

**AMENDMENT TO COOPERATIVE ENDEAVOR AGREEMENT  
(Pollution Source Tracking & Water Quality Restoration – Abita River Watershed)**

This Amendment to Cooperative Endeavor Agreement (the “Amended Agreement”) is made and entered into on the dates set forth herein below, by and between the following parties:

**ST. TAMMANY PARISH GOVERNMENT**, a political subdivision of the State of Louisiana, whose mailing address is P.O. Box 628, Covington, Louisiana 70434, herein appearing by and through Patricia P. Brister, Parish President, duly authorized (hereinafter referred to as “Parish”); and

**THE LAKE PONTCHARTRAIN BASIN FOUNDATION** (hereinafter referred to as “Foundation”), a Louisiana non-profit corporation whose mailing address is Post Office Box 6965, Metairie, Louisiana 70009, represented by and through Kristi Trail, its Executive Director, duly authorized.

**WHEREAS**, effective as of September 21, 2016, Parish and Foundation entered into that Cooperative Endeavor Agreement (the “Original CEA”) wherein Foundation agreed to provide individual sewer system inspections and water quality testing in the Abita River watershed, plus other obligations as more fully described in the Original CEA; and

**WHEREAS**, the parties have identified a need to amend the Original CEA to extend the Term and to provide for additional individual sewer system inspections in the Abita River watershed.

**AND NOW THEREFORE** the parties desire to enter into this Amended Agreement to state each party’s obligations more fully herein and to amend, restate and/or add the following provisions. This Amended Agreement is not intended to release any party from the obligations stated in the Original CEA but is intended only to amend, restate and/or add certain provisions to the Original CEA.

1. The foregoing recitals are hereby incorporated into the body of this Amended Agreement as if fully rewritten and restated herein.
2. Section 2.1.4 of the Original CEA is amended and restated to read as follows:

2.1.4 Homeowner Inspections, Education, and Outreach (Task 5). Foundation will perform home inspections of individual sewer systems and conduct a systematic sweep of all homes (>1,250) in the Tammany Hills, Singing River and Abita Nursery subdivisions, located in the Abita River watershed.
3. Section 3.2 of the Original CEA is amended and restated to read as follows:

3.2 Door Hangers. Parish shall provide "door hanger" notices to the residents of Tammany Hills, Singing River and Abita Nursery subdivisions informing said residents that the Foundation will be performing individual sewer systems inspections on behalf of Parish.

4. Section 4.1 of the Original CEA is amended and restated so that the Term of the Original CEA is extended for one (1) additional calendar year, with said Term now ending on April 30, 2020.
5. This Amended Agreement supersedes the Original CEA only where there exists any conflict. This Amended Agreement controls any conflicts of any terms or conditions. Except as amended hereby, the Original CEA remains unmodified and in full force and effect.
