**NAME OF BUSINESS:** \_\_\_\_\_

**ADDRESS:** \_\_\_\_\_ **PHONE:** \_\_\_\_\_

**MAKE:** \_\_\_\_\_ **MODEL:** \_\_\_\_\_ **YR:** \_\_\_\_\_ **COLOR:** \_\_\_\_\_

**LICENSE PLATE:** \_\_\_\_\_ **STATE:** \_\_\_\_\_

Prior to the use and operation of any vehicle used for mobile catering, the vehicle shall be thoroughly examined and inspected by the Fleet Management Division, and thereafter a vehicle shall be inspected every year to insure the continued compliance with the following requirements.

**INSPECTION**

- TIRES:** Tread depth shall be not less than 1/8" of an original or retreaded tire, with no cuts and breaks in the sidewalls.
- BODY CONDITION:** There shall be no extensive unrepaired body damage, tears, or rust holes, or loose pieces hanging from the vehicle body.
- PAINT:** The vehicle shall be properly and adequately painted, including identification as a Mobile Food Truck by painted insignia on the door, or substitute acceptable by the City.
- LIGHTS:** Headlights shall be operable on both high and low beam, and all taillights, parking lights, brake lights, signal lights, and interior lights shall be operable.
- WIPERS:** Each vehicle shall be equipped with adequate windshield wipers maintained in good operating condition.
- BRAKES:** Both the park and hydraulic or other brake systems must be operable. The foot brake pedal must be depressible beyond a point one (1) inch from the floor of the car.
- STEERING:** Play in the steering mechanism shall not exceed three (3) inches in turning the wheel side to side.
- MUFFLERS:** Mufflers shall be adequate to muffle noise and prevent the leak of noxious fumes.
- WINDOWS:** The windshield shall be without cracks or chips, and all other windows shall be intact and capable of being opened and closed.

- DOOR LATCHES: All door latches shall be operable from both the interior and exterior of the vehicle.
- SANITARY CONDITIONS: The exterior and interior of the vehicle, including the engine compartment, shall be maintained in a reasonable clean condition, free of excessive litter, foreign matter, and offensive odors.
- FIRE EXTINGUISHER
- NECESSARY MIRRORS
- WARNING DEVICES: Lights or other warning or safety equipment as required by the Fleet Management. (THIS APPLIES TO VENDING TRUCKS ONLY)

Approval after inspection shall be a requisite to operation of the vehicle, and failure to comply with any inspection requirements shall not only be grounds for refusal to issue but also for revocation of the right to utilize the vehicle as a taxicab, limousine, shuttle or vending truck.

FEE: The vehicle owner shall pay an inspection fee of \$10.00.

**A COPY OF THIS INSPECTION IS REQUIRED TO BE MAINTAINED IN THE VEHICLE AT ALL TIMES**
