

Generator Submittal Requirements

Thank you for your interest in pulling a permit from the Vineyard Building Department for a Generator. Provided below is information to get you started on your project but don't hesitate to contact us at 801-226-1929 or building@vineyardutah.gov if you have additional concerns or questions.

- Manufacturer Specifications for generator
- Gas Line Schematic
- Picture of Electrical Panel
- Electrical Plan showing proposed connection to generator

**Note- Additional materials may be required after plan review.*
