CHERRY VALLEY POLICE DEPARTMENT
INTERNAL MEMORANDUM

TO: Chief Bethge
FROM: Sgt B. Muraski
DATE: 06/30/2022
SUBJECT: Disposal of Village property
Cc:

In an effort to declutter our police department and maximize our work spaces, I have selected the following items to be considered for disposal;

1. Lund Industries 14" center console model LI-900-000-CS (Dodge Charger)
2. Code 3 LED overhead light bar (Dodge Charger)
3. Setina Mfg. Co Squad car cage partition (Dodge Charger)
4. Custom made fume hood (w/ Nautilus range hood)
5. Custom made fume hood (no range hood)
6. Superglue vapor / fingerprint lift supplies (i.e. bricks, acetone, beakers, tongs, etc.)

Items 1 thru 3 are in our garage. Items 4 thru 6 are in the armory.

The Dodge Charger equipment is obsolete and is no longer of use.

The fume hoods were custom built by Officer Gessner (if my CV history is correct). We have no staff on our department trained or qualified to use this equipment. The use of superglue vapor to lift fingerprints also has some questionable health risks. Any item of evidence we need to be tested for latent prints gets turned over to the Winnebago County Crime Scene or the Illinois State Police Crime Lab.

Respectfully,
Sgt. Muraski
