FOR IMMEDIATE RELEASE

VAN BUREN TOWNSHIP DDA TO ATTEND SWCRC B2B EXPO

Van Buren Township, MI (January 2015) –

An amazing transformation has taken place in Van Buren Township: exciting new businesses have opened, the residential population is on the rise and the Belleville Road corridor has been completely revitalized. The Van Buren Township Downtown Development Authority (DDA) stands at the heart of this progress, utilizing its network of resources to build an exceptionally walkable, bikeable and business friendly community.

Van Buren Township's Belleville Road shopping district features lush trees, wide sidewalks, inviting benches, bright banners, decorative lighting and community entrance signs, creating a welcoming atmosphere for businesses and shoppers alike. The community's superb location is right at the center of commuter travel patterns along I-94, between Ann Arbor and Detroit. Van Buren Township's sound master planning and ample space for new development have made it a growing hotspot, and the DDA welcomes any and all businesses to inquire about opportunities in their vibrant community.

The DDA's dedication to maximizing funds for Van Buren Township has resulted in improved infrastructure and an increase in quality programs for its businesses and residents. On January 29, 2016 the Van Buren Township DDA will continue to champion economic growth by attending the Southern Wayne County Regional Chamber (SWCRC) Business to Business Expo at Crystal Gardens in Southgate. Officials from the DDA will be networking with businesses and leaders from over 21 communities to discuss development opportunities in southeast Michigan. For more information, visit the SWCRC website at www.swcrc.com or the Van Buren Township DDA website at www.vanburendda.com.
