FOR IMMEDIATE RELEASE

VAN BUREN CHARTER TOWNSHIP SUMMER YOUTH EMPLOYMENT PROGRAM BEGINS SECOND YEAR

Van Buren Township (June 2018) – The Van Buren Charter Township Summer Youth Job Initiative, THE REAL (Revealing Exceptionally Amazing Leaders), has selected 24 student interns, ages 14-18, to participate in this unique internship program which offers temporary employment opportunities within Van Buren Charter Township’s municipal sectors. Designed to provide interns with the opportunity to develop marketable skills in a real work environment, THE REAL offers employment placements within three distinct roles: Camp Counselors in Training, Community Ambassadors and Junior Organizational Assistants.

Throughout the program, interns will attend weekly career training sessions, development lectures and tours hosted by representatives from local businesses and major companies including DTE Energy – Natural Gas and Electric Utilities, Wayne County Airport Authority, Waste Management – Recycling and Landfills, U.S. Ecology – Environmental Services and the Fire Tech Program at Schoolcraft College Academy Training Center. Participation in the Summer Youth Job Initiative provides interns with the opportunity to put their newly honed project management and leadership skills to the test during a Cardboard Boat Building Challenge, as well as attendance to the MHA Young Professionals Day at COBO Center in Detroit later this summer.

With an emphasis on education through resilience, collaboration, mindfulness and inquiry; Van Buren Charter Township is certain this program will continue to set a new standard for Summer Youth Job Initiatives across the region.
