The extension shall be requested in writing and justifiable cause demonstrated.
2. I, the property owner(s)/applicant(s), understand and agree that any permit issued pursuant to this application becomes invalid unless the work on the site authorized by such permit is commenced within one hundred and eighty (180) day after its issuance, or if the work authorized on the site by such permit is suspended or abandoned for a period of one hundred and eighty (180) days after the time the work is commenced or is not completed within two (2) years of issuance of the permit.
3. I have read and examined this application in its entirety and have completed the appropriate sections of this application and know that the information contained therein is true and correct.
4. I understand and agree that it is incumbent upon me to secure any legal authority to enter or use another's property for any purpose, either during or after construction.

9. I understand and agree that the granting of a permit or any decision by a Parish employee does not presume to give me authority to violate or cancel the provisions of any Parish, state, or federal law regulating construction or the performance of paid construction.
10. I understand and agree that the Parish provisions pertaining to construction may be divided and classified into a number of segments as determined by the political subdivision, including but not limited to building, mechanical, electrical, plumbing, drainage, or fire prevention codes, or by other such titles as are deemed proper by the Parish, per La. R.S. 33:4773(B).
