FROM: Matt Paulin, Chief Financial Officer

SUBJECT: FY 2019-20 PUBLIC FACILITY FEE ANNUAL REPORTS

In accordance with the provisions of the State of California and Government Code Section 66006, as amended, I hereby submit the Annual Report for the Public Facilities Fee (PFF) program of the City of Stockton for the fiscal year ended June 30, 2020. The prior fiscal year's data is for comparative purposes only. State law requires the City to prepare and make available to the public an Annual Report for each fund established to account for PFFs within 180 days of the end of the fiscal year. The City Council must consider the Annual Report of the Public Facilities Fee Program at a regularly scheduled public meeting, no less than fifteen days after the information is made available to the public.

#### **Background**

The Public Facilities Fee Program has been in effect in Stockton since 1988-89. On July 6, 1988, the City Council adopted Stockton Municipal Code Section 16.72.260 et seq. (Ordinance No. 56-88 S.C.) establishing the authority to impose Public Facilities Fee. On September 12, 1988, the City Council adopted Resolution No. 88-0616 establishing that PFFs be paid at the time the City issues a development building permit. The City of Stockton began collection of the fees in November 1988.

The City of Stockton collects fees when it issues building permits for the purpose of mitigating impacts caused by new development on certain public facilities. The fee revenue is then used to finance the acquisition, construction, and improvement of public facilities needed as a result of new development. Separate funds have been established to account for PFFs in each of the following categories:

Traffic Signals Fee	Street Trees Fee
Street Improvements Fee	Street Signs Fee
Regional Transportation Impact Fee	Street Lights in Lieu Fee
Community Recreation Centers Fee	Air Quality Mitigation Fee
City Office Space Fee	Water Connections Fee
Fire Stations Fee	Delta Surface Water Connections Fee
Libraries Fee	Wastewater Connections Fee
Police Stations Fee	Public Facilities Fee - Administration Fee
Parkland Fee	Agricultural Land Mitigation Fee
Water Impact Mitigation Fee	County Facilities Impact Fee
Mossdale Tract Development Fee	

This report outlines the purpose for each of these fees. All PFF's (Regional Transportation Impact Fees, Water Impact Mitigation Fees, County Facilities Impact Fees, Agricultural Land Mitigation Impact Fees and Mossdale Tract Development Fees) are collected, retained by the City of Stockton then remitted on a quarterly or semi-annual basis to the appropriate entity.

#### Information in the Annual Report

As specified by State law, the Annual Report must include: A brief description of the type of fees in the fund, the beginning and ending fund balances by public facility type for the fiscal year, as well as any changes to the fund balance, the fees collected and the interest earned. The report must also present the amount of the fees, interest, other income, expenditures, any amount required to be refunded during the fiscal year, and fee schedules, as well as a description of each inter-fund transfer or loan made. Additional State reporting requirements can be found in the "Supplemental Reports" section, which include public improvement expenditures details of the reporting fiscal year, as well as future five-year capital cost projections and funding source information.

Government Code section 66001 (2) requires the local agency to identify the use to which the fee is to be allocated; and if the use is financing public facilities, the facilities shall be identified. In determining required findings under Government Code section 66001, subsection (D), the City of Stockton practices a first-in, a first-out method to spend the collected fees. Government Code section 66006 (F) requires: "An identification of an approximate date by which the construction of a public improvement will commence if the agency determines that sufficient funds have been collected to complete financing on an incomplete public improvement ... ". The City of Stockton does not earmark collected impact fees for any specific public improvement. Instead, the City identifies the projects that impact fees should be allocated to in the City's Five-Year Capital Improvement Program (CIP), which is presented to the City Council for approval each year. This document also includes the CIP program illustrating the planned uses for the PFF funds.

The "Supplemental Reports" section contains information regarding deferred impact fees (accounts receivable balances) and inter-fund loans representing borrowing amongst City government funds. Per the City's Administrative Guidelines for the Public Facilities Fee Program, the City of Stockton has a fee deferral program. As of June 30, 2020, the City deferred \$204,678 in fees under this program. This amount does not reflect fees the City waived in whole or in part under programs meant to encourage certain development.

The City also has \$4,810,032 in outstanding PFF interfund loans. In August of 2018, City Council approved a repayment plan for these outstanding PFF interfund loans (Reso. #2018-08-21-1107).

Development impact fees must be reasonably related to the development impact in which they address. The relationship between each PFF and its purpose for which the fee is charged is identified in each of the reports prepared.

MATT PAULIN CHIEF FINANCIAL OFFICER

### LEGAL REQUIREMENTS

### A. REOUIREMENTS FOR DEVELOPMENT IMPACT FEES

State law (California Government Code Section 66006) requires each local agency that imposes AB1600 development impact fees to prepare an annual report providing specific information about those fees. Within the AB1600 legal requirements, it stipulates that fees imposed on new development have the proper nexus to any project on which they are imposed. In addition, AB1600 imposes certain accounting and reporting requirements with respect to the fees collected. The fees, for accounting purposes, must be segregated from the general funds of the City and from other funds or accounts containing fees collected for other improvements. Interest on each development fee fund or account must be credited to that fund or account and used only for the purposes for which the fees were collected.

Current California Government Code Section 66006 (b) requires that for each separate fund the local agency shall, within 180 days after the last day of each fiscal year, make available to the public the information shown below for the most recent fiscal year:

- A brief description of the type of fee in the account or fund.
- > The amount of the fee.
- > The beginning and ending balance of the account or fund.
- The amount of the fees collected and interest earned.
- An identification of each public improvement on which fees were expended and the amount of expenditures on each improvement, including the total percentage of the cost of the public improvement that was funded with fees.
- An identification of an approximate date by which the construction of the public improvement will commence if the local agency determines that sufficient funds have been collected to complete financing on an incomplete public improvement.
- A description of each interfund transfer or loan made from the account or fund, including the public improvement on which the transferred or loaned fees will be expended, and, in the case of an interfund loan, the date on which the loan will be repaid and the rate of interest that the account or fund will receive on the loan.
- > The amount of refunds made due to sufficient funds being collected to complete financing on incomplete public improvements, and the amount of reallocation of funds made due to administrative costs of refunding unexpended revenues exceeding the amount to be refunded.

California Government Code Section 66001 (d) requires the local agency make all the following findings every fifth year with respect to that portion of the account remaining unexpended, whether committed or uncommitted:

- Identify the purpose to which the fee is to be allocated.
- Demonstrate a reasonable relationship between the fee and purpose for which it is charged.
- Identify all sources and amounts of funding anticipated to complete financing in incomplete improvements. \*
- Designate the approximate dates on which the funding is expected to be deposited into the appropriate account or fund. \*
- In any action imposing a fee as a condition of approval of a development project by a local agency, the local agency shall determine how there is a reasonable

relationship between the amount of the fee and the cost of the public facility or portion of the public facility attributable to the development on which the fee is imposed. \*

\* See the City's Fiscal Years 2020 – 2025 Capital Improvement Program adoption for more information.

### A. ADDITIONAL NOTES

The State of California Government Code Section 66002 requires local agencies that have developed a fee program to adopt a Capital Improvement Plan (CIP) indicating the approximate location, size and timing of projects, plus an estimate for the cost of all facilities or improvements to be financed by fees. A formal CIP is recommended, at a minimum, as a five-year plan. The City annually produces a five-year CIP which helps to maintain and update the City's General Plan. Further, it identifies situations where infrastructure is needed to accommodate the planned development.

The CIP relates the City's annual capital expenditures to a long-range plan for public improvements. By relating the plan for public improvements to the City's capacity for funding, and scheduling expenditures over a period of years, the CIP helps maximize the funds available.

On August 20, 2019, City Council approved Resolution #2018-07-17-1302 which extended the Stockton Economic Stimulus Program (SESP), adopted by City Council on November 17, 2015. Effective July 31, 2020, the program will remain the same and will run with no expiration unless amended by Council Resolution. SESP program includes Public Facilities Fee reduction that provides for development impact for both single-family and multi-family projects in Stockton. The areas of Public Facilities Fees reduced include city buildings and facilities, city parks and street improvements. The total fee reduction per single family home is \$19,246 and \$14,080 per unit for multi-family residential. The Program offers no tolling conditions for disadvantaged and non-disadvantaged areas and increase developer's permit limitations to 30 per subdivision and 80 citywide.

# B. <u>A REASONABLE RELATIONSHIP BETWEEN THE FEE AND THE PURPOSE FOR WHICH IT IS CHARGED</u>

The Public Facilities Fee Program has been in effect in Stockton since fiscal year 1988-89. On July 6, 1988, the City Council adopted Stockton Municipal Code 16.72.260 et seq. (Ordinance # 56-88 S.C.) establishing the authority for imposing Public Facility Fees. In general, the City is reliant upon the Public Facility Fee revenues to cover large future capital facility needs and/or commitments to mitigate the impacts of new development. The City's capital improvements provide infrastructure to the residents and businesses in Stockton to keep pace with ongoing development in, and adjacent to, the community. Public Facility Fees have been periodically increased in accord with the Engineering News Record Construction Cost Index, at which time the Capital Improvement Program has been updated to reflect those costs. The program sets forth the relationship between contemplated future development, facilities needed to serve future development and the estimated costs of those improvements based on the current General Plan for build-out. The City is in the process of updating its General Plan.

#### C. FUNDING OF INFRASTRUCTURE

Capital Improvement Plan identifies all funding sources and amounts for individual projects through FY 2025. The CIP is updated annually to reflect the current infrastructure needs of the City. As a CIP project is identified, the project is evaluated to determine the portion of the project that will service existing residents and businesses versus new development.

Once the determination of use is made, the percentage of use attributable to new development is then funded by the appropriate impact development fee based on the type of project. The percentage of use associated with existing residents or businesses are funded from other appropriate sources as identified on each individual project in the CIP sheet. All future planned infrastructure needs are outlined in the Capital Improvement Program. The funding and commencement dates for projects are adjusted, as needed, to reflect the needs of the community.

# **A.** <u>DESCRIPTION OF PUBLIC FACILITY FEES</u>, as required by California Government Code Section 66006 (b):

<u>Traffic Signal Impact Fee</u> – Provides for traffic signals as growth and development warrants and in compliance with the City's Traffic Signal Priority Rating List.

<u>Street Improvement Impact Fee</u> – Provides for a specific set of off-site non-adjacent street improvements necessary to accommodate the increase in transportation needs and traffic generated by new development.

<u>Regional Street Improvements (RTIF)</u> – Provides for regional transportation improvements in San Joaquin County (in conjunction with other cities) and addresses traffic congestion as a result of new development.

<u>Community Recreation Center Impact Fee</u> – Provides for the construction and/or expansion of Community Recreation Centers as required by growth.

<u>City Office Space Impact Fee</u> – Provides for additional administrative office space of City departments in order to maintain City administrative and general services as the City grows due to new development.

<u>Fire Impact Fee</u> – Provides for new or relocation of fire stations as required by growth resulting from new development.

<u>Libraries Impact Fee</u> –Provides for new libraries as required by growth and new development.

<u>Police Stations Impact Fee</u> – Provides for expansion of police stations as required by growth and new development.

<u>Parkland Impact Fee</u> – Provides for the acquisition of land and the development of regional and neighborhood parks.

<u>Street Trees Impact Fee</u> – Provides for necessary trees as new development is established.

Street Signs Impact Fee - Provides for necessary street signs as new development is established.

<u>Street Lights in Lieu Impact Fee</u> – Provides for proportionate cost of street light installation for new subdivisions of four or less parcels and single lot development.

<u>Air Quality Impact Fee</u> – Provides for the partial mitigation of adverse environmental effects and establish a formalized process for air quality standards as growth and development required.

<u>Water Connection Fee</u> – Provides for expansion of production and distribution facilities in the municipal water utility as growth and development required.

<u>Delta Water Supply Project Surface Water Connection Fee</u> – Provides for a portion of the annual debt service related to the Delta Water Supply Project; the unrestricted fund balance will be used to establish the Rate Stabilization Fund and early retirement of the Delta Water Supply Project debt.

<u>Wastewater Connection Fee</u> – Provides for expansion of collection and treatment capabilities in the wastewater utility as growth and development required.

<u>Public Facilities Fee Program – Administration Fee</u> – Provides for the administrative costs of the Public Facilities Fees Program; costs are recovered through the assessment charges as a percentage of fees collected.

#### **PASS THROUGH FEES**

The City collects these fees and remits to various governmental entities, organizations, or trusts.

<u>Agricultural Land Mitigation Impact Fee</u> – To mitigate for the loss of agricultural land in the City of Stockton through conversion to private urban uses, including residential, commercial, and industrial development. Fees collected by the City are remitted to the Central Valley Farmland Trust for administration and monitoring of the City's Agricultural Land Mitigation Program.

<u>Water Impact Mitigation Fee</u> – To mitigate for the impact on water and to finance the cost of the New Malones Water Conveyance Project. Fees collected by the City are remitted to Stockton East Water District (SEWD).

<u>County Facilities Impact Fee</u> – To mitigate for the loss of agricultural land and to finance the construction of region-serving capital facilities caused by future development in San Joaquin County. Fees collected by the City are remitted to the San Joaquin County Administrator.

<u>Mossdale Tract Development Fee</u> – To mitigate for the loss of Mossdale Tract Area caused by new development and to finance the flood risk reduction program and flood control facilities. Fees collected by the City are remitted to the San Joaquin Area Flood Control Agency (SJAFCA).

<u>Regional Transportation Impact Fee</u> – To mitigate for the impact on the Regional Transportation Network. Fees collected are remitted to SJCOG (15%) and SJ County (10%).

## **Traffic Signal Impact Fee Annual Report Notes**

### **Purpose:**

Provides for new and existing traffic signals as growth and new developments warrant.

### **Revenues, Expenditures & Fund Balance:**

In FY2019-20, Traffic Signal Impact Fee Fund collected total revenues from all fee areas of \$246,103 compared to prior fiscal year of \$277,835. The fund had no expenditures in FY2019-20. Fund balance on June 30, 2020 was \$1,637,470.

### Other Financing Sources (Transfers In and Transfers Out):

None.

### **Deferral Program:**

In 2017, the City Council approved a short-term deferral fees program for Non-residential Public Facilities Fee & Mitigation Fee (Council Reso #2017-01-24-1210). As of June 30, 2020, the fund had \$6,062 of deferred fees.

## **Traffic Signal Impact Fee Schedule**

NOTES TO THE ANNUAL REPORT: Per California Government Code Section 66001(e), no refund of PFF fees.

## **Street Improvement Impact Fee Annual Report Notes**

### **Purpose:**

Provides for traffic improvements necessary to accommodate the increase in transportation needs and traffic generated by new developments.

### **Revenues, Expenditures & Fund Balance:**

In FY2019-20, Street Improvement Fee collected total revenues of \$2,055,403, compared to the prior fiscal year of \$2,427,514. The fund's total expenditures were \$4,842,135. The fund balance on June 30, 2020 was \$22,469,705 including transfers in and transfers out.

### Other Financing Sources (Transfers In and Transfers Out):

- (a). This fund received two transfers in in the amount of \$56,541 from Community Centers Fund and \$126,898 from Police Station Fund for the interfund loans payment required by Council Reso. #2018-08-21-1107.
- (b). This fund also had two transfers out in the amount of \$25,443 to Community Centers Fund and \$18,683 to Police Station Fund for the accrued interest of the PFF interfund loans and were recorded as "Allowances for Uncollectible".

### **PFF Interfund Loans:**

The PFF interfund loans are adjusted annually as repayments are made. As of June 30, 2020, the Street Improvements Fee Fund had total PFF interfund loans receivable of \$3,214,787 (\$2,526,652 from Community Recreation Centers Fund and \$688,135 from Police Stations Fund). The outstanding balance was recorded as "Allowance for Uncollectible". As specified by Council Resolution #2018-08-21-1107, the owing fund are required to make annual payments by using excess revenues collected until the loans are paid in full.

#### **Deferral Program:**

In 2017, the City Council approved a short-term deferral fees program for Non-residential Public Facilities Fee & Mitigation Fee (Council Reso #2017-01-24-1210). As of June 30, 2020, the fund had \$182,650 of deferred fees.

### **Street Improvements Reimbursement Agreements:**

As of June 30, 2020, the City had four different Street Improvement Reimbursement Agreements with a total of \$10,395,873 for future infrastructure projects. The details of these agreements are discussed as follows:

- (1). In March of 2001, the City entered into a reimbursement agreement with the Spanos Park Development Company for the design and construction of the traffic signal at the Eight Mile Road / Thornton Road intersection (Council Reso. #2001-03-01-0140). Reimbursement to the developer was estimated at \$201,850. On June 30, 2020, the remaining balance was \$201,850.
- (2). In July of 2007, the City entered into a reimbursement agreement with Dean A. Spanos for the construction of Trinity Parkway from the Bear Creek Bridge to Otto Drive (Council Reso. #2007-07-0329). The reimbursement agreement was estimated at \$7,598,782 (with cash payments of \$2,502,800 and fee credits of \$4,095,982 as stipulated in the agreement). The balance on June 30, 2020 was \$6,598,782.
- (3). In November of 2007, the City entered a reimbursement agree with Vascorp Investment Corporation Inc. for the construction of Holman Road Bridge over Bear Creek (Council Reso. #2007-11-07-0489). The reimbursement agreement was estimated at \$3,095,241. The remaining balance on June 30, 2020 was \$3,095,241.
- (4). In December of 2008, the City entered into a reimbursement agreement with Lodi Unified School District for the construction of street and water system improvements at McNair High School along West Morada Lane (Council Reso. #2008-12-08-0471). The reimbursement agreement was estimated at \$1,890,307 (with \$1,712,892 fund by Street Improvements Impact Fees and \$177,412 funded by Water Connection Fees). The balance on June 30, 2020 was \$500,000.

## **Street Improvements Impact Fee Schedule**

NOTES TO THE ANNUAL REPORT: Per California Government Code Section 66001(e), no refund of PFF fees.

#### Fee Incentive Program: (Resolution #2015-11-17-1602 & #2016-01-12-1206):

Reduced Street Improvements fee by 50% for non-residential projects citywide until General Plan and Nexus Study are completed; exempted Street Improvements Fee for residential projects in the "Greater Downtown Area" until December 31, 2018 (Resolution #2016-01-12-1206); and exempted Street Improvements Fee if qualified for the Stockton Economic Stimulus Program in 2018 for single-family or multi-family residential projects developed within the existing city limits until December 31, 2018 or until the program expires; and maintained the Public Facility Fee Administrative fee of 3.5% until the applicable sunset dates (Resolution 2015-11-17-1602).

## **Regional Transportation Impact Fee Notes**

### **Purpose:**

Provides for regional transportation improvements in San Joaquin County (in conjunction with other cities) and addresses traffic congestion as a result of new developments. The fee provides funding for transportation improvements required to serve new developments and to ensure that existing service levels can be maintained. The City retains 75% of the fees collected. The remaining 25% is paid out to SJ County (10%) and SJCOG (15%).

### **Revenues, Expenditures & Fund Balance:**

In FY2019-20, this fund collected total revenues of \$2,143,364, compared to the prior fiscal year of \$1,439,337. The fund had expenditures of \$2,528. Fund balance on June 30, 2020 was \$9,743,108.

### Other Financing Sources (Transfers In and Transfers Out):

None.

### **Deferral Program:**

None.

NOTES TO THE ANNUAL REPORT: Per California Government Code Section 66001(e), no refund of PFF fees.

## **Community Recreation Centers Fee Annual Report Notes**

### **Purpose:**

Provides for the construction and expansion of Community Recreation Centers as required by new developments.

### **Revenues, Expenditures & Fund Balance:**

In FY2019-20, the fund received total revenue of \$30,508 compared to prior fiscal year of \$56,541 and incurred \$25,443 of interest expense for the interfund loans from Street Improvement Fund. Fund balance on June 30, 2020 was \$30,508.

### Other Financing Sources (Transfers In and Transfers Out):

In FY2019-20, the fund had a transfer in of \$25, 443 for the accrued interest and a transfer out of \$56,541 to Street Improvement Fund for the interfund loans payment required by Council Reso# 2018-08-21-1107.

### **Deferral Program:**

In 2017, the City Council approved a short-term deferral fees program for Non-residential Public Facilities Fee & Mitigation Fee (Council Reso #2017-01-24-1210). As of June 30, 2020, the fund had \$312 of deferred fees.

### **Other Long-Term Liabilities:**

As of June 30, 2020, this fund had total interfund loan balance of \$2,526,652 owed to Street Improvement Fund and was recorded as "Allowance for Interfund Loans." As specified by Council Reso. #2018-08-21-1107, this fund is required to make annual payments by using excess revenues from fees collected until the balance is paid in full.

NOTES TO THE ANNUAL REPORT: Per California Government Code Section 66001(e), no refund of PFF fees.

#### Fee Incentive Programs: (Resolution 2015-11-17-1602 & Resolution 2016-01-12-1206):

Reduced Community Recreation Centers Fee by 50% for non-residential projects citywide until General Plan and Nexus Studies are completed; exempted Community Recreation Centers Fee for residential projects in the "Greater Downtown Area" until December 31, 2018 (resolution #2016-01-12-1206); and exempted Community Recreation Centers Fee if qualified for the Stockton Economic Stimulus Program in 2018 for single-family or multi-family residential projects developed within the existing city limits until November 17, 2018 or until the program expires; and maintained the Public Facility Fee Administrative fee of 3.5% until the applicable sunset dates (resolution #2015-11-17-1602).

### Fire Stations Impact Fee Fund Annual Report Notes

### **Purpose:**

Provides for new and/or relocation of fire stations as required by growth of new developments.

### **Revenues, Expenditures & Fund Balance:**

In FY2019-20, the fund collected total revenues of \$70,862, compared to prior fiscal year of \$120,031. There were \$35,291 of interest expense for the interfund loans from Street Improvement Fund in FY2019-20. The ending fund balance on June 30, 2020 was \$70,862, including transfers in and transfers out.

### Other Financing Sources (Transfers In and Transfers Out):

In FY2019-20, this fund had a transfer in of \$35,291 for the accrued interest on PFF interfund loans and a transfer out of \$120,031 to Libraries Fund for the interfund loans payments required by Council Reso. #2018-08-21-1107.

### **Deferral Program:**

In 2017, the City Council approved a short-term deferral fees program for Non-residential Public Facilities Fee & Mitigation Fee (Council Reso #2017-01-24-1210). As of June 30, 2020, the fund had \$730 of deferred fees.

### **Other Long-Term Liabilities:**

As of June 30, 2020, this fund had a total interfund loan balance of \$1,595,245 owed to Libraries Fund and was recorded as "Allowance for Interfund Loans." As specified by Council Reso. #2018-08-21-1107, this fund is required to make annual payments by using excess revenues from fees collected until the balance is paid in full.

NOTES TO THE ANNUAL REPORT: Per California Government Code Section 66001(e), no refund of PFF fees.

#### Fee Incentive Programs: (Resolution 2015-11-17-1602 & Resolution 2016-01-12-1206):

Reduced Fire Stations fee by 50% for non-residential projects citywide until General Plan and Nexus Studies are completed; exempted Fire Stations fee for residential projects in the "Greater Downtown Area" until December 31, 2018 per Council Resolution #2016-01-12-1206; and exempted Fire Stations fee if qualified for the Stockton Economic Stimulus Program in 2018 for single-family or multi-family residential projects developed within the existing city limits until November 17, 2018 or until the program expires; and maintained PFF Administrative fee of 3.5% until the applicable sunset dates, per Council resolution #2015-11-17-1602.

## **Parkland Impact Fee Fund Annual Report Notes**

### **Purpose:**

Provides for the acquisition of land and development of regional and neighborhood parks.

### **Revenues, Expenditures & Fund Balance:**

In FY2019-20, the fund collected total revenues of \$307,855, compared to prior fiscal year of \$325,666. There were no expenditures in FY2019-20. The ending fund balance on June 30, 2020 was \$7,514,348.

### Other Financing Sources (Transfers In and Transfers Out):

None.

### **Deferral Program:**

None.

### **Other Long-Term Liabilities:**

As of June 30, 2020, this fund had one outstanding reimbursement agreement. On January 11, 2011, the City entered a Parkland Acquisition and Development Reimbursement Agreement with Woodside 05N, LP and Destinations Investors 5000 LLC for the land acquisition and construction of Dorotha Mae Pitts Park, also known as North Stockton Park III. The City agreed to reimburse Woodside in the amount of \$906,936 and Destinations in the amount of \$1,118,063. Per Council Reso. #2011-01-11-0003, the City made initial payments of \$496,890 to Destinations Investors and \$403,110 to Woodside 05N. The remaining reimbursement balance on June 30, 2020 was \$1,124,999 (\$503,826 is owed to Woodside and \$621,173 is owed to Destinations).

NOTES TO THE ANNUAL REPORT: Per California Government Code Section 66001(e), no refund of PFF fees.

### Fee Incentive Programs: (Resolution 2015-11-17-1602 & Resolution 2016-01-12-1206):

Exempted Parkland Impact Fee for non-residential projects citywide until General Plan and Nexus Studies are completed; exempted Parkland Impact Fee for residential projects in the "Greater Downtown Area" until December 31, 2018 per Council resolution #2016-01-12-1206; and exempted Parkland Impact Fee if qualified for the Stockton Economic Stimulus Program in 2018 for single-family or multi-family residential projects developed within the existing city limits until November 17, 2018 or until the program expires; and maintained PFF Administrative fee of 3.5% until the applicable sunset dates, per Council Resolution #2015-11-17-1602.

### Street Lights In Lieu Impact Fee Fund Annual Report Notes

#### **Purpose:**

Provides for proportionate cost of street light installations for new subdivisions of four or less parcels and single lot development.

#### **Revenues, Expenditures & Fund Balance:**

In FY2019-20, the fund collected total revenues of \$18,633, compared to prior fiscal year of \$17,544. There were no expenditures in FY2019-20. The ending fund balance on June 30, 2020 was \$461,361.

#### Other Financing Sources (Transfers In and Transfers Out):

None.

#### **Deferral Program:**

None.

#### **Other Long-Term Liabilities:**

None.

NOTES TO THE ANNUAL REPORT: Per California Government Code Section 66001(e), no refund of PFF fees.

### Air Quality Impact Fee Fund Annual Report Notes

#### **Purpose:**

Provides for the mitigation, studies, and management of adverse environmental effects and establishes an air quality standard for air pollution control resulted from growth and new development.

#### Revenues, Expenditures & Fund Balance:

In FY2019-20, the fund collected total revenues of \$754,555, compared to prior fiscal year of \$914,980. There were \$228,948 of expenditures on the Green Initiative Project and a transfer out of \$10,000 to fund the multi-projects in FY2019-20. The ending fund balance on June 30, 2020 was \$4,641,380.

#### Other Financing Sources (Transfers In and Transfers Out):

In FY2019-20, Air Quality Impact Fund had a transfer out of \$10,000 as part of the multi-projects cost allocations.

#### **Deferral Program:**

None.

#### **Other Long-Term Liabilities:**

None.

NOTES TO THE ANNUAL REPORT: Per California Government Code Section 66001(e), no refund of PFF fees.

### **Water Connection Fee Fund Annual Report Notes**

#### **Purpose:**

Provides for the operations and distributions of water services (including connections, transmission, and construction of existing and new water line) in the Municipal Water Utility as required by growth and new development.

Notes: This impact fee is a utility enterprise fund and is reported under the full accounting standard set by FASB, not under the modified accounting standard set forth by GASB.

#### **Revenues, Expenditures & Fund Balance:**

In FY2019-20, the fund collected total revenues of \$3,378,266, compared to prior fiscal year of \$765,967. There were \$37,974 of expenditures on engineering services. In addition, the fund also received a \$569,530 reimbursement from the Federal Government for the water infrastructure project and incurred \$136,153 in interest expense. The ending fund balance on June 30, 2020 was (\$3,586,885).

Notes: The negative fund balance was due to all the excess water connection fees that were transferred out to Debt Service Fund 423 to cover for Water Bonds Series discussed as follows:

#### Other Financing Sources (Transfers In and Transfers Out):

All transfers within enterprise funds are debt related only. In FY2019-20, this fund had two transfers out in the amount of \$180,107 to the 421 fund (Stockton Water District) and \$1,336,687 to 423 fund (Water COP) to pay for the 2018A (Green Bonds) Series.

#### **Deferral Program:**

None.

#### **Other Long-Term Liabilities:**

None.

#### 2018A Series (Green Bonds):

On August 11, 2009, the Stockton Public Financing Authority issues a series of Taxable Water Revenue Bonds in the amount of \$154,550,000, under the American Recovery and Reinvestment Act of 2009, to finance the first phase of the Delta Water Supply Project. Pursuant to the Recovery Act, the Stockton Public Financing Authority is to receive cash subsidy from the US Treasury equal to 35% of the interest payable on the bonds of each interest payment. This subsidy was expected to be reduced to 6.9% beginning September 30, 2018. The total outstanding balance in 2018A Series in the amount of \$140,385,000 on June 30, 2020 and is required to make twenty annual payments, beginning October 1, 2019 and ending October 1, 2038, using the net available monies from the Water Utilities Fund and the Delta Water Connection Fees Fund. Payments of 2018A Series will be made on annual installments ranging from \$4,835,000 to \$12,195,000 with the interest rate ranging from 4% to 5%, beginning on October 1, 2019 and ending October 1, 2037.

#### **Water Connections Fee Schedule**

Under Senate Bill 221 and 610, all engineering studies require a deposit of \$12,500.00.

Notes: City fee incentive programs do not exempt water connection fees. Adopted fees apply to all fee areas.

### **Delta Water Supply Connections Fee Annual Report Notes**

#### **Purpose:**

Provides for a portion of the annual debt service related to the Delta Water Supply Project. The unrestricted fund balance will be used to fund or provide for early retirement of the Delta Water Supply Project debts.

Notes: This impact fee is a utility enterprise fund and is reported under the full accrual accounting standard set by FASB, not under the modified accrual accounting standard set forth by GASB.

#### Revenues, Expenditures & Fund Balance:

In FY2019-20, Delta Water Supply Connection Fee collected total revenues of \$3,009,671, compared to the prior fiscal year of \$2,056,997. The fund had no expenditures. The ending fund balance on June 30, 2020 is \$3,073,879.

Notes: The transfers out of available fund balance were to pay for the bonds issued by the Stockton Public Financing Authority to finance Delta Water Supply Projects.

#### Other Financing Sources (Transfers In and Transfers Out):

None.

#### **Deferral Program:**

None.

#### 2018A Series (Green Bonds):

On October 20, 2010, the Stockton Public Financing Authority originally issued Demand Water Revenue Bonds Series A in the amount of \$5,000,000 as variable rate to finance the Delta Water Supply Project. Due to the city entering Chapter 9 Bankruptcy, the bonds were remarketed and converted to long-term fixed rate on November 26, 2013 to reduce the risk of variable rate exposure. On Nov. 5, 2019, the 2010A Water Revenue Bonds were refunded by the new 2019A Water Revenue Refunding Bonds. The 2019A Series owns the total outstanding balance in the amount of \$54,785,000 on June 30, 2020 and is required to make twenty-one annual payments, beginning October 1, 2020 and ending October 1, 2040. Payments of the 2019A Series will be made on annual installments ranging from \$500,000 to \$15,500,000 with the interest rate ranging from 1.5% to 4%.

### **Wastewater Connections Fee Annual Report Notes**

#### **Purpose:**

To provide for the expansion and improvement of wastewater collection and treatment capacities and facilities as required by growth and new development.

Notes: This impact fee is a utility enterprise fund and is reported under the full accounting standard set by FASB, not under the modified account accounting standard set forth by GASB.

#### **Revenues, Expenditures & Fund Balance:**

In FY2019-20, the fund collected total revenues of \$7,532,021, compared to prior fiscal year of \$2,434,979 this includes monies received for sewer infrastructure reimbursement from the Federal Government in the amount of \$4,753,799. There were \$302,616 of expenditures on capital projects, and the total expenditures were capitalized. The fund had two transfers out in total of \$3,760,541 to cover for the Wastewater Revenue Refunding Bonds. The ending fund balance on June 30, 2020 was \$9,306,443.

Notes: The transfers out of available fund balance were to pay for the bonds issued by the Stockton Public Financing Authority to finance wastewater projects.

#### Other Financing Sources (Transfers In and Transfers Out):

Transfers in and out of enterprise funds are debt related only. In FY2019-20, Wastewater Connection Fees Fund has transferred \$302,616 to Wastewater Utilities Fund 431 and \$3,457,925 to Wastewater COP Fund 433 to pay for the Wastewater Revenue Refunding Bonds, 2014A Series discussed as follows:

#### **Wastewater Revenue Refunding Bonds, 2014A Series:**

In 1998 and 2003, the Stockton Public Financing Authority issues two series of bonds to finance the City's wastewater projects. To save money and cut cost on long-term debts, the City issues new bonds (the Wastewater Revenue Refunding Bonds, 2014A Series) and refunded the 1998A and 2003A Series. The 2014A Series was issued by the Stockton Public Financing Authority in the amount of \$69,440,000, with 15 annual installments ranging from \$3,230,000 to \$6,530,000 and interest rates ranging from 3% to 5%. Each annual installment will be paid in two payments (March 1 and September 1) beginning March 1, 2015. The bonds are expected to mature on September 1, 2029. The 2014A Series was issued as redeemable prior to maturity date. The bond payments are to be provided by Wastewater Enterprise Fund and Wastewater Connection Fees Fund at the rate of 47% and 53% respectively.

#### **Wastewater (Sanitary) Connection Fees Schedule:**

Notes: Per Council resolution #02-0332, the fee schedule applies for all fee areas and the same for all fiscal years, effective June 1, 2002.

House (SFU) = 300 Gal./1500 SF = .2 Gal./SF;

Standard Rate Base = 500 SF/Person

Fee Zones:	Amou	ınt Per SFU		<b>Combined</b>		<b>Future</b>	]	Existing	 Project
North of Calaveras	\$	3,634.00	=	\$ 2,100.00	+	\$ 1,134.00	\$	400.00

### Pass Through Fees – All Mitigation Fees – Annual Report Notes

#### **Purpose:**

To mitigate for the impact on water and agricultural land through conversion of land for private urban uses, including residential, commercial, and industrial developments. Fees collected by the City are remitted to various entities, which will be discussed below, for the administration and monitoring of the City's Agricultural Land Mitigation Program.

#### Water Impact Mitigation Fee – Stockton East Water District (SEWD):

In 1990, the City participated, along with California Water Service Company and the County of San Joaquin, in 199B Series COP to finance the New Malones Water Conveyance Project with the Stockton East Water District. Two years later, the District issued another Series, the 199B Series COP, and refunded a portion of the 199B Series. The 199B and 1992B Series COP were to be financed by water impact fee levied by the City and other participating agencies. In 2002, the City agreed to modify the financing plan by issuing the 2002B Series COP and refund 199B Series. Water Impact Fees are collected and deposited in Trustee accounts and to be used to refund the cost of the New Malones Water Conveyance Project.

#### **County Facilities Impact Fee – San Joaquin County Administrator (SJCA):**

Under Municipal Code section 16-355.270, the City has the authority to establish a Public Facilities Fee Program (PFF) on new developments. In 2003, City Council approved Reso. #2003-04-03-0105, which established a PFF schedule. In 2005, the City agreed (Council Reso. #2005-04-05-0165) to add County Facilities Fee to its PFF Program. The fee is collected at the same time a building permit is issued for a new development within city limits and remitted to SJ County Administrator.

#### **Agricultural Land Mitigation Impact Fee – Central Valley Farmland Trust (CVFT):**

Under Municipal Code section 16-355.270, the City has the authority to establish a Public Facilities Fee Program (PFF) on new developments. In 2003, City Council approved Reso. #2003-04-03-0105, which established a PFF schedule. In 2007, the City agreed (through Council Reso. #2007-02-07-0079) to add Agricultural Land Mitigation Fee to its Public Facilities Fee program. The Ag. Mitigation Fee is collected for all applicable new development projects that would result from the conversion of important farmland as defined by California Department of Conservation, into urban uses. All Ag. Mitigation fees collected pursuant to the agreement should be remitted to Central California Farmland Trust (CVFT).

#### Mossdale Tract Development Fee – San Joaquin Area Flood Control Agency (SJAFCA):

In January of 2018, the City agreed to join and execute an Amended Joint Powers Agreement (JEPA) with the County of San Joaquin, the San Joaquin County Flood Control and Water Conservation (SJCFCWCD), City of Lathrop, and the City of Manteca to reform the San Joaquin Area Flood Control Agency to reduce flood risks in the Mossdale Tract Area (the "Program"). Under state legislation, SJAFCA has the authority to impose fees as a condition for new development in Mossdale Tract Area, whereas the City agreed to assist in fees collection effort All fees collected pursuant to the agreement will be passed to SJAFCA and to be used to finance flood control facilities.

#### **Revenues, Expenditures & Fund Balance:**

In FY2019-20, the City collected \$2,994,477 of Water Impact Mitigation Fee (SEWD), \$2,059,673 of County Facilities Fee (SJCA), \$254,892 of Agricultural Land Mitigation Impact Fee (CVFT), and \$68,039 of Flood Protection Development Impact Fee (SJAFCA). Total fees remitted to various agencies were \$5,344,869 (\$2,999,064 to SEWD, \$2,022,875 to SJCA, \$254,892 to CFVT and \$68,039 to SJAFCA).

### Pass Through Fees Schedule – All Mitigation Fees

NOTES TO THE ANNUAL REPORT: Per California Government Code Section 66001(e), no refund of PFF fees.

Notes: All Mitigation Impact Fees apply to all fee areas and subject to additional Administrative fee of 3.5%.

#### PFF Interfund Loans Summary for the Fiscal Year Ending June 30, 2020

Notes: This supplemental report section contains information regarding to PFF interfund loans. As of June 30, 2020, the total outstanding PFF interfund loans within PFF funds is \$4,810,032 and it is being recorded as "Allowance for Uncollectible" due to the nature of the loans. In August 2018, City Council approved Reso. #21-1107 and established PFF interfund loans repayment plan. Reso. #21-1107 required owing the funds to make annual payment by using excess revenues collected, starting January 1, 2018. The schedule below summarized the remaining PFF loan balances on June 30, 2020.

Loan From PFF Fund	Loan To PFF Fund	Date Loans Initiated	Approved Council Res.#	Balance As of 6/30/2019	Balance As of 6/30/2020

Total loan receivable-Libraries Fund 950				-	-
Total PFF Interfund Loans				\$ 5,034,085	\$ 4,810,032

#### **PFF Interfund Loans Details:**

#### PFF Street Improvement Fund 910:

On June 30, 2005, per Budget Memo, City Council approved the transfers of \$2,642,000 transferred from PFF Street Improvement Funds to PFF Community Center Fund, \$1,150,000 to PFF Fire Stations Fund, and \$5,500,000 to PFF Police Stations Fund for various Capital Improvement projects. As of June 30, 2020, the remaining balances (including accrued interest) owed by PFF Community Centers Fund was \$2,526,652 and \$688,135 was owed by PFF Police Stations Fund. The loan owed by PFF Fire Stations Fund was fully paid off as of June 30, 2019.

#### PFF Libraries Fund 950:

On October 2, 2007, City Council approved a loan from PFF Library Fund 950 to PFF Fire Station Fund 940 in the amount of \$1,654,111 for the construction of Fire Station No. 13. As of June 30, 2020, the outstanding balance owed by PFF Fire Stations was \$1,595,245. The outstanding balance owed was higher than the initial loan amount due to unpaid accrued interest.

#### PFF Available Fund Balances Summary for the Fiscal Year Ending June 30, 2020

Notes: This supplemental report section contains in formation of the available fund balances for each PFF fund. The available fund balance in each fee type contains only the amount after deducting outstanding encumbrances and CIP appropriations, not the total fund balance. As of June 30, 2020, the total available fund balance for all PFF fee funds was \$37,845,760, a total increase of \$3,561,132 from prior fiscal year. Libraries Fee has the largest decrease in available fund due to the increase of CIP appropriations of more than \$8 million.
