses, rental ordinance fees, building permits, and dog licenses. The largest source in this group is building permit fees. The estimate for revenue from building permits for 2014-2015 is \$1,450,000. I have used \$1,500,000 for next year. This revenue category is projected at \$2,312,000 for 2015-2016.

Intergovernmental consists of federal grants, state grants, Class C road funds, liquor funds, airport revenue and contributions for resource officers. The estimate for 2015-2016 is \$4,790,493. The single largest source in this category is Class C road funds estimated to be \$2,810,000 based on an increase in gas tax approved by the Legislature which will start in January 2016. Airport revenue is projected at \$939,561.

Charges for Service is projected at \$8,310,973 for 2015-2016. The largest category is golf fees projected at \$4,194,500. Recreation fees are estimated to be \$1,026,600. Revenue from E911 phone charges is estimated at \$960,000.

Court Fines is projected at \$1,046,000 for next year.

Other Revenue is \$6,789,300 with the majority, \$5,560,000, coming from transfers from other funds for services provided by the General Fund to the Enterprise Fund departments. The other major revenue source is fees from the St. George Marathon at \$759,700.

The following is a breakdown of the General Fund revenue for the past two years with a recommended 2015-2016 figure.

	2014 ACTUAL	2015 ESTIMATED	2016 RECOMMENDED
Taxes	\$31,407,011	\$32,730,000	\$33,950,000
Licenses & Permits	\$2,239,390	\$2,247,000	\$2,312,000
Intergovernmental	\$5,162,463	\$4,594,205	\$4,790,493
Charges for Service	\$3,848,119	\$7,851,530	\$8,310,973
Fines & Forfeitures	\$960,326	\$971,000	\$1,046,000
Other Revenue	\$6,701,919	\$7,362,355	\$6,789,300
TOTAL REVENUE	\$50,319,227	\$55,756,090	\$57,198,766

GENERAL FUND EXPENDITURES

A total of fifteen new positions were requested in the General Fund. While they are all probably justified, only the following are recommended because of available funds: (1) Two positions in the Parks to help with new parks scheduled for construction and also recently completed parks; (2) a new Battalion Chief position in the Fire Dept.; (3) a new Tennis/Pickleball position doing away with part-time dollars for current position; (4) a new Fleet Mechanic shared 50% General Fund and 50% from SunTran; (5) a GIS position in Parks funded in part by existing part-time dollars.

Health insurance costs remain the same with the City moving to PEHP as our new provider. No increases in retirement rates this year. I am including 5% for a continuation of our employee salary market plan and performance/merit program. The market survey will be completed in September with approved changes to be effective beginning December 1, 2015.

Capital Outlays Expenditures in this category are recommended at \$2,440,548 or 4% of the total General Fund expenditures. I believe this figure should be somewhere around 10%, but available funds preclude that this fiscal year. I believe the City should strive to keep the expenditures in the General fund as close to 65% for Personnel Services, 30% for Materials and Supplies, and 5% for Capital Outlays as possible. We are at 68%, 28%, and 4% this year.

Major Capital projects recommended for this year are (1) \$376,198 for a four-year lease for 35 Police vehicles; (2) \$303,000 in Streets for improvements and equipment; (3) \$250,000 in Parks department; and (4) \$100,000+ in Sports Field equipment and improvements. Other recommended Capital Outlay items are in the individual department budgets.

I am recommending the Mayor and City Council consider approving the following capital items from the Capital Project Fund (1) \$800,000 for new Fire Pumper including equipment; (2) \$1,700,000 as General Fund's portion of a new Automotive Services building - Enterprise Funds would also contribute to this needed facility; (3) roof repairs to several buildings at \$305,000; (4) horseshoe pits relocation at \$95,000; and (5) \$159,000 for a bucket truck for the Parks Dept. There are many other worthwhile projects to consider as part of the budget review process. I am also recommending \$200,000 in needed equipment items for the golf courses from the Economic Development Fund.

ENTERPRISE FUNDS

Review of Water Services Fund

No rate adjustment is required this year as we believe we will meet all debt coverage requirements and actually have some cash reserve. Major projects in the Water Department are: (1) \$850,000 for a regional pipeline payment; (2) \$1,000,000 for water storage tank replacement in St. George Industrial Park; (3) \$1,000,000 for Water Distribution upgrades; and (4) \$226,390 for share in new Automotive Services Building.

Review of Energy Services Fund

This fund is responsible for providing electrical service to City residents north of the Virgin River. Those residents south of the river are served by Dixie Power. No rate increase is proposed as we will be able to meet our debt service coverage requirement and increase our cash balance with existing rates. The largest item in this budget is \$44,436,312 in wholesale power and gas purchases. One new position is requested for an Energy Usage Analyst. The major improvement projects are \$800,000 for a new Control Center Building and \$302,000 for Energy's portion of the new Fleet Building.

Review of the Drainage Utility Fund

This fund is responsible for projects to better handle storm run-off throughout the City. Projects this year include \$1,089,000 to finalize the City's match and improvements from FEMA projects; and Sand Hollow drainage improvements at \$255,000.

Review of the Municipal Building Authority Fund

This MBA fund is used to account for the issuance of lease-purchase bonds for various City projects. The only two projects in this fund are the Woodward School restoration grant from the Community Impact

Fund for the School District which the District pays the bond payment; and the Police Department building paid for by police impact funds and a transfer from the General Fund. Total is \$125,170.

Review of Wastewater Collection and Treatment Fund

The Wastewater Collection fund is responsible for collecting sewage from homes and businesses in the community and transporting it to the treatment plant. The treatment plant treats sewage from our city, Washington, Santa Clara and Ivins. Rates were decreased in this fund in the 2012-2013 fiscal year which was a reduction of 47.5% per equivalent residential unit. This fund continues to have sufficient balances to meet obligations. Projects recommended in these funds are \$250,000 to expand offices at Wastewater Collections; upgrades to the system \$350,000; \$150,000 for Fleet Building upgrade; \$210,000 new Vac-Cons (2) under trade-in program; and \$1,200,000 Lizzie Lane outfall line.

Review of the Solid Waste Fund

Solid waste in the City is handled by the Washington County Solid Waste District. The City collects the monthly charge and remits funds to the District. This includes a transfer to the General Fund of \$250,000 to offset costs of collection and billing. Total for 2015-2016 is \$4,169,000.

Review of the Capital Projects Fund

This fund is used to account for major City-wide projects that cannot be funded in the General Fund because they may take more than one year to complete or go beyond the fiscal year end. At the end of each fiscal year, surplus funds in the General Fund, if available, are transferred to this account to be used for one-time capital projects. I am recommending the following from this account: (1) Fire Pumper for \$800,000; (2) 305,000 for roof repair at several City facilities; (3) \$1,700,000 for the General Fund's

portion of a new Fleet Maintenance building; (4) \$95,000 for horseshoe facility at Snow Park to replace existing; (5) \$159,000 for bucket truck for Parks Dept.

Review of the Public Works Capital Project Fund

Funds are transferred into this account from other departments because often multiple funding sources are necessary to finish certain improvement projects. The major projects recommended for 2015-2016 are: (1) \$680,000 for new traffic signals; (2) \$2,200,000 for the pavement management program; (3) \$1,625,000 for drainage backbone system in the Washington Fields area; (4) \$1,000,000 to finish improvements on Indian Hills Drive; (5) \$560,000 for Sand Hollow Wash improvements; and (6) \$4,000,000 for River Road improvements and bridge widening.

Review of Transportation Improvement Fund

This fund was created when voters authorized a 25¢ local highway option sales tax for transportation purposes. Revenues from highway option sales tax are estimated at \$5,000,000 for 2015-2016.

Recommended transfers are: (1) \$500,000 to SunTran operations; (2) \$1,819,500 for debt service on the 2007 sales tax/highway bonds; (3) \$1,600,000 for pavement management projects; (4) \$600,000 to the PWCP for the Indian Hills project; (5) \$450,000 for a traffic signal; and (6) \$600,000 to PWCP for River Road project.

Review of the Street Impact Capital Project Fund

This fund accounts for all impact fees collected for street infrastructure projects associated with new growth. The revenue estimate is \$900,000 for 2015-2016. Projects planned are (1) \$400,000 for a portion of improvements on Indian Hills; (2) \$240,000 for 450 North improvements; (3) \$1,100,000 to PWCP for River Road project; and (4) \$230,000 for traffic signals.

Review of the Drainage Impact Capital Project Fund

This fund accounts for impact fees paid for by new growth for drainage improvements. Estimate of revenue for 2015-2016 is \$390,000. Major projects proposed for 2015-2106 is \$500,000 for the Washington Fields Drainage project.

Review of the Parks Impact Capital Project Fund

This fund is responsible for new park and trail projects associated with demands created by new growth in the City. Impact fees are charged on all new residential building permits and projects on the capital project list are funded as resources become available. 2015-2016 estimated revenues are \$1,700,000. Major projects include: (1) \$1,000,000 for All Abilities Park; (2) \$368,512 to finish Seegmiller Park; (3) \$879,000 for Millcreek Park; (4) \$300,000 for St. James Park Phase II; (5) \$360,000 for Phase I of Virgin River Trail from River Road to Springs

subdivision; and (6) \$300,000 for a possible trail underpass at 3000 East/Banded Hills Drive.

Review of the Fire Department Impact Capital Project Fund

This fund handles impact fees collected from new growth to offset demands on fire services. The next project will be a new station in Little Valley so funds in this year will be saved. The balance at the end of 2015-2016 is estimated to be at \$660,580.

Review of the Police Department Impact Capital Project Fund

This fund accounts for all police impact funds collected from new growth and these revenues are used to help pay the annual debt service payment for the police building. Several years ago we issued bonds through our Municipal Building Authority for the police building and pledged impact fees as one source of payment on the building, and we also transfer funds from the General Fund to cover the entire debt service. \$90,000 is anticipated for the upcoming year's revenues.

Special Assessment Debt Service Fund

This fund is where special assessment payments are accounted for and debt service payments are made. All districts have been closed and we continue to try and collect unpaid balances. I believe we are below \$100,000 in outstanding balances.

Review of Dixie Center Operations Fund

This fund accounts for innkeeper fees collected to help cover the cost of the Dixie Center. Revenues from innkeeper fees have increased these past years and the estimate for 2015-2016 is \$555,000. Ownership of the Dixie Center is handled through an interlocal agreement with Washington County where the County pays 62% and the City pays 38%. The City and County split management responsibilities and the County transfers funds to cover our costs over our participation level. We also transfer \$267,000 to this category from the General Fund to cover our share of the costs to own and operate this facility which generates significant sales tax revenue. 2015-2016 expenditures are projected to be \$1,247,550, down from last year due to a decrease in debt service costs.

Review of the Perpetual Care Fund

This fund receives fees paid to help with the maintenance of the cemetery. The fees are estimated at \$95,000 for 2015-2016. It is proposed that \$50,000 be transferred to the General Fund from this account to help cover some of the general operating expenses of the cemetery. \$15,000 is planned for a second Columbarium.

Review of the Recreation Bond Debt Service Fund

This fund receives property tax revenue earmarked for retiring of debt from the G.O. bond issuance for parks and recreation projects already completed. Our debt requirement from this fund is \$1,473,294 for 2015-2016.

Review of the Airport Boarding Fee Fund

This fund receives revenue from an airport passenger facility charge at our airport. The recommended revenue figure is \$222,000 for 2015-2016. These funds can only be used for certain projects at the airport. We will have a projected balance of \$689,688 at the end of 2015-2016. The plan is to save funds for a major runway maintenance project in the next couple of years.

Review of the Dinosaur Track Preservation Fund

Now that the Dinosaur Foundation is operating the museum the only expenses are for minor maintenance and insurance at \$2,150, leaving a fund balance of \$42,906.

Review of Community Development Block Grant Funds

This fund accounts for federal Community Development Block Grant funds that come to the City because of our entitlement status. Available funds for 2015-2016 are estimated at \$450,000. The funds are very restricted and can only be used for projects that benefit low to moderate income individuals. The major project this year is \$300,000 for the 2nd annual payment for the Switchpoint building.

Review of Self Insurance Fund

This fund handles insurance premiums for various City insurance coverages. It also serves as a fund for those claims not covered by our insurance. Assessments are made to the various departments based on a formula of coverages. Estimated expenditure for 2014-2015 is \$480,850. 2015-2016 request is for \$560,000. Projected balance in this fund at the end of next fiscal year is \$700,000.

Review of Transit Operation Fund

This fund is responsible for providing bus service to specified areas of the City. Current service is 40 minutes. 2014-2015 the routes were expanded to include Ivins City and Bloomington. The transfer from the Transportation Improvement Fund to this fund is \$500,000. A new Mechanic is proposed in Fleet which 50% of cost would be paid from this fund.

Review of the Economic Development Fund

This account is used to fund economic development activities in the City. \$250,000 is recommended to be transferred to the General Fund. Also, \$25,901 is recommended to be transferred to the Airport Debt Service Fund to cover the cut from the federal government for the Build America Bond interest. \$20,000 is proposed for the DOCUTAH Film Festival. Also, \$200,000 is recommended to be transferred to General Fund for purchase of golf course equipment.

Review of Redevelopment Agency Fund

This fund accounts for projects in the redevelopment area boundary which is basically a fourteen block area from 500 East to 100 West on both sides of St. George Blvd. and a few blocks along Tabernacle

Street. Through interlocal agreements with the School District, County and Water Conservancy District, the Agency has been extended to 2015. 2015-2016 reflects a \$602,437 payment to the Capital Project fund to payback an advance made for the Town Square Project. Debt will be paid off in fiscal year 2014-2015.

Review of the Dixie Center Economic Development Agency Fund

This fund was created in 1997 and allows tax increment to be collected from development occurring around the Dixie Center. The amount of increment was originally capped at \$3,500,000 and revenue was used for land acquisition, roadway improvements, and other infrastructure improvements which support economic development in this area. This fund was extended by interlocal agreement to add an additional six years to the expiration date of December 31, 2017 to allow an estimated \$2.9 million in improvement costs to be recovered to help develop adjacent City property. A new Holiday Inn is under construction now.

Review of the Ft. Pierce CDA #1

This fund accounts for revenues received from improvements made by new companies locating in the Ft. Pierce Business Park in the Community Development Area # 1 (CDA). Family Dollar is the primary business within this district and based on the incentive agreement the CDA will receive 25% of property taxes paid by

Family Dollar. Viracon also re-opened in January 2015 and also has a new incentive agreement for new plant improvements. Expenditures include \$20,395 for Viracon's incentive. \$830,000 is the CDA's portion of debt service for the 2007 sales tax bonds used for the City's portion of the Southern Parkway project and Airport Parkway improvements. The incentive to Family Dollar is estimated at \$734,760. Total budget for this fund is \$1,651,155.

Review of the Ft. Pierce CDA #2

This district was created in 2014-2015 and this fund accounts for revenues received from improvements made by new companies locating in the Ft. Pierce Business Park in the Community Development Area # 2 (CDA). Environmental Stone Works and Industrial Brush Company are the newest business located in this district which have incentive agreements. Expenditures include \$11,588 for Environmental Stoneworks' incentive and \$32,446 for Industrial Brush Company's incentive. Total budget for this fund is \$47,034.

Review of the Economic Development Agency Ft. Pierce EDA #1

This fund recognizes property tax revenue from businesses locating in the Ft. Pierce Business Park in the project area #1. Fiscal Year 2015-2016 is estimated to have \$300,000 in revenues. Expenditures include the incentive payment of \$40,000 to Czarnowski and \$61,000 to the City's affordable housing fund. \$187,395 will be distributed to the various taxing agencies.

Review of the Economic Development Agency Ft. Pierce EDA #2

This fund accounts for property taxes from businesses located in EDA #2 boundaries. Wells Dairy was the primary business receiving incentives in this EDA, however Wells Dairy closed during 2014-2015 which ended their incentive agreement. This fund transfers \$120,000 to the City's affordable housing fund. In 2014-15 this fund paid off their portion of the debt service payments for the 2007 sales tax bonds which funded improvements on the Southern Corridor and Airport Parkway.

Review of Affordable Housing Special Revenue Fund

This fund accounts for transfers from Ft. Pierce EDA #1 and EDA #2 which represents 20% of revenues received in these funds. These funds are available for housing projects as approved by the Mayor and City Council with special effort being given to the historical downtown area. 2015-2016 budget is \$540,000.

Review of the Police Drug Seizures Fund

This fund is used to account for dollars or assets received from drug seizures made by our Police Department. \$4,700 is projected for next year. We will have an ending balance of \$321,733.

2009 Airport Revenue Bond Debt Service

This fund is necessary to account for the debt service for the Replacement Airport bond issue. Revenue is \$700,000 from the County per the interlocal agreement and \$271,809 from the federal government as part of the interest rate rebate from the Build America bonds issued for this project. We anticipate a reduction from the federal government resulting in a \$25,901 transfer from other funds to make up the shortfall. Total is \$997,891.

Fund Balance

One important measure of the financial well-being of a community is its fund balance. Utah State law was changed in 2013 and now allows cities to accumulate fund balances in the General Fund up to a max of 25% of the anticipated total General Fund revenues estimated for the next fiscal year. The general rule is that cities with a 10% to 11% fund balance are considered financially healthy. The City of St. George is expected to have 10-12% in this fund at the beginning of 2015-2016 and it is not anticipated any funds from this account will be used during the upcoming fiscal year.

Summary of the 2015-2016 Recommended Budget

This budget is balanced and does not propose any increase in the certified tax rate. The General Fund amount is \$57,198,766. The top ten economic development drivers in Washington County include

many of the programs sponsored by the City, probably the majority of the top 10. Those events would include the Marathon, races, softball tournaments, and especially our golf courses.

This budget is the 40th one I have submitted for consideration by the Mayor and City Council.

Again this year Deanna Brklacich has dedicated countless hours to this budget process and without her efforts it could not have been completed. I express my appreciation and thanks to her for those efforts. I would also like to thank Christina Fernandez for her help and support in putting this document together. I also express appreciation to the department heads who have responded to budget requests in a timely manner and helped in this important document.

Respectfully submitted,

Gary S. Esplin

City of St. George - Organizational Chart

The City operates under a Council–Mayor form of government. The Mayor and five Council Members are elected at large to four-year staggered terms. The Mayor serves as the chairperson of the Council. The City Manager is under the direction of the Mayor and City Council, acting as the liaison between the City departments and the Mayor and City Council. Department Heads (Police, Fire, Public Works, etc.) are appointed by the Mayor and report to the City Manager. Other departments have supporting service responsibilities (Technology Services, Human Resources, City Recorder) and also report to the City Manager.

The City of St. George has identified the following platforms as to *Why We Stand Out* and *Why We Are Remembered*:

Consistent with these objectives, the budget reflects the input of numerous individuals and groups, including the Mayor, the City Council, citizens, City Manager, department heads, budget staff, and others. This section outlines eight citywide goals that have shaped budgetary decisions for this fiscal year in efforts to enhance the quality of life for St. George citizens. Although all eight goals are important, the goal of maintaining and improving basic core municipal services is the highest priority.

Citywide Goals

- ✓ Maintain and improve basic core municipal services
- ✓ Maintain integrity of residential neighborhoods and preserve property values
- ✓ Preserve and improve public infrastructure and transportation systems including non-vehicular transportation options (i.e. bicycle lanes and routes)
- ✓ Preserve and expand existing businesses; seek new clean commercial businesses
- ✓ Develop and improve the city's recreational trails and increase recreational opportunities (i.e. provide park and green spaces for recreational activities and to enhance the environment)
- ✓ Develop and maintain community facilities
- ✓ Strengthen communications with citizens, businesses, and other institutions
- ✓ Maintain a highly qualified employee workforce

The City of St. George incorporated in 1862 and is located in the extreme southwest corner of the state of Utah, on the Utah-Arizona border, approximately 300 miles southwest of Salt Lake City, Utah, and 120 miles northeast of Las Vegas, Nevada. St. George covers approximately 75 square miles and is intersected by Interstate-15, running north and south, with five on/off-ramps.

St. George was settled in 1861 by members of the LDS Church whose Mormon pioneers grew cotton in the warm climate and gave the area the nickname “Utah’s Dixie.”

St. George is the county seat of Washington County and is the economic, social, and governmental hub of southwestern Utah. St. George is a picturesque valley surrounded by impressive sandstone cliffs and is just a short drive away from the amazing Zion National Park. The regional backdrop has clear blue skies, clean air, and a friendly business environment which attracts over 2 million international visitors annually.

At an elevation of 2,760 feet, St. George has a desert climate with mild, low humidity winters with over 300 sunny days per year which promotes year-round recreation and leisure activities for which St. George hosts hundreds of sporting events each year such as the St. George Marathon (7,800 runners), the Huntsman World Senior Games (10,850 athletes from all 50 states and 20+ countries), the St. George Ironman 70.3 (2,500 athletes) and the NJCAA national fast pitch softball tournament.

St. George has a current estimated population of around 85,000 (County-wide is about 150,000) and is the 7th largest City in Utah. The region was ranked as the second fastest growing metropolitan areas in the United States and ranked as the #1 fastest growing areas and dubbed “Boomtown USA” in 2007 by Inc. Magazine. The City is also a highly regarded retirement community and a great place to raise a family with its low utility rates, low cost of living indexes, abundant retail and commercial activity, and high quality of life amenities.

Educational facilities located within St. George alone, and dependent on city services, include Dixie State University which offers both Associate and Bachelor Degrees (about 9,000 students), Dixie Applied Technical College, 5 high schools, and approximately 17 elementary and secondary schools. Approximately 64 percent of the population 25 years and over have attained some level of higher education.

The City provides a full spectrum of services to its residential citizens and commercial activities including police, fire, 911 dispatch center, streets, parks and trail system, recreation facilities and sports programs, power generation and power transmission, culinary and irrigation water, sewer collection, regional sewer treatment, public bus transit, municipal regional airport, golf courses, community arts facilities, cemeteries, development services (subdivision approval, building permits and inspections), and commercial industrial parks.

Approximately 6,000 businesses are located within St. George. Well-known businesses for which the City provides services to include Sky West Airlines (headquarter), IHC Hospital (Dixie Regional Medical Center), Family Dollar Distribution Center, Viracon, and many other industrial, retail, hospitality (hotels/motels), and professional services.

The following table represents the top employers in the City of St. George.

ST. GEORGE - PRINCIPAL EMPLOYERS		
EMPLOYER	INDUSTRY	EMPLOYEES
Washington County School District	Public Education	3,000-3,999
Intermountain Health Care	Health Care	2,000-2,999

Approximately 60 percent of the City's population is under the age of 45 and 37 percent is under the age of 25. St. George has a slightly higher median age (34.0) than the State of Utah (29.9). This is most likely due to the fact that St. George is a popular retirement community.

St. George reported a total of \$1,379,773,758 in Federal Adjusted Gross Income (AGI) in 2013, ranking 10th of 190 cities in the State of Utah in this category.

Average AGI per household was \$47,201, ranking 114th in the State, and the average Federal taxes paid per household was \$4,296, ranking 92nd. Average exemptions per household were 2.2.

2010 AGE DISTRIBUTION		
AGE	NUMBER	PERCENT
Under 5 years	5,477	7.2%
5 to 9 years	4,643	6.1%
10 to 14 years	6,250	8.3%
15 to 19 years	6,083	8.1%
20 to 24 years	5,533	7.3%
25 to 34 years	10,400	13.8%
35 to 44 years	6,827	9.0%
45 to 54 years	6,674	8.8%
55 to 59 years	4,235	5.6%
60 to 64 years	4,654	6.2%

----------------------------------	------------

The City budget can be an imposing document of charts and numbers. On closer inspection and beyond the numbers, the budget represents the investment and return for customers. The investment is in the form of local sales tax, state shared revenue and other financial resources. The return is the repaved road, park improvement or new service scheduled for the new fiscal year. The purpose of this section of the budget is to move beyond the technical jargon and assist the reader in understanding the budget process for the City of St. George.

What is a Budget?

In the simplest terms, Governmental budgeting allocates resources to public services and projects. Because it determines the total amount of taxes levied and on whom, governmental budgeting also allocates the burden of taxation. Budgeting balances the resources drawn from the public against the demand for services and projects, keeping taxes within acceptable limits and ensuring services are sufficient to allow for economic growth and social stability. Budgeting helps policy makers set goals, assist program managers and department heads to improve organizational performance, and ensures that both the elected and appointed officials are accountable to the public. The budget sets forth a strategic resource allocation plan that is aligned with strategic initiatives, community goals, preferences, and needs. The budget is a **policy guide**; a **financial plan**; a **communication tool**; and an **operations guide**.

Developing a budget is often a complex process of balancing various interests and demands for services with available resources. The complex process has shaped various types of budgeting, of which several budget types have evolved: 1) line-item budgeting, 2) performance budgeting, 3) zero-based budgeting, and 4) priority-based budgeting. The City of St. George's budget primarily resembles the basic line item budget:

✓ Line-Item Budgeting

Line-item budgeting is the format associated most commonly with budgets. This type of budgeting focuses on the input of resources as they relate to the production of services. The budget format depicts department expenditures as a list of items that will be purchased using allocated resources. For this reason, department goals, objectives, workload indicators, and performance measures are also included along with line-item details for key service areas.

Budget as a Policy Guide

The budget functions as a policy guide by indicating the City's priorities. The budget is connected to a mission statement and goals, and the amount of resources allocated to a specific department, program, or service indicates what is considered important by city officials and in turn the citizens. The budget document includes the City's financial policies to provide citizens with information on the policies that guide the use of public funds.

Budget as a Financial Plan

The most basic element of the budget, displaying the balance between revenues and expenditures, acts as a financial plan. It outlines what revenues are expected and how the City intends to use those resources. Examining revenue and expenditure trends from past budgets, helps form a financial plan

for future budgets, which ensures the City is accurate in projections to help maintain strong fiscal standing.

Budget as a Communications Tool

As a communication tool, the budget serves to hold the City accountable. The budget provides the public with information regarding how their tax money is being spent. Citizens can see whether elected officials are setting priorities based on their requests by reviewing the amount of resources being allocated to specific programs and services. Citizens also can see if their tax money is being used efficiently and effectively by reviewing each department.

Budget as an Operations Guide

As an operations guide, the budget outlines the estimated amount of work to be done and services to be provided and the cost associated with doing so. The budget indicates which departments are responsible for particular programs and services. It provides the departments with the amount of resources they have to perform their responsibilities and allows the Mayor and City Council, the City Manager, and Department Heads the opportunity to reassess goals and objectives and the means for accomplishing them. Some of these objectives include:

- ✓ Provide framework for sound financial management
- ✓ Ensure that revenue and expenditure projections are prepared based upon historical data, economic forecasts, and staff knowledge and experience
- ✓ Enhance prioritizing, strategy, and planning for both short-range and long-range needs
- ✓ Balancing resources with appropriate levels of service
- ✓ Comply with state code and statutes

Budget Roles

The **City Manager's** role is to oversee the budget process as the city's Chief Budget Officer, making sure the budget is balanced and that expenditures are within projected revenues. The City Manager prepares a tentative budget which is presented to the Mayor and City Council on or before the first regularly scheduled meeting in May of each year. The City Manager also holds the Departments accountable for expenditures, making sure they are within departmental budget appropriations.

The **Department Heads'** role is to prepare budget requests based on available revenue and the policy direction they have been given. Department Heads are also responsible for making sure their department's expenditures are within budget appropriations.

The **Budget Manager's** role, performed by the Administrative Services Director, is to compile and prepare the tentative and final budget document under the direction of the City Manager, Mayor, and City Council. This includes reviewing departmental budget requests, available resources, and making recommendations for balancing the tentative budget.

Through the budget, the City of St. George demonstrates its accountability to its residents and customers. This section provides the reader with a basic understanding of the components of the budget document and what is included in each of these components.

ORGANIZATION OF THE BUDGET DOCUMENT

The budget document includes seven major areas:

1. The **Executive Summary & Profile** provides the City Manager's Budget Message along with information about St. George, including the organization, goals and objectives, St. George community profile and demographics, and service statistics.
2. The **Budget & Policies Overview** explains the budget development process, describes the City's budgeting approach, budget timelines, fund structures, and financial policies for revenues and expenditures.
3. The **General Fund Financial Statements** illustrates the total financial picture of St. George's General Fund, including the operating statement, summary of revenues and expenses, and comparisons by year, plus the nature of expenditures by each department in the General Fund (Salaries & Benefits, Materials & Supplies, and Capital Outlays).
4. The fund tabs – **General, Enterprise, Capital Projects, Other, and Economic Development Agencies** - include information on all business units within each fund. Each Department's budget is organized in the same manner with a business unit summary page and a line-item page
5. The **Appendix** includes a detailed listing of the approved capital outlay list and a transfers schedule.

City Manager's Budget Message

The City Manager's Budget Message is a transmittal letter introducing the budget and the long and short-term goals the budget addresses. The message highlights significant accomplishments achieved and projects completed in the current year, as well as significant projects included in the proposed budget for the upcoming year. The message outlines the assumptions used in budget development such as economy, revenue constraints, and Council priorities. Also included is an overview of the budget development process, major changes to the budget from prior years, and challenges facing the organization.

Financial Overview

The financial overview begins with charts displaying available revenues (sources) and the expenditures (intended uses). Every year the budget must be balanced, ensuring that expenditures will never exceed the total available resources.

The Budget Summary provides an overview of the revenue and expenditure history for the prior year, current year actuals for the first 7 months, current year budget, current year projections, and the recommended budgets for each category. Each is then broken down into further detail in subsequent pages. The revenue source section illustrates the major funding sources by type, including assumptions and anticipated future growth.

Department Summaries Include the Following Components:

Introductory Statement: Explains the department's purpose and provides a brief overview responsibilities and services provided.

Budget Summary: Reflects the department's total budgeted expenses by category to provide both a numerical and graphical overview of the allocation of resources by the following types of expenses:

- Full-Time Employees
- Part-Time Employees
- Employee Benefits
- Materials & Supplies
- Capital Outlays

Salaries & Benefits: Depicts the authorized full-time positions and a historical number of full-time positions for the division for the prior nine fiscal years and for the budget year.

Capital Outlays: Lists equipment and improvement projects and corresponding costs requested by the division and indicates if the capital outlay was recommended in the tentative budget and approved in the final budget.

Graphs: The graphs are unique to each Department in an effort to show historical trends.

Line Item Budgets: A tabular representation of each department's line item budget with subtotals for Salaries & Benefits, Materials & Supplies, Capital Outlays, Debt Service (if applicable), and Transfers (if applicable) which includes the following annual comparisons:

- Prior Year's Actuals
- Current Year's 12-Month Estimate
- Current Year's Budget
- Department's Request for Next Year's Budget
- City Manager's Recommended budget for Next Year's Budget
- City Council's Approved budget for Next Year's Budget

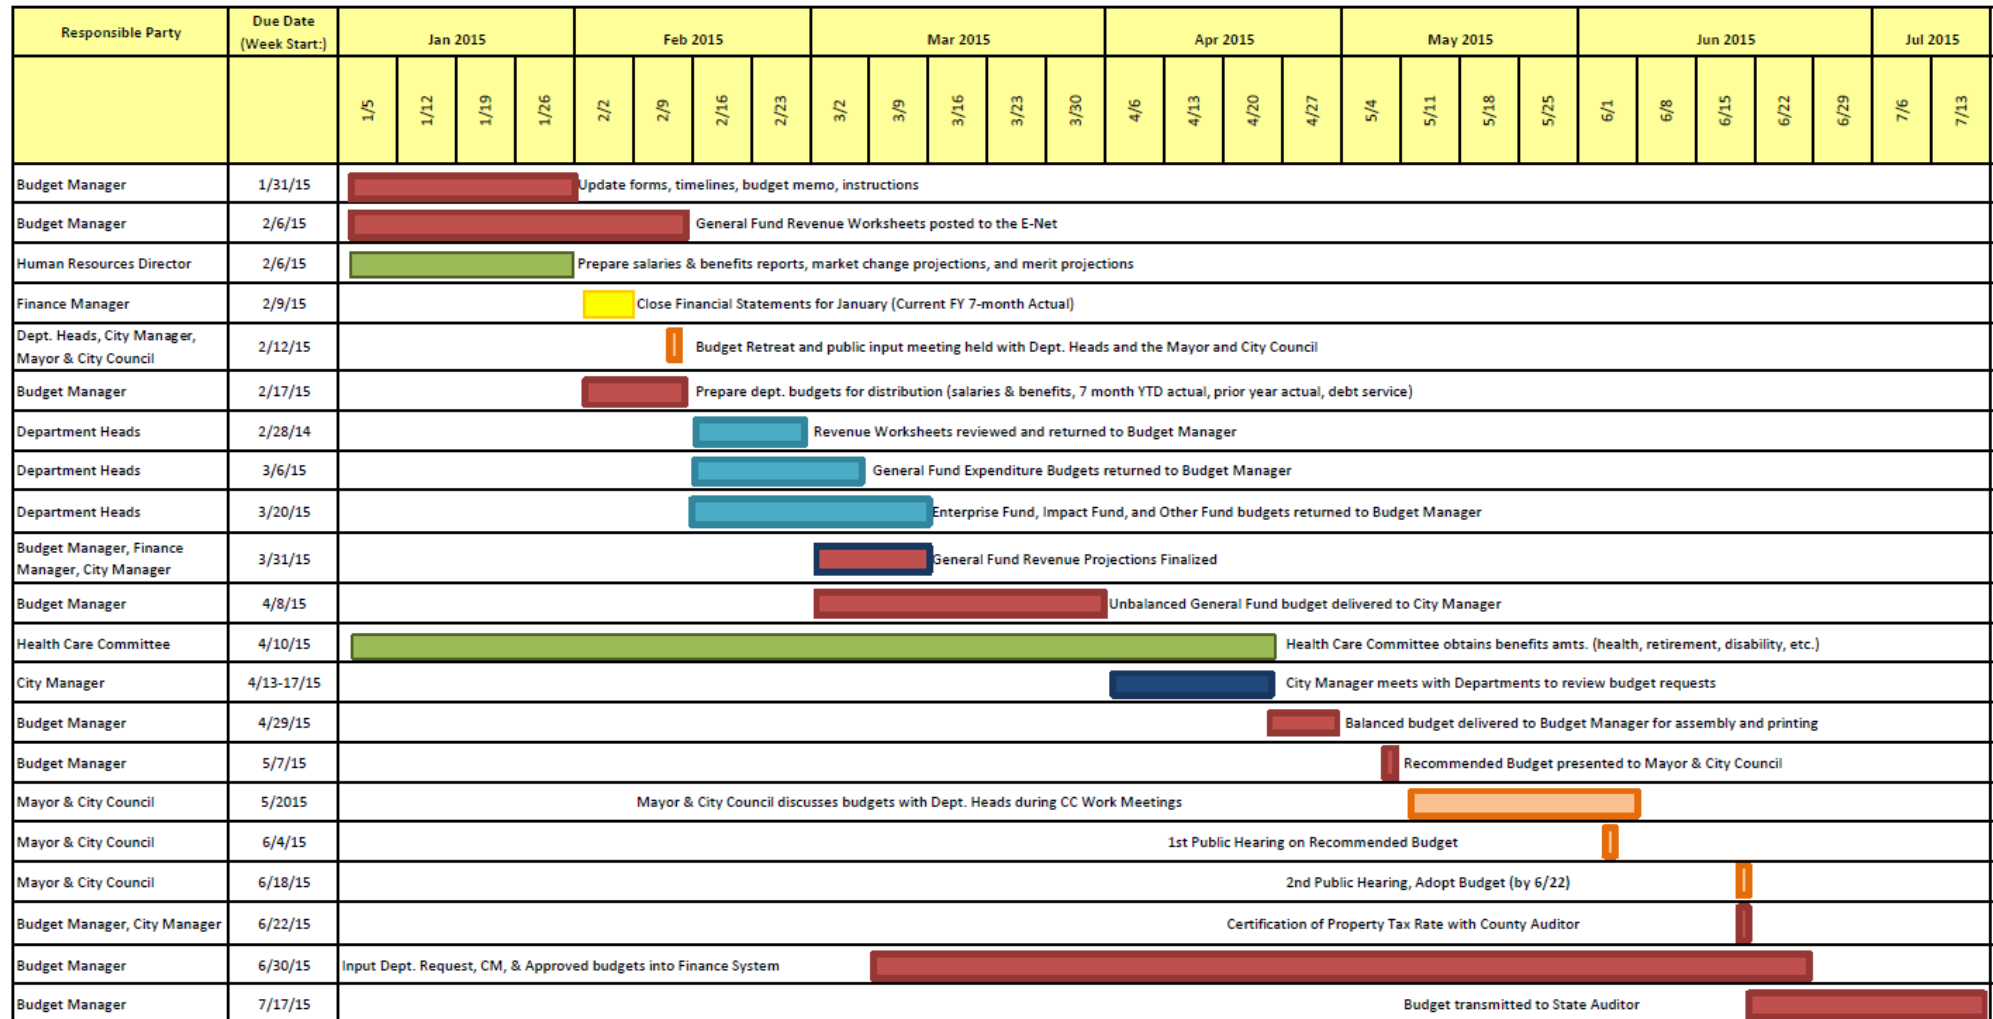

CITY OF ST. GEORGE
2015-2016 BUDGET CALENDAR

2015

Feb. 6	General Fund draft Revenue Worksheets will be posted to the E-Net.
Feb. 12	Budget Retreat and public input meeting held with Department Heads and the Mayor and City Council.
Feb. 17	Forms and Fiscal Year 2014-15 seven months actual result budgets distributed to Department Heads.
March 6	Department Revenue Worksheets for all funds returned to Budget Manager for compiling into total budget.
March 13	Department General Fund expenditure budgets returned to Budget Manager for compiling into total budget.
March 20	Enterprise Fund, Impact Fund, and Other Fund budgets returned to Budget Manager.
April 8	Unbalanced General Fund budget delivered to City Manager for balancing.
April 13-17	City Manager meets with Departments to review requests and possible adjustments in order to balance budget.
April 29	Balanced budget delivered to Budget Manager for printing and assembly.
May 7	Budget presented to City Council, per State statute.
May	City Council work meetings to discuss budget.
June 4	Public hearing on budget as proposed by Mayor and City Council.
June 18	Public hearing to adopt the budget.
July 17	Budget transmitted to State Auditor.

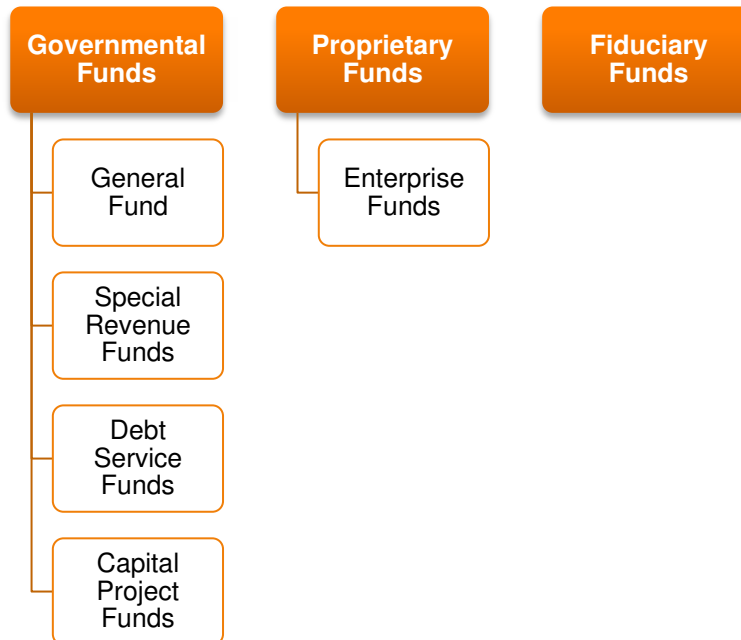

BUDGET TIMELINE AND ROLES AND RESPONSIBILITIES

The chart below graphically illustrates the full budget process from start to finish and identifies the roles of different management throughout the process.

FUND STRUCTURE

The City of St. George's accounting system is organized and operated on a "fund basis." Each fund is a distinct, self-balancing accounting entity. The funds utilized by the City are described below.

Governmental Funds

General Fund is the government's primary operating fund. It accounts for and reports all financial resources of the general government, except those required to be accounted for in another fund.

Special Revenue Funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditures for specified purposes other than debt service or capital projects.

Debt Service Funds are used to account for the accumulation of resources for payment of general

Capital Project Funds account for the resources used to acquire, construct, and improve major capital facilities, other than those financed by proprietary funds. The projects in these funds typically are multi-year projects which carryover from year-to-year until the individual project is completed. The principal source of funding is contributions from developers restricted for capital construction (i.e. impact fees), operating transfers from other funds (proprietary or special revenue funds), grants, and bond proceeds. All funds received for a particular purpose are restricted and used specifically for that purpose.

Proprietary (Enterprise) Funds include those activities that operate similar to a private business and charge a fee to the users, which is adequate to cover most or all of the costs. These functions are presented as business-type activities in the government-wide financial statements. The city reports the following enterprise funds:

- Energy Services
- Water Services
- Wastewater Collection
- Wastewater Treatment Plant
- Drainage (Storm Drain) Utility
- Solid Waste Fund
- Municipal Building Authority

Other Governmental Funds includes the non-major funds which are the following:

The Redevelopment Agency (RDA) Fund accounts for the RDA's revenues and expenditures associated with promoting new capital investment and job creation activities within the RDA areas which are also called Economic Development Agencies (EDA) and Community Development Agencies (CDA).

The following formal policy statements are presented to establish the financial goals of the City and the principles that will govern budget deliberations.

FINANCIAL PLANNING POLICIES

Balanced Budget

The City of St. George's budget process complies with the Utah Fiscal Procedures Act and Generally Accepted Accounting Principles. The City must always operate within a balanced budget, under normal circumstances. When deviation from a balanced operating budget is planned or when it occurs, the City must provide for disclosure. This is accomplished through a thorough budgeting process:

- A budget planning session with the Mayor and City Council to establish priorities
- A budget kickoff meeting with Department Heads to review priorities, budgeting policies and process, and timeframes
- Recommendations from the City Manager, Finance Director, and Department Heads
- Financial Capacity Analysis and Revenue Forecasting
- Needs assessment, level of service analysis and cost projections for personnel, operating, and capital cost requirements
- A review of the tentative budget with the City Council, City Manager, and Department Heads
- Adoption of the tentative budget on or before the first regularly scheduled meeting of the governing body in May of each year as set forth in section 10-6-111, Utah Code Annotated
- Adoption of the budget by resolution or ordinance on or before June 22 of each fiscal year. If a tax increase is contemplated, the budget must be adopted by August 17.
- A copy of the final budget must be certified and filed by the Budget Officer with the State Auditor within 30 days after adoption
- Budget amendments requested anytime that an expenditure overage or a revenue shortfall is anticipated; or an unexpected project requires funding and approval
- The City Manager may approve budget transfers of all or part of any unencumbered appropriation balance among programs within a department, office, or agency at any time during the fiscal year

Budget Oversight

The City Manager is the primary Budget Officer of the City and is the recommending authority for budget requests. Once a budget is adopted, the City Manager also has the authority to reallocate budget items within the same departmental budget or the same fund's budget; move line items to a "frozen appropriation" status; or seek appropriate cuts if revenues fail to keep pace with projections.

Budget Flexibility and Adjustments

State Law requires that a Budget Adjustment be approved prior to the encumbrance or expenditure. Budget transfers between departments, but within the same fund, requires both the Department Heads' and City Manager's authorization. Budget transfers between funds require City Council approval by following the State laws for budget amendments. Budget Openings requiring a public hearing and City Council approval are conducted approximately every 2 to 3 months, as needed. General instances which warrant a budget opening are as follows:

- New unforeseen grant and related expenditures (include routine grants in original budget)
- Unforeseen Emergency Repairs (exception to having to be pre-approved)
- Actual bids exceeded estimates on projects already approved in the budget
- Actual revenues exceed estimates (if significant)
- Unexpected vendor price increases (if significant impact on budget)
- New regulatory requirements (state, federal, etc. if significant impact on budget)
- Significant economic changes

Budget Carryforward

If completion of a project or acquisition is not expected during a fiscal year, the appropriation will lapse at the end of the current fiscal year and funding for the project or acquisition must be re-requested in the budget for the following fiscal year and balanced along with other requests.

Fund Accounting

The City follows principles of fund accounting for all governmental funds, where each fund is defined as a separate accounting entity. Each fund is a self-balancing set of accounts established for the purpose of carrying out specific activities in accordance with clearly defined restrictions and/or limitations. For enterprise funds, the City follows principles of full accrual accounting as required by GAAP.

Financial Reporting and Monitoring

The Administrative Services Department will provide monthly financial reports reflecting the operations of individual departments and funds. Such reports contain information by which City Management can manage city departments and services effectively. These reports are in part designed to alert impending short falls in revenues or overruns in expenditures. The City will monitor revenues against expenditures.

Independent Audit

State statutes require an annual audit by independent certified public accountants. Generally accepted auditing standards and the standards set forth in the General Accounting Office's Governmental Auditing Standards will be used by auditors in conducting the engagement. The selection of the Auditor and management of the auditing and reporting process will be directed by the City's Audit Committee.

Investment Policy

All City investments are made in strict conformity to the Utah Money Management Act (the MMA) which governs the investment of public funds in the state of Utah. The City has a formal Investment Policy which is certified by the Public Treasurer's Association of the U.S. & Canada. The City Treasurer is responsible for investing the City's unexpended cash and the directed goals, in order of priority are: *Safety of Principal, Liquidity, and Yield*. Safety of Principal is the foremost objective and seeks to mitigate credit risk and interest rate risk. The City seeks to maintain a sufficiently liquid position so that cash is available as needed for operating expenses. Within the framework of safety and liquidity, the City seeks to maximize its yield, or return on investments. The City's Investment Policy and the MMA requires that bank deposits are insured by an agency of the federal government and defines the types of securities allowed as appropriate investments for the City and the conditions for making investment

transactions. Presently, the City invests predominately with the Utah Public Treasurers' Investment Fund.

Long-Range Planning

The City will adopt a financial planning process that assesses the long-term financial implications of current and proposed revenues, operating and capital budgets, budget policies, cash management and investment policies, and programs and assumptions.

During the budget process, the City reviews a capital budgeting plan that requires the departments to submit a five (5) year capital outlay summary plan. The process allows the City Manager and City Management to understand what individual departments are planning and when projects can be expected to start. The departments' budget forecasts should include costs of operating the capital facility or equipment.

Asset Inventory

The City will maintain all its physical assets at a level adequate to protect its capital investment and to minimize future maintenance and replacement costs. Departments are asked to inventory and assess the condition of all major capital assets and to determine what the usable life of each item is. This information should be used to prepare a 5-year replacement schedule and plan for replacement of items before major repairs are required. Generally, the City considers any equipment, major repair, or improvement that has an individual cost of at least \$5,000 and a useful life of at least three (3) years as a Capital Outlay. Departments are encouraged to use this criteria when evaluating and submitting their annual budget requests.

REVENUE POLICIES

Revenue Diversification

The City encourages diversity of revenue sources to improve the ability to handle fluctuations in individual revenues. Whenever possible, the City should annually review user fees, impact fees, license and permit fees to determine that service costs:

- Are not being subsidized by general revenues or passed on to future generations of taxpayers: St. George City should strive for generational fairness, and thus, each generation of taxpayers should pay its own fair share of the long-range costs of City services
- To determine the subsidy level of some fees and to consider new fees: The City should finance services rendered to the general public such as police, fire, streets, and parks, from revenues imposed on the general public, such as property and sales taxes. Special services rendered to specific groups of citizens should be financed by user fees, impact fees, license and permit fees, or special assessments.
- To allow for a reasonable surplus (fund balance) to accumulate to provide sufficient working capital; to provide a cushion to absorb emergencies such as floods, earthquakes, etc.; to provide for unavoidable revenue shortfalls.

General Taxes and Revenues

The City should seek to maintain a stable tax rate. Generally taxes should not be increased unless inflation has clearly forced operating costs upward faster than growth and/or new services are instituted to meet citizens' needs. An annual analysis of general taxes and revenues will review:

- How the tax is calculated
- Significant trends
- State Law (anticipated Legislative actions and/or changes)
- Underlying assumptions for the revenue estimates, and
- A review of how St. George's taxes compare with other jurisdictions

Fees and Charges

The City is committed to offering general government services at the lowest price possible. Recognizing that it's not the intent to make money on general government services and programs, the City will continually identify, monitor, and update user fees and charges to the extent which they cover the cost of the service provided.

User fee revenue will be reviewed and updated annually during the budget process by the department that provides the service funded by the fee. User fees are based on an analysis of how much of the cost should be covered by the fee versus how much should be subsidized by general taxes and revenue. Factors considered in the analysis include:

- How the fees compare with those charged by other cities,
- Whether the service benefits the general public versus an individual user, and
- Whether the same service can be offered privately at a lower cost.

Use of One-Time Revenues

The City will discourage the use of one-time revenues for ongoing expenditures. One-time revenues should only be budgeted when they are tied to a specific expenditure in the same budget year. When a one-time revenue occurs in a fiscal year and there is not a corresponding expenditure identified in the same fiscal year, the revenue is transferred to the Capital Project Fund, where the revenue will remain until a project is identified.

EXPENDITURE POLICIES

Wages/Benefits, Operating Expenditures, Capital Outlays Ratio for the General Fund

The City has established a guideline for the General Fund of a spending ratio of Wages and Benefits to Materials and Supplies to Capital Outlays of 65% / 30% / 5%. The City will incorporate these target ratios into its annual General Fund budget with the understanding that economic factors may outweigh or temporarily preclude such, as was experienced with the recession; but that as much as possible this guideline will be maintained.

Employee Benefits

In that employee wages and benefits are the most significant City budget expenditure, the City has established a Health Care Committee comprised of management level staff from Administrative Services (Finance/Budget), Legal, and Human Resources. The Health Care Committee will annually review employee insurance and other benefits in advance of the contract renewal to determine the level

of benefits to maintain City market competitiveness, subject to budget availability. The Committee will review their findings and recommendations with the City Manager and obtain the Mayor and City Council's confirmation through the budget process.

DEBT MANAGEMENT POLICIES

Debt Capacity, Issuance, and Management

St. George will specify the appropriate uses for debt and identify the maximum amount of debt and debt service that should be outstanding at any time. City Management will endeavor to achieve high bond ratings and take any steps reasonable to preserve or improve upon

Use of debt financing will be considered under the following circumstances only:

- For one-time capital improvements and major equipment purchases, and
- When the debt will be financed for a period not to exceed the expected useful life of the project, and
- When project revenues or specific resources can be proven sufficient to cover the debt service payments

Debt financing is NOT considered appropriate for:

- Current operating and maintenance expenses except for issuance of short-term instruments such as tax anticipation notes
- Any purpose that is reoccurring of nature except as indicated above

The following guidelines should be followed with debt financing:

- City staff shall use all resources available to determine the best vehicle for debt financing
- Annual debt service shall not exceed limitations as set forth by Utah State Law. The legal debt (general obligation debt) limit for a city is 4% of the estimated market value of all personal and real property within the City. The legal debt margin for St. George City is calculated by using the formula outlined by the Utah State law:
- The City will follow full disclosure on every financial report and bond prospectus

St. George - Bond Ratings			
Bond Type	S&P	Moody's	Fitch
General Obligation Bonds	AA	Aa3	
Sales Tax Revenue Bonds	AA		AA
Excise Tax Revenue Bonds	A+		
Franchise Tax Revenue Bonds	AA		
Water Revenue Refunding Bonds	A+		A+
Electric Revenue Bonds		Baa1

FUND BALANCE (RESERVE) POLICIES

Reserve or Stabilization Accounts

St. George City will maintain a prudent level of financial resources to protect against the need to reduce service levels or raise taxes and fees due to temporary revenue shortfalls or unpredicted one-time expenditures.

Utah State Law (§ 10-6-116) allows cities to accumulate retained earnings or fund balances as appropriate in any fund. However, the law restricts balances in the General Fund as follows: (1) any fund balance less than 5% of estimated revenue may be used for working capital, certain emergency expenditures, or to cover an unexpected revenue shortfall that would result in an a year-end excess of expenditures over revenues; (2) fund balance greater than 5% but less than 25% may be used for budget purposes; and (3) any fund balance in excess of 25% must be included in the appropriations of the next fiscal year.

Fund balances are accumulated in various funds for the following purposes:

- To avoid short-term debt that might be needed to provide working capital
- To meet unexpected expenditures as the result of an emergency
- To secure the City's debt and related bond ratings
- To accumulate funding for planned capital expenditures including the replacement of capital assets
- To meet reserve requirements for liabilities already incurred but not yet paid as is the case with the Self Insurance Fund

Unreserved General Fund Balance			
Fiscal Year	Unreserved General Fund Balance	Proceeding Year Budgeted Revenue	% of General Fund Revenue
2006	\$3,903,674	\$41,274,124	9%
2007	\$3,008,661	\$44,358,419	7%
2008	\$2,851,923	\$48,957,311	6%
2009	\$2,911,989	\$50,483,155	6%
2010	\$2,890,908	\$44,195,883	7%
2011	\$3,154,811	\$44,164,884	7%
2012	\$3,171,486	\$43,649,854	7%
2013	\$5,719,123	\$47,289,293	12%
2014	\$5,686,938	\$55,798,647	10%

The increase to unreserved balance was the result of the payoff of a note. In FY 2012 this amount was reflected as reserved fund balance.

One Time Reserves

A local government that becomes dependent on one-time-revenue, or on a source of revenue that will soon disappear, can, in essence, create deficits for itself. The City will utilize one time or temporary funds to obtain capital assets or to make other nonrecurring purchases.

MAYOR & CITY COUNCIL

The Mayor and five-member City Council are elected by the citizens of St. George and are the legislative and governing body of the City. They have the duty to exercise and discharge all of the rights, powers, privileges and authority conferred upon them by State law and other laws of the City. The City Council convenes on the 1st and 3rd Thursday of every month whereby they review and vote on the passage of all ordinances, resolutions, and other City business for the betterment of the community.

HUMAN RESOURCES

The Human Resources Department consists of 4 full-time employees and is responsible for recruiting, employment, benefits, compensation, payroll, training, and employee relations. They provide these services for over 600 full-time employees and 300 to 450 part-time employees, depending on hiring needs. The number one goal of the department is to be a responsive, valuable, and credible resource to the City and to each employee.

ADMINISTRATIVE SERVICES

In Fiscal Year 2014-15, Administrative Services and Finance were consolidated into one department which includes the City Recorder, Purchasing, Treasury, Budgeting, and Finance functions. Administrative Services assists other City departments with their financial management and reports, budgets, procurement, and recordkeeping responsibilities. The department is responsible for documenting Council meetings, ordinances, and resolutions; overseeing municipal elections; preparing the City's annual budget; preparing the Comprehensive Annual Financial Report; maintenance of the City's general ledger; the collection, deposit, investment, and disbursement of all City funds; Accounts Payable; and also includes Utility Billing personnel who prepare, mail, and collect 40,000 billings each month.

TECHNOLOGY SERVICES

Technology Services is responsible for the City's information systems which includes servicing the City's computer hardware, software, network, and web development and programming. Government Information Systems (GIS) is part of Technology Services and supports the integration of geographical information with services provided by other City departments. GIS personnel survey and create maps and related data for both the citizens and City employees. Technology Service's mission is to provide the highest quality technology-based service, in the most cost-effective manner, to facilitate the City's mission as it applies to City management, employees and citizens.

CITY BUILDING OPERATIONS

Building Operations is part of the Support Services Division and responsible for maintaining City-owned buildings and other facilities. Maintenance includes custodial services, building improvements, security, and all building repairs. Maintenance Technicians analyze, recommend, and oversee major contracted system repairs (such as heating and air condition systems) and remodeling projects. The Building Operations Division currently maintains 29 facilities.

LEGAL SERVICES

Legal Services provides legal advice to the various City departments, to the City Manager, the Mayor and City Council, and represents the City in all civil and criminal legal matters. Legal Services also provides risk management services for the City, including the adjusting of liability claims, worker's compensation claims, and safety training. Legal Services also handles the worker's compensation insurance and all property and casualty insurance programs.

CODE ENFORCEMENT

Code Enforcement activities include the inspection and processing of zoning and nuisance violations. As part of this process, Code Enforcement oversees the Administrative Code Enforcement (ACE) program which provides for the notice, enforcement, and means for assessing and collecting penalties from property owners for code enforcement violations. Code Enforcement is also responsible for administering the Rental Ordinance program.

ELECTIONS

The City's Mayor and five-member Council are selected through a municipal election process conducted every two years. The Mayor and two Council members are elected in one municipal election for a four-year term. The remaining three Council members are elected in the alternating municipal election and also serve a four-year term. The City Recorder is responsible for supervising all municipal elections and compliance with state law requirements. Special elections may also occur for the citizens' approval to issue general obligation debt or to approve tax rate increases. Division expenses generally include voting supplies and contracted services for voting judges.

DEBT SERVICE & TRANSFERS

The Debt Service Fund is used to account for part of the lease payment for the Police Building paid to the Municipal Building Authority. Funds received from Police Impact fees are first used towards the lease payment and then the difference is funded by the Debt Service division. This budget also includes the annual transfers to the Dixie Center and the transfer to recognize unbilled utility services for all divisions in the General Fund.

POLICE

The mission of the St. George Police Department is to work with the citizens of St. George to preserve life, maintain human rights, protect property, and promote individual responsibility and community commitment. The Police Department is under the leadership of the Police Chief who oversees several divisions responsible for the various unique aspects of community law enforcement. These divisions are Administrative Services, Patrol, Investigations, Special Enforcement, and Communications. Functions within these divisions include Bicycle Patrol, Motorcycle Patrol, K-9 unit, Drug and Gang Task Force, School Resource Officers, Animal Control, and Dispatch.

DRUG TASK FORCE

The City Police Department operates a multi-jurisdictional Drug and Gang Task Force comprised of Officers from St. George, Washington County Sheriff's Office, Hurricane, Washington City, Ivins City, and the Utah Highway Patrol. The Task Force's primary activities include surveillance, serving search warrants, seizing and halting production of controlled substances and documenting known gang members and suppressing their activities. With the exception of salaries, funding is provided by three federal and state grants: the High Intensity Drug Traffic Area (HIDTA) grant; and the Byrne Memorial Justice Assistance Grant and State Asset Forfeiture Grant through the Commission of Criminal and Juvenile Justice (CCJJ).

BUDGET SUMMARY

	2015-16 Approved Budget
Full-Time Employees (Overtime)	\$ 70,055
Part-Time Employees	\$ 17,840
Employee Benefits	\$ -
Materials & Supplies	\$ 167,038
Capital Outlays	\$ -
TOTAL	\$ 254,933

SALARIES & BENEFITS

The CCJJ Grant reimburses the City for wages paid to Full-Time and Part-Time Employees. However, it does not reimburse the City for employee benefits; therefore, these costs are included in the Police Department's budget.

POLICE DISPATCH SERVICES

The 911 Communications Center is the dispatch center for every police, fire, and ambulance agency in Washington County as well as being the 911 center for the public. Thousands of 911 calls are received as well as many more non-emergency calls which are disseminated from the Communications Center to the appropriate agency. Dispatch personnel are Emergency Medical Dispatch (EMD) certified and attend prescribed training programs to maintain their national and state certifications. The 911 Communications Center is funded both by a 911 surcharge assessed against phone users and also funded by other municipal and emergency agencies who use the Center's services.

FIRE

The Fire Department provides emergency response services including fire, rescue, EMS/medical, extrication along with Hazardous Materials and specialized rescue. The department also provides fire prevention, code enforcement/inspection and plan reviews along with fire investigations and emergency management for the City. The department has one hundred (101) full-time and reserve staff responding from eight (8) fire stations located throughout the city. The department has mutual aid agreements with all cities, fire departments and/or districts located in Washington County along with being a member of the five county Southwest Regional Response Team which provides hazardous-materials response to the five-county area.

ECONOMIC & HOUSING DEVELOPMENT

In Fiscal Year 2014-15, the Community Development Department was re-organized and the new Economic Development & Housing Department was formed. Economic Development & Housing will work with external development partners to facilitate attracting quality businesses to St. George; foster economic and housing development programs; administer local, state, and federal community programs; and oversee City business licensing responsibilities. This division also includes oversight of the City's four golf courses: Red Hills, Sunbrook, St. George Golf Club, and Southgate.

GOLF DEPARTMENT SUMMARY

The City owns and operates four municipal golf courses which were moved into the Economic & Housing Development department in the General Fund in Fiscal Year 2014-15. The four courses are Dixie Red Hills, Sunbrook, St. George Golf Club, and Southgate (including the Southgate Game Improvement Center and driving range). Combined, the golf courses have 72 challenging holes and are open year-round due to the accommodating climate. St. George is both a residential and tourist community. As such, the golf courses are a major attraction for visitors and are a significant contributor to the City's economy and sales tax base. This worksheet includes the combined expenses for all four courses.

RED HILLS GOLF

Dixie Red Hills was the first golf course developed by the City of St. George. Red Hills opened for play in the mid-1960s and, because of its spectacular red rock setting and playability, has been the favorite of recreational golfers ever since. Red Hills is a 9-hole par-34 layout that meanders around the sandstone cliffs of "Utah's Dixie." This golfer-friendly course also features hundreds of mature Cottonwoods, Mondale Pines, Mesquite, and other trees that provide ample shade during St. George's warmer months. Each hole is quite distinct and will leave a lasting memory in the minds of golfers.

SOUTHGATE GOLF

Southgate Golf Course is an 18-hole course and is a favorite among retired players because of its laid-back feel. The front side is relatively flat and criss-crosses the Santa Clara river. The back nine at Southgate traverse along Tonaquint Mountain and provides awe-inspiring views of the St. George area. Beginning with Fiscal Year 2011-12, the Southgate Training Center's budget has been combined with the Southgate Golf Course's budget.

ST. GEORGE GOLF CLUB

St. George Golf Club is an 18-hole golf course and is the hidden gem of southwestern Utah golf. Prior to its operation by St. George City, this course was called Bloomington Hills. During those years, it struggled to mature. Over the past several years, St. George Golf Club has become one of the outstanding golf courses in the state. The appeal of St. George Golf Club is its beautiful terrain bordering the Ft. Pierce Wash.

DEVELOPMENT SERVICES

In Fiscal Year 2014-15, the Development Services and the Inspection divisions were combined and moved into the Public Works department. Development Services assists citizens and private developers with the City's development codes, design standards, and other development issues. Responsibilities includes policy preparation and implementation of development programs; oversight and coordination for building inspections and safety; engineering review; utility and road inspections; plan review; and code compliance with adopted building codes of all new residential and non-residential construction within the City.

PLANNING COMMISSION

The Planning Commission works with Development Services to prepare and recommend General Plan amendments to the City Council; recommend zoning ordinances and maps to the City Council; administer provisions of the zoning ordinance; recommend subdivision regulations and approval or denial of subdivision applicants; and hear or decide any matters that the City Council designates. The Planning Commission is comprised of a seven-member board appointed by the Mayor and City Council and holds Planning Commission meetings on the 2nd and 4th Tuesday of each month.

AIRPORT

The St. George Municipal Airport is the aviation gateway to St. George and Southwestern Utah. The airport includes a terminal and has 9,300 foot runway with two parallel taxiways which can accommodate regional jet aircraft, 737's and Airbus 319's. The airport offers a full array of general aviation services, including hangers, aircraft tie downs, and fueling services. The Airport division's responsibilities include daily airport operations and maintenance, management for facility improvements, administration of revenue and grant resources, and other general responsibilities.

PARKS

The Parks Division is responsible to keep the parks and other City facilities safe, clean, attractive, and available to the public. Parks Division provides perpetual care for parks, trails, rights-of-ways, roundabouts, fire stations, police stations, fountains, ponds, City buildings and cemeteries. Their mission statement is to provide aesthetic, safe, and functional facilities that support the recreational and visual needs of the community.

PARKS DESIGN

Parks Design is responsible for the design and project management of new parks, trails, and other open space recreational facilities within the City of St. George. The City has set a goal to have one neighborhood park within a 1/2 mile walking-distance of every household. The City is also constructing a regional trail system and sports field complexes. Design staff are integral in formulating designs and working with the community and developers in achieving these goals.

NATURE CENTER & YOUTH PROGRAMS

The Tonaquint Nature Center is a recreational facility situated in a natural and undisturbed environment. The facility includes a pond inhabited by many species of fowl and other small wildlife; a trail system, and arboretum. Personnel strive to increase the understanding, appreciation and knowledge of natural resources while promoting environmental responsibility for our actions for the future generations' welfare. This area's main focus is camps and programs for teens and children aimed to meet the needs and wants of the St. George citizens and surrounding communities.

SOFTBALL PROGRAMS

Softball Programs is a program within the Recreation Division. The program coordinator is responsible for the creation, promotion, and management of both softball leagues and softball tournaments at the City's Canyons Complex, Little Valley Fields Complex, and Bloomington Park fields. League events include both a spring and fall league with men, women, and co-ed divisions with a participation of approximately 300 teams. Softball tournaments are held throughout the year with a projection of hosting approximately 20 tournaments, with about 675 teams participating annually.

SPORTS FIELD MAINTENANCE

The Sports Field Maintenance Division maintains City-owned athletic fields including the Canyons Softball Complex, Little Valley Softball & Soccer Complex, Bloomington Park, and other facilities. Personnel strive to have City fields in such great condition that each player feels they are playing at a major league type facility.

RECREATION ADMINISTRATION

The Recreation Administration Division is responsible for the general supervision, administrative support, long-range planning, and short-term project coordination of all City recreation programs and facilities. This includes the Recreation Center, Adult Sports, Youth Sports, Nature Center, Sports Field Maintenance, Softball Programs, City Pool, Sand Hollow Aquatic Center, and other Special Events and Programs. The Recreation Administration Division manages costs associated with utilities, buildings, vehicles, staff training, new program research and implementation, and division-wide marketing and community education.

EXHIBITS & COLLECTIONS

Exhibits & Collections is a function of the Community Arts Division. Services include the management and procurement of art and artifacts for display at the City's art museum, known as the Pioneer Center for the Arts. The Division's mission is to educate all visitors through quality exhibitions from all periods, cultures, and media, as well as to collect, conserve, inventory, exhibit, and interpret art and artifacts from Utah and the West.

COMMUNITY ARTS

The Community Arts Division is responsible for the general supervision, administrative support, long-range planning, and short-term project coordination all Community Art programs and facilities. This includes the Pioneer Center for the Arts, St. George Opera House, Arts Festival, Celebrity Concert Series, Electric Theatre, and other cultural or art events. The division strives to foster, encourage, and promote the arts in the City of St. George for the purpose of enriching and improving the lives of its residents and visitors through the creation, advocacy, and facilitation of arts programming.

OPERA HOUSE

The historic St. George Opera House and Social Hall are part of the Pioneer Center for the Arts complex and are managed through the Community Arts Division. The facilities are offered to the public and non-profit groups to rent for social occasions such as weddings, receptions, performances, dances, and fundraising activities.

ELECTRIC THEATER

The Electric Theater was originally built in 1911. The City purchased the facility in 2013 and restored and remodeled it in 2015. The Electric Theater serves as an anchor facility within the historic downtown arts district to support artists, both performing and visual, and to facilitate a diverse program of quality art education that enriches our community.

HISTORIC COURTHOUSE

The Pioneer Courthouse on the corner of 100 East and St. George Blvd. was built by the same craftsmen who worked on the St. George Tabernacle. Work on the Courthouse began in 1867 and completed in 1870. The original building was 36 by 40 feet and 3-stories high, and included a jail in the basement. Folklore has it that the cupola was designed to hang criminals, though no hangings ever occurred in the building. Today the City owns the building and the Chamber of Commerce occupies most of the building. Various civic meetings are also held in the upstairs "Courthouse Chambers."

LEISURE SERVICES ADMINISTRATION

Leisure Services Administration is responsible for the general supervision, administrative support, long-range planning, and short-term project coordination of all City Park and Recreation divisions. This includes Parks, Design, Recreation, Community Arts, Cemetery, and Pools and all of their secondary divisions and programs. Leisure Services Administration is also involved in setting goals, budgets, ordinances, and policies and procedures which affect all aspects of the community's leisure service programs and facilities.

MARATHON

The City hosts the annual St. George Marathon administered through the Leisure Services Department. The event is held the first weekend of October and is open to a maximum of approximately 7,800 runners selected through a lottery system. The St. George Marathon is over 30-years old and is rated as one of the most scenic and fastest marathons in the USA. It attracts participants from all over the United States and other countries and is also a Boston-marathon qualifier.

WATER DEPARTMENT

The Water Department's purpose is to assure an adequate supply of potable water for the citizens of St. George. The Department is responsible for the maintenance of culinary water distribution lines, storage tanks, and secondary water (irrigation) systems. The Department's focus is on Water Rights, Water Quality, Asset Management, System Mapping, and Water Modeling. The Water Department currently services approximately 22,000 residential and non-residential customers.

WASTEWATER COLLECTION

The Wastewater Collection Division is responsible for installing and maintaining all sewer collection lines and connections. Because the division functions very effectively, often the work done goes without notice by the majority of customers.

ENERGY SERVICES

Energy Services provides electric power to approximately 28,000 City residential and business meters. This is done through construction and maintenance of an extensive transmission and distribution systems. There are 20 distribution substations and approximately 900 miles of transmission distribution lines. The Department also owns and operates three generation facilities with a capacity of approximately 60 MW of capacity and is also responsible for the operation and maintenance of the 138 kV system which is shared ownership with Utah Associated Municipal Power Systems (UAMPS).

SOLID WASTE

The City contracts with Washington County Solid Waste District (WCSWD) to collect and dispose solid waste for residential citizens. WCSWD supplies solid waste containers and schedules pick-up dates. The City bills and collects monthly payments for solid waste services as part of the utility billings for electric, water, and wastewater. As such, the citizens receive only one unified billing which enhances their payment convenience and options for method of payment. A fraction of the monthly garbage fee is kept by the City for their billing services, and the remainder is remitted to WCSWD.

BUILDING AUTHORITY

The St. George Municipal Building Authority (MBA) was created in 1993 and is an enterprise fund used to account for the lease-purchase bonds issued for construction of various projects throughout the City, that will be owned by this fund and leased to other funds. The other funds make lease payments equal to the debt service on the related bonds. The Police Department Building is currently the only project leased through the MBA.

REGIONAL WASTEWATER SYSTEM

The Regional Wastewater Treatment Plant treats sewage from St. George, Washington City, Santa Clara, and Ivins. The facility currently processes about 10 million gallons each day. The plant utilizes an oxidation ditch/extended aeration process that uses physical and biological processes to clean the water. The facility has a 97-98% removal of the contaminants in the water.

DRAINAGE UTILITY

In June 2003, the City adopted the Drainage Utility Fee whereby residential and non-residential customers pay a monthly drainage fee per Equivalent Residential Units (ERU) which are determined based on the amount of non-pervious surface. The Drainage Utility fee is used for planning, designing and constructing the City storm water system. These funds are combined with flood control funds to meet capital storm water improvement needs of the City. The City's objective is to provide a city-wide system with a capacity of at least a ten-year storm.

CAPITAL PROJECTS

This category is for funding large one-time capital projects that usually span more than one funding period. At the end of each fiscal year, a portion of surplus revenues in the General Fund are transferred into this fund for future allocations.

BUDGET SUMMARY

	2015-16 Approved Budget
Full-Time Employees	\$ -
Part-Time Employees	\$ -
Employee Benefits	\$ -
Materials & Supplies	\$ 3,835,250
Capital Outlays	\$ 3,055,550
TOTAL	\$ 6,890,800

SALARIES & BENEFITS

There are no salaries & benefits associated with this Capital Projects fund.

TRANSFERS

Transfers include \$607,500 to the 2010 Flood Fund to assist with the remaining portion of the FEMA match and \$3,207,000 to the General Fund for additional projects approved in the final budget.

ECONOMIC DEVELOPMENT FUND

The Economic Development Fund is a Special Revenue fund used to account for revenues restricted as to their use for specific purposes either by statute or by City policy. The Economic Development fund was the former industrial park capital project fund which was converted to an economic development fund to be used for the accumulation of assets to attract industry, purchase property, and to provide a source of funds for City participation in economic development.

PARK IMPACT

The Park Impact fund is a Capital Projects fund. The Park Impact Fee is collected for the purpose of allocating costs of future park, trail, and recreational facility project costs to new development (growth) that will be constructed to serve new developments. The Park Impact fee is only assessed to residential developments and is collected at the time a building permit is issued.

STREET IMPACT

The Street Impact fund is a Capital Projects fund. Street Impact fees are collected for the purpose of allocating costs of future roadways to new development (growth) that will be constructed to serve new developments. The Street Impact fee is assessed to both commercial (based on trip ends) and residential developments (based on density) and is collected at the time a building permit is issued.

TRANSPORTATION IMPROVEMENT FUND

The Transportation Improvement Fund (TIF) is a Special Revenue fund used to account for revenues restricted as to their use for specific purposes either by statute or by City Policy. In 1998, voters authorized a 1/4 cent sales tax, also known as the Highway Option Sales Tax, to be used for transportation-related improvements. The City of St. George invoked the Highway Option Sales tax on January 1, 1999 and in 2007, the State Legislature passed an increase from .25% to .30% on non-food items while deleting the tax on food items.

REPLACEMENT AIRPORT

The Replacement Airport fund accounts for revenues and expenditures for the construction of the new replacement airport. Construction is funded through federal grants, local sources, and other contributions. The project is a multi-year project until all grant funds and expenditures are realized. The general operations of the Airport continue to be budgeted through the Public Works Department in the General Fund. The Replacement Airport, which officially opened on January 12, 2011, is an incredible facility and asset to the citizens of St. George City and Washington County.

2010 FLOOD PROJECTS

In December 2010 the City of St. George and surrounding communities sustained significant damage to public and private property during a three-day flood disaster. The City incurred millions of dollars in repair and reconstruction costs for bridges, roads, parks, trails, utilities, and river channel dredging and armoring. The 2010 Flood Project fund is used to account for both the costs of reconstruction and to account for funding from FEMA, the State of Utah, other government agencies, and the City.

2012 FLOOD PROJECTS

In September 2012, the City of St. George and surrounding communities sustained significant damage to public and private property during a flood disaster. The City incurred repair and reconstruction costs for mutual aid to neighboring cities, roads, trails, utilities, and debris removal. The 2012 Flood Project fund is used to account for both the costs of reconstruction and to account for funding from FEMA, the State of Utah, other government agencies, and the City.

DIXIE CENTER OPERATIONS

In January 1997, the City and Washington County formed the Washington County Intergovernmental Agency (WCIA) partnership to acquire, construct, equip, operate, and maintain the Dixie Convention Center. The County's participation is 62% and funding is provided through collection of a Resort Tax. The City's participation is 38% and funding is provided through collection of a Municipal Transient Room Tax (MTRT) on St. George hotels and motels, and is also funded through a transfer of sales tax revenue from the General Fund. The County manages and oversees the facilities marketing and promotion, and scheduling events. The City oversees the day-to-day operations including maintenance and event management.

SELF INSURANCE FUND

The Self Insurance Fund is used as an internal service fund whereby the City's departments and divisions are billed for their share of liability and property insurance. Liability insurance is allocated based upon the number of Full-Time "Equivalent" Employees and vehicles per department; and property insurance is billed based upon the proportionate share of property value covered. Miscellaneous claims are also paid from this fund.

POLICE DRUG SEIZURES

As the Washington County Drug/Gang Task Force collects monies for crime-involvement activities, they place it in this account. The money is then either returned to the owner or forfeited. All forfeited funds are sent to the State of Utah. Returned funds are generally programmed to fund one-time capital expenditures.

RECREATION BOND DEBT SERVICE

State Law (59-2-911) allows taxing agencies to add a tax levy for the purpose of paying debt service payments and providing for a sinking fund in relation to voter authorized indebtedness. The revenues collected from the levy can only be used for the purpose which the levy was made. In 1996, citizens voted for the issuance of General Obligation Bonds (\$18 million total) for the purpose of constructing recreational facilities. This Recreation Bond Debt service fund is used to account for the accumulation of resources and payment of the G.O. Bonds.

RECREATION, ARTS, & PARKS TAX (RAP)

The Recreation, Arts, & Parks (RAP) Tax is a 1/10 of 1% sales tax on non-food items. Proceeds can be used on publically-owned and operated athletic fields and parks, trails, playgrounds, etc. It can also be used to support and help develop cultural organizations to advance and preserve art, music, theater, dance, etc. The voters approved the RAP tax during 2014.

2007 SALES TAX ROAD BOND

In November 2007, the City issued Sales Tax Revenue bonds for \$24,775,000 for road and transportation projects. The funds will be expended over several years for the Mall Drive Bridge; the Dixie Center secondary access road; towards the City's match for the Southern Parkway and Atkinville Interchange projects; as part of the roads and parking for the Replacement Airport; and other transportation improvement projects. The bond is payable in semi-annual debt service payments over a ten-year period, maturing in May 2018. This fund accounts for both the construction funding via transfers to other funds, and the debt service payments.

2009 AIRPORT BOND DEBT SERVICE

In Fiscal Year 2010, in recognition of the economic and community benefits of the Replacement Airport, Washington County agreed to participate with the Replacement Airport's construction funding by committing a portion of their Tourism, Recreation, Culture, and Convention (TRCC) taxes in the amount of \$700,000 annually over a 25-year period. The City then pledged this revenue stream to secure bond financing for the Replacement Airport project. The bonds were issued under the Build America Bonds (BAB) program whereby the City will receive a percentage of interest payments back from the Federal Government. This fund is used to reflect annual receipts from the County and the Federal Government, and the corresponding debt service. Debt service is shown at gross amounts and the refunds from the Federal Government are shown as revenue.

AIRPORT PFC FUND

The Airport Passenger Facility Charge (PFC) Program allows the collection of PFC fees for every enplaned passenger at commercial airports controlled by public agencies. Airports use these fees to fund FAA-authorized projects that enhance safety, security, or capacity; reduce noise; or increase air carrier competition. Participation in the PFC Program is done through an application process in which the FAA determines the maximum amount of fees that can be collected under each Application Number.

HOUSING FUND

As part of the adopted budgets for the Fort Pierce Economic Development Agency District's No. 1 and No. 2, the St. George Redevelopment Agency is required to use 20% of the tax increments received to fund affordable housing projects within the City. This fund accounts for the annual transfer of the 20% from the two Fort Pierce EDA Districts and will also account for affordable housing projects in which the City participates.

PUBLIC TRANSIT SYSTEM

The City's public transit system, SunTran, is a division in the Public Works Department. SunTran buses provide 40-minute route service on four routes and over 60 bus stops throughout St. George, Monday through Saturday. SunTran also provide paratransit bus services. A large portion of SunTran's funding is through Federal grants due to the City being designation as a Metropolitan Planning Organization (MPO) area in 2004. Additional revenues are through rider fares, advertising fees, and grant-match funding through the Transportation Improvement Fund.

JOHNSON DINOSAUR DISCOVERY SITE

In February 2000, Dr. Sheldon Johnson discovered dinosaur tracks at farmland owned by the Johnson Family. The discovery was significant to the citizens and scientific community and led to the construction of the Johnson Dinosaur Discovery Site building funded by local, state, and federal funding and also through public donations. The mission of the Dinosaur Discovery Site at Johnson Farm is to research, preserve, and exhibit the fossil resources and story for the benefit, education, and enjoyment of the community, the general public, and the scientific world. In Fiscal Year 2010-2011, the City Council authorized turning the full operations responsibilities of the museum to the Dinosaur Foundation. However, ownership of the site and building will remain the City's and therefore the existing fund balance will be retained to fund future capital outlays.

COMMUNITY DEVELOPMENT BLOCK GRANT FUND

The Community Development Block Grant (CDBG) program allocates annual grants to larger cities and urban counties to develop viable communities by providing decent housing, a suitable living environment, and opportunities to expand economic opportunities, principally for low- and moderate-income persons. The City of St. George became an entitlement city in 2004 when it was designated as a Metropolitan Planning Organization (MPO). Programs are funded through a specific application process and approved by the Mayor and City Council. The annual federal allocation is generally less than \$500,000; however, some funding is rolled over to subsequent years when the project can be completed.

SWITCHPOINT

Switchpoint Community Resource Center opened in August 2014 and is a new City facility designed to assist our community's homeless population. Switchpoint is equipped to accommodate up to 64 individuals with temporary housing and its goal is to provide its patrons with the support, job sets, and social skills needed to transition individuals' lives to get them marketable, employed, housed, and equipped with the skills necessary to regain stability in their life. Switchpoint's motto is *"It Takes All Of Us"* and the facility also provides onsite case workers, workforce services, food pantry, and other supporting services.

DOWNTOWN REDEVELOPMENT

The Downtown Redevelopment Agency encompasses approximately 14 blocks in the downtown area of the City from 500 East to 100 West on both sides of the St. George Boulevard and along Tabernacle. Tax increment from new development is used to make improvements in that area. This agency was extended to 2015 by Interlocal Agreement with the County, School District, and Washington Water Conservancy District.

DIXIE CENTER ECONOMIC DEVELOPMENT AGENCY

In October 1997, the City Council authorized participation in the I-15 (Dixie Center) Economic Development project which allows the St. George Redevelopment Agency to collect tax increment from the Dixie Center project area. Tax Increment revenues are authorized to be used in funding land acquisition, roadways, and other utility infrastructure improvements which foster economic development. The district was invoked January 1, 2006 and has a twelve-year term.

COMMUNITY DEVELOPMENT AGENCY #2 - FORT PIERCE

This fund was created to promote economic development activity in the Ft. Pierce Business Park. Taxes paid on new developments are used to complete infrastructure improvements and provide economic incentives to attract businesses to the St. George area if they meet requirements established by the City and Washington County Economic Development Agency.
