

Spring into Sustainability Challenge

Kids

Complete at least 10 of the activities below, then turn in your checklist to the **Adult Reference Desk** or ***Outreach@troypl.org*** to win a prize. A few random winners will receive a special grand prize basket, so return your checklist before the end of the day on **May 24**.

- Spend time outside
- Borrow a library book
- Borrow a game/puzzle from the library
- Borrow a Citizen Science kit
- Read about nature/the Earth
- Watch a movie about nature/the Earth
- Learn about recycling
- Use a reusable water bottle
- Watch a video about an animal
- Eat a vegetable or fruit that grows in Michigan
- Learn about Citizen Science
- Turn off the water when brushing your teeth
- Draw a nature picture for Earth Day
- Share something you learned with a friend
- Use the TPL Seed Library
- Go for a nature walk and observe plants/animals
- Make art out of recycling/trash
- Try a vegetarian snack
- Turn off the light when you leave the room
- Pick up litter
- Use both sides of the paper when writing
- Play an outdoor game of I Spy
- Conduct a science experiment
- Find something reusable and something disposable
- Draw a picture of your favorite plant or tree
