This Agency is authorized to require this information under Section 4 and Title X of the Environmental Protection Act (415 ILCS 5/4, 5/39). Failure to disclose this information may result in: a civil penalty of not to exceed \$50,000 for the violation and an additional civil penalty of not to exceed \$10,000 for each day during which the violation continues (415 ILCS 5/42) and may also prevent this form from being processed and could result in your application being denied. This form has been approved by the Forms Management Center.

Attachment 1 to Annual Facility Inspection Report

Village of Cherry Valley, Illinois

- A. The best management practices, as stated in the village's approved Notice of Intent remain unchanged.
- B. The best management practices identified in the approved Notice of Intent remain appropriate for the village.
The village has made progress towards the goal of reducing the discharge of pollutants to the MEP by inspecting all construction projects within the village and inspecting permanent best management practices after heavy rainfalls.
- C. Monitoring data was not taken
- D. Planned activities March 2018 - March 2019
Annual publication of pollution prevention methods in village newsletter May 2018
Solicit volunteers to continue to label storm inlets with permanent stickers indicating a pollution warning. February 2019
Update existing village storm sewer map – August 2018
All construction projects within the village are inspected for erosion control measures by the Village Engineer C.E.S. Inc. for compliance with the village's erosion control ordinance and effective BMP function. Ongoing March 2018-March 2019
All plans for new construction are reviewed by the Village Engineer for compliance with the village's Erosion Control Ordinance. Ongoing March 2018 - March 2019
Existing permanent storm water facilities are inspected by village staff after heavy rainfall. Ongoing March 2018 – March 2019
- E. The village does not rely on another government entity to satisfy any permit obligations.
- F. Construction Projects paid for by the village. March 2018 – March 2019
 - Cherry Valley Street Maintenance 2017
 - Cherry Valley West State Street 2017
 - Cherry Valley Streetscape Improvements 2017
