**CONSENT CALENDAR:**

**a. Consider approval to award bid to Interstate Rock for the Pioneer Park Interpretive Trail.**

BACKGROUND and RECOMMENDATION: This bid is to construct an 8' wide concrete trail from the west parking lot in Pioneer Park then east to the Red Hills Desert Garden parking lot. The approximate length of the trail is a half mile. The bid also includes the installation of shade structures, creating a plaza area adjacent to the west parking lot, and a bridge over the detention basin spillway. The trail will provide spectacular views of the city as well as provide a safer route for pedestrians from the overflow parking area next to the detention basin to the Red Hills Desert Garden. Interpretive signs depicting the history of the area will be installed along the trail, but these signs are not part of this bid. Staff recommends approval.

**b. Consider approval of purchasing playground equipment via a state cooperative contract with Great Western Recreation for Royal Oaks Park.**

BACKGROUND and RECOMMENDATION: This purchase is to replace the existing playground at Royal Oaks Park. The existing playground equipment was installed in 1999, which was almost 25 years ago. The typical lifespan of a playground is 10 years, but with proper maintenance can last 15-20 years. Because the playground is older, it is difficult to find replacement parts as the playground manufacturer has stopped making many of the replacement parts. Without being able to make the proper repairs the playground is becoming a safety hazard. The replacement playground will utilize the same footprint as the existing playground. The surfacing will be changed to artificial turf which will make the playground more ADA accessible. Staff recommends approval.

- c. Consider approval to enter into an Encroachment and Landscape Maintenance Agreement with The Regency at Desert Color Community Association, Inc, Toll Southwest LLC, Desert Color Community Master Association, Inc, and Desert Color St. George LLC for installation and maintenance of landscape areas within the public right-of-way.**

BACKGROUND and RECOMMENDATION: Regency is a community in Desert Color that would like to take responsibility for the landscape installation and maintenance within the development including public streets. Staff recommends approval.

- d. Consider approval of a development and reimbursement agreement between Property Reserve, Inc., Suburban Land Reserve, Inc, and the City of St. George.**

BACKGROUND and RECOMMENDATION: This agreement covers the design, installation, ROW acquisition, reimbursement and payments for a storm drain along 3000 East and Merrill Road and roadway improvements along Merrill Road. Staff recommends approval.

- e. Consider approval of a reimbursement agreement with the Washington County Flood Control Authority for the purchase of property to restore the Ft. Pierce Wash at Quarry Ridge Drive.**

BACKGROUND and RECOMMENDATION: This project will restore the floodplain along the Ft. Pierce Wash near Quarry Ridge Drive to prevent future flooding in the area. Staff recommends approval.

- f. Consider approval of a reimbursement agreement with the Washington County Flood Control Authority for the Sunbrook Golf Course Emergency Maintenance Project.**

BACKGROUND and RECOMMENDATION: This agreement reimburses costs associated with restoration and repairs along the Santa Clara River in the vicinity of Sunbrook Golf Course. The Washington County Flood Control Authority has reviewed and approved the agreement. Costs associated with this project include engineering services, environmental permitting, and construction costs in the amount of \$200,000. Staff recommends approval.

- g. Consider approval of a reimbursement agreement with the Washington County Flood Control Authority for the Southgate Golf Course Emergency Maintenance Project.**

BACKGROUND and RECOMMENDATION: This agreement reimburses costs associated with restoration and repairs along the Santa Clara River in the vicinity of Southgate Golf Course. The Washington County Flood Control Authority has reviewed and approved the agreement. Costs associated with this project include engineering services, environmental permitting, and construction costs in the amount of \$200,000. Staff recommends approval.

**h. Consider approval of a reimbursement agreement with the Washington County Flood Control Authority for the purchase of property to construct the Merrill Road Storm Drain Extension Project.**

BACKGROUND and RECOMMENDATION: This agreement reimburses costs associated with constructing a storm drain from Washington City through St. George along Merrill Road terminating at 3000 East. The Washington County Flood Control Authority has reviewed and approved the agreement. Staff recommends approval.

**i. Consider approval of a fee waiver for the Utah League of Cities and Towns BBQ event held on Thursday, April 18, 2024 at Vernon Worthen Park.**

BACKGROUND and RECOMMENDATION: The City of the St. George is a member of the Utah League of Cities and Towns and is the host city for this annual midyear conference. In the past, the City has waived fees (special event fee and park rental fee) for this BBQ which has taken place at Crosby, Town Square, and Vernon Worthen Parks. Staff recommends waiving the 1) Park reservation fee of \$400 and 2) the Special Event Permit fee of \$150.

**j. Consider approval of an Amendment to the UDOT Federal Aid Agreement for the Foremaster Drive Culvert Replacement Project.**

BACKGROUND and RECOMMENDATION: A UDOT Federal Aid Agreement was approved and signed 11/30/2020 for the repair and replacement of the Foremaster Dr culverts which were damaged during the August 2020 storm event. Since that time, various analyses and options were studied in order to accommodate the repair of the culverts. It was apparent that the ultimate fix to the infrastructure would be more extensive and costly to repair. The original agreement included UDOT's contribution to the project in the amount of \$1,838,496 with a City match of \$133,504 (total \$1,972,000). This amendment to the agreement adds the necessary additional funds required for the project to be bid by UDOT and continue into construction. The additional City obligation for the project is \$2,200,887 (total City obligation \$2,334,391). The current project total estimate (combined UDOT and City amounts) is \$4,172,887.

**k. Consider approval of minutes from the meetings held on February 1, 2024; February 8, 2024; February 15, 2024 (Work Meeting); February 15, 2024 (Regular Meeting); February 29, 2024; and February 29, 2024 (joint meeting with Planning Commission).**

BACKGROUND and RECOMMENDATION: This item is a clean up item from a road dedication in 2018. At the time, the City purchased property from private owners for a new roadway. With the dedication of the new roadway (Crimson Cliffs Way), a portion of the purchased property (approx. 22 feet wide) was inadvertently included in the road dedication. This portion of property needs to be vacated. Staff recommends approval.
