## **AMOUNT OF INSURANCE**

The amount of your insurance is determined by the Schedule of Insurance in the Policy. The initial amount of coverage is the amount which applies to your class on the day your coverage takes effect. You may become eligible for increases in the amount of insurance in accord with the Schedule of Insurance. Any such increase will take effect on the latest of:

- (1) the first of the Insurance Month which coincides with or follows the date on which you become eligible for the increase; provided you are Actively at Work on that day; or
- (2) the day you resume Active Work, if you are not Actively at Work on the day the increase would otherwise take effect.

Any decrease will take effect on the day of the change, whether or not you are Actively at Work.

## **DEFINITIONS**

## **ELIGIBILITY**

If you are a Full-Time Employee and a member of an employee class shown in the Schedule of Insurance; then you will become eligible for the coverage provided by the Policy on the later of:

- (1) the Policy's date of issue; or
- (2) the day you complete the Waiting Period.

WAITING PERIOD. (See Schedule of Insurance.)

## **EFFECTIVE DATES OF COVERAGES**

Your insurance is effective on the latest of:

- (1) the first day of the Insurance Month coinciding with or next following the day you become eligible for the coverage;
- (2) the day you resume Active Work, if you are not Actively at Work on the day you become eligible; or
- (3) the day you make written application for coverage; and sign a payroll deduction order, if you pay any part of the premium.

EXCEPTION. If your coverage terminates due to an approved leave of absence or a military leave, any Waiting Period or evidence of insurability requirement will be waived upon your return; provided you apply or are enrolled within 31 days after resuming Active Work.

## **TERMINATION OF COVERAGE**

Your coverage terminates on the earliest of:

- (1) the day the Policy terminates;
- (2) the last day of the Insurance Month in which you request termination;
- (3) the last day of the period for which the premium for your insurance has been paid;
- (4) the day you cease to be a member of an employee class shown in the Schedule of Insurance;
- (5) with respect to any particular insurance benefit, the day the part of the Policy providing that benefit terminates;

Ceasing Active Work terminates your eligibility. However, it may be possible to continue all or part of your insurance during a temporary lay off, leave of absence or military leave; or while you are unable to work due to sickness or injury. The conditions concerning such a continuance may be found in the Policy. See your Employer for this information.

If your eligibility ends because you cease Active Work due to a labor dispute, and your Employer's premium contributions are required by a collective bargaining agreement; then arrangements may be made with the Employer to continue insurance (except for any Weekly Disability Income Insurance) for up to six months, subject to:

- (1) the conditions shown in the Policy; and
- (2) payment of the required premium by at least 75% of the Insured Persons eligible to continue. (See your Employer for further information.)

## **BENEFICIARY**

**PAYMENTS TO BENEFICIARY.** At your death, any amount payable as a result of your death will be paid to your named Beneficiary who survives you. If you have not named a Beneficiary, or if no named Beneficiary survives you; then payment will be made to your:

- (2) surviving child or children in equal shares; or, if none
- (3) surviving parent or parents in equal shares; or, if none
- (4) surviving sibling or siblings in equal shares; or, if none
- (5) estate.

In determining who is to receive payment, the Company may rely upon an affidavit by a member of the class to receive payment. Unless the Company receives written notice at its Group Insurance Service Office of a valid claim by some other person before paying the proceeds, the Company will make payment based upon the affidavit it has. Such payment will release the Company from any further obligation for your death benefit.

If the person who would otherwise receive payment dies:

- (1) within 15 days of your death; and
- (2) before the Company receives satisfactory proof of your death;

payment will be made as if you had survived that person; unless other provisions have been made.

**NAMING THE BENEFICIARY.** Your Beneficiary will be as shown on your enrollment card, unless changed. If the Policy replaces a group policy providing similar coverages; then your beneficiary named under the prior policy will be the Beneficiary under the Policy, until changed.

**CHANGING THE BENEFICIARY.** Only you or your assignee may change your Beneficiary. A new Beneficiary may be named by filing a written notice of the change with the Company at its Group Insurance Service Office. The change will be effective as of the date it was signed; subject to any action taken by the Company before it received notice of the change.

## **FACILITY OF PAYMENT**

If any benefit under the Policy becomes payable to your estate, a minor, or any person who (in the Company's opinion) is not competent to give a valid release; then the Company, at its option, may make payment to any one or more of the following:

- (1) a person who has assumed the care and support of you or your Beneficiary;
- (2) a person who has incurred expense as a result of your last illness or death;
- (3) the personal representative of your estate; or
- (4) any person related by blood or marriage to you.

No payment made to anyone named above may exceed \$1,000. Any payment made in good faith under this Section will fully discharge the Company to the extent of the payment.

## **SETTLEMENT OPTIONS**

All or part of any death or dismemberment benefit may be received in installments by making written election to the Company. Such an election may be made:

- (1) by you while living; or
- (2) by the person who is to receive payment, if no such election is in effect at the time of your death.

Any such election must comply with the Company's practices at the time it is made. The amount applied under a settlement option must be at least \$2,000. It must be sufficient to provide a payment of at least \$20 per month.

## DEPENDENTS VOLUNTARY ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE

**NOTE: Dependents Voluntary Accidental Death and Dismemberment Insurance is in effect only if you have enrolled for the Family Plan and the correct premium has been paid.**

DEFINITION. As used in this section, "Dependent" means a person who meets the definition of your dependent under the provision of the U.S. Internal Revenue Code; and is your:

- (1) spouse who is under age 70 and is not legally separated from you;
- (2) unmarried child at least 1 day but less than 26 years of age;
- (3) unmarried child less than 26 years of age, if attending an accredited educational institution for the minimum credit hours required to maintain full-time student status there; or
- (4) unmarried child who is totally and permanently disabled and who became so disabled prior to reaching 26 years of age.

A legally adopted child is considered your child from the date of placement in your home for an agency adoption; or from the date the adoption petition is filed, if later, for a private adoption.

In addition to naturally born and legally adopted children, the word "child" includes your stepchild or foster child; provided the child resides in your household and is dependent on you for principal support.

The term Dependent does not include a person covered as an Insured Person. A person may be covered as either an Insured Person or a Dependent (but not both at the same time). If a husband and wife are both Insured Employees, their child may be covered as Dependents of either the husband or wife (but not both at the same time).

The term "Dependent" does not include anyone serving on active duty in the armed forces of any state or country; except for duty of 30 days or less for training in the Reserves or National Guard.

ELIGIBILITY. You become eligible for the Family Plan on the latest of:

- (1) the date you become eligible for Personal Voluntary Accidental Death and Dismemberment Insurance;
- (2) the effective date of this section; or
- (3) the date you first acquire a Dependent (as defined by the Policy).

If you acquire a new Dependent while insured under the Family Plan, insurance will become effective as follows.

- (1) Insurance for your spouse, stepchild or foster child will take effect on the later of:
  - (a) the date you are married or take custody of the child; or
  - (b) the 10th day following final discharge from the hospital, if that Dependent is confined in a hospital on the date insurance would otherwise take effect.
- (2) Insurance for your newborn natural child will take effect at birth and will continue for 31 days. Insurance will continue beyond 31 days only if any additional required premium is paid by the 31st day following birth.

INDIVIDUAL TERMINATION OF INSURANCE. The Family Plan will cease for all your Dependents on the earliest of:

- (1) the date your Personal Voluntary Accidental Death and Dismemberment Insurance terminates;
- (2) the date the Family Plan is discontinued under the Policy;
- (3) the date you cease to be in a class eligible for the Family Plan;
- (4) the date you request that the Family Plan be terminated; or
- (5) the last day of the premium paying period for which you have made any required contribution toward the cost of the Family Plan.

Insurance for a particular Dependent will cease on the earliest of:

- (1) the date the Dependent ceases to be an eligible Dependent (as defined by the Policy);
- (2) the 31st day after the birth of a newborn child or acquisition of an adopted child; unless any additional premium is paid within that 31-day period; or
- (3) the day the Dependent enters the armed services of any state or country on active duty; except for duty of 30 days or less for training in the Reserves or National Guard. (If you send proof of military service, the Company will refund any unearned premium).

Termination of one Dependent's insurance due to a status change will not affect the insurance for any other family members who remain eligible Dependents.

CONTINUATION OF INSURANCE FOR A HANDICAPPED CHILD. Voluntary Accidental Death and Dismemberment Insurance may be continued for an unmarried child who is:

- (1) incapable of self-sustaining employment because of mental retardation or physical handicap;
- (2) chiefly dependent on you for support; and
- (3) insured under the Policy on the date coverage would otherwise end due to the child's age.

Insurance may be continued so long as the child remains disabled and dependent on you for support. Proof of the child's disability must be sent to the Company:

- (1) within 60 days of the date coverage would otherwise end due to the child's age; and
- (2) as the Company may require after that.

You must continue to be covered for Personal Voluntary Accidental Death and Dismemberment Insurance under the Policy. You must also continue to pay the required premium. The premium rate for the handicapped child will be that for an Insured Employee of like age and sex (not the Dependent rate).

- (1) you or your Dependent sustains a covered accidental bodily injury while insured under this provision; and

### NOTICE AND PROOF OF CLAIM

**Notice of Claim.** Written notice of an accidental death or dismemberment claim must be given within 20 days after the loss occurs; or as soon as reasonably possible after that.\* The notice must be sent to the Company's Group Insurance Service Office. It should include:

- (1) your name and address; and
- (2) the number of the Policy.

**Claim Forms.** When notice of claim is received, the Company will send claim forms for filing the required proof. If the Company does not send the forms within 15 days; then you or your Beneficiary (the claimant) may send the Company written proof of claim in a letter. It should state the nature, date and cause of the loss.

**Proof of Claim.** The Company must be given written proof of claim within 90 days after the date of the loss; or as soon as reasonably possible after that.\* Proof of claim must be provided at the claimant's own expense. - (3) A signed authorization for the Company to obtain more information.

\* **Exception:** Failure to give notice or furnish proof of claim within the required time period will not invalidate or reduce the claim; if it is shown that it was done:

- (1) as soon as reasonably possible; and
- (2) in no event more than one year after it was required.

These time limits will not apply while the claimant lacks legal capacity.

**EXAM OR AUTOPSY.** At anytime while a claim is pending, the Company may have you examined:

- (1) by a Physician of the Company's choice;
- (2) as often as reasonably required.

If you fail to cooperate with an examiner or fail to take an exam, without good cause; then the Company may deny benefits, until the exam is completed. In case of death, the Company may also have an autopsy done, where it is not forbidden by law. Any such exam or autopsy will be at the Company's expense.

**TIME OF PAYMENT OF CLAIMS.** Any benefits payable under the Policy will be paid immediately after the Company receives complete proof of claim and confirms liability.

### TO WHOM PAYABLE

**Death.** Any benefits payable for your death will be paid in accord with the Beneficiary, Facility of Payment and Settlement Options sections of the Policy. If the Policy includes Dependent Life Insurance; then any benefits payable for an insured Dependent's death will be paid to:

- (2) your Beneficiary, or in accord with the Facility of Payment section; if you do not survive that Dependent.

**Dismemberment.** If the Policy includes Accidental Death and Dismemberment Benefits; then any benefit, other than your death benefit, will be paid to you.

## CLAIMS PROCEDURES (Continued)

**NOTICE OF CLAIM DECISION.** The Company will send the claimant a written notice of its claim decision. If the Company denies any part of the claim; then the written notice will explain:

- (1) the reason for the denial, under the terms of the Policy and any internal guidelines;
- (2) whether more information is needed to support the claim; and
- (3) how the claimant may request a review of the decision by the Company, or by the state Department of Insurance. It will include the address and phone number of their consumer complaint unit.

The Company will send this notice within 15 days after it receives complete proof of claim and enough information to determine liability. If reasonably possible, the Company will send it within:

- (1) 90 days after receiving the first proof of a death or dismemberment claim; or
- (2) 45 days after receiving the first proof of a claim for any Extension of Death Benefit available under the Policy.

**Delay Notice.** If the Company needs more than 15 days to process a claim, in a special case; then an extension will be permitted. If needed, the Company will send the claimant a written delay notice:

- (1) by the 15<sup>th</sup> day after receiving the first proof of claim; and
- (2) every 30 days after that, until the claim is resolved.

The notice will explain the special circumstances which require the delay, and when a decision can be expected. In any event, the Company must send written notice of its decision within:

- (1) 180 days after receiving the first proof of a death or dismemberment claim; or
- (2) 105 days after receiving the first proof of a claim for any Extension of Death Benefit available under the Policy.

If the Company fails to do so; then there is a right to an immediate review, as if the claim was denied.

**Exception:** If the Company needs more information from the claimant to process a claim; then it must be supplied within 45 days after the Company requests it. The resulting delay will not count towards the above time limits for claim processing.

**REVIEW PROCEDURE.** The claimant may request a claim review, within:

- (1) 60 days after receiving a denial notice of a death or dismemberment claim; or
- (2) 180 days after receiving a denial notice of a claim for any Extension of Death Benefit available under the Policy.

To request a review, the claimant must send the Company a written request, and any written comments or other items to support the claim. The claimant may review certain non-privileged information relating to the request for review.

**Notice of Decision.** The Company will review the claim and send the claimant a written notice of its decision. The notice will explain the reasons for the Company's decision, under the terms of the Policy and any internal guidelines. If the Company upholds the denial of all or part of the claim; then the notice will also describe:

- (1) any further appeal procedures available under the Policy;
- (2) the right to access relevant claim information; and
- (3) the right to request a state insurance department review, or to bring legal action.

For a death or dismemberment claim, the notice will be sent within 60 days after the Company receives the request for review; or within 120 days, if a special case requires more time. For a claim for any Extension of Death Benefit available under the Policy, the notice will be sent within 45 days after the Company receives the request for review; or within 90 days, if a special case requires more time.

## CLAIMS PROCEDURES (Continued)

**Delay Notice.** If the Company needs more time to process an appeal, in a special case; then it will send the claimant a written delay notice, by the 30th day after receiving the request for review. The notice will explain:

- (1) the special circumstances which require the delay;
- (2) whether more information is needed to review the claim; and
- (3) when a decision can be expected.

**Exception:** If the Company needs more information from the claimant to process an appeal; then it must be supplied within 45 days after the Company requests it. The resulting delay will not count towards the above time limits for appeal processing.

**Claims Subject to ERISA** (Employee Retirement Income Security Act of 1974). Before bringing a civil legal action under the federal labor law known as ERISA, an employee benefit plan participant or beneficiary must exhaust available administrative remedies. Under the Policy, the claimant must first seek two administrative reviews of the adverse claim decision, in accord with this section. If an ERISA claimant brings legal action under Section 502(a) of ERISA after the required reviews; then the Company will waive any right to assert that he or she failed to exhaust administrative remedies.

**RIGHT OF RECOVERY.** If benefits have been overpaid on any claim; then full reimbursement to the Company is required within 60 days. If reimbursement is not made; then the Company has the right to:

- (1) reduce future benefits until full reimbursement is made; and
- (2) recover such overpayments from you, or from your Beneficiary or estate.

Such reimbursement is required whether the overpayment is due to fraud, the Company's error in processing a claim, or any other reason.

**LEGAL ACTIONS.** No legal action to recover any benefits may be brought until 60 days after the required written proof of claim has been given. No such legal action may be brought more than three years after the date written proof of claim is required.

**COMPANY'S DISCRETIONARY AUTHORITY.** Except for the functions that the Policy clearly reserves to the Group Policyholder or Employer, the Company has the authority to:

- (1) manage the Policy and administer claims under it; and
- (2) interpret the provisions and resolve questions arising under the Policy.

The Company's authority includes (but is not limited to) the right to:

- (2) determine your eligibility for insurance and entitlement to benefits;
- (3) determine what information the Company reasonably requires to make such decisions; and
- (4) resolve all matters when a claim review is requested.

Any decision the Company makes, in the exercise of its authority, shall be conclusive and binding; subject to your or your Beneficiary's rights to:

- (1) request a state insurance department review; or
- (2) bring legal action.

**CERTIFICATE AMENDMENT**

- (1) spouse who is under age 70 and who is not legally separated from you;
- (2) Domestic Partner who meets the criteria specified by California Family Code Section 297;
- (3) Domestic Partner, as defined below, where the domestic partnership has not been registered in the state of California;

- (1) are age 18 or older; mentally competent; not legally married to someone else; not related to the other by blood, to a degree that would bar legal marriage; and not a party to or registered as a partner of another domestic partnership;

**NOTICE OF PROTECTION PROVIDED BY  
CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association ("the Association"). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers' care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations or the rights or obligations of the Association.

**COVERAGE**

• **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent.

Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

• **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

• **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

• **Life Insurance**

80% of death benefits but not to exceed \$300,000

80% of cash surrender or withdrawal values but not to exceed \$100,000

• **Annuities and Structured Settlement Annuities**

80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

• **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is \$546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association's website [www.califega.org](http://www.califega.org).

---

## COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C)
