i Water Connection

The amount of the connection charges to be paid shall be those charges in effect at the time of building permit issuance.
per Sec.6-6.05 (k)

ii Sewer Connection

The amount of the impact fees to be paid shall be those fees in effect at the time the fees are paid at either the issuance of a building permit or certificate of occupancy.
per Sec.6-5.503 (b)

iii Impact Fees

The Development impact fee shall be paid at the option of the developer at either the issuance of a building permit or at a certificate of occupancy for a proposed development project – not at the date of application for a building permit. The amount of the impact fees to be paid shall be those fees in effect at the time the fees are paid at either the issuance of a building permit or certificate of occupancy. Exceptions to this requirement may be negotiated between the developer and the City as part of the entitlement and agreement process, subject to City Council approval.
