

Village of Cherry Valley
806 E. State Street
Cherry Valley, Illinois 61016

Residential Storage Containers Permit Application

The Village finds that the location, placement, parking, and/or storage of temporary, transportable, movable, unstationary, mobile, portable, transferable storage containers on any residential property within the boundaries of the Village can, unless controlled, create a condition tending to reduce the value of private property, promote blight and deterioration, constitute a nuisance, and may be injuries to the health, safety, and general welfare. Therefore, a permit is required to be obtained prior to the placement, location, or parking of any temporary, transportable, movable, unstationary, mobile, portable, transferable storage container on any residential property within the boundaries of the Village.

The storage container shall not exceed twenty feet in length, 8 feet in height, and 10 feet in width, and shall be set back at least five feet from any public right-of-way or easement.

Under no circumstances shall any temporary, transportable, movable, unstationary, mobile, portable, transferable storage container be allowed to be located, placed, or parked on any private property within the boundaries of residential property in the Village for a period in excess of **thirty** (30) days.
