STOCKTON

Gun Violence Reduction Strategy

CEASEFIRE PARTNERSHIP STRATEGY

GOALS:

- Reduce non-fatal shootings and homicides citywide
- Decrease recidivism and improve outcomes for those at highest risk of violence
- Strengthen police-community relations and trust

Ceasefire Process

SPD PROCESS
OVP PROCESS

Gang/Group Shooting Occurs

- SPD Patrol/Gang Unit & Investigation teams respond to shooting.
- Watch Commander notifies OVP of shooting incident.

SPD Response

Gang Unit/CRT & CIU mobilizes to gather intelligence & de-escalate conflict through enforcement.

Weekly SPD Shooting Review

Weekly Police Shooting & Homicide Review. Police track group-related violence into scorecard data that informs weekly enforcement/intervention plans.

Community Safety Meeting

Law enforcement, community members & intervention workers sit-down with high-risk young adults to inform them of their safety risk and offer them an opportunity for services and support.

Focused Enforcement

Focused enforcement on individuals/groups who continue to engage in gun violence.

OVP Response

- Peacekeeper response to shooting scene & hospital.
- Connect victim's family to services.
- Meets with victim to understand the root of conflict & connect to services.

Conflict Mediation

- OVP & community partners gather intelligence to understand conflict
- Peacekeepers & community partners work to de-escalate conflict through mediations

Weekly Coordination

- SPD shares weekly shootings & homicide data with OVP.
- SPD sends referrals to OVP of identified high-risk individuals
- OVP develops weekly intervention strategies

Intensive Life Coaching

- High-Risk individual volunteers to engage with OVP
- Peacekeeper builds a trusting relationship and provides services, opportunities & supports, leading to better outcomes for the individual.

HOW ARE HIGH RISK INDIVIDUALS IDENTIFIED?

Involved in gang shootings

Probation & Parole refer high risk individuals

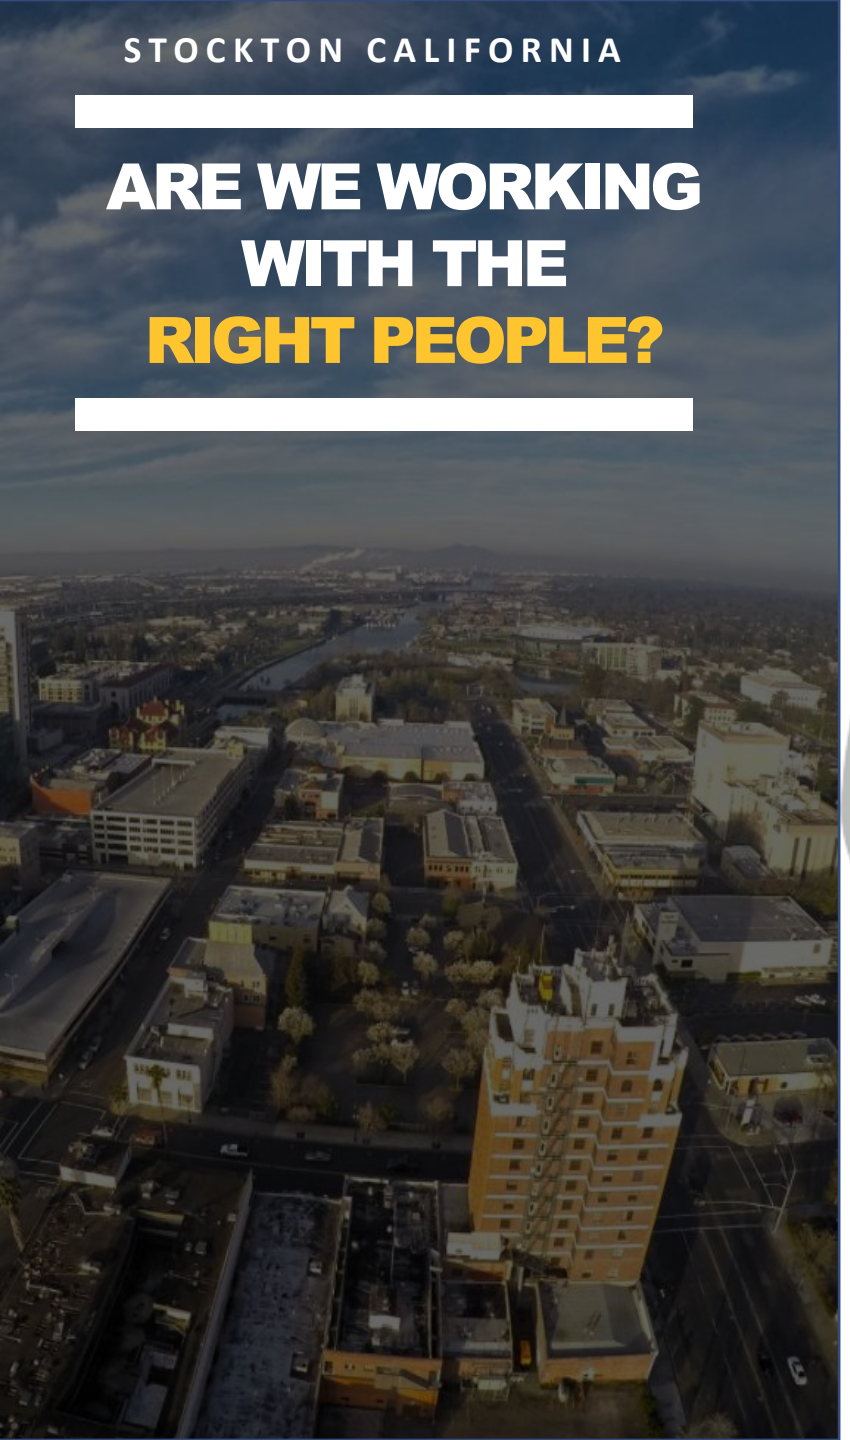

SPD refers high risk individuals

Schools and Probation refer high risk youth
