The Town of Union is proposing an amendment to the Community Development Block Grant Disaster Recovery (CDBG-DR) Action Plan for Disaster Recovery. The amendment authorizes the allocation of anticipated program income to various infrastructure related projects including but not limited to:

N. Loder Ave. Drainage Improvements ($51,755)
Fairmont Park Floodwall Closure/Levee Extension (TBD)
West Creek Bank Stabilization (TBD)
Refuse Garage Relocation – (TBD)
Affordable Housing Infrastructure - (TBD)

This amendment will also re-allocate funds, as necessary, from the following activity budget lines to the N. Loder Ave. Drainage Improvement Project, Phase 2:

Multi-Family Housing Rehabilitation - $37,443
Townwide Comprehensive Drainage Plan - $26,841
Business Floodproofing Urgent Need - $50,000

These additional funds are required in order to address unforeseen unsuitable soils discovered during pipe trenching that required removal and replacement. This resulted in additional charges for soil testing, off-site trucking, landfill tipping fees, and replacement fill material.
