

**PUBLIC NOTICE TO ALL CUSTOMERS OF THE
BUTLER PUBLIC WATER UTILITY**

The Butler Public Water Utility has filed an application with the Public Service Commission of Wisconsin (Commission) to increase water rates through its Purchased Water Adjustment Clause (PWAC). The increase is necessary due to an increase in rates by its wholesale water provider, Milwaukee Water Works (Milwaukee). In the Final Decision in docket 3720-WR-109 served on March 2, 2023, the Commission approved Milwaukee's application to increase water rates by 14.21 percent, pursuant to Wis. Stat. § 196.20, which increased the cost of the water that Butler Public Water Utility purchases from Milwaukee.

If the PWAC request is granted, the water bill for an average residential customer with a 5/8-inch or 3/4-inch meter who uses 9,000 gallons of water per quarter will increase from \$94.65 to \$98.20, or 3.75 percent, including the public fire protection charge.

A public hearing on the application has been scheduled for Tuesday, May 23, 2023 at 10:00 a.m. This hearing has no physical location. Parties and Commission staff appear by Zoom. Parties and Commission staff may use the telephone connection as a backup or if no practicable internet connection exists. Members of the public attend by Zoom or by audio-only telephone connection.

Join Zoom over the internet at:
