**FOR IMMEDIATE RELEASE**

## **GET OUTSIDE AND SOAK UP SOME ART! THE VAN BUREN TOWNSHIP AND BELLEVILLE DDAS BRING ART TO THEIR COMMUNITIES.**

**VAN BUREN TOWNSHIP, MI (August 2021)** – The Van Buren Township and Belleville DDAs are proud to bring to the community the 2021 Sculpture Showcase. This outdoor exhibit is a great way to get outside and explore all that Van Buren Township and Belleville have to offer in their business districts. A total of 10 sculptures have been placed in front of businesses, overlooking Belleville Lake and in urban, as well as, park settings. Some make great selfie backgrounds, while others invite you to sit on a nearby bench and discover all the “found objects” that are intertwined in the sculpture.

This annual art installation is made possible through a partnership with Midwest Sculpture Initiative. MSI’s program brings attention to artists from the mid-west while enhancing communities, engaging residents and visitors and highlighting businesses or public spaces through strategic placement.

Van Buren Township is conveniently located just off I-94, at the heart of commuter travel patterns. The community and its Belleville Road Shopping Corridor are a convenient stop for travelers on their way to Detroit, Ann Arbor and many places in between. The Van Buren Township Downtown Development Authority has welcomed a plethora of new restaurants, stores and shops to their growing business district and the organization looks forward to further community enhancements like those made at Harris Park.
