

# Table of Contents

|          |   |            |
|----------|---|------------|
| <b>I</b> | <b>Introduction and Overview .....</b>                  | <b>I-I</b> |
| 1.1      | Purpose of the General Plan.....                        | 1-1        |
| 1.2      | Planning in Context: A Brief History of Yuba City.....  | 1-3        |
| 1.3      | General Plan Requirements .....                         | 1-3        |
| 1.4      | Regional Location and Planning Boundaries.....          | 1-4        |
| 1.5      | Objectives & Key Initiatives .....                      | 1-5        |
| 1.6      | Plan Organization .....                                 | 1-8        |
| 1.7      | Administration of the General Plan .....                | 1-11       |
| <b>2</b> | <b>Growth and Economic Development .....</b>            | <b>2-I</b> |
| 2.1      | Existing and Projected Population.....                  | 2-1        |
| 2.2      | Regional Economic Context.....                          | 2-4        |
| 2.3      | Employment Growth Prospects .....                       | 2-6        |
| 2.4      | Defining an Economic Development Strategy .....         | 2-7        |
| 2.5      | Guiding and Implementing Policies.....                  | 2-8        |
| <b>3</b> | <b>Land Use .....</b>                                   | <b>3-I</b> |
| 3.1      | Background and Context .....                            | 3-1        |
| 3.2      | General Plan Diagram and Land Use Classifications ..... | 3-2        |
| 3.3      | General Plan Buildout.....                              | 3-7        |
| 3.4      | Pattern of Development, Growth & Expansion.....         | 3-10       |
| 3.5      | Residential Areas.....                                  | 3-11       |
| 3.6      | Community Facilities .....                              | 3-14       |
| 3.7      | Parks & Open Space .....                                | 3-14       |
| 3.8      | Retail and Commercial Areas.....                        | 3-14       |
| 3.9      | Employment Centers.....                                 | 3-16       |
| <b>4</b> | <b>Community Design .....</b>                           | <b>4-I</b> |
| 4.1      | Guiding Principles.....                                 | 4-1        |
| 4.2      | Urban/Rural Edge .....                                  | 4-2        |
| 4.3      | Gateways and Entries.....                               | 4-3        |
| 4.4      | Connections & Corridors .....                           | 4-7        |
| 4.5      | Urban Activity Centers.....                             | 4-16       |
| 4.6      | Commercial & Industrial Development .....               | 4-21       |
| 4.7      | Neighborhoods.....                                      | 4-23       |
| <b>5</b> | <b>Transportation .....</b>                             | <b>5-I</b> |
| 5.1      | Guiding Principles.....                                 | 5-1        |
| 5.2      | Roadway System.....                                     | 5-2        |
| 5.3      | Transit.....  | 5-13       |
| 5.4      | Bicycle and Pedestrian Circulation.....                 | 5-16       |
| 5.5      | Parking .....   | 5-20       |

|           |   |             |
|-----------|---|-------------|
| 5.6       | Goods Movement .....                                    | 5-21        |
| 5.7       | Aviation.....   | 5-23        |
| 5.8       | Regional Coordination .....                             | 5-23        |
| <b>6</b>  | <b>Parks, Schools, &amp; Community Facilities .....</b> | <b>6-1</b>  |
| 6.1       | Parks.....  | 6-1         |
| 6.2       | Educational Facilities.....                             | 6-10        |
| 6.3       | Community Facilities & Institutions .....               | 6-14        |
| <b>7</b>  | <b>Public Utilities .....</b>                           | <b>7-1</b>  |
| 7.1       | Water Supply and Conservation .....                     | 7-1         |
| 7.2       | Wastewater Collection and Treatment.....                | 7-7         |
| 7.3       | Solid Waste Management and Recycling.....               | 7-10        |
| <b>8</b>  | <b>Environmental Conservation .....</b>                 | <b>8-1</b>  |
| 8.1       | Open Space.....   | 8-1         |
| 8.2       | Agriculture .....                                       | 8-3         |
| 8.3       | Historic and Archaeological Resources .....             | 8-7         |
| 8.4       | Biological Resources.....                               | 8-9         |
| 8.5       | Water Quality .....                                     | 8-14        |
| 8.6       | Air Quality .....                                       | 8-17        |
| <b>9</b>  | <b>Noise and Safety.....</b>                            | <b>9-1</b>  |
| 9.1       | Noise.....  | 9-1         |
| 9.2       | Seismic and Geologic Hazards .....                      | 9-9         |
| 9.3       | Drainage, Stormwater, and Flooding.....                 | 9-13        |
| 9.4       | Emergency Response.....                                 | 9-19        |
| 9.5       | Hazardous Materials.....                                | 9-24        |
| <b>10</b> | <b>Implementation and Monitoring .....</b>              | <b>10-1</b> |
| 10.1      | Responsibilities.....                                   | 10-1        |
| 10.2      | The Plan and The Regulatory System.....                 | 10-2        |
| 10.3      | Implementation Guide For Project Review.....            | 10-5        |
|           | <b>Bibliography.....</b>                                | <b>B-1</b>  |
|           | <b>Glossary.....</b>                                    | <b>G-1</b>  |
|           | <b>List of Acronyms .....</b>                           | <b>A-1</b>  |

# List of Figures

|  |      |
|--|------|
| Figure 1-1: Planning Area .....  | 1-6  |
| Figure 2-1: Historical Growth of Yuba City .....                         | 2-2  |
| Figure 3-1: General Plan Diagram .....                                   | 3-3  |
| Figure 4-1: Urban/Rural Edge .....                                       | 4-4  |
| Figure 4-2: Gateways and Entries.....                                    | 4-5  |
| Figure 4-3: Route 20 Corridor .....                                      | 4-9  |
| Figure 4-4: Route 99 Corridor .....                                      | 4-10 |
| Figure 4-5: Parkway Design Concepts .....                                | 4-13 |
| Figure 4-6: Parkway Configuration Near a Public Open Space.....          | 4-14 |
| Figure 4-7: Sutter Street/Second Street/Garden Highway .....             | 4-17 |
| Figure 4-8: Bridge Street Corridor .....                                 | 4-18 |
| Figure 4-9: Community Activity Centers .....                             | 4-19 |
| Figure 4-10: Housing Typology .....                                      | 4-26 |
| Figure 5-1: Roadway Network.....   | 5-7  |
| Figure 5-2: Existing Transit Service.....                                | 5-15 |
| Figure 5-3: Bike Path/Street along UPRR Right-of-Way.....                | 5-19 |
| Figure 5-4: Truck Routes .....   | 5-22 |
| Figure 6-1: Park Locations .....   | 6-4  |
| Figure 6-2: Feather River Parkway Strategic Plan.....                    | 6-7  |
| Figure 6-3: School Locations .....                                       | 6-12 |
| Figure 7-1: Water & Wastewater Facilities .....                          | 7-2  |
| Figure 8-1: Farmlands .....  | 8-6  |
| Figure 8-2: Vegetation.....  | 8-10 |
| Figure 8-3: Biological Resources.....                                    | 8-12 |
| Figure 9-1: Typical Sound Levels .....                                   | 9-2  |
| Figure 9-2: 2001 Noise Contours .....                                    | 9-5  |
| Figure 9-3: Future Noise Contours .....                                  | 9-6  |
| Figure 9-4: Land Use Compatibility For Community Noise Environments..... | 9-8  |
| Figure 9-5: Drainage Facilities .....                                    | 9-15 |
| Figure 9-6: Flood Zones .....  | 9-17 |
| Figure 9-7: 2002 Fire Stations & Service Areas.....                      | 9-21 |

# List of Tables

|  |      |
|--|------|
| Table 1-1: Correspondence Between Required Elements & General Plan Elements .....      | 1-10 |
| Table 2-1: Population Growth 1980-2000; Yuba City and Sutter County .....              | 2-3  |
| Table 2-2: Employment by Sector (Percent of Total Jobs) (2000) .....                   | 2-5  |
| Table 2-3: Projected Employment by Industrial Sector in Yuba City (2000 to 2020) ..... | 2-6  |
| Table 3-1: Existing Land Use in the Urban Growth Boundary .....                        | 3-2  |
| Table 3-2: Land Use Acreages at Plan Buildout .....                                    | 3-8  |
| Table 3-3: Housing Units and Population at Plan Buildout .....                         | 3-8  |
| Table 3-4: Housing Units by Type .....   | 3-9  |
| Table 3-5: Employment Assumptions .....  | 3-9  |
| Table 3-6: Additional Employment .....   | 3-9  |
| Table 3-7: Jobs / Housing Ratio at Plan Buildout .....                                 | 3-10 |
| Table 5-1: Traffic Level of Service Definitions. ....                                  | 5-3  |
| Table 5-2: Daily Roadway Segment Operations Summary – October 2001 .....               | 5-5  |
| Table 5-3: Peak Hour Intersection Operations Summary – 2002 Conditions .....           | 5-6  |
| Table 5-4: Major Planned Street Improvements .....                                     | 5-8  |
