For more information about places to escape extreme heat throughout San Joaquin County, please visit the San Joaquin County Office of Emergency Services website at www.sjready.org.

On days with high temperatures, please remember to take precautions. Stay indoors, keep physical activity to a minimum, drink plenty of water, and monitor those who are sensitive to the negative impacts of heat, including elderly, children, those who are ill, and pets. For other tips for dealing with extreme heat, including avoiding heat-related illness, please visit www.stocktonca.gov/heat or the California Office of Emergency Services, [Listos California Summer of Safety website](#).

If you are experiencing a medical emergency such as a heart attack, stroke, difficulty breathing or altered mental status, do not delay seeking care and contact 9-1-1.
