Stockton Fire Department Open House – March 23 At Fire Station No. 2 – Stockton Fire Department Training

STOCKTON, Calif. – Join the Stockton Fire Department for an Open House on Saturday, March 23, 2024, 9:00 a.m. to 12:00 p.m. (noon), at the Stockton Fire Department Training, Station No. 2, 110 W. Sonora St., Stockton, CA 95203. All members of the community are welcome to attend. See all the tools and equipment used by the Stockton Fire Department, experience demonstrations, and learn what it takes to become a firefighter.

“We enjoy having the community visit our Fire Stations,” shared Stockton Fire Chief Rick Edwards. “Not only do you get to see how and what we do each day – in a safe, non-emergency setting, it’s an opportunity for every member of the family to speak with our Firefighters, learn about our history, and have a conversation about fire prevention planning and practices. Future Firefighters will have the opportunity to understand the pathway to a career in service as a Firefighter.”

Community members are encouraged to stop by at any time during the Open House. On-street parking is available near the station. For additional information, visit www.stocktonca.gov/fire or call (209) 937-8801.
