Building Permit	
Type	Rate
Building Permit Fees	The Building Official shall determine valuations for the purpose of calculating fees by using for each calendar year the first Building Valuation Data publication issued during that calendar year by the International Conference of Building Officials. The Building Official shall adjust each calculated valuation by the regional modifier listed in said publication for Utah using the grade of construction determined to be applicable. The fee shall then be determined by reference to the Uniform Building Code provisions regarding the calculation of fees.
Factory Built Housing, Including Manufactured Homes and Modular Units	45% of the valuation listed in the applicable building valuation data publication.
In addition to the foregoing fees, Tooele County shall assess and collect a surcharge equal to one percent of the building permit fee in compliance with Utah state law. The County shall file with the Utah Division of Occupational and Professional Licensing a report of building fees and surcharges assessed for the immediately preceding calendar quarter; and, shall remit eighty percent of the amount of the surcharge to have been assessed to said Division.

Mailing cost may also apply.

<sup>2</sup> Price break given for digital images only. If file is too large to email, requestor may provide data storage device or, at the time of order, request data be transferred to an alternate medium at the fee provided in Paragraph (11). Mailing costs may also apply.

<sup>3</sup> Total fee shall not exceed \$20,000 unless additional expenses are incurred (e.g., litigation, referenda, quasi-judicial proceedings, etc.). Fees are due at the time the package and/or application is made.

For each survey map filed and indexed pursuant to Utah Code Section 17-23-17, 17-23-17.5 or 17-23-18, the Recorder/Surveyor shall collect in advance the sum of \$40 per page. Said survey maps will be filed only if they are on material of a permanent nature on stable base reproducible material in the sizes required by the Recorder/Surveyor. All moneys collected under this section shall be deposited with the Treasurer to be credited to the Public Land Corner Preservation Fund, which shall be used only to pay expenses incurred and authorized by the Recorder/Surveyor for the establishment, re-establishment, and maintenance of corners of government surveys pursuant to Utah Code Title 17, Chapter 23, and Utah Code Title 57, Chapter 10.

Pursuant to Utah Code Section 17-23-4, the County requires a permit to be obtained from the Recorder/Surveyor before performing construction within 30 feet of an established government survey monument or public land survey government corner location. The fee for said permit is \$400 per monument. After completion work, if the government survey monument or public land survey government corner location is undisturbed, the Recorder/Surveyor shall refund \$250 to the permit holder. If the construction work disturbs the government survey monument or public land survey government corner location.

- a. The permit holder is responsible for the necessary construction work and re-establishment of the government survey monument or public land survey government corner location; and
- b. The County shall provide to the permit holder the necessary brass monument, ring, and lid.

In the absence of an emergency that poses a threat to public health or safety, any person who violates any provision of subsection (2) above or any provision of Utah Code Section 17-23-14 shall pay to the County a civil penalty in the amount of \$1,000 per violation.
