- (b) Step 2 - Director of Human Resources Review. All complaints involving or concerning the payment of compensation shall be initially filed in writing with the department at Step 1. balance of forty (40) accrued vacation hours after the cash payment. When in effect, this option may be exercised once per fiscal year. Employees may elect this option by December 31 of each year for the cash out the following calendar year. The cash out election is irrevocable, and the City will follow IRS regulations regarding cash payment of leave.

An eligible employee separating from City service for any reason who has unused vacation time shall be paid for such vacation time up to the effective date of the last day of employment with the City. Payment for unused vacation shall be made at the final rate of pay. Payment for the unused vacation hours shall be paid post separation date at no later than the second regularly scheduled pay period pay date following separation. All regular status employees, except provisional, temporary and extra-help employees, working less than a full month shall accrue sick leave while off duty on authorized sick leave; provided, however, an employee shall not accrue sick leave during any leave or leaves of absence without pay granted to the employee.
- (b) Usage. Employees are entitled to sick leave pay for those hours, which the employee would normally have worked, to a maximum of sick leave hours accrued.

An employee may use sick leave for preventive medical, dental, optical care, illness, injury or exposure to contagious disease, which incapacitates them from performing their duties. This includes disabilities caused or contributed to by pregnancy, miscarriage, abortion, childbirth and recovery therefrom.

In accordance with California Labor Code section 233 ("Kin Care"), employees may utilize up to one-half (1/2) of their annual sick leave accrual in the case of illness or injury in the employee's immediate family when such illness or injury requires personal care that otherwise would not be covered by the Family Medical Leave Act (FMLA) or the California Family Rights Act (CFRA) leaves. Such sick leave shall be

When the requirement for sick leave is known to the employee in advance of their absence, the employee shall request authorization for such sick leave from the department head prior to such absence. In all other instances, the employee shall notify their supervisor as promptly as possible of their absence.

Before an employee may be paid for the use of accrued sick leave, they shall complete and submit to their department head a signed statement, on a prescribed form, stating the dates and hours of absence, the exact reason, and such other information as is necessary for their request to be evaluated. If an employee does not return to work prior to the preparation of payroll, other arrangements may be made with the approval of the department head.

- (e) Doctor's Certificate or Other Proof. If an employee's illness results in an absence from work for more than three (3) consecutive days, then a doctor's certificate or other reasonable proof of illness may be required by the department head. The City may monitor and control the appropriate use of sick leave by employees and if reasonable cause is articulated, can limit use of sick leave and require additional verification.

The department head may make such sick leave usage reviews and may require such physician's documentation, as they deem necessary to ensure proper use of the sick leave benefit.

- (f) Use of Sick Leave While on Vacation. An employee who is injured or who becomes ill while on vacation may be paid for sick leave in lieu of vacation

At the end of each calendar year, all CTO will be carried forward (forty (40) hours maximum), unless the employee elects to have the compensatory balance paid. Carryover CTO cannot exceed the forty (40) hours maximum. Any CTO balance in excess of forty (40) hours remaining at the end of the calendar year will automatically be paid to the employee.
- (e) Elimination of CTO for Fire Telecommunications Supervisors. Effective January 1, 2009, Fire Telecommunications Supervisors assigned to a 56-hour workweek shall no longer accrue or use CTO and shall be paid at their regular rate of pay for all accrued and unused CTO hours on or about January 7, 2009; provided, however, any Fire Telecommunications Supervisors having any approved leave request(s) for CTO for time off work through January 31, 2009, shall be permitted to use the approved CTO leave.
