

Special Event Planning **Downtown Parking Lots**

Downtown Stockton has several options for parking from street parking to parking lots. Street parking is free after 6pm and on Sundays. The availability of parking spaces is depended on several factors. One major factor is the number of other events in the downtown area on the same day.

If there is an event at the Stockton Arena or Banner Island Ball Park during the time of your event, the City of Stockton Central Parking District may charge cars for parking in designated lots. If there is a Stockton Thunder hockey game the lots located to the North of the civic and directly behind the Civic there will be a charge for parking.

All parking lots are under the control of the City of Stockton Central Parking District and may be available for rent even during event times at the arena and/or ballpark.

Central Parking District reserves the right to charge in parking lots as they see fit.

Ticketed Events at the Civic and Weber Point

Central Parking will charge in designated parking lots for all ticketed events. All festivals, concerts, Mixed Martial Arts, sporting matches, recitals and all other like events selling tickets to the public the event will be considered a ticketed event.

SEB Parking Garage

This parking garage does not offer free parking for events held at Weber Point.

If you are interested in renting a parking lot please call (209)937-7043 to make arrangements. Fees and security requirements will be determined by Central Parking District.
