ACTION REQUESTED	
To approve to change the meeting to earlier than 5:30 p.m., to the suggested time of 3:00 p.m.	
Background – (Supporting and reference Data, Include attachments)	
<p>At the June 27, 2023 meeting it had been asked to consider changing the meeting time to allow those working later than 5:30pm the time to drive, this was asked to be considered after the last couple of meetings members had to wait 30 minutes for a quorum. After board discussion, it was determined that an earlier time would be the preference. The board voted to change the July 25th meeting to 3:00 p.m. to test that timeframe.</p> <p>Staff has not received any questions or concerns with the time change for the July meeting.</p>
