

St. Tammany Parish Government:
Action Plan Amendment No. 6 to the Action Plan for
Community Development Block Grant Disaster Recovery (CDBG-DR) Program
Pursuant to Federal Register Notice 78 FR 69104

On May 29, 2013, the U.S. Department of Housing and Urban Development (HUD) announced an allocation of \$10,915,000 of Community Development Block Grant Disaster Recovery (CDBG-DR) funds to support St. Tammany Parish's recovery from Hurricane Isaac.

Prior to releasing the funds, HUD requires that grantees create an Action Plan that documents the proposed use of funds, and publish it for public input. HUD approved St. Tammany Parish's initial Action Plan on February 12, 2014.

The most recent amendment, Action Plan Amendment No. 6, is now available for public review. The Action Plan, amendments 1 through 5, and Action Plan Amendment No. 6, are available on the St. Tammany Parish website at: <http://www.stpgov.org/cdbg-dr> and at the St. Tammany Parish Government Department of Grants office. Citizens who are unable to access the amendment due to a disability or limited English proficiency should call 985-867-5095 or email kmmagee@stpgov.org to obtain an accessible copy of the amendment.

Summary of Action Plan 6: This Action Plan Amendment eliminates funding for construction of the St. Tammany Advanced Campus – NTCC Classroom within the St. Tammany Parish Multi-Use Facility (MUF) and reallocates those funds to the NTCC Classroom Renovation at Safe Haven Campus. In addition, this Amendment provides a revised budget for CAD Phase I which is complete, moves the remaining CAD Phase I budget to the NTCC Classroom Renovation at Safe Haven Campus, and removes references to CAD Phase II as it will not be funded with CDBG-DR dollars. The Amendment includes a discussion of economic development and workforce training needs.
