

Request for Proposal
Water Meter Replacement Phase 1

Invitation: The Ypsilanti Community Utilities Authority (YCUA), with this Request for Proposal (RFP), is soliciting Proposals from qualified firms or teams of firms for water meters and an advanced metering infrastructure (AMI) and customer information system, hereafter referred to as “Water Meter Replacement Phase 1”. YCUA intends to select metering equipment and an AMI system best suited to its needs. The AMI system is expected to have a least a 20-year life. The RFP will be available on the Michigan Intergovernmental Trade Network at bidnetdirect.com after 3:00 p.m. local time on March 11, 2024.
