**POLICY ON SPRINKLING METER**

1. The Customer must pay a non-refundable fee of \$235.00 for use of the sprinkler meter. YCUA retains ownership of the meter.
2. The customer will rearrange their plumbing so that only the outside faucets will be metered by the sprinkling meter.
3. The customer will pay for use of the water on the basis of the rate schedule. The rate schedule includes minimum billing. No sewage will be billed on the sprinkling meter. The following is the regular billing periods for sprinkler meter usage based on the Customer's cycle:

Even month customers: June, August, and October

Odd month customers: May, July, and September

Monthly customers: June, July, August, and September

4. The customer must notify YCUA is ever they wish to permanently (not seasonally) discontinue use of the sprinkling meter.
5. In the event of sprinkling restrictions, all persons will comply with these restrictions. There will be no reduction in minimum charges as a result of these restrictions.
